(NATIONALLY ACCREDITED AT 'A' LEVEL BY NAAC)

TIRUCHIRAPALLI - 620001

Vol.2. No.1. - 2007-08

NEWS BULLETIN

December.2007

From the Office of the Principal

Dear Reader,

I am happy to inform you that many students with high marks in plus two examinations have joined our college in the year 2007-2008. Many activities, curricular and co-curricular, that took place in the last academic year and the improvement in the infrastructure in the college in the recent years must have made the parents to choose our college to admit their wards. The publicity given by the management through the cable TV and newspaper and the introduction of co-education pattern are notable reasons for the improvement in the quality of the students admitted.

Many teachers have submitted proposals to various sponsoring agencies seeking financial assistance for minor and major projects and for conducting seminars and workshops. Research papers of our teachers have also been published in reputed journals. One of the teachers, from the Department of Chemistry, has gone to the Netherlands under BOYSCAST fellowship for post-doctoral research. Many teachers participated in seminars and workshops and presented papers. All these activities go to show the research bent of mind of our staff.

A Faculty Development Programme on "Soft Skills" conducted on 31st Aug and 1st Sep 2007 was well attended by teachers and requests for such programmes in future have been made by them.

Efforts are being taken to improve the pass percentage of students in university examinations by conducting remedial coaching classes. A study centre has been established with a set of books for the benefit of students who prepare for competitive examinations. The centre would also give room for students studying after college hours. Coaching

classes for SC\ST students appearing for competitive examinations and remedial classes for SC\ST students are being conducted regularly. A music teacher has been employed part-time to train our students in keyboard and drums. Music instruments worth Rs.30,000/- have already been procured.

To generate interest in the extra-curricular activities, the college plans to introduce annual NACOFEST (National College Festival) from this academic year and the first of its kind will be held in February 2008.

Our college website www.nct.ac.in has already been launched and the official launching would take place shortly. Browsers can view the website. Annual Quality Assurance Report (AQAR) submitted to NAAC will be uploaded in our college website soon. Suggestions to improve the website are invited.

Principal

From the Secretary's desk

Dear Reader,

The two issues of this bulletin published during the academic year 2006-2007 were well received by you. I have received encouraging feedback too. I am happy to note that our efforts were well appreciated and my congratulations go to the editorial board. The overall activity of the college has improved in leaps and bounds. Each and every department is now evincing great interest in conducting seminars, workshops, meetings and other student-related programmes. The teachers have demonstrated their high-level of motivation by involving themselves a lot more in campus activities.

Editorial Board : Dr.K.Anbarasu, Principal, Prof.A.Krishnamoorthy, Vice-Principal,
Prof.K.Srinivasan, Dr.S.Easwaran, Prof.D.E.Benet, Dr.S.Chitra
Phone: Principal- 0431-2482995; Off-0431-3202971; Fax- 0431-2481997

www.nct.ac.in

(FOR PRIVATE CIRCULATION ONLY)

Our plans to start new courses like MCA, MBA, B.Sc. (IT) and M.Sc. (IT) are progressing in all earnestness in the right direction.

Infra-structure development always gets the top priority. Work is in progress to refurbish department staff rooms. Laying of bitumen roads and lighting the campus are also underway.

The odd semester of 2007-2008 saw hectic activities. We have had campus interviews and our students have been selected by various companies.

This year, we will be fielding our "Women Cricket Team" during the Golden Jubilee Celebrations of the District Cricket Association.

This issue will give you a bird's eye view of our activities from June 07 to December 07.

I am sure you will appreciate our achievements.

Secretary

Workshops/ Seminars /Orientation Programmes

Regional Seminar on "Social Relevance of the Philosophy of Saint Ramalingam"

A one day Regional Seminar on "Social Relevance of the Philosophy of Saint Ramalingam" was organized by the Department of Philosophy on 1st August, 2007. Dr.R.Balasubramanian, Head, Department of Philosophy, welcomed the gathering. The Seminar was presided over by the Principal Dr.K.Anbarasu. Prof.Dr.G.Baskaran, Registrar, Tamil University, Thanjavur, delivered the Key-Note Address. He exhorted the students to cultivate moral values and good habits for peaceful and healthy living.

Dr.S.N.Kandaswamy, former Professor of Tamil, Annamalai, Malaysian and Tamil Universities inaugurated the seminar and presided over the I session. He spoke on the relevance of the philosophy of Saint. Ramalingam and wanted people to follow his tenets for abiding world peace. The presentation was lucid, informative and interesting.

Presiding over the II session, Dr.S.Sathiyaseelan, former Principal, Urumu Dhanalakshmi College, Trichy spoke on the significance of the philosophy of Vallalar and also interacted with students and staff members on several points of social relevance of the Philosophy of Saint Ramalingam. The Seminar was well attended by the heads of various universities and colleges, research scholars and students from all over Tamil Nadu. About 50 research papers were presented in the Regional Seminar. Dr.R.Gopalakrishnan, former Head of the Department of Philosophy, Annamalai University, gave the Valedictory Address and distributed the certificates to the participants. Prof.A.Krishnamoorthy, Vice-Principal offered felicitations. Dr.R.Balasubramanian, Head of the Department of Philosophy, was the convener of the one day Regional Seminar. Dr.E.Ravi Kumar, Lecturer in Philosophy proposed the Vote of Thanks.

Workshop on Horticulture

A One day Workshop on Horticulture was conducted by the Department of Botany on 30th August 2007. The main objective of the workshop was to create an awareness of the benefits of horticulture among homemakers. Members of Inner Wheel Club, NGOs, Service Organizations, Self-Help groups, students and research scholars from different city colleges attended the workshop. The faculty of the Department of Botany delivered lectures on various topics related to horticulture. The Reader and Head of the Department Dr.M.N.Abubacker spoke on "Ornamental Garden" Prof.S.Kamala on "Hydroponics" Dr.V.Kannan spoke on "Horticulture Techniques", Dr.B.Muthukumar on "Test Tube Plants" Dr.S.Saravanan on "Herbal Garden"

Dr.T.V.Nandagopalan on “Vegetable Garden” and Dr.E.Natarajan on “Vermiculture”. The lecture series was followed by field demonstrations on horticulture techniques. Principal Dr.K.Anbarasu, presided over the workshop and distributed the certificates to the participants. Sri.V.Chakrapani, Member, College Committee, National College, while offering felicitation, wanted the department to popularize among the public the need for improving the area of tree cover. He also wanted to curb indiscriminate expansion of cities which destroyed the arable fields. Dr.V.T.Sridharan former HOD, Department of Botany, also offered felicitation.

Orientation Programme
on “Geosciences”

An orientation Programme sponsored by Tamilnadu State Council for Science and Technology on “Geo Sciences” for School Teachers was held from 05.09.2007 to 07.09.2007. Dr.V.Radhakrishnan Registrar, Bharathidasan University, Tiruchirapalli inaugurated the programme. In his inaugural address, Dr.V.Radhakrishnan appreciated the efforts of the

Department of Geology, National College, Tiruchirapalli in popularizing the subject. He narrated the importance of geology in disaster management, mineral and fuel exploration, water resource management etc. 30 teachers from various schools in Tiruchirapalli District participated in the programme. There were 10 lecture sessions covering different topics of Earth Science. A field -cum- instructional trip to the places of geological interest around Ariyalur was also conducted to show the participants the occurrence of fossils in sedimentary formations. In his valedictory address, Thiru.Thangaiah, Chief Educational Officer, Tiruchirapalli stressed the need for the awareness of Geo Sciences among the students of Primary, Secondary and Higher Secondary classes.

Faculty Development Programme on Soft Skills

A two-day faculty development programme on “Soft Skills” was organized exclusively for the members of the teaching staff in both Aided and Unaided sections of our college. It was held on 31st August and 1st September 2007. The programme was inaugurated by Dr.V.B.Athreya, Professor and Head, Department of Economics, Bharathidasan University. He enthralled the audience by his straight talk on the present educational scenario. Sri.V.Chakarapani, Member College Committee offered felicitations. Many well known soft skill trainers, communication experts and motivational

speakers like Prof.Jayakar Chellaraj, Prof.Panchanadham, Dr.K.Boominathan, Prof.S.Sunder, Dr.Jayanthasri Balakrishnan, Prof.Garnet Fernandez and Mr.Prahalad Bharathan, HRD Manager, SCOPE International engaged the teachers in meaningful dialogues and explained the nuances of Soft Skills. Prof.R.Panchanadham spoke on the subject

"Be a Professional". He regaled the audience with many humorous anecdotal references from his career. Prof. Jayakar Chellaraj discussed how teaching could transform the lives of students and teachers themselves. According to him, leading an impactful life matters most for a teacher. Prof. Jayakar touched upon communication skills and value systems that determine the success rate of a teacher. Dr. V.K. Boominathan, in his own inimitable style, appealed to the audience to be sincere in their efforts when they play the role as classroom managers. Prof. S. Sundar enlightened the audience about the industry's expectations of students. He explained how the market forces determine the quality of students and not the institutions. Prof. Garnet Fernandez stressed the importance of character building and how it helps in our interpersonal relationships. He asked the audience to be alert towards signals of friendship and antagonism. Dr. Jayanthasri Balakrishnan spoke on "Placement Blues." She made an impassioned plea for total dedication to student welfare. She narrated her experience as motivator and how it helped many a socially and economically backward student to find placement in good companies. Mr. Prahalad Bharathan gave a first hand account of the recruitment policies and procedures of his company, SCOPE international. He narrated his own struggle and how he moved up in the career ladder. Many teachers, in their feed back, expressed the need for such periodical programmes.

Silver Jubilee Function of Zoology Department

The Department of Zoology celebrated its Silver Jubilee during 26-28th September 2007. On 26.09.2007, the day of inauguration, Mrs. Sarubala R. Thondaiman, the Mayor of Tiruchirapalli, in her inaugural speech expressed her pleasant surprise over the grand scale of Silver Jubilee celebrations. She also expressed her concern about the protection of endangered species. She released the first copy of the "Jubilee Souvenir" and the College Secretary Mr. K. Raghunathan received it. While delivering the presidential address Dr. K. Anbarasu, Principal, discussed in detail the causes and effects of the ongoing climatic changes. He pointed out that mitigation was possible only with the active participation of every individual in the society.

Immediately after the inauguration, in the forenoon session, two special lectures, the first on "Current trends in

Wild Life Research" and the second on "Insight into type-2 Diabetes Mellitus" were delivered by Dr. K. Thiayagesan, Reader Department of Wildlife Biology, A.V.C. College, Mayiladuthurai. and Dr. K. Balasubramaniam, Professor Department of Endocrinology, Dr. ALM. PGIBMS, Tharamani, Chennai, respectively.

In the post-lunch session Dr. A. Shanmugam of Porto-Nova, spoke on "Bio-diversity and Conservation of Indian Molluscs". The Zoology Alumni Association meeting held at 3.30 p.m. was attended by a large number of old students, who appreciated the growth of the Department and the College.

On the 2nd day (27.09.2007) two special lectures, one in the forenoon session by Dr. M. A. Akbarsha, Head Department of Animal Science, Bharathidasan University, Tiruchirapalli, on "Obesity epidemics of 21st century" and the other in the afternoon session on "Sea-level changes" by Dr. K. Anbarasu, Principal, National College, were delivered. Meanwhile, researchers presented papers on themes like environmental management, bio-technology and bio-diversity. The papers evoked scholarly discussions.

On the last day (28.09.2007) our Vice-Principal Prof. A. Krishnamoorthy delivered an encouraging address and cheered up the large gathering.

Zoo fest 07, an intercollegiate programme was conducted for the students of Zoology. There were elocution, essay writing, painting, quiz, mimicry and mono-acting contests. Dr. K. Ponmudi, Minister for Higher Education, distributed prizes and certificates to the winners of the contests and delivered the valedictory address. He dwelt at length on the inception of PUC and the department's progress to its present status as UG Department. Prior to the Minister's address, the vice-chancellor of Alagappa University,

Dr.P.Ramasamy felicitated the staff of the department of Zoology. He congratulated them for their bold initiative and appreciated the orderly conduct of the grand function. The Dairy development Minister, Thiru.U.Mathivanan, in his felicitation address, also praised the all round co-operation of all concerned in celebrating the function. At the end, the vote of thanks was given by the Organizing Secretary of the seminar Dr.C.Asokkumar.

ACTIVITIES OF ACADEMIC ASSOCIATIONS

Chemistry Association

The inaugural meeting of the Chemistry Association was held on 8th October, 2007 at the Santhanam A/C hall. Professor S.Ponnusamy, Government Arts College, Coimbatore delivered a lecture on "Nano Science". In his lecture, he explained the various uses and applications of nano particles.

As nano science is fast emerging as an advanced research area, he wanted many students and staff to involve themselves in the nano research activities. Earlier Thiru.K.Lakshmanan, HOD, Dept.of Chemistry welcomed the gathering and Dr.D.Saravanan, Vice-President of the Chemistry Association proposed the vote of thanks. Dr.M.Kalyanasundari, Reader, while introducing the chief guest to the audience paid encomiums by narrating the contributions made by the chief guest to the field of nano-technology.

Commerce Association

The Commerce Association of National College, Tiruchirapalli was inaugurated on 13.08.07 by Mr.V.K.Poddar,

Commissioner of Income Tax. In his inaugural address, he noted that the purpose of education was to make a human being complete in all respects, He wanted the students not to study with the sole aim of merely earning a livelihood but strive hard to develop themselves to meet the challenges ahead. He said that the advent of globalization had altered the content and complexion of Indian business. Indian companies are going global; the scope of today's commerce is not limited to mere accounting but covers vast fields of knowledge such as financial management, mergers, acquisitions & demergers, he added. Versatile managerial skills are required to manage the changes and challenges, he pointed out. He advised the students to bring name and fame to the college rather than live off its reputation.

Mr.S.Srivatsan, Chartered Accountant delivered a special address on the occasion. He emphasized the need for learning the latest. He wanted the commerce curriculum to be modified with the inclusion of latest commercial practices, acts, procedures etc. He said the syllabus had many gaps which could be filled in only by the association through its proactive role. The students should be in sync with the current affairs and developments like TRIPS, TRIMS & WTO. Only then, they can be in tune with the vibrant field of commerce.

The Principal of the College, Dr.K.Anbarasu, presided over the meeting. He observed that the Indian economy had recorded an impressive growth in recent years. He felt that the role of commerce was always crucial in any developing economy. He advised the students to take active part in the growing economy which presented tremendous opportunities. Earlier Dr.S.Sivasubramanian, Head of the Department of Commerce welcomed the gathering and Dr.R.Narayanasamy, Vice-President of the Association proposed the Vote of Thanks.

The Department of Commerce conducted an annual Environmental Awareness Day on 09.10.07 with the dictum "Cleanliness is Godliness" under the stewardship of Dr.D.Sivasubramanian, Head, Department of Commerce who has instituted a shield for the winning team.

As soon as the announcement for the competition was made, the students swung into action. With extraordinary vigour they went about cleaning the rooms. Every classroom was decorated with glittering, colourful festoons. Pictures of Gods, Great leaders and posters with inspiring messages were on display. Boys and girls had demonstrated their rangoli skills in ample measure. The variety was mind boggling. It was hard to find a place to set one's foot, thanks to the colourful display of kolams. The boys displayed their carving skills by turning the pumpkins into beautiful swans. Beetroot, carrot, and onions emerged in the form of scintillating flowers. The enthusiasm and involvement were infectious. There was a festive atmosphere all around. Prizes for classroom beautification and display of various skills were decided by a team of judges which had a tough time in view of the close competition. First prize was awarded to II M.Com & I B.Com - B students and II Prize was awarded to III B.Com - B section. I M.Com section secured the third position in the Competition. Sri.K.Raghunathan, Secretary of the College and Dr.K.Anbarasu, Principal visited all the classrooms along with the judges from other faculties and encouraged the students.

Economics Association

The Economics association conducted its inaugural meeting on 10.10.2007. Prof.D.Srinivasan welcomed the gathering. Dr.K.Anbarasu, Principal, National College, Presided

Over the function and delivered an auspicious speech. Dr.M.Therasnatham, IIS, field publicity officer, was the Chief Guest. He delivered an information-packed speech about the rural welfare measures in India. He also referred to the various schemes sponsored by the Govt. of India. It was a well attended meeting and the students raised a volley of questions to the Chief Guest. Prof.R.Subramanian vice-president of the association thanked all the participants.

English Association

The Inaugural meeting of English Literary Association was held on 22.08.2007. Speaking on the occasion on "The Role of Mass Media Today" Prof.K.Santhanam, Principal Kurinji College emphasized the need for introducing media studies in colleges. Transfer of information, knowledge and skills from one point to another for a long time depended mainly on the spoken word of teachers, supplemented by printed material and occasionally supported by audio-visual aids, he said. He also

noted that with the advancement in science and technology, media is today used in the development, organization and the summarizing phases of classroom teaching. Media today is an excellent supporting factor for the teaching-learning process and it has taken learning to a new plane in recent years, he added.

Dr.P.Manickam, HOD in charge, introduced the speaker to the audience and welcomed the gathering. Presiding over the function, the Principal Dr.K.Anbarasu stressed the importance of inculcating better reading habits among the students. Prof.S.Senthamarai Selvi, Vice-President of the Association proposed the Vote of Thanks.

Geology Association

The elite lecture on "Recent Trends in Remote Sensing and GIS" was organized by the Geology Association, on 23rd October, 2007 (Tuesday) at Secretary Sir.K.Santhanam Seminar Hall. Dr.C.J.Kumanan, Senior Lecturer, Centre for Remote Sensing, Bharathidasan University, Tiruchirapalli, was the Chief Guest. While delivering the lecture, the Chief Guest explained the basics, research, commercial and career scenario of Remote Sensing and GIS, along with technological advancements in the same. He also told that the remote

sensing had been playing a major role in all the network technologies such as roadways, railways, telephone, electricity, pipelines, drainage etc. Speaking about Indian satellite technology, he claimed that India was a late entrant in research in this field, but, today, it was one among the few bests in the world. Dr.C.J.Kumanan explained how satellite data could help in locating the natural resources, preparing hazard Zonation maps and environmental impact assessments reports. The satellite data can be a major input in analyzing Geological and Geomorphological details under the GIS environment, he added. Dr.K.Anbarasu, Principal of the College, presided over the meeting. He noted how the integration of GPS and Satellite data would give safe transportation facilities in cities. He wanted the students to learn GIS software as it would fetch them good jobs at the end of their degree programme. Earlier, Dr.V.Kumar, Reader and Head, Department of Geology, welcomed the gathering. Dr.V.Vasanthamohan, Vice-President, Geology Association, National College, proposed the Vote of Thanks.

Mathematics Association

The activities of the Mathematics Association National College were inaugurated by Prof.G.Ravindran, Head, Department of English, St.Joseph's College, Trichy-2. While delivering his inaugural address, Prof.G.Ravindran spoke on "SUCCESS THROUGH SOFT SKILLS". He explained how soft skills were measured through written test, group dynamics and interview. Highlighting the components of communicative skills, he provided guidelines for effective communication in English. Principal Dr.K.Anbarasu, who presided over the function, stressed the importance of soft skills and asked the

Philosophy Association

The inaugural meeting of the Philosophy Association for the academic year 2007-08 was held on 03.09.07. The meeting was presided over by the Principal of the College Dr.K.Anbarasu. Prof.D.J.Rengaswamy, Professor of Philosophy, Tamil University, Thanjavur delivered a lecture on "Saranagative". He spoke on bhakti and prapatti and their importance in Vaishnavism. The lecture evoked serious discussions between the audience and the Chief Guest. Prof.D.J. Rengaswamy donated several books authored by him to the College General Library. Earlier Dr.R.Balasubramanian Head, Department of Philosophy welcomed the gathering and Mr.S.Saravanan, III B.A. student proposed the Vote of Thanks.

Dr.S.Nallasivam, Professor of Saivasiddhanta, Thirupanandal gave a lecture on "Thirumuraigal" at the department of Philosophy on 24.09.2007. He expounded on the Panniru Thirumuraigal. Dr.K.Anbarasu, Principal, presided over the meeting, Prof.R.Balasubramanian welcomed the audience and Dr.E.Ravi Kumar, Lecturer proposed a Vote of Thanks.

Physics Association

The Physics Association was inaugurated on 23.08.07 by Dr.K.Ramamoorthy, Professor, Centre for Crystal Growth, Department of Physics, Bharathidasan University,

Tiruchirapalli. While delivering the lecture on “Research in Crystal Growth” Dr.K.Ramamoorthy, highlighted the recent researches carried out in India and abroad in the field of crystal growth. He described the various methods of crystal growth ranging from basic methods of crystal growth which could even be carried out in any laboratory with minimum facilities to advanced methods that need sophisticated equipment. The need for certain specific crystals was emphasized by him and he invited the young researchers to proceed in this direction. While presiding over the function Dr.K.Anbarasu, Principal, wanted the experts in the field of crystal growth to improve the technology so that the raw materials for making synthetic gems would be made easily available in our country itself instead of importing them. A huge market is available in Tiruchirapalli for the trading of the raw material as it is the leading center for the synthetic gem manufacturing and trading, he added. Miss.R.Anchana,

Research Scholar, Department of Medical Science , University of Hanover, Germany had an interactive session with the students of Physics on “Perusing Research in Both India and Abroad” on 25.09.2007. She explained in detail the ways to prepare for future research work right from the undergraduate days. Consistency in the marks scored and good communication skills are the two important requirements for getting scholarship in foreign Universities, she emphasized. She explained the advantages of doing research in European Universities that have modern pieces of equipment and other sophisticated facilities. P.G.Students participated actively in the interaction.

NATIONAL SERVICE SCHEME

UNIT - I

NSS Unit I of National College, Tiruchirapalli, P.G Department of Social Work, Jamal Mohammed College and the spastic society of Tiruchirapalli jointly organized "An Awareness programme on Cerebral palsy" on 13.09.2007. Dr.Kingsley P. Jebakumar, Consultant Paediatrician, Trichy was the Chief Guest. He delivered a motivation speech for the students. Mr.C.Santha kumar, Director Spastic Society, Trichy and Mr.A.Safeer, Lecturer, Jamal Mohamed College, Trichy addressed the gathering. Mr.S.Baranidharan, II M.S.W., Jamal Mohamed College, made the arrangement for the function and welcomed the gathering.

UNIT - III

NSS Unit III conducted a three day "Village Environmental Awareness Camp" from 10.08.2007 to 12.08.2007 in Tharagampatti.
