Minutes of the Internal Quality Assurance Cell (IQAC) held on Saturday, 26th July2025 at 10:00 a.m. at the A/C Conference Hall, Library Building, National College (Autonomous), Tiruchirappalli – 620001.

Members:

Dr. D. Muthuramakrishnan	Chairperson
Dr. S. Senthil Kumar	Coordinator
Shri. K. Raghunathan	Member from Management
Ms. Rekha Raghunathan	Member from the Management
Dr. S. Senthilnathan	Nominee- Educationalist
Dr. K. Kamakshi	Nominee- Educationalist
Dr. D. Radhika	Nominee- Industrialist
Mr. M. Karthikeyan	Nominee- Educationalist
Dr. K. Anbarasu	Nominee from Alumni/ Stakeholders
Dr. R. Venkatachalapathy	Nominee from Alumni
Dr. M. Murali	Teachers' Representative
Dr. D. Prasanna Balaji	Teachers' Representative
Dr. V. Hariharakrishnan	Teachers' Representative
Dr. M. Chandra	Teachers' Representative
Dr. M. Anusha	Teachers' Representative
CS. S. Priscilla Sherene Latha	Teachers' Representative
Mr. M. Sivanandam	Senior Administrative officer
Mr. Lingappan	II M.Sc., Applied Geology, Student Representative
Mr. Ramanujam	III B.Com., Student Representative
Ms. N. Prithika	II B.Sc., Biotechnology, Student Representative

Chairperson of the Meeting:
Dr. D. Muthuramkrishnan, Principal In-charge was appointed as the Chairperson of the Meeting as per NAAC Guidelines.

Leave of Absence:
Leave of absence was granted to Mr. M. Karthikeyan, Nominee- Educationalist and Ms. Rekha Raghunathan

Meeting Called to Order:
The IQAC meeting was called to order by the Principal (i/c) and Chairman of IQAC, Dr. D. Muthuramakrishnan

Welcome Address and Introduction of Members
The meeting began with the Chairman welcoming the IQAC members followed by a formal introduction of the members by Dr. S. Senthil Kumar, Coordinator, IQAC.

Institutional Overview
Dr. K. Anbarasu, Director, presented a brief narrative on the rich legacy and the progress of National College

Presentation of the Plan of Activities for the Academic Year 2025–2026
Dr. S. Senthil Kumar, Coordinator, IQAC, presented the proposed academic and quality-related activities planned for the year.

Item: 1 PLAN OF ACTIVITIES FOR THE ACADEMIC YEAR 2025–2026
A detailed plan of activities for the academic year of various departments was discussed and it was

"RESOLVED THAT pursuant to the proposal of planned activities of various departments placed before the IQAC panel for the academic year 25-26 the individual departments as stated below be and is hereby approved to conduct the same for the enrichment of student's academic welfare during the year"

Department of Tamil
- Pattimandram–One event per semester (Commemorating a special day)
- Intercollegiate Oratorical Competition

Department of English
- Essay Writing Competition
- Oratorical Competition

Department of Commerce
- Intercollegiate Quiz on Accounting
- Awareness Programme on Stocks and Derivatives

Department of Life Sciences/ Chemistry/ Physics/ Mathematics
- Higher Secondary/ Secondary School Teachers' Lecture Workshop

Department of Zoology
- TrainingProgrammeonOrnithologyfor+2Teachers

Department of Computer Science
- NACOTECH: Intercollegiate Programming Competition

Department of Computer Applications (BCA)
- "App Development" Training Programme

Department of Business Administration (BBA)
- Entrepreneurship Development Programme for Intercollegiate Students

Department of Chemistry
- Organization of an International Seminar

Physical Education Department
- Yoga Programme for School and College Teachers
- Intercollegiate Tournament – Trichy Region
- Inter collegiate Athletic Meet – Trichy Region
- Institutional Fitness Audit

IT & ICT Departments
- Drone Demonstrations and Training
- Robotics Competition

Item 2: ACADEMIC ENHANCEMENTS AND TEACHING-LEARNING INITIATIVES

The Management of the college has initiated efforts to implement effective teaching/ Learning techniques and after deliberations it was:

"**RESOLVED THAT** to keep in pace with the modern teaching techniques and to cater to students at large especially to students with learning impediment the following was approved by the IQAC Panel"

- Implementation/ Effective Lesson Plan Development
- Compulsory Preparation of Subject-wise Power Point and Video Resources
- Offering Extra Credit/ Value-Added Courses
- Structured Core Group and Remedial Coaching Sessions

Item 3: ACADEMIC ADMINISTRATION AND EVALUATION

It was decided to follow a structured pattern in conducting department meetings and self appraisal report and after detailed discussions it was:

"**RESOLVED THAT** the individual departments adhere to laid procedures in conduct of department association meetings and administration as following to stream line activities of the entire college"

- Budget Submission by HoDs for the AY 2025–2026
- Department Association Meetings–Two per Semester
- Endowment Lectures by Eminent Resource Persons
- Student Feedback Collection and Analysis
- Self-Assessment Reports from Faculty Members
- Implementation of K-Level Based Question Paper Design (Controller of Examinations)

Item 4: STUDENT SUPPORT AND ENGAGEMENT

The College and Management acknowledge the importance of extension activities of students and the role of Alumni in the development of our college and it was:

"RESOLVED THAT the student support activities and Alumni be strengthened as mentioned below to have a wide reach in the society and to involve Alumni in the growth of the college.

- Strengthening of Alumni Association Activities
- NSS: Effective Implementation of Village Adoption Scheme
- NCC: Intercollegiate Cadet Competition in Collaboration with Trichy NCC Group
- Employment Training Programmes and Finishing School Initiatives (Placement Cell)
- Digitization of rare books (Out of 7,066) and RFID tagging of 5,000 books this year (Library)

"FURTHER RESOLVED THAT the digitalization of rare Books be made to benefit and encourage students to read"

Item 5: TRAINING OF NON-TEACHING STAFF

Understanding the need of computer skills, the management took initiative in compulsory computer training for the non- teaching staff and it was:

"**RESOLVED THAT** mandatory Training in Typing and Computer Skills be given to Non-teaching staff of the college"

Item 6: MANAGEMENT-INITIATED ACADEMIC SUPPORT

To encourage Faculty/ Researchers to enhance their skills and to lend them support in their research work, it was:

"RESOLVED THAT the faculty of the college be and are hereby granted support and benefits from the Management to encourage them to excel in their academic pursuit"

- Provision of Seed Money for Research Projects
- Fellowship Scheme for Research Scholars
- Incentive for Research Publications in Peer-Reviewed Journals (Impact Factor>3)
- Travel Support of Rs.10,000/-for Teachers and Scholars undertaking Foreign Academic Visits
- Selection of Two Departments for Complete ICT Enablement
- Encouraging Participation of Unaided Staff members in Orientation/Refresher Courses in BDU/ Other Universities
- Last Working Day–Staff Social Gathering & Semester-End Meeting

EXPERT OBSERVATIONS AND DELIBERATIONS

The Chairman invited the external experts to offer their observations, suggestions and recommendations for further strengthening the institution's quality assurance framework. The members appreciated the comprehensive academic planning presented by the IQAC and made several valuable recommendations.

Suggestions of Dr. S. Senthilnathan

Dr. S. Senthilnathan emphasized the need to:

- formulate a comprehensive institutional quality policy;
- strengthen teaching-learning evaluation;
- improve research and publication culture;
- encourage participation in refresher courses;
- standardize evaluation practices through faculty training;
- establish collaborations with national research institutions;
- strengthen alumni engagement; and
- effectively utilize the e-Samarth platform for institutional administration.

Suggestions of Dr. R. Venkatachalapathy

Dr. R. Venkatachalapathy recommended:

- establishing stronger coordination between IQAC and academic departments;
- involving non-teaching staff in quality initiatives;
- improving answer script evaluation;
- encouraging every faculty member to publish at least one research paper every semester;
- creating exclusive departmental e-mail IDs;
- implementing rigorous data validation mechanisms;
- introducing fee waivers for meritorious students;
- strengthening alumni endowments;
- expanding village adoption programmes; and
- publishing an IQAC e-magazine highlighting faculty achievements.

Suggestions of Dr. K. Kamakshi

Dr. K. Kamakshi suggested:

- systematic implementation of NPTEL courses;
- department-wise result analysis;
- faculty certification programmes;
- structured exit feedback;
- strengthening alumni networking through LinkedIn.

Suggestions of Dr. D. Radhika

Dr. D. Radhika emphasized:

- micro-level data collection;
- alignment of quality initiatives with NAAC criteria;
- identification of signature departments;
- strengthening Industry–Academia collaborations;
- promoting internships;
- mobilizing scholarships;
- introducing short-term certificate programmes;
- organizing workshops on Indian Knowledge Systems;
- signing MoUs with industries;
- promoting EDII initiatives;
- encouraging Hackathon participation; and
- developing departmental newsletters managed by students.

Suggestions from Student Representatives

The student representatives requested that:

- NPTEL courses be integrated into the curriculum wherever feasible;
- at least one workshop be organized every semester; and
- career guidance programmes commence from the first year of study.

CONCLUSION OF DELIBERATIONS

The Chairman thanked the external experts and student representatives for their constructive observations. The IQAC noted that the recommendations were highly relevant to the institution's long-term quality enhancement efforts.

"**RESOLVED THAT** the recommendations of the external experts and student representatives be taken on record and examined for phased implementation through IQAC action plans, AQAR and departmental strategic plans and future quality initiatives, wherever feasible."

VOTE OF THANKS

There being no other business to transact, the meeting concluded with a vote of thanks proposed by Dr. P. Jaikumar, Deputy Coordinator, IQAC, who thanked the Chair, management representatives, external experts, faculty members, alumni, administrative staff and student representatives for their active participation and valuable contributions.

ACTION TAKEN REPORT

On the Resolutions and Recommendations of the Internal Quality Assurance Cell (IQAC) Meeting held on 26 July 2025

ACADEMIC YEAR 2025- 2026

The Internal Quality Assurance Cell (IQAC) of National College (Autonomous), Tiruchirappalli held a meeting on 26 July 2025, during which several academic, administrative, research and quality enhancement initiatives were deliberated upon and approved for implementation. Subsequently, the College initiated systematic efforts to implement the approved resolutions through its academic departments, administrative offices and support services in alignment with the institutional vision and NAAC quality benchmarks.

This Action Taken Report highlights the progress made in implementing the approved resolutions and reflects the institution's continued commitment to academic excellence, quality assurance and continuous institutional improvement.

Item 1: Plan of Activities for the Academic Year 2025–2026

Department of Tamil

Action Taken: The Department organised special lectures, literary events and debate programmes commemorating the life, literary contributions and social vision of MahakaviSubramania Bharathiyar. A series of invited lectures by distinguished scholars from various institutions was also organised to enrich students' literary appreciation, communication skills and critical thinking.

Implementation in Progress: Preparatory arrangements have been initiated for organising the Intercollegiate Oratorical Competition as part of the Department's annual academic activity calendar.

Department of English

Action Taken: The Department successfully organised Essay Writing and Oratorical Competitions to enhance students' language proficiency, analytical thinking, creative expression and public speaking skills.

Departments of Life Sciences, Chemistry, Physics and Mathematics

Action Taken: A Lecture Workshop for Higher Secondary and Secondary School Teachers was organised with active participation from school teachers. The programme served as a platform for disseminating recent developments in science and promoting scientific awareness among school teacher through interaction with subject experts.

Department of Zoology

Action Taken: The Department organised special lectures and field-based learning programmes on Ornithology, providing students with practical exposure to avian diversity, field identification techniques and biodiversity conservation.

Implementation in Progress: The proposed Ornithology Training Programme for Higher Secondary School Teachers is being planned in consultation with educational institutions and will be organised as part of the Department's outreach initiatives.

Department of Computer Science

Action Taken: The Department successfully organised NACOTECH – Intercollegiate Programming Competition, providing an excellent platform for students to demonstrate their coding skills, logical reasoning and innovative problem-solving abilities.

Department of Computer Applications (BCA)

Action Taken: The Department conducted an App Development Training Programme to provide students with practical exposure to contemporary mobile application development and emerging software technologies.

Department of Commerce

Action Taken: The Department organised awareness programmes on Stocks, Investments and Derivatives, enabling students to understand the fundamentals of financial markets, investment planning and contemporary trading practices.

Implementation in Progress: Preparatory measures are underway for organising the Intercollegiate Quiz on Accounting, with the Department coordinating the programme as part of its forthcoming academic activities.

Department of Chemistry

Implementation in Progress: The Department has initiated the necessary academic and administrative preparations for organising the proposed International Seminar.

Planning is progressing in a phased manner, including the identification of resource persons, establishment of collaborative partnerships and coordination of logistical arrangements. The seminar will be organised as part of the Department's approved academic activity plan.

Department of Business Administration

Implementation in Progress: The Department has initiated planning and stakeholder coordination for organising the Entrepreneurship Development Programme for Intercollegiate Students, which forms part of its annual academic enrichment initiatives.

Department of Physical Education

Action Taken: The Department successfully organised the Intercollegiate Women's Handball Tournament and celebrated International Yoga Day with enthusiastic participation from students and staff. The Yoga Day programme created widespread awareness on physical fitness, mental well-being and healthy lifestyle practices.

Implementation in Progress: The Department is actively coordinating the organisation of the following activities as part of its annual sports development plan:

- Yoga Programme for School and College Teachers
- Intercollegiate Tournament – Tiruchirappalli Region
- Intercollegiate Athletic Meet – Tiruchirappalli Region
- Preliminary activities relating to the Institutional Fitness Audit have been initiated. The Department is systematically evaluating the existing fitness and sports infrastructure to facilitate comprehensive assessment and future development.

Departments of Information Technology and ICT

Action Taken: The Departments organised Drone Demonstration and Training Programmes to familiarise students with emerging technologies and their practical applications.

Implementation in Progress: Preparatory activities have been initiated for organising a Robotics Competition to encourage innovation, automation skills, interdisciplinary learning and technological creativity among students.

Summary of Action Taken under Item 1: All the departments have implemented a broad spectrum of curricular, co-curricular and extension activities in accordance with the approved Plan of Activities for the Academic Year 2025–2026. These initiatives have significantly enriched the teaching–learning environment, strengthened student engagement and promoted academic excellence. Activities requiring extended planning, external collaboration or inter-institutional coordination are progressing systematically through the respective departmental action plans and will be implemented in a phased manner during the academic year.

Item 2: Academic Enhancements and Teaching–Learning Initiatives

Action Taken:

- The College constituted Core Groups comprising academically outstanding students from each class to provide advanced academic mentoring, leadership development and additional training opportunities aimed at fostering their holistic intellectual and personal growth.

Implementation in Progress:

- Departments are progressively strengthening Remedial Coaching initiatives to provide structured academic assistance, subject-specific guidance and focused learning support for students requiring additional academic intervention.
- The preparation of subject-wise PowerPoint presentations and video-based learning resources is progressing across departments to strengthen ICT-enabled teaching and facilitate blended learning practices.
- Departments are also actively expanding the portfolio of Extra Credit and Value-Added Courses to equip students with additional employability skills, interdisciplinary knowledge and industry-relevant competencies in accordance with programme requirements.

Item 3: Academic Administration and Evaluation

Action Taken:

- In accordance with the resolutions of the IQAC, Department Association Meetings were conducted regularly to promote academic interaction, student participation and departmental activities.

- Several Endowment Lectures were organised featuring eminent academicians, researchers and industry experts, providing students and faculty with valuable insights into contemporary developments and emerging trends in their respective disciplines.
- A structured mechanism for Student Feedback Collection and Analysis was effectively implemented across departments. The feedback received from students was analysed systematically and communicated to the respective departments for continuous improvement of the teaching–learning process.
- All Heads of Departments submitted their budget proposals for the Academic Year 2025–2026, facilitating systematic academic planning and effective utilisation of institutional resources.

Implementation in Progress

- The framework for the submission of Faculty Self-Assessment Reports has been initiated as part of the institution's quality assurance and academic performance monitoring system. Necessary guidelines and implementation modalities are being developed for phased adoption across the institution.
- The K-Level Based Question Paper Design, introduced to strengthen competency-based assessment and outcome-oriented evaluation, is being progressively implemented under the guidance of the Controller of Examinations.

Item 4: Student Support and Engagement

Action Taken:

- The Placement Cell organised a series of Employment Training Programmes aimed at enhancing students' employability skills, aptitude, communication abilities and career readiness.
- The Library continued the phased digitisation of rare books and RFID tagging of library resources, thereby strengthening digital library services and improving access to learning resources.
- Alumni engagement was further strengthened through departmental alumni interactions, networking activities and collaborative initiatives, enabling alumni to contribute meaningfully to the academic and professional development of students.

Implementation in Progress:

- The proposed NCC Intercollegiate Cadet Competition, in collaboration with the Tiruchirappalli NCC Group, is under active coordination and forms part of the institution's student leadership and personality development initiatives.
- The Finishing School Programme continues to be strengthened through the placement cell and respective departments with focused training in communication skills, aptitude development, interview techniques and career preparedness.

Item 5: Training of Non-Teaching Staff

Action Taken:

- In accordance with the recommendation of the IQAC, mandatory training programmes in typing and computer applications were initiated for non-teaching staff members to enhance digital competency, improve administrative efficiency and strengthen technology-enabled office management practices. The training initiative has contributed towards improving the quality and efficiency of administrative services provided by the institution.

Item 6: Management-Initiated Research and Academic Support

Action Taken:

- The Management continued to promote research and academic excellence by extending Seed Money to encourage faculty members to undertake research projects and innovative academic initiatives.
- Research Fellowship Schemes for research scholars were implemented to strengthen research activities and encourage quality research output.
- Faculty members were encouraged and supported to participate in Orientation Programmes, Refresher Courses, Faculty Development Programmes and other professional development initiatives conducted by Bharathidasan University and other recognised institutions.

Implementation in Progress:

- The institutional policy relating to research publication incentives is being strengthened to further encourage publications in peer-reviewed and high-impact journals.
- Complete ICT enablement of the identified academic departments is progressing in a phased manner to promote technology-integrated teaching and learning.

- Institutional support for international academic visits by faculty members and research scholars continues to be extended in accordance with the approved policy and the availability of financial resources.
- The Management continues to encourage the participation of unaided faculty members in Orientation and Refresher Courses conducted by Bharathidasan University and other recognised universities as part of their professional development.
- The proposal for reviving the Last Working Day Staff Social Gathering and Semester-End Meeting is presently under institutional consideration as part of initiatives to strengthen staff engagement and promote a collaborative academic environment.

ACTION TAKEN ON THE SUGGESTIONS OF THE EXTERNAL MEMBERS OF IQAC

Action Taken:

The recommendations offered by the external experts and stakeholder representatives were carefully examined by the IQAC and communicated to the respective departments for phased implementation. Several initiatives have since been incorporated into the institutional quality assurance framework, resulting in measurable improvements in academic planning, teaching-learning processes and institutional governance.

The following initiatives have been undertaken in response to the recommendations of the IQAC members:

- Institutional quality initiatives focusing on teaching–learning, research, innovation and best practices were strengthened through coordinated departmental action plans.
- Faculty members were encouraged to participate in Orientation Programmes, Refresher Courses, Faculty Development Programmes and other professional development initiatives to enhance their academic and pedagogical competencies.
- Alumni engagement was strengthened through departmental alumni interactions, networking activities and collaborative initiatives, fostering stronger stakeholder participation in institutional development.

- Measures were initiated for the effective implementation and promotion of NPTEL Courses to encourage self-paced learning and enhance students' academic competencies.
- Workshops, seminars and awareness programmes on Indian Knowledge Systems (IKS) were organised to promote interdisciplinary learning and create awareness of India's rich knowledge traditions.
- Students were actively encouraged to participate in Hackathons, innovation challenges and entrepreneurship-oriented competitions, thereby promoting creativity, problem-solving abilities and innovation.
- Systematic practices for the evaluation of answer scripts were strengthened to enhance transparency, consistency and academic quality.
- Departments initiated the use of exclusive departmental e-mail communication systems to facilitate efficient academic communication and documentation.

Implementation in Progress

- The institution continues to strengthen Industry–Academia collaborations to facilitate internships, industrial exposure, collaborative training programmes and enhanced employability opportunities for students.
- Efforts are also underway to establish additional Memoranda of Understanding (MoUs) with industries, research organisations and academic institutions to support curriculum enrichment, collaborative research, skill development and knowledge exchange.
- Departments are progressively strengthening result analysis mechanisms to monitor academic performance, identify slow learners and support evidence-based academic interventions.
- The implementation of a structured Exit Feedback mechanism for outgoing students is progressing to facilitate stakeholder feedback and support continuous quality enhancement.

OVERALL OUTCOME

The Institution has made commendable progress in implementing the resolutions and recommendations approved during the IQAC Meeting held on 26 July 2025**.** Through the concerted efforts of the academic departments, administrative offices and support services,

the approved initiatives have strengthened teaching–learning, research, student support, academic administration and institutional quality assurance.The implementation of these initiatives has contributed to enhancing student learning, promoting research and innovation, strengthening stakeholder engagement and fostering a culture of continuous quality enhancement in alignment with the Vision and Mission of the College and the quality benchmarks prescribed by the National Assessment and Accreditation Council (NAAC).

While the majority of the approved initiatives have been successfully implemented, a few long-term activities requiring phased execution and external collaboration are progressing in accordance with the institutional action plan. The IQAC shall continue to monitor and review these initiatives to ensure their effective implementation and sustained institutional development.

ANNEXURES

The following documents are enclosed as supporting evidence for the implementation of the resolutions and recommendations presented in this Action Taken Report:

Annexure I – Report of the College Day Celebrations (AY 2025–2026)
Annexure II – Report of the Annual Sports Day Celebrations (AY 2025–2026)
Annexure III - Convocation Day Report (AY 2025-2026)
Annexure IV – National College News Bulletin – Volume 20, Number 1
Annexure V – National College News Bulletin – Volume 20, Number 2

The above documents collectively provide detailed evidence of the academic, co-curricular, research, extension, student development and institutional quality enhancement activities undertaken during the academic year and substantiate the implementation of the resolutions approved by the IQAC Governing Body.

ANNUAL REPORT FOR THE YEAR 2025-2026

Presented By

Dr. D. Muthuramakrishnan

Principal i/c, National College, Tiruchirapalli-1

I feel honored and privileged to present the 107th Annual Day Report of our esteemed institution for the academic year 2025–2026.This report highlights the significant milestones, academic accomplishments, and holistic development achieved by our students and faculty during the year. Our institution continues to uphold its tradition of nurturing young minds, fostering values, and striving for academic distinction.

MoU Signed

1. National College (Autonomous), Tiruchirappalli, signed a MoU with the Q-Gate Infotech Private Limited, Bengaluru, Karnataka on 29 March, 2025.
2. National College (Autonomous), Tiruchirappalli, signed a MoU with the Siddhanta Knowledge Foundation, Chennai, on August 6, 2025.
3. The Geobiotechnology Laboratory of National College, under the initiative of Dr. S. Senthil Kumar, Scientist In-Charge & Asst. Professor (SS) of Botany has signed a Memorandum of Understanding (MoU) with the Research Centre for Water Science and Technology (RC-WST), University of Zululand (A Govt University), KwaZulu-Natal, South Africa on 21th August 2025
4. The Department of Information Technology at National College (Autonomous), Tiruchirappalli, organized an MoU Signed Seminar titled “From Chatbots to Coworkers” on 29th December 2025.
5. The Department of B. Voc ICT, National College (Autonomous), Tiruchirappalli, signed a MoU with The Department of Artificial Intelligence and Data Science, K. Ramkrishna College of Engineering and Technology, on January 3, 2026.
6. The Department of Chemistry (UAP) National College (Autonomous), Tiruchirappalli signed a MoU with Srimanakula Vinayagar College of Arts and Science Puducherry, on 13.02.2026.
7. The Department of B. Voc ICT, National College (Autonomous), Tiruchirappalli, signed a MoU with DigiDARA Technologies on January 29, 2026.
8. The Department of History, National College, signed a Memorandum of Understanding (MoU) with Arasu college of Arts and Science for Women Karur, on September 15, 2025.on 15 September 2025

9. The Department of Geology signed a MoU with Hydro Development and Research Analytics Pvt. Ltd (HYDORA), Karaikudi, Sivaganga, Tamil Nadu for academic and research collaboration on 12.12.2025. Dr. N. Jawahar Raj is the Chairman of the Consultative Body and Dr. C. Thivya, Dr. P. Karthick of the Department of Geology are the members of the consultative body in executing the MoU.
10. The Department of Geology signed a MoU with Aqua Forge Robotics Pvt. Ltd., Tuticorin, Tamil Nadu for academic and research collaboration on 12.02.2026. Dr. S. Venkatramanan, Dr. K. Radhakrishnan and Dr. Karung Phaisonreng Kom are the members of Consultative Body.

Graduation Day

- ❖ The Graduation Day for Arts graduates was held on Tuesday, 07 April 2026 at Dr. V. Krishnamurthy Auditorium. The event was presided over by the Chief Guest Dr. Sheela Ramachandran, Pro Chancellor, Atmiya University, Rajkot, Gujarat.
- ❖ The Graduation Day for Science graduates was held on Thursday, 09 April 2026 at Dr. V. Krishnamurthy Auditorium. The event was graced by the Chief Guest Dr. V. Geethalakshmi, Former Vice Chancellor, Tamil Nadu Agricultural University, Coimbatore. Degrees were conferred upon the graduating students of the Arts and Science stream in a dignified ceremony. The occasion marked a proud milestone celebrating academic achievement and future aspirations of the graduates.

Alumni Association

The Alumni Meet 2026 was held on 08th February 2026 at the college premises. The event witnessed enthusiastic participation of more than 200 alumni, fostering a strong sense of connection and institutional pride. On this occasion, distinguished alumni Rtn. S. Chidambaram, Dr. S. Ramesh, and Dr. E. M. T. Velu were honoured with the "Distinguished Alumni Award" in recognition of their outstanding professional achievements and contributions to society.

New Courses Introduced

Bharathidasan University, Triuchirappalli has given affiliation to start BBA Aviation management & Data Science programmes.

Research and Faculty Development

- ★ **3** Teachers of our College have qualified themselves for the award of Ph.D Degree. (**Annexure - IA**)

- ★ **5** Teachers of our College have qualified themselves to clear NET/SET. (**Annexure - IB**)
- ★ **18** Research Scholars of our College have been awarded Ph.D. **(Annexure –II)**
- ★ Teachers & Research Scholars of our College have published **194** Research Papers (**Annexure III**)
- ★ **28** Books /book chapters have been published by the Teachers (**Annexure IV**)
- ★ **12** Patents have been received by our faculty members (**Annexure V**)
- ★ **103** Papers have been presented by the Teachers and the Research Scholars in National and International Seminars/Workshops/Conferences. (**Annexure VI**).
- ★ Teachers invited by other institutions as Resource Person/Chief Guests/Judges. (**Annexure VII**).
- ★ Teachers have attended Orientation/Refresher Courses (**Annexure VIII**).
- ★ Teachers have successfully completed Training Programmes/Short-Term Courses/Certification Programmes **(Annexure IX)**
- ★ Teachers have attended National and International Seminars / Workshops / Conferences. (**Annexure X**).
- ★ This year, each department successfully conducted four Association meetings, coordinated under the able guidance of the Association Vice Presidents. **(Annexure - XI)**

Grants Received

1. Dr. M. Chandra, Assistant Professor & Head, Department of Business Administration, National College, Tiruchirappalli, organized a six-day AICTE-sponsored Faculty Development Programme (FDP) titled "Bridging Academia and Enterprise: FDP on Start-Up Culture and Innovation" from 15 June 2025 to 20 June 2025, with a grant of Rs. 3,50,000 sponsored by All India Council for Technical Education, New Delhi. Seed Money of Rs.23000 from our college
2. The Department of Bio-Technology, Microbiology, and Bio-Informatics received and generated funds from various sources, significantly supporting its academic and research activities. The highest grant of ₹27,80,000 was received under the DBT-PGT Scheme, benefiting 206 students and strengthening postgraduate teaching and research. This was followed by ₹199,404 generated through consultancy services, internships, training programs, and research initiatives involving multiple institutions. Additionally, Prof. K. Varuna, Asst. Prof., received ₹40,000 under the Institutional Seed Money Grant Scheme to promote research development. In total, the Department of BMB secured

₹3,019,404, demonstrating its strong commitment to research excellence, skill development, and academic collaboration.

3. Dr. R. Arvindh, Asst. Prof. & Head of Bank Management, received a financial grant of Rs. 70,000 from ICSSR-SRC for organizing a two-day National Seminar on *"*Indian Knowledge Systems in Business and Management: Reviving Indigenous Wisdom for Sustainable and Inclusive Growth*"* held on 26th and 27th February 2026.
4. Dr. R. Arvindh received a financial grant of Rs. 25000 as seed money for the project "Transitioning from a traditional curriculum to large learning modules : reshaping education in the age of Industry 4.0" for the year 2025-2026 from National College (Autonomous), Trichy.
5. Dr. M. Vasan and Dr. R. Natarajan, Department of Commerce Aided, received a research grant from ICSSR, New Delhi, for their project titled "The Pradhan Mantri Vidyalaxmi Scheme as a Catalyst for Higher Education: An Impact Assessment among Beneficiaries in Tamil Nadu." The sanctioned amount was **₹15,10,000,** and the project was approved on 15 March 2026.
6. Dr.S.Senthil Kumar (Co-PI), Department of Botany, has been sanctioned a grant of **19.87.** Lakhs by the Government of Tamil Nadu for a major research project on utilization of plant waste into eco-friendly containment materials.
7. Dr. Suresh Kumar, Librarian, has received a grant of **Rs. 2,00,000/-** from the Raja Rammohun Roy Library Foundation (RRRLF), Ministry of Culture, Government of India, to organize a two-day international conference titled "New Generation of Libraries for Literacy and Lifelong Learning (NGLLLL)" held on 29th and 30th January 2026.
8. Dr. S. Pavithra, received a grant of **Rs. 80000** from ICSSR-CSR to conduct a 2-day national Seminar on "Next Generation GST reforms and India's Socio-Economic Reset: Institutional, Sectoral and welfare dimensions under the 2025 GST Council Regime".
9. Dr. Karthikeyan received a grant of ₹**1,10,000** from the Forum for Life Long Learning, New Delhi, for the project titled "Ecosystem: A Digital Humanities Initiative for Linguistic Preservation," and also successfully completed a consultancy assignment worth **₹30,000** for Saranathan College of Engineering on the theme "Empowering Students for Competitive Employability."
10. Dr. K. Radhakrishnan, Dr. Venkatramanan, and Dr. Karung Phaisonreng Kom Asst.Prof. of. Geology has received seed money (of Rs. **21,000/-**) for research (Scheme for Faculty Members) from our College Management on December 17th 2025.

11. Dr. C. Thivya and Dr. P. Karthick, Assistant Professor, Department of Geology, National College (Autonomous), Trichy, Organized a National Conference on Sustainable Management of Groundwater Resources for Future Development under the Climate Change Scenario on 12th &13th December 2025 they received a funding support from National Bank for Agriculture and Rural Development (NABARD) (Rs.**1,50,000**/-), Hydro Development & Research Analytics Pvt. Ltd. (HYDORA) (Registration kit and Best paper presentation award honorarium) and Indian Bank (Rs. **50,000**/-).

Faculty: Notable special achievements/ recognitions/Awards

Biotechnology, Microbiology & Bioinformatics (BMB)

1. Prof. K. Varuna, Asst. Prof. BMB, won the Best Poster Presentation Award with a cash prize of Rs. 8000/- at the SRASS 2026, organized by Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, Chennai, held on 20 Feb 2026.

66. It also organized a one-day workshop titled "Career Pathways in Gymnastics" on 1st September 2025. The resource person for the workshop was Mr. P. Ragul, an F.I.G. Certified Coach, National Medalist, and the Founder of GymnoRa Gymnastics in Chennai.
67. The Department of Physical Education, in association with NSS Units I, II, III & IV of National College (Autonomous), organized the "We the 100 – Youth Empowerment Program" on 10th October 2025 at Ramakrishna Math, Village Empowerment Center, Thanjavur.
68. The PG Research Department of Physical Education hosted an inspiring special lecture titled "Arise, Awake, and Stop Not till the Goal Is Reached." Chief Guest Swami Govindeshananda, Director of Ramakrishna Math, Mylapore, delivered a motivational talk rooted in the teachings of Swami Vivekananda.

Physics

69. The Department of Physics organized a series of guest lectures during the academic year, featuring distinguished experts such as Er. A. Mala, Senior Manager, TT&DC, TANGEDCO, Tiruchirappalli, who delivered a lecture on *Energy Conservation and Electrical Safety* on 31 July 2025.
70. Dr. S. Manivannan, Professor, National Institute of Technology, Tiruchirappalli, who spoke on *Opportunities in Nanocarbon* on 07 October 2025.

71. Dr. R. Sambasivam, Associate Professor and Head (Retd.), Department of Physics, Urumu Dhanalakshmi College, Tiruchirappalli, who presented *Great Physicists: Known News and Unknown Facts* on 24 December 2025.
72. Dr. V. R. Sarma Dhulipala, Assistant Professor (Senior Grade), Department of Physics, Anna University BIT Campus, Tiruchirappalli, addressed the topic *Advances in Nanoelectronics: Opportunities and Challenges* on 16 February 2026.

Library Science

73. An NPTEL awareness workshop was organized for postgraduate students on 24th July 2025. The session introduced students to SWAYAM-NPTEL online courses, guided them in course registration and selection, and emphasized the academic and career value of NPTEL certifications.
74. On 8th January 2026, the Department of Library and Information Science and the District Central Library, Tiruchirappalli, jointly organized an awareness seminar on the Chennai Book Fair.
75. Internship Training Programme (16–30 April 2025) - Seven 2nd-year students from Bishop Heber College, Tiruchirappalli, successfully completed a 7-days Internship Training Programme at the Learning Resource Centre, National College, from 16th to 21st February 2026.
76. A CIBF (Chennai International Book Fair–2026) Exhibition Awareness Programme was organized by the NCT Library and District Central Library, Government of Tamil Nadu, on 08 January 2025, with Dr. S. Karuthan as the chief guest, who delivered a talk on *"Tamil Nam Verum Veechum"*.

Sanskrit

77. The Department of Sanskrit organized a One Day National Seminar on *"Indian Knowledge Systems for Interdisciplinary & Holistic Education."* The seminar focused on integrating traditional Indian knowledge with modern educational approaches on 4.2.2026.

Endowment Lectures

Physics

1. Dr. C.V. Raman Endowment Lecture: The prestigious annual event was held on 28.01.2026. Prof. P. Peratheepan, Vice Chancellor, Eastern University, Sri Lanka addressed the gathering on the topic "Recent Advances and Future Perspectives on Thermoelectrics."
2. Diamond Jubilee Endowment Lecture: The Physics Department's Diamond Jubilee endowment Lecture was held on 05.02.2026. Dr. Aravindharaja

Selvaraj, Assistant Professor, Gachon University, South Korea was the speaker and he delivered a talk on the topic "Nano Materials for Energy Storage Techniques- Educational Opportunities in South Korea". Dr. S. Ravi, Associate Professor has convened and coordinated the program.

அறக்கட்டளைச் சொற்பொழிவுகள்

3. 05.08.2025 அன்று முதல் தமிழ்த் துறைத்தலைவர் பண்டித ம.கோபாலகிருஷ்ணய்யர் அறக்கட்டளை சொற்பொழிவு டைபெற்றது. பேராசிரியர் சொ.சொ.மீ சுந்தரம் சிறப்பு விருந்தினராக பங்கேற்று "எல்லா பொருளும் இவர்பால் உள" என்ற பொருண்மையில் சொற்பொழிவாற்றினார் .
4. 11.12.2025 அன்று மகாகவி பாரதியார் அறக்கட்டளையின் சிறப்புச் சொற்பொழிவு நடைபெற்றது. சட்டமன்ற உறுப்பினர் முனைவர் வைகைச் செல்வன் சிறப்பு விருந்தினராக பங்கேற்று "பாரதியார் யார் ?" என்ற தலைப்பில் உரை நிகழ்த்தினார்

Faculty: Visits Abroad

1. Dr. S. Senthil Kumar, of the Botany Department, chaired a session on "Climate Change and Adaptations" at the 3rd International Conference on Earth and Environmental Sciences, held at ICC, Durban, South Africa. The conference was organized by the University of Zululand, South Africa.
2. Prof. K. Varuna presented her research findings on "Upcycling Agro-Wastes for Photocatalytic Applications" at the 7th International Research Conference – 2025 organized by the Eastern University, Trincomalee Campus, Sri Lanka, on 23 Oct 2025.
3. Dr. D. Prasanna Balaji was the Resource person for a seminar at North-West University, South Africa where he delivered a session on Ethics and Values in Sports Leadership
4. Dr. Prasanna Balaji was the resource person at an international conference on sustainable and inclusive development organized by the Interdisciplinary Research Group of Sociology of Sport (IRSS), Gazi University Institute of Education, Turkey where he spoke on Nutrition, Hydration, and Lifestyle Choices.

Students Induction/Internship Program

BBA

1. Final-year students of the Department of Business Administration — V. Ajay, S. Shamnithi, and K. Praveenkumar — completed a one-month Business Analytics Training Programme at V-Dart, Trichy.

Biotechnology, Microbiology, and Bioinformatics

2. The Department of Biotechnology, Microbiology, and Bioinformatics at National College, Trichy, successfully hosted a rigorous two-week Internship Training Program from June 20 to July 7, 2025. The program drew an ambitious cohort of participants, including ten II-year M.Sc. Zoology students from Annamalai University, Chidambaram, and four III-year B.Sc. Zoology students from Vivekanandha College, Tiruchengode. Designed to bridge the gap between theoretical knowledge and practical application, the training provided intensive hands-on experience in cutting-edge Molecular Biology techniques.
3. Hands-on Techniques in Basic Biotechnology, Bioinformatics, Microbiology, and Molecular Biology (26-11-2025 to 12-12-2025) A hands-on training program was conducted for 8 students from II BSc Biotechnology and II BSc Botany of Bon Secours College for Women (Autonomous), Thanjavur, from 26.11.2025 to 12.12.2025.
4. The Department of Biotechnology at National College (Autonomous), Trichy, successfully conducted a 30-hour intensive internship program on Bioreactor Operations and Downstream Processing for 20 first-year M.Sc. Biotechnology students from Holy Cross College, Trichy, from 05-01-2026 to 12-01-2026.
5. TRAINING PROGRAM IN MICROBIOLOGY TECHNIQUES AND APICULTURE (23 September 2025) A group of BSc Zoology students from Jamal Mohamed College, Tiruchirapalli, spent a productive day at the Department of Biotechnology, Microbiology and Bioinformatics, National College, as part of a unique hands-on training program in basic microbiology and apiculture on 23.09.2025. Dr. T. Rajarajan, Assistant Prof., Dept. of Biotechnology, Microbiology and Bioinformatics, NCT, coordinated the event.
6. TRAINING IN MAMMALIAN CELL CULTURE TECHNIQUES (17 – 21, November 2026) A specialized, five-day training program on Animal Cell Culture Techniques was successfully conducted from November 17 to 21, 2025, at the Cell Culture Facility in the Department of Biotechnology, Microbiology, and Bioinformatics. This on-request session catered to three dedicated participants: a Professor from Zoology and a PhD research scholar from Holy Cross College (Autonomous), Nagercoil, along with a scientist from Inbiotics Research Private Ltd, Nagercoil. Dr. Nightingale Sheena, Assistant Professor

of Biotechnology, coordinated the entire training initiative, providing hands-on training along with Post Graduate student experts and Dr. MS Mohamed Jaabir, Head of the Department of Biotechnology, Microbiology, and Bioinformatics.

7. Prof. K. Varuna in association with Dr. S. Senthil Kumar, Scientist In-Charge, Geobiotechnology Laboratory, organized a Capacity Building Programme on "Nature to Nanotechnology: Sustainability in Progress" on 19 Sep 2025. The session was delivered by Dr. K. Jagajjanani Rao, who outlined the core concepts of nanomanufacturing and explained their relevance to green synthesis and the development of sustainable nanomaterials for societal benefits. He emphasized how advances in nanotechnology, when guided by sustainability principles, can provide innovative solutions to environmental challenges and human well-being. The audience comprised postgraduate students of Biotechnology and Microbiology, who engaged actively and benefitted greatly from the session.

Computer Science

8. Latharagavi completed Internship in Common Aptitude Test (CAT) – CAT, Trichy – 23.06.2025
9. Viswanathan completed Internship Training in UI/ UX Design – e-Soft IT Solutions, Trichy – 24.06.2025 to 29.07.2025.
10. V. Vishwa, V. Akalya, A. Davidxavier completed Internship Training in Full Stack Development – e-Soft IT Solutions – 01.07.2025 to 16.07.2025.
11. R. Rithikkumar completed the Internship Common Aptitude Test (CAT) – CAT – 21.07.2025.
12. J. Ajay, P. Vijaya Raj completed Internship in Data Science – Extazee Software Solutions, Trichy – 08.07.2025 to 21.07.2025.
13. K. Deviharini completed the Internship Common Aptitude Test (CAT) – CAT – 14.07.2025.

ICT

14. A major highlight of the academic year was the IoT Project Expo conducted by the Department of B.Voc ICT on 06 February 2026, where 22 innovative student projects were showcased. The event was graced by Dr. S.T. Ramesh, Dean, National Institute of Technology, Tiruchirappalli, who inspired students towards innovation, problem-solving, and real-time application development

Students' Performance

The following students obtained Ranks in the Ranking Examination conducted by Bharathidasan University.

UNDER GRADUATE

SL. NO	Reg. No	Name of the Student	Programme	Rank
1	ECUA22001	MEENA S	ECONOMICS	15
2	ENUA22024	KANIMOZHI M	ENGLISH	17
3	TLUA22006	MAHALAKSHMI P	TAMIL	18
4	BBUS22043	NAGARAJ S	BBA	16
5	BCUS22032	SRI VIDYA	BCA	9
6	COUA22101	KANIKA VARSHNI	B.COM	12
7	CAUS22061	VISHNUVARTHAN K	B.COM CA	10
8	BTUS22018	SHOBANA T	BIOTECHNOLOGY	9
9	BOUA22019	PRABHA M	BOTANY	8
10	CHUA22016	KAMALESHWARI R	CHEMISTRY	14
11	CSUS22122	PRIYADHARSHINI S	COMPUTER SCIENCE	20
12	GYUA22019	ASHIKA Y	GEOLOGY	1
13	ITUS22029	KAVIYA C	INFORMATION TECHNOLOGY	14
14	MBUS22001	PRABHU M	MICROBIOLOGY	3
15	PEUS22018	JANANI A	PHYSICAL EDUCATION	1
16	STUS22001	ANUPRIYA K	STATISTICS	2
17	ZYUA22022	KAVIYA K	ZOOLOGY	21

POST GRADUATE

SL. NO	Reg. No	Name of the Student	Programme	Rank
1	ECPA23006	SANTHIYA M	ECONOMICS	18
2	ENPA23001	PRASANNA VIGNESH S	ENGLISH	6
3	TLPA23003	LOGESHWARI G	TAMIL	3
4	COPA23004	GOWSIKA P	COMMERCE	21
5	GYPS23019	ESHAA S	GEOLOGY	3
6	BTPS23015	MAHALAKSHMI R	BIOTECHNOLOGY	13
7	BOPA23001	KANIYAMUDHU A	BOTANY	3
8	CHPS23021	ARULMOZHIDEVI K	CHEMISTRY	25
9	MSPA23002	KAVIPRIYA M	MATHEMATICS	4
10	MBPS23010	ATCHAYA R	MICROBIOLOGY	3
11	PHPA23002	THRISHA J S	PHYSICS	13
12	ZOPS23010	AFRIN BANU T	ZOOLOGY	20

Students' Awards

BBA

1. Ms. Kausar Reshma S M, Ms. Karpagavalli, Ms. Sindhuja, Ms. Subiksha, and Ms. Risha, III BBA, National College (Autonomous), Tiruchirappalli got First Prize and won Rs. 4000 Cash Prize in Treasure Hunt Competition in the name of VYUHA 2026, our premier Inter-Collegiate Fest happening on 24th March 2026. The theme for this year is "THINK, ENTER, CONQUER" at the Faculty of Management at SRM Institute of Science and Technology, Tiruchirappalli.

BCA

2. Mr. Keerthivasan K, Department of Computer Applications, secured Second Place in the National Level Technical Symposium, SWAP 2K25, on 03 September 2025. DB Detectives and was awarded a Certificate of Excellence Jamal Mohamed College (Autonomous), Tiruchirappalli.

B.Com CA

3. Students of first-year B.Com CA twins Mr. S. Keerthi Varman and Mr. S. Keerthi Haran clinched Gold Medals in the international level tournament in silambam held at Indira Gandhi stadium, Puducherry.

Bio Technology, Micro Biology, and Bio- Informatics

4. Under the Mentorship of Dr. V. Miriam Sheba:
   Mr. Yokesh & Mr. Dinesh of II B.Sc Biotechnology, secured Second Prize in Poster Presentation at the Two Day International Conference on "Emerging Trends in Life Sciences and Criminoforensics-2026", organized by Srinivasan College of Arts & Science, Perambalur, held on 18.03.2026.
5. Under the Mentorship of Dr. J. Tharani:
   J. Muriel Deena and M. Thanga Pandi of II-M.Sc. Microbiology won 2nd prize - poster presentation in the National Conference on "Microbiome Centered Sustainable Approaches to Health and Environmental Monitoring " organised by Karpagam Academy of Higher Education, Coimbatore on 16th and 17th November 2025.
6. Under the combined mentorship of Prof. K. Varuna and Dr. S. Senthil Kumar of Botany, students have won 16 Best Presentation Awards. The details are as follows:
   Ms. Prithika and Mr. Mohamed Rishan of II BSc Biotechnology won the Best Poster Presentation Award in the National Conference on Recent Trends in Biological Sciences, organized by the Madhura College (Autonomous), Madurai, on 13 Feb 2026.

7. Ms. S. Deepika of II MSc Biotechnology won the Best Oral Presentation Award (with cash prize) in the 2nd International Conference on Sustainable Materials and Advances in Regenerative Technologies, organized by Sona College of Technology, Salem, on 30 Jan 2026.
8. Ms. D. Aishwarya of I MSc Biotechnology won the Best Poster Presentation Award (with Cash Prize) in the 2nd International Conference on Sustainable Materials and Advances in Regenerative Technologies, organized by Sona College of Technology, Salem, on 30 Jan 2026.
9. Ms. S. Deepika of II MSc Biotechnology secured the FIRST PRIZE in the Oral Presentation competition in the International Conference on Current Perspectives in Health, Microbial Ecology, and Sustainable Agriculture, organized by Selvamm Arts and Science College (Autonomous), Namakkal, on 09 Jan 2026.
10. Ms. D. Aishwarya of I MSc Biotechnology secured the SECOND PRIZE in the Poster Presentation competition in the International Conference on Current Perspectives in Health, Microbial Ecology, and Sustainable Agriculture, organized by Selvam Arts and Science College (Autonomous), Namakkal, on 09 Jan 2026.
11. Ms. P. Ishwarya, Research Scholar, secured the THIRD PRIZE in the Poster Presentation competition (under Scholar category) in the National Conference on Biotechnological Innovations for Vitalization, organized by St. Joseph's College (Autonomous), Trichy, on 07 Jan 2026.
12. Ms. S. Prithika and Mr. K. Kishwar of II BSc Biotechnology secured the THIRD PRIZE in the Poster Presentation competition (under Student category) in the National Conference on Biotechnological Innovations for Vitalization, organized by St. Joseph's College (Autonomous), Trichy, on 07 Jan 2026.
13. Ms. S. Deepika of II MSc Biotechnology secured the FIRST PRIZE in the poster presentation competition in the 10th International Conference on Recent Advances in Bioscience, organized by KSG College of Arts and Science, Coimbatore, on 24 Sep, 2025.
14. Ms. Priyansha Behera of II MSc Biotechnology won the Best Paper Award in the International Conference on Recent Trends in Integrative Life Sciences and Technology, organized by Nadar Saraswati College of Arts and Science, Theni, on 19 Sep, 2025.
15. Ms. S. Deepika of II MSc Biotechnology and Ms. J. Uma Santoshini of I MSc Biotechnology won the Best Presentation Award in the International Conference on Recent Trends in Integrative Life Sciences and Technology,

organized by Nadar Saraswati College of Arts and Science, Theni, on 19 Sep, 2025.

16. Ms. Priyansha Behera of II MSc Biotechnology secured the FIRST Prize in the Oral Presentation Competition in the National Conference on Bridging Innovations and Sustainability in Life Sciences, organized by St. Joseph's College of Arts and Science (Autonomous), Cuddalore, on 12 Sep, 2025.
17. Ms. S. Prithika and Mr. S. Kishwar of II BSc Biotechnology secured the FIRST Prize in the Poster Presentation Competition in the National Conference on Bridging Innovations and Sustainability in Life Sciences, organized by St. Joseph's College of Arts and Science (Autonomous), Cuddalore, on 12 Sep, 2025.
18. Ms. Priyansha Behera of II MSc Biotechnology secured the FIRST Prize in the Oral Presentation Competition conducted at the International Conference on Frontiers in Biotechnology - 2025 organized by Nandha Arts and Science College (A), Erode, held on 04 Sep, 2025.
19. Ms. P. Ishwarya, Research Scholar, secured the FIRST Prize in the Poster Presentation Competition conducted at the International Conference on Frontiers in Biotechnology - 2025 organized by Nandha Arts and Science College (A), Erode, held on 04 Sep, 2025.
20. Ms. S. Deepika of II MSc Biotechnology secured the FIRST Place in the Oral Presentation Competition in the DST and CSIR sponsored National Conference on Emerging Trends and Innovations in Biosciences, organized by J.J College of Arts and Science, Pudukkottai, held on 28 Aug 2025.
21. Ms. P. Ishwarya, Research Scholar, secured the FIRST Place in the Poster Presentation Competition in the DST and CSIR sponsored National Conference on Emerging Trends and Innovations in Biosciences, organized by J.J College of Arts and Science, Pudukkottai, held on 28 Aug 2025.
22. Under the guidance of Prof. S. Crosswin, students have won Best oral and poster presentation awards. The details are as follows:
    Ms. Snagha S of II MSc Biotechnology has won the SECOND Prize in the Oral Presentation Competition in the Driving the future with Biotechnology: Economy, Environment and Employment - BIOE3, organized by PSGR Krishnammal College for women, Coimbatore, on 24 & 25, July 2025.
23. Mr. Hariram M of III BSc Biotechnology has won the SECOND Prize in the Poster Presentation Competition in the Driving the future with Biotechnology: Economy, Environment and Employment - BIOE3, organized by PSGR Krishnammal College for women, Coimbatore, on 24 & 25, July 2025.

24. Mr. Hariram M of III BSc Biotechnology has won the FIRST Prize in the Oral Presentation Competition in the Emerging Biotechnological innovation in fisheries and aquaculture (EBIFA-2025), organized by Presidency College, Chennai, on 08 & 09 August 2025.
25. Mr. Harish Kalai Murugan V of III BSc Biotechnology has won the FIRST Prize in the Poster Presentation Competition in the Emerging Trends in Innovations in Biosciences (ETIB-2025) organized by J.J College of Arts and Science, Tiruchirappalli, on 22 & 23 August 2025.
26. Mr. Hariram M & Kishore kirubahar K of III BSc Biotechnology has won the FIRST Prize in the Poster Presentation Competition in the Innovation - Advances in Biological Sciences IABS-2025 organized by Sourashtra College (Autonomous) Madurai, on 28 August 2025.
27. Mr. Harish Kalai Murugan V of III BSc Biotechnology has won the FIRST Prize in the Oral Presentation Competition in the Innovation - Advances in Biological Sciences (IABS-2025) organized by Sourashtra College (Autonomous) Madurai, on 28 August 2025.
28. Ms. Priyadharshini S of II MSc Biotechnology has won the Best oral Presentation in the Frontiers of Cancer Biology and Biotechnology for Next-Gen innovation" (ICFCBBI-2025) organized by B.S Abdur Rahman Cresent Institute of science and technology, Chennai on 14 & 15 November 2025.
29. Mr. Shri Cibi Chakravarthi A of II MSc Biotechnology has won the Best Poster Presentation in the Frontiers of Cancer Biology and Biotechnology for Next-Gen innovation" (ICFCBBI-2025) organized by B.S Abdur Rahman Cresent Institute of science and technology, Chennai on 14 & 15 November 2025.
30. Mr. Hariram M of III BSc Biotechnology has won the Best Poster Presentation in the International Conference on Biological Insights and Innovations for Nutrition and Health (ICBINH–2025), organized by Jamal Mohamed College (Autonomous), Tiruchirappalli, on 22 December 2025.
31. Mr. Harish Kalai Murugan V of III BSc Biotechnology has won the Best Oral Presentation in the International Conference on Biological Insights and Innovations for Nutrition and Health (ICBINH–2025), organized by Jamal Mohamed College (Autonomous), Tiruchirappalli, on 22 December 2025.
32. Sri Cibi Chakravarthi A of II MSc Biotechnology has won I prize in poster presentation in “Current Perspectives in Health, Microbial Ecology and Sustainability” (ICPMS–2026), Organized by Selvam Arts and Science College, Namakkal, on 09, January 2026.

33. Lathiha S of II MSc Biotechnology has won the I prize in poster presentation in "Exploring New Frontiers in Life Science Research and Career Innovation-2026" Organized by Shrimati Indira Gandhi College, Trichy, on 02, Feb 2026.
34. Sri Cibi Chakravarthi A of II MSc Biotechnology has won the I prize in Oral presentation in "Exploring New Frontiers in Life Science Research and Career Innovation-2026" Organized by Shrimati Indira Gandhi College, Trichy, on 02, Feb 2026.
35. Priyadarshini S of II MSc Biotechnology has won III prize in Oral presentation in "Exploring New Frontiers in Life Science Research and Career Innovation-2026" Organized by Shrimati Indira Gandhi College, Trichy, on 02, Feb 2026.
36. Priyadarshini S of II MSc Biotechnology has won II prize in Oral presentation in "Biotechnology Recent achievements and Future Innovations Technologies-26 (BRAAFIT-26) Organized by EGS Pillai arts and science College, Nagapattinam, on 17, Feb 2026.
37. Sri Cibi Chakravarthi A of II MSc Biotechnology has won I prize in Oral presentation in "Biotechnology Recent achievements and Future Innovations Technologies-26 (BRAAFIT-26) Organized by EGS Pillai arts and science College, Nagapattinam, on 17, Feb 2026.
38. Lathiha S of II MSc Biotechnology has won I prize in Poster presentation in "Biotechnology Recent achievements and Future Innovations Technologies-26 (BRAAFIT-26) Organized by EGS Pillai arts and science College, Nagapattinam, on 17, Feb 2026.
39. Aashika S of II MSc Biotechnology has won II prize in Poster presentation in "Biotechnology Recent achievements and Future Innovations Technologies-26 (BRAAFIT-26) Organized by EGS Pillai arts and science College, Nagapattinam, on 17, Feb 2026

Chemistry (Aided)

40. Mr. B. Selvakumaran, a research scholar of National College, Tiruchirappalli, guided by Dr. M. Murali, has secured the highly prestigious CSIR-Senior Research Fellowship (SRF), which is the first time that any research scholar in the college has secured this award. He will be granted ₹42,000 + HRA per month from August 2025 to July 2027.
41. Ms. V. Sindhuja received the **Best Paper Award** for her research titled "Thiophene-based Biscopper(II) Complexes Mimic Functionalities of Copper Oxidases: Promiscuous Bio-inspired Green Catalysis in Mild Conditions" at the National Conference on Frontiers of Bio-inorganic Chemistry and Green

Catalysis (FBCGC-2026), organized by the Department of Chemistry, Seethalakshmi Ramaswami College (Autonomous), Tiruchirappalli.

42. Mr. B. Selvakumaran received the prestigious **ACS Catalysis Best Presentation Award** for the paper titled "Promiscuity of Mono-copper(II) Complexes: Emulating the Function of Ascorbate, Amine, and Catechol Oxidases" at the International Conference on Modern Trends in Inorganic Chemistry (MTIC-XXII), organized by the Department of Chemistry, University of Delhi, held from 18th to 21st December 2025.
43. Mr. B. Selvakumaran, secured the **Best Oral Presentation Award** for his work titled "Copper Oxidases Mimics: Structure, Spectroscopic and Catalysis of Mono-copper(II) Complexes" at the International Conference on Chemistry Innovation: Current Developments, Challenges and Future Perspectives (ICCI-2025), held at St. Joseph's College (Autonomous) in association with Bishop Heber College (Autonomous), Tiruchirappalli, on 15th and 16th September 2025.
44. Mr. B. Selvakumaran received another **Best Oral Presentation Award** for the paper titled "Mono-copper(II) Complexes: Promising Biomimetic Oxidation Catalysts" at the National Conference on Recent Trends in Chemical Sciences (RTCS-25), organized by the Department of Chemistry, Loyola College (Autonomous), Chennai, on 20th and 21st August 2025.
45. Mr. S. Shanmugavadivel was awarded the **Best Poster Presentation Award** for the research work titled "Mono-copper(II) Complexes of Cytosine and Its Derivatives: Promiscuous Catalysts and Cytotoxic Agents" at the National Conference on Recent Trends in Chemical Sciences (RTCS-25), organized by the Department of Chemistry, Loyola College (Autonomous), Chennai.
46. Mr. S. Shanmugavadivel received the **ACS Omega Best Poster Presentation Award** for the work titled "Multiple Oxidation Catalysis and Cytotoxicity of Tetrakis Copper(II) Complexes" at the 35th CRSI National Symposium in Chemistry and ACS Lectures, held at the Indian Institute of Technology Gandhinagar from 3rd to 5th July 2025.

Computer Science

1. Mr. B. Prajith venkat, of the department of Computer Science won 3 rd place in The Open State bench press dead lift championship -2025.
2. Mr. B. Prajith Venkat 1st place in Body building Junior Senior, TamilNadu Open meet- Captain Classic 2025 Body building championship at Chennai.
3. Mr. B. Prajith venkat, of the department of Computer Science 1 st place in Open District Level Body building Men's Physique championship at Lalgudi, Trichy.

4. Mr. A.M.Anandh,of the department of Computer Science, 1st place - 18th Tamil Nadu State Senior Archery Championship at Sri Sairam Engineering College, Tambaram, Chennai.
5. Ms. O.S Abdul Malik,of the department of Computer Science won 2nd place – Triple Jump, Tiruchirappalli District Athletic Association @ Anna Stadium, Trichy.
6. Mr.O.S Abdul Malik, of the department of Computer Science won 3rd – Triple Jump, at "Inter Collegiate sports tournament" held at BDU, Trichy.

1. Ms. Harini sri.M and Dhivya dharshini.T, 2nd place in Prompt engineering at Dhanalakshmi Srinivasan University, National Level Technical Symposium.
2. Mr.A.Mathew Moses, Awarded as Mr.Tyson 2025 at Rotary Club of Tiruchirappali and RYLA Rockstars in Rotaract RYLA 2025 at Kodaikanal.
3. Mr.H.Mohamed, Mr.Thoufik, Mr.S.Kalaivanan, Mr.X.Hasan Rogan, Mr.R.Madhan 2 nd prize in State level technical symposium" Analytix fest 2k26" at Bishop heber college, Trichy.

Economics

4. Ms. B. Bhuvaneshwari (B.A. Economics): Established herself as a premier sprinter by winning the Gold Medal in the 200 Meters and the Silver Medal in the 100 Meters. Ms. Sunitha Williams (I B.Sc. Physical Education): won the Gold Medal in the 1500 Meters, earning a cash prize of ₹3,000.

English

7. Ms. Akshaya Sri - Full-Time PhD Research Scholar of Dr. M.N.V. Preya has successfully qualified the Tamil Nadu State Eligibility Test (TN SET) in 2025 and the National Eligibility Test (NET) in 2026.
8. The students of the Department of English brought laurels to the institution by securing top positions in various State Level competitions. In the Shakespeare Competition, Ms. S. Preetha (ENUA23014) and Mr. R. Vendhan (ENUA23030) secured First Place, while Ms. R. Harini (PHUA25010) won Second Place.
9. In the FEZ CAU 2026 competition held at Cauvery College for Women, Ms. S. R. Swarna Bairavi (ENPA24002) secured Second Place, Mr. S. Jeremiah Jeyaraj (ENPA25002) won Third Place, and Ms.S. Swathi (ENPA25003), Mr.R. Harishkumar (ENPA25014), Ms. V. Bharathi (ENPA25004), Ms. P. S. Kavya (ENUA23001), Ms.K. Sundhayi (ENUA23003), and Mr.E. Vendhan (ENUA24030) secured First Place.

10. Ms. V. Bharathi (ENPA25004) secured Second Place in the Muses 2026 Spell Bee competition at Jamal Mohamed College. Ms. S. Swathi (ENPA25003) achieved both First and Second Places in different events at VERSATALIA and the Madhuramasamy Memorial Competition conducted by Seethalakshmi Ramaswami College. Additionally, Ms. C. Ramya (ENUA23008) secured First Place in the Madhuramasamy Memorial Competition at the same institution.

Geology

11. Ms. K. Kaviya Surya our Department's first year P.G. student received the WINNER award for PAPER PRESENTATION at the Aspiring Geologists' Extravaganza'26 (AGE-26) Programme – a National Level Symposium organised by the Society of Geologists, Department of Geology, Anna University, Chennai on 13th and 14th March 2026 at the Department of Geology, CEG campus, Anna University, Chennai-25.
12. Ms. RamyaAngelin, of II M.Sc. Applied Geology received the award for Best Paper Presentation at the International Conference on "Microplastics Chronicles: Emerging Contaminants of Soil, Water, Sediments, and Nutrition" organized by Nivetha Institute of Earth and Environmental Sciences, Kovilpatti, and SGT University, Haryana, on 6th and 7th 2025, for her paper entitled "Quantitative analysis of microplastics in surface water and sediments of Kollidam River, Tiruchirappalli, Tamil Nadu, India".
13. Mr. R. Sarvesh Kanna of I M.Sc. Applied Geology received the award for Best Paper Presentation at the National Conference on "Sustainable Management of Groundwater Resources for Future Development under Climate Change Scenario", organized by the Department of Geology, National College (Autonomous), Tiruchirappalli, for his paper titled "Heavy Metal Contamination and Geochemical Implications in Groundwater of Kodaikanal Hills" (Mentors - Dr. S. Venkatramanan and Dr. K. Radhakrishnan).
14. Ms.R. Rathi, a III B.Sc. Geology student, secured first place in the "Vision Voice" event at the same competition.
15. Ms.S. Harini and Ms.M. Madhumitha, both III B.Sc. Geology students secured second place in the "Floral Pattern Fiesta" event at the same competition.
16. Ms.K. Kaviya Surya and J. Jernika, first-year M.Sc. Applied Geology students, secured the runner-up position in the "ORTHOCLASH" event at the National Level Symposium organized by the Society of Geologists, Department of Geology, Anna University, Chennai, held on 13th and 14th March 2026.
17. Ms.K. Kaviya Surya and Ms.J. Jernika also secured the runner-up position in the Quiz Competition at the same symposium.

18. A. Jenova, a II M.Sc. student, represented the Bharathidasan University Basketball Team at the South Zone Inter-University Basketball Tournament held at Christ Deemed to be University, Bangalore, from 29th December 2025 to 2nd January 2026.
19. A. Jenova, a II M.Sc. student, was a member of the college basketball team that secured fourth place in the Bharathidasan University Intercollegiate Basketball Tournament held at Vanji College of Arts and Science, Pudukkottai, on 17th and 18th September 2025.
20. M. A. Senthil Kumar, a I B.Sc. student, secured third place in Shot Put (Boys U-18) at the 37th Tamil Nadu State Junior Open Athletic Championship organized by the Madurai District Athletic Association, held from 8th to 10th August 2025 at Race Course Stadium, Madurai.

History

4. Mr.C Jai Akash Raja, 3rd year B.A. History participated in a quiz competition conducted by Arunachalam Quiz Club at St. Joseph's College, Trichy on February 26th and secured the third prize.
5. Mr.C Jai Akash Raja also participated in a Inter college quiz program conducted by the Department of Business Management, National College on February 27th and secured first place.
6. Mr.Venkata Krishnan S from 3rd BA History has received RYLA transformers award (medal memento and certificate) in RYLA 2025 which took place in Kodaikanal.

IT

7. The students of the Department of Information Technology actively participated in TECHNOBLAST'25 held on 11/10/2025 at Shivani Engineering College, Trichy, and secured notable achievements.
8. Ms. Varshni G and Jency S (III Year), along with Mr.Ragul B (II Year), emerged as Winners in Pixel Play.
9. Mr. Ragul B and Joshua J (II Year) secured Runner positions in Connection.
10. In Harmony Hunt, Ms.Sathana P (II Year), Ms.Varshni G (III Year), and Ms.Jency S (III Year) achieved Runner positions.
11. Mr.Sanjay R (II Year) and Mr. Roshan Balu V (II Year) secured II Runner positions in the Quiz event, bringing pride to the department through their commendable performance.
12. Mr. PRAVIN KUMAR. S and Mr.Anto Pio. D of II year IT students Secured II Runner Up in ILAVENIL-26 on 23.01.2026 held at GTN Arts College (Autonomous), Dindigul.

Physical Education

13. Ms.S. Kiruba Lakshmi (II B.Sc. Physical Education) secured the Silver Medal in the Long Jump event at the Tiruchirappalli District Kids & Junior Athletic Championship 2025.
14. Mr. Kishore N (III B.Sc. Physical Education) secured the Gold Medal in the U23 Boys – Road Race at the State Road Cycling Championship 2025.
15. The students of National College (Autonomous) delivered an extraordinary performance at the Chief Minister's Trophy District Meet in Tiruchirappalli, held in September 2025.
16. National college secured the championship in women's handball and won a cash award of Rs.35000 and clinched the gold medal, 2nd place in men's handball and again second place in Kabbadi.
17. Mr. Pradeep Sankaran (B.Sc. Physical Education): Brought great laurels to the institution by securing the Gold Medal in the 25 km Speed Cycling Race.
18. Mithun T (III B.A. Tamil): secured the Silver Medal in the 25 km Speed Cycling Race.
19. Mr. Guru Vishnu (I B.Sc. Physical Education) secured the Silver Medal in the Bharathidasan University Intercollegiate Boxing Competition held at Anna Stadium.
20. Mr. Raja (III B.Sc. Physical Education) secured Bronze Medals at the Bharathidasan University Intercollegiate Boxing Competition.
21. The Women's Basketball Team of National College secured Fourth Place in the Bharathidasan University Intercollegiate Tournament held at Vanji College of Arts and Science.
22. Ms A. Keerthikambal (III B.Sc. Physical Education) secured the Silver Medal and a cash prize of ₹7,000 at District Level 5 km Red Run Marathon, organized by the District AIDS Prevention and Control Unit (DAPCU) and the Tiruchirappalli.
23. Ms Jasmine Rosey (I M.Sc. Yoga) clinched the Gold Medal with a first-place finish, earning a cash prize of ₹10,000.
24. Ms. Mariya Dharshini from the Department of English at National College achieved a notable milestone at the 39th Tamil Nadu Inter District Junior Athletic Championship held at Tamil Nadu Physical Education and Sports University (TNPESU), Vandalur. Competing in the Girls U-20 category, she secured Third Place in the 400m Hurdles, clocking an impressive time of 1:10.84.
25. Ms Akshaya shree (M.Sc. Yoga) delivered a stellar performance in the 400m track event, clinching the Silver Medal and a cash prize of ₹75,000 Chief

Minister's Trophy held at Jawaharlal Nehru Stadium, Chennai, securing two major podium finishes.

26. Mr. Sachin (III B.Sc. Physical Education) secured 1st Position (Gold Medal) in the National Championships – Basketball 2025.
27. At the 43rd Bharathidasan University Inter-Collegiate Athletic Meet held on October 17 & 18, 2025, at Anna Stadium, the National College Women's Team delivered a historic performance to secure the Overall Championship Title for the 10th year in a row.
28. At the 5th Khelo India University Games (KIUG) 2025 held at the SMS Stadium in Jaipur, Mr. Pradeep Sankara (III B.Sc. Physical Education) won a Gold Medal in the 10K Cross Race Cycling event, showcasing outstanding endurance and strategy.
29. Mr. Kishore N (III B.Sc. Physical Education) secured a Bronze Medal in the 25 km Fast Cycling category, earning a combined cash prize of ₹2,00,000 from the Central and State Governments, highlighting the institution's excellence in national-level cycling competitions.
30. Mr. Pradeep Sankara won a Gold Medal in the 10K Cross Race Cycling event, while Mr. Kishore N secured a Bronze Medal in the 25 km Fast Cycling event and received ₹2,00,000, highlighting the institution's national-level excellence in cycling.
31. The Women's Cricket Team of National College achieved a historic milestone by securing the Overall Championship Title at the Bharathidasan University Inter-Collegiate Cricket Tournament 2025–26 Hosted at Arignar Anna Government Arts College in Musiri.
32. Mr. Kishore N (III B.Sc. Physical Education) of National College secured the Bronze Medal in the Men's Elite 10km Scratch Race (part of the 15 km event category) at the 77th Senior National Track Cycling Championship 2025–26.
33. Ms.Bhuvaneshwari B, Ms.Akshyasree B, Ms.Nivedhaa E, and Ms.Kirubalakshmi S U achieved a significant milestone by being selected to represent the Bharathidasan University Women's Athletics Team.
34. Mr.Harish Raghavendran S, Department of Commerce Aided, secured 1st Prize in *IPL Auction* at St. Joseph's College on 19-12-2025.
35. Mr.Kaviya M and Vaishnavi R, Department of Commerce Aided, secured III Prize in Cricket at Bharathidasan University on 14-02-2025.
36. At the 43rd Bharathidasan University Inter-Collegiate Athletic Meet held on October 17 & 18, 2025, at Anna Stadium, the National College Women's Team delivered a historic performance to secure the Overall Championship Title for the 10th year in a row. The team amassed an incredible tally of 9 Gold, 4 Silver,

and 2 Bronze medals, headlined by record-breaking feats and elite individual displays.

37. The Women's Cricket Team of National College achieved a historic milestone by securing the Overall Championship Title at the Bharathidasan University Inter-Collegiate Cricket Tournament 2025–26. Hosted at Arignar Anna Government Arts College in Musiri.
38. Four distinguished student athletes from National College - Bhuvaneshwari B, Akshyasree B.
39. Nivedhaa E, and Kirubalakshmi S achieved a significant milestone by being selected to represent the Bharathidasan University Women's Athletics Team.
40. In a moment of immense institutional pride, Ms. Pooja (II B.Sc. Physical Education) was selected as a prestigious Volunteer of the NSS Contingent for the 77th Republic Day Parade held on January 26,2026, at Marina,Chennai.
41. S. Vishnu Sri, R. Shara Sri, T. Karkuzhali, M. Kaviya, and R. Vaishnavi were selected to represent Bharathidasan University (BDU) in the South Zone Women's Cricket Tournament. Held at K.S.R. College of Engineering in Tiruchengode,
42. Mr. Kishore and Mr. Pradeep Sankar (both III B.Sc. Physical Education) secured Bronze Medals at the Track Asia Cup 2026 (Asian Track Cycling Championship) held from January29 to 31, 2026.
43. Mr. Kaviyarasan C. (III B.Sc. Physical Education, 2023–2026 Batch) has been officially selected and appointed as an Agniveer (General Duty) in the Indian Army.
44. The National College Men's Kho-Kho team achieved a significant milestone by securing the Third Position in the Bharathidasan University (BDU) Inter-Collegiate Tournament, held at Yadhava College, Manapparai, on February 23 and 24, 2026
45. Six elite athletes from National College—Ms.Arul Brija A, Ms.Pavithra N,Ms.Santhiya R, Ms.Sangeetha K, Ms Sivasankari S, and Ms.Santhoshini S—have been selected to represent the Bharathidasan University (BDU) Women's Handball Team.
46. Ms.Bhuvaneshwari B. II B.A. English secured gold in sprint and was declared the "Fastest Girl of the meet" at the 43rd Bharathidasan University Inter-Collegiate Athletic Meet held on October 17 & 18, 2025.
47. Ms.Nivedhaa E., II M.Com. (Aided), secured the Gold Medal (1st place) in the 800m event with setting a new meet record.
48. Ms. Akshayashree B., I M.Sc. Yoga, won the Gold Medal (1st place) in the 200m event.

49. Ms. Asika B., II B.Com., achieved Gold (1st place) in the 100m hurdles.
50. Ms. Kirubalakshmi S., II B.Sc. Physical Education, secured Gold (1st place) in the Long Jump.
51. Ms. Arul Brija A., III B.Sc. Physical Education, delivered an outstanding field performance to win Gold (1st place) in the Javelin Throw.
52. The Women's 4×100m Relay Team, comprising Ms.Bhuvaneshwari,Ms. Jasmine Rosey, Ms.Asika B., and Ms.Kirubalakshmi, clinched Gold (1st place) setting a new tournament record.
53. The Women's 4×400m Relay Team, consisting of Ms.Nivedhaa E., Ms.Mariya Dharshini, Ms.Akshayashree, and Ms.Dharani C., also secured Gold (1st place).
54. Ms.Bhuvaneshwari B., II B.A. English, earned the Silver Medal (2nd place) in the 200m event
55. Ms. Mariya Dharshini J., II B.A. English, secured Silver (2nd place) in the 400m.
56. Ms.Keerthikambal A., III B.Sc. Physical Education, achieved a commendable Silver (2nd place) in the Half Marathon.
57. Ms.Dharani C., I B.Sc. Computer Science also secured Silver (2nd place) in the 1500m event with a notable podium finish.
58. Mr.Abdul Malik, II B.Sc. Computer Science, won the Bronze Medal (3rd place) in the Triple Jump.
59. Mr.Sanjay, I B.Sc. Physical Education, secured Bronze (3rd place) in the Pole Vault
60. Mr. Guru Prasad, a first-year B.Sc. Physical Education student, secured the Gold Medal in the Instrumental Music –Non-Percussion (Classical Solo) event at the Intercollegiate Classical Fest Organized by Kalai Kaviri College of Fine Arts, Tiruchirappalli.
61. Ms.R. Priyadarshini I Year Statistics secured First Prize in Poster Making at STATFEST–2026, held at St. Joseph's College, Tiruchirappalli on 07.01.2026.

Tamil

4. 23.08.2025 அன்று திருச்சி சீதாலட்சுமி ராமசாமி கல்லூரியில் நடைபெற்ற தமிழ்க்கவிதை போட்டியில் III பி. ஏ தமிழ் மாணவி நா. சரண்யா முதல் பரிசு பெற்றார்.
5. திருச்சி தூய வளனார் கல்லூரி நடத்திய திருச்சி மாவட்டக் கல்லூரிகளுக்குக் கிடையேயான தமிழ்க் கட்டுரைப் போட்டியில் III பி.ஏ மாணவி நா. சரண்யா முதலிடம் பெற்றார்.

6. 21.12.2025 அன்று திருச்சி முத்தமிழ்ச்சங்கம் மாவட்ட அளவில் நடத்திய தமிழ் கவிதைப் போட்டியில் III பி.ஏ தமிழ் மாணவி நா. சரண்யா இரண்டாம் பரிசு பெற்றார்
7. 13.02.2026 அன்று திருச்சி ஜமால் முகமது கல்லூரியில் நடைபெற்ற "கலை இலக்கியத் திருவிழா" தமிழ்க் கட்டுரை போட்டியில் II பி.ஏ தமிழ் மாணவி த. சந்தியா இரண்டாம் பரிசு பெற்றார் .2026 ஆம் ஆண்டிற்கான மகளிர் தின விழாப் போட்டிகளில் தமிழ்த் துறை மாணவிகள் அதிகப் புள்ளிகளை பெற்று ஒட்டுமொத்த சாம்பியன் பட்டத்தை

Zoology

1. Ms.Geethanjali A, III B.Sc., Zoology Won two Gold Medals at National Level Silambam Championship held at Puducheery from January 30 to February 1, 2026.
2. Ms.Geethanjali A, III B.Sc. Zoology has won second position in Silambam at District Level Sports meet held at Bharathidasan University in Association with My Bharath Kendra, Tiruchirappalli on 20th December 2025.
3. Ms.Keerthana Shrri G and Rifana Barveen M, III Year B.Sc. Zoology students participated in the quiz competition and secured the Third Prize at the National Level Intercollegiate Meet on "Man-Animal Conflict – 2026," conducted by Yadava College, Madurai, on 2nd March 2026.
4. Ms.Geethanjali A, III B.Sc. Zoology Participated in Tamil Nadu State Sub Junior and Youth Silambam Championship 2025 and bagged silver medal in Individual (44 - 46 Kg) weight class and Gold Medal in (44 - 46 Kg) weight class Held at St. Peter's College of Engineering and Technology, Avadi Chennai on 6th and 7th December 2025.
5. Ms.Abinaya V and Jumana Aafrin J, of I M.Sc. Zoology participated in the Feral Fest Event organized by Seethalakshmi Ramaswami College, Trichy and Secured 1 st Position in Eco Tattoo Art Event on 16 th September 2025.
6. Mr.Boopathi P, Mr.Nandagopal S,Mr.Chandru M, and Mr.Vinath S, I M.Sc., Zoology participated in Wings 2026 Intercollegiate Fest organized by Department of Zoology, Bishop Heber College, Trichy on 24th February 2026, secured first place in Treasure Hunt.
7. Mr.Boopathi P, I M. Sc., Zoology, participated in Wings 2026 Intercollegiate Fest organized by Department of Zoology, Bishop Heber College, Trichy on 24th February 2026, secured second prize in Clay model.

8. Ms.Preethi R of II M.Sc. Zoology participated in the Feral Fest Event organized by SeethalakshmiRamaswami College, Trichy and Secured 1 st Position in Guess the animal Event on 16 th September 2025.

Students' Paper Presentation

Geology

1. U.P. Meghanad, Research Scholar of the Department, co-authored research paper entitled" Land Use/Land Cover Change Analysis in Rapidly Urbanizing Tiruchirappalli, Tamil Nadu, India: A Remote Sensing and GIS Approach"was presented at the National Seminar on Earth, Environment and Ecosystem (GeoEEE2025), Malankara Catholic College, Kaliakkavilai Kanyakumari, on 23rd June, 2025.
2. Mr. G. Vethamoorthy participated in the INSA-SCOR National Workshop on "Understanding the Oceans Past, Present and Future" conducted on 18th and 19th February, 2026 by the Department of Geology, Institute of Science, Banaras Hindu University, Varanasi.
3. Mr. G. Vethamoorthy participated in the National Training Workshop on "Stable Isotopes in Palaeoclimatology" on 19th and 20th January 2026, organised by the Development of Skilled Manpower in Earth System Sciences (DESK), held at the Indian Institute of Tropical Meteorology, Pune.
4. Mr. G. Vethamoorthy has successfully completed the 3rd Course on "Advanced Remote Sensing Techniques in Mineral Exploration" under the National Natural Resource Management System (NNRMS) programme of the Indian Space Research Programme (ISRO), conducted by PGRS Division of GSI Training Institute, Hyderabad from 3rd to 22nd November, 2025.
5. Mr. G. Vethamoorthy participated in the RUSA Sponsored One-day Workshop on "Citation-Indexed Journals and Research Ethics" on 31st October 2025, organised by the Department of Library and Information Science in collaboration with Internal Quality Assurance Cell (IQAC) at Bharathidasan University, Tiruchirappalli.
6. Mr. G. Vethamoorthy participated in the BECH RUSA 2.0 Sponsored One-Day Seminar on "Intellectual Property Rights (Patents, Copyrights & Trademarks)" on 10th October 2025, organised by the Intellectual Property Rights Cell, Bharathidasan University, Tiruchirappalli.
7. Mr. G. Vethamoorthy participated in the ANRF-sponsored National Level Seminar on "Global Climate Change and Sustainable Groundwater Resources Management: Potential Challenges and Solutions (CLIMWAT-2025)" from

24th September 2025 to 26th September 2025, organized by the Department of Civil Engineering, Mohan Babu University, Tirupati, Andhra Pradesh.

History

8. Ms. P. Rithika, III Year B.A. History, participated in the 32nd Annual Session of the Tamil Nadu History Congress held at Bharathiyar University, Coimbatore, from 26th to 28th September 2025, and presented a paper titled "The Managerial Role of Women in Knowledge Preservation."
9. Ms. Sri Jey Akash Raja, a third-year B.A. History student, also participated in the same session and presented a paper titled "Extremists in Indian Independence." His paper was published in the proceedings of the 32nd Tamil Nadu History Congress.

Courses Completed by Students

Biotechnology, Microbiology, and Bioinformatics

1. Ms. Priyansha Behera of II MSc Biotechnology successfully completed the 8-week course on cell signaling and secured the Silver + Elite grade, reflecting strong performance in both assignments and examinations.
2. Ms. Neha Mishra II MSc Biotechnology, enrolled in the same 8-week course on cell signaling and achieved the Elite level, indicating very good grasp of the subject and consistent performance throughout the course.
3. Ms. Aabha Bapat II MSc Biotechnology, registered for the Cell Signalling course and passed the examination, receiving a Pass grade, which confirms her satisfactory understanding of the core concepts.
4. Mr. Ravi Kumar II MSc Biotechnology, pursued the 8-week Cell Signalling course and obtained the Elite grade, demonstrating thorough engagement and high academic performance.
5. Mr. S. Shrivarshan II MSc Biotechnology undertook the 4-week course on Neurobiology and successfully completed it with a Pass result, indicating a solid foundation in neural and synaptic mechanisms.
6. Mr. S. Gurunathan II MSc Biotechnology, also participated in the Neurobiology course, 4 weeks in duration, and secured a Pass grade, showing that he met the minimum academic requirements and gained basic competency in the subject.
7. Ms. C. J. Ramiya Krishnan, I BSc Biotechnology, completed the 12-week Marine Biotechnology course successfully and was awarded a Pass grade, reflecting her understanding of marine-derived bioproducts, bioprospecting, and related biotechnological applications.

8. On December 18 and 19, 2025, a group of interested students from the Department of Biotechnology, Microbiology, and Bioinformatics participated in a two-day workshop on "Entrepreneurship Development through Spirulina Production and Marketing Techniques," organized by the Department of Environmental Sciences at Bharathiar University, Coimbatore. This hands-on program equipped the students with essential skills in spirulina cultivation, processing, and sustainable production methods, alongside practical strategies for marketing the nutrient-rich superfood in entrepreneurial ventures.

Bank Management

1. Mr. K. Sivakumar of Second year B.com Bank Management has cleared the ACS CSEET EXAM – January 2025.
2. A total of six students from II B. Com Bank Management successfully completed the value-added course “Customer Relationship Management” during July to October 2025. The students Harini S (Elite–Pass), Sivakumar K, Harikrishnan T, Kamalesh E, Navaneethan S (Pass)
3. Narendar Kumar D (Pass) from II B.Com Bank Management successfully completed value-added course “Entrepreneurship” during July to October 2025.

Computer Science

1. Ms.Arthi completed a 5 day FDP in Sri Venkateswara College of Engineering & Technology & ACT Kerala – 22.11.2025
2. Ms. Aarthi completed National e-Workshop on Generative AI – ACT Kerala – 26.11.2025
3. R. Vinaal, S. Shyam Ganesh completed Python Training – Besant Technologies – 28.11.2025
4. R. Vinaal completed Introduction to Front End Development – SkillUp – 29.11.2025
5. R. Vinaal, B. Akash completed a One Month Internship with Besant Technologies – 29.11.2025.
6. Parkavi Arumugam, Lavanya completed MS Excel Formulas and Functions Course – 30.11.2025
7. B. Akash, V. R. Abinash, S. Suriya Prakash, A. Shivaram, M. Karthick, J. S. Vigneshwaran completed UI/UX Design – (Not Specified) – 02.01.2026S. Latharagavi – Master Class in Data Analytics – NoviTech R&D Private Limited – 14.05.2025 to 20.06.2025

8. S. Latharagavi completed Master Class in Data Analytics – NoviTech R&D Private Limited – 14.05.2025 to 20.06.20255
9. S. Latharagavi, R. Rithikkumar, R. Pravinkumar completed Application Developer Web Mobile – NCVET / IT-ITeS SSC NASSCOM (PMKVY) – 23.05.2025
10. S. Latharagavi completed Skill Camp on Roadmap in Data Analyst and AI Developer – NoviTech R&D Private Limited – 08.06.2025
11. S. Latharagavi completed Skill Camp on Full Stack Developer – NoviTech R&D Private Limited – 15.06.2025
12. Ms. Latharagavi completed 30 Days Master Class in Data Analyst – NoviTech R&D Private Limited – 20.06.2025
13. Shalini R. completed Full Stack Development – NoviTech R&D Private Limited – 01.07.2025 to 04.08.2025
14. R. Dhanavidhya completed Masterclass in Power BI – NoviTech R&D Private Limited – 14.07.2025 to 09.08.2025
15. Parkavi Arumugam, Praveenkumar, Shalini, Lavanya completed Internship in CAT – CAT – 14.07.2025
16. S. Srijayan, K. Jayavasan, I. Santhoshkumar, Sangeetha, M. Sarulatha completed Master Class in Data Analytics – NoviTech R&D Private Limited – 17.07.2025 to 22.08.2025
17. R. Dhanavidhya – Skill Camp on Real World API Skills completed NoviTech R&D Private Limited – 20.07.2025
18. J. Ajay, S. Shyam Ganesh completed Artificial Intelligence Fundamentals – IBM SkillBuild – 19.08.2025
19. V. Vishwa, R. Vinaal completed Artificial Intelligence Fundamentals – IBM SkillBuild – 20.08.2025
20. J. Ajay, V. Vishwa, R. Vinaal completed Customer Engagement: Problem Solving and Process Controls – IBM SkillBuild – 21.08.2025
21. J. Ajay, V. Vishwa, R. Vinaal completed Communication and Personality Dynamics – IBM SkillBuild – 21.08.2025
22. Karnika Sri M. completed Project Management Course – Great Learning – 24.08.2025
23. R. Dhanavidhya completed Master Class in Power BI – NoviTech R&D Private Limited – 05.09.2025 to 29.09.2025
24. S. Shyam Ganesh, R. Vinaal completed Career Management Essentials – IBM SkillBuild – 09.09.2025
25. R. Vinaal completed Basic Coding and Java – Brototype – 14.09.2025

26. K. Yuvaathi completed Diploma in Python Programming – MADTEC Skill Development, Trichy – April to August 2025 (Completed on 15.09.2025)
27. R. Vinaal completed Web Development Course – SoloLearn – 19.09.2025
28. R. Vinaal completed JavaScript Intermediate – SoloLearn – 19.09.2025
29. R. Vinaal completed Front End for Beginners – SoloLearn – 21.09.2025
30. R. Vinaal completed ChatGPT for Everyone – GUVI – 29.09.2025
31. Ms. Aarthi completed International Webinar on Future of Computer Science – Sakthi College of Arts and Science for Women & EDUPASS Academy – 30.09.2025
32. R. Vinaal completed Generative AI in Practice – SoloLearn – 02.10.2025
33. S. Ganesh completed Full Stack Developer Certificate Course – Jeyaram Educational Trust – 03.10.2025
34. Ms. Aarthi completed International FDP on Optimization Techniques in AI & ML – Holy Cross College, Trichy – 17.11.2025 to 21.11.2025
35. Ms. Aarthi completed NEP 2020 Orientation Programme – UGC-MMTTC, Bharathidasan University, Trichy – 18.11.2025 to 28.11.2025
36. Ms. Aarthi completed FDP on Advanced Research Writing and Publication.

Geology

1. S. Shiva Arunmozhi of II M.Sc. successfully completed the SWAYAM course on *Spatial Information Science* with a score of 81%.
2. K. Siddarth of II M.Sc. successfully completed the SWAYAM course on *Geographic Information System* with a score of 60%.
3. A. Amala of II M.Sc. successfully completed the SWAYAM course on *Fundamentals of Geology* with a score of 84%.
4. K. Yokeshwara of I M.Sc. successfully completed the SWAYAM course on *Fundamentals of Geology* with a score of 75%.
5. Sri Arul Murugan of III B.Sc. successfully completed the SWAYAM course on *Structural Geology* with a score of 61%.
6. C.M. Kuhanei of III B.Sc. successfully completed the SWAYAM course on *Structural Geology* with a score of 52%.
7. Selva Yogitha of III B.Sc. successfully completed the SWAYAM course on *Remote Sensing and GIS* with a score of 56%.
8. Anto Prakash of III B.Sc. successfully completed the SWAYAM course on *Earthquake Geology: A Tool for Seismic Hazard Assessment* with a score of 54%.
9. Dhinakaran of III B.Sc. successfully completed the SWAYAM course on *Earthquake Geology: A Tool for Seismic Hazard Assessment* with a score of

60%. K.S. Sakunthala of III B.Sc. successfully completed the SWAYAM course on *Body Language: Key to Professional Success* with a score of 69%.

10. V. Vincy Miraclin of III B.Sc. successfully completed the SWAYAM course on *Body Language: Key to Professional Success* with a score of 63%.
11. B. Swathi of III B.Sc. successfully completed the SWAYAM course on *Body Language: Key to Professional Success* with a score of 56%.
12. G. Kowshika of III B.Sc. successfully completed the SWAYAM course on *Introductory Field Structural Geology* with a score of 65%.
13. M. Devisri of II M.Sc. successfully completed the SWAYAM course on *Fundamentals of Geology* with a score of 66%.
14. S. Harini of II M.Sc. successfully completed the SWAYAM course on *Fundamentals of Geology* with a score of 62%.
15. P. Harivasanth of II M.Sc. successfully completed the SWAYAM course on *Fundamentals of Geology* with a score of 73%.

Zoology Students were taken to Keeladi archeological site and Aritapatti heritage site at Madurai for filed visit on 22nd August 2025 and Dr. A. Stalin and Dr. A. Krishnaveni, Assistant Professors of Zoology, accompanied the students for the visit
34. II B.Sc., Zoology students accompanied by Dr. D. Kandasmi, Assistant Professor of Zoology visited Thanjavur Palace and Museum as a part of Field Visit on 23rd January 2026.

INFRASTRUCTURE

Students' Facilities

CAMPUS-WIDE DIGITAL INFRASTRUCTURE UPGRADE TO 1 GBPS

- National College (Autonomous), Trichy, is proud to announce a landmark upgrade in its digital infrastructure, significantly enhancing the academic and research capabilities of the student community. As of July 28, 2025, the college has successfully transitioned its dedicated student internet connectivity from 300 Mbps to a high-speed 1 Gbps (Gigabit per second) bandwidth.
- To ensure industry-leading performance, the institution has opted for a Jio Fiber Leased Line (FLL) service. Unlike shared broadband connections, this dedicated leased line provides a 1:1 symmetrical connection, ensuring that the 1 Gbps speed remains exclusive to the campus. This premium service eliminates bandwidth fluctuations during peak usage hours, providing a stable environment for high-stakes digital activities such as online examinations and international virtual seminars.
- The upgrade significantly boosted the performance of the campus-wide network. By optimizing signal strength and throughput across departments, common areas, and specialized laboratories, the college has created a truly versatile learning environment. This allows students and faculty to engage in collaborative research and digital learning.

- This investment in Tier-1 connectivity reaffirms College's commitment to providing a world-class technological ecosystem, ensuring our students are equipped with the fastest tools available in the modern digital age.

Library

- The library is spread across a spacious area of 20,200 square feet, offering a well-structured and user-friendly environment. It is equipped with: Five stack rooms for systematic arrangement of books, A digital library with 25 computer systems connected through 100 Mbps high-speed internet, Free Wi-Fi facility throughout the library premises, An Audio-Visual library for multimedia-based learning and a dedicated section for competitive examinations, especially catering to Indian Administrative Service (IAS) aspirants These facilities ensure a comfortable and resourceful learning atmosphere for all users.

Library Collection

- The Resource Centre houses a rich and diverse collection of academic resources, including: The Library has a vast collection of more than 1,26,500 printed books across various disciplines, Over 150 journals and magazines for current and updated knowledge, more than 3,00,000+ e-books and Over 50,000+ e-journals subscribed for advanced research. The library also preserves rare and valuable collections, including palm leaf manuscripts, which reflect the cultural and historical heritage of the region.

Digital and Technological Advancements

- The library has adopted hi-tech modern technologies to enhance its services and efficiency. Automation and digital access systems enable easy retrieval of information. The digital library and online resources provide seamless access to global knowledge, supporting both academic and research needs. The availability of Wi-Fi and high-speed internet further strengthens digital learning and research activities.

25 Years of Service

The following Teaching and Non-Teaching staff have completed **25 years of Selfless Service to the College. We salute them for their services.**

S.NO	NAME OF THE STAFF	DESIGNATION	DEPARTMENT
1.	Dr.B. Latha	Head & Asso. Professor	Chemistry

2.	Dr.K.G.Sekar	Associate Professor	Chemistry
3.	Dr.L.Pushpalatha	Associate Professor	Chemistry
4.	Dr.Jawahar Raj	Head & Asso. Professor	Geology
5.	Dr.D. Muthuramakrishnan	Principal i/c	Mathematics
6.	Dr. P.Shanmuganantham	Associate Professor	Mathematics
7.	Dr. Sundar .T.V	Head & Asso. Professor	Physics
8.	Dr, Ravi.S	Associate Professor	Physics
9.	Dr. Gandhi.S	Head & Asso. Professor	Physics
10.	Dr. G. Umapathy	Assistant Professor	B. Com CA
11.	Prof. M. Rajavelayutham	Assistant Professor	B. Com CA
12.	Mr. Suresh	Lab Assistant (SG)	NTS
13.	Mr. Kaliyaperumal	Lab Assistant (SG)	NTS

RETIREMENT

TEACHING

S.NO.	Name of the Staff Member	Designation	D.O.R
1	Dr.S.Gandhi	Associate Professor	30.09.2025
2	Dr. P.Shanmuganantham	Associate Professor- MS	31.03.2026
3	Dr. M.Murli	Associate Professor- CH	31.05.2026

NON-TEACHING

1	Thiru. V.Sekar	Lab Assistant (SG)	30.06.2025
2	Thiru.S. Narasimhan	Jr. Mechanic	31.01.2026

100% Attendance – Teaching Staff

S. NO	NAME OF THE FACULTY	Designation	Department
1	Dr. S. Arun Prabhu	Associate Professor	Chemistry
2	Dr. Iyna	Associate Professor (SS)	Economics

S. NO	Name of the student	Admission Number	Department
1	Pappu.P	ECUA23012	III BA Economics

Annexure -IA

List of Teachers who have qualified themselves for the award of Ph.D (2025-2026)

1. Dr. A. Shanthidevi, Assistant Professor, Department of Physics.
2. Dr. V. Miriam Sheba, Assistant Professor, Department of Biotechnology, Microbiology and Bioinformatics.
3. Dr. G. Ravichandiran, Assistant Professor, Department of Commerce.

Annexure -IB

List of Teachers who have qualified themselves to clear NET/SET (2025-2026)

1. Mr. G. Gopi, Asst. Prof, Dept. of English, **NET**
2. Ms. Vanmathi Vidhyashini, Assistant Professor, Dept. of Biotechnology, Microbiology & Bioinformatics, **TN SET.**
3. CS.S.Priscilla Sherene Latha, Asst. Prof, Commerce with Computer Application **NET and TN SET**
4. Mr. Deva Kumar**,** Asst. Prof. Dept. of Business Administration**.NET**
5. Ms. R.S. Chindhiyaa, Asst. Prof. Dept. of Physical Education.**NET**

Annexure II

List of Ph. D Awardees – 2025-2026

NATIONAL COLLEGE, (AUTONOMOUS) TIRUCHIRAPPALLI 620001.

40th CONVOCATION PH.D STUDENTS AWARDED LIST

S.NO	DEPARTMENT	STUDENT NAME	GUIDE NAME
1	MATHEMATICS	BINDU V A	Dr. MANJU SOMANATH
		DAVID CHRISTOPHER A	Dr. S. SRIRAM
3		DEEPA C	Dr. P. SHAMUGANATHAN
4		DEEPIKA T	Dr. P. SHAMUGANATHAN
5		RAMACHANDRAN R	Dr. P. SHAMUGANATHAN
6	PHISICS	LIJI E MOSES	Dr. S. RAVI
7		SINDHU T	Dr. A.T. RACHANDIRAN
8		SIVAKUMAR S	Dr. S. RAVI
9	BOTANY	JELINE RANI J	Dr. V. NANTHAGOPAL

27		VISALAKSHMI SP	Dr. Soundararjan (Co-Guide) Dr. T.G. AKILA

Annexure -III

List of Research Paper Published – 2025-2026

BBA

1. Mr. Deva Kumar. S & Dr. C. Suseendar published a research paper titled "The Influence of Organizational Factors on Employee Development Using Employee Performance Among Nurses" (July 2025) - Advances in Consumer Research (ABDC-B), ISSN: 0098-9258, Vol no.2, Issue no. 4 P.1968 -1974

BCA

2. Dr. M. Anusha, published "Sarcasm Detection Using Enhanced GloVe and Bi-LSTM Model Based on Deep Learning Techniques" in 2025 in the International Journal of Intelligent Engineering Informatics (Volume13, Issue1, Pages 26–54) with an impact factor of 1.6.

Dr.G.Srinaganya

3. Dr. G. Srinaganya published a research paper titled "Graph Mining Based Clinical Decision Support System for Drug Selection Using Sequential Minimal Neural Network" in 2025 in the Indian Journal of Natural Sciences (Volume 16, Issue 89, Pages 94077–94090, ISSN: 0976-0997).
4. She also published "Integrating Deep Learning and Electronic Health Records for Real-Time Drug Interaction Prediction" in 2025 in the Indian Journal of Natural Sciences (Volume 16, Issue 90, Pages 96842–96853, ISSN: 0976-0997).
5. In addition, she published "Graph Mining Approaches for Drug Selection Using Fuzzy Multilayer Neural Perception with Marginal Subset Clustering Features" in 2025 in Advances in Computational Design (Pages 341–356, DOI: 10.12989/acd.2025.10.4.341).

BPS

6. Dr. V. Sumathi has made significant contributions in the field of research and academics during the year. She has published two research articles in peer-reviewed journals, namely, "Post-Training Evaluation and Employee Performance in Trichy Tech Solutions Pvt. Ltd., with Special Reference to Tiruchirappalli District" and "An Empirical Study on Training and Development Practices and Employee Effectiveness in Tiruchirappalli District with Special Reference to Cauvery Digital Solutions Pvt. Ltd.".

7. In addition, she has published one paper in a Scopus indexed journal in the year 2026 titled "Employee Training Effectiveness and Job Performance in Indian Banking Sector – A Multidimensional Analysis". She served as a Research Jury at the National Conference organized by M.A.M. B-School, Tiruchirappalli on 28.01.2026, where she also presented a paper on "Business Opportunities and Challenges to Entrepreneurship."

BMB

8. Kumaravel, V. Sadasivam, S. K., Pownraj, I., Ilangovan, N., & Rao, K. J. (2025, July). Upcycling agro-waste as a physical template for synthesizing self-doped Fe2O3 and CuO nanoparticles: Assessing textile dye and antibiotics degradation efficiency. *Environmental Research*, *285*(2). This study, which carries a high impact factor of 7.7, explores sustainable methods for nanoparticle synthesis to improve the degradation efficiency of environmental pollutants.
9. Jeelani, P. G., Kanagapriyan, M., Prakash P, A., Parsanathan, R., Mossa, A. T., & Mohamed Jaabir, M. S. (2025, December). Investigating the in-vitro and in-vivo potential of *Eudrilus eugeniae* coelomic fluid fractions on cancer cell lines: insights into mechanisms and therapeutic implications. *Medical Oncology*, *43*(1). With an impact factor of 3.5, this research provides significant insights into the therapeutic potential of earthworm coelomic fluid in oncological treatments.
10. Bindhu, J., Peerzada, J. G., Mohamed Jaabir, M. S., Saravanan, C., Shree T, V., Tamilselvi, S., Pavithra, M. K. S., & Sinduja, M. E. (2025, April). Roles of long noncoding RNAs in adipogenesis and obesity treatment: Insights from CRISPR-Cas9 gene editing. *Journal of Bio-X Research*, *8*, 1–17. This article, maintaining an impact factor of 1, utilizes advanced gene-editing technology to examine molecular pathways involved in obesity and metabolic regulation.

Bank Management

11. Dr. Aravindan, Asst.Prof& Head department of Bank Management has published a paper titled "Ethical Leadership as a Catalyst for Organizational Planning and Development: A Social Psychological Analysis of Workplace Behavior and Decision Outcomes" was published in the Journal of Applied Bioanalysis *(2405 – 710X)*, Vol. 11, Issue 8, pp. 875–889, in August 2025.
12. Dr. Aravindan, Asst.Prof& Head department of Bank Management has published a paper titled "Role of Environmental Information in Sustainability Planning: Effects on Eco-Conscious Consumer Behaviour and Corporate

Initiatives" was published in *Testing, Psychometrics, Methodology in Applied Psychology (1972 - 6325)*, Vol. 32, Issue S5, pp. 1841–1855, in October 2025.

13. Dr. Aravindan, Asst.Prof& Head department of Bank Management has published a paper titled "Implications Of Greenwashing For Ethical Brand Development: A Mediated Analysis Of Consumers Skeptism,Trust And Brand Equity" was published in Cultura. International Journal of Philosophy of Culture and Axiology *(1584 - 1057)*, Vol. 22, Issue 9S, pp. 608 –625, in January 2026.
14. Dr. Aravindan, Asst.Prof& Head department of Bank Management has published a paper titled "Financial Inclusion and Sustainable Entrepreneurship: Catalysing Women's Empowered Livelihoods in India" was published in the *International Journal for Science and Advance Research in Technology*, Vol. 11, Issue 9, pp. 56–68, in September 2025.
15. Dr. Aravindan, Asst.Prof& Head department of Bank Management has published a paper titled "Fostering Ethical Innovation For Sustainable Commerce: A Systematic Literature Review Of Strategies, Barriers, And Competitive Advantages" was published in the International Journal of Business and Economics Research (2455-3921) Special Issue, in December 2025.

Botany

16. Ramu Selvam, Pugalenthi Ramesh, J. Pitchaimani, K. Gilbert Ross Rex, Madhappan Santhamoorthy, and Senthil Kumar Sadasivam. "Biotransformation of Textile Industry Sludge Through Vermicomposting with the Earthworm *Eudrilus eugeniae*: Investigation of GCMS and Genotoxic Assessment." *Soil and Sediment Contamination: An International Journal* 34, no. 8 (2025): 2393-2418.
17. Vanathi, S., Anand, S. P., Karthick, S., & Subasri, K. (2026). Chemical characterization and free radical scavenging activity of *Dendrobium thongchai* extracts: A promising source for neuroprotective research. *Asian Journal of Pharmaceutical and Clinical Research*, *19*(1), 175–181.
18. Karthick Subramani, Vanathi Sundarapandiyan, Anand Subramaniam Parvathi, & Subasri Kumar. (2025). Synergistic antibacterial and antifungal activities of *Tridax procumbens L.* and *Peristrophe bicalyculata Retz.* leaf extracts using different solvent systems. *World Journal of Pharmacy and Pharmaceutical Sciences*, *14*(12), 897–922.
19. Dilipkumar Yuvaraj, & Ramar Karuppiaya. (2025). Ecology, phytogeography, and botanical characterization of *Cyphostemma setosum* (Roxb.) Alston

(Vitaceae): A comprehensive review of a neglected medicinal climber. *International Journal of Innovative Research in Technology*, *12*(2), 4030–4040.

20. Varuna Kumaravel, Senthil Kumar Sadasivam, Ishwarya Pownraj, Nivaskanna Ilangovan, & K. Jagajjanani Rao. (2025). Upcycling agro-waste as a physical template for synthesizing self-doped Fe_2O_3 and CuO nanoparticles: Assessing textile dye and antibiotics degradation efficiency. *Environmental Research*. https://doi.org/10.1016/j.envres.2025.122384
21. Karthika Goswami, Linto Alappat, Senthil Kumar Sadasivam, & Xianjiao Ou. (2026). Sea-level and basement structural controls in Kaveri Delta, India. *Marine Geology*. https://doi.org/10.1016/j.margeo.2025
22. C. Neela Mohan, V. Ayyadurai, Karuppiah Nagaraj, P. Vijaya Kumar, K. Raja, P. Suganthi, C. Muthukumar, & A. Stalin. (2025). Green synthesis of copper hydroxide nanorods using *Solanum pubescens* leaf extracts: A promising approach for antimicrobial, antioxidant, and anticancer applications. *Biotech*, *15*(9), 277.

Chemistry (Aided)

23. V. C. Ravisankar, B. Selvakumaran, S. Shanmugavadivel, T. Ajaykamal, and M. Murali, Monocopper (II) complexes mimic the distinct oxidative roles of ascorbate, amine, and catechol oxidases: Promiscuous catalysis in mild conditions, Journal: Inorganic Chemistry Communications Volume: 185, Article No.: 116060, Year: 2026, Impact Factor: 5.4.
24. V. C. Ravisankar, B. Selvakumaran, T. Ajaykamal, and M. Murali, Functional Biomimetics for Copper Oxidases: Interesting Catalytic Promiscuity of Novel Monocopper(II) Complexes Journal: Dalton Transaction Volume: 54 Issue: 18 Pages: 7221–7239, Year: 2025, Impact Factor: 3.6
25. Tejaswini A. Rathi, Vaishnavi Gomase, Neha Singh, D. Saravanan, Ravin Jugade (March 2026). *Surface-engineered PTFE-chitosan hybrid films for fluoride ion adsorption: A novel sorbent system*. Desalination, Vol. 627, 120033. Impact Factor: 1.0.

44. V. Renuga (2025). *Development of fluorescent carbon dots from disposable cups for sensing toxic metal ions*. International Journal of Innovative Research in Technology, Vol. 12, ISSN: 2349-6002.

Chemistry (UAP)

45. Dr. M. Esakkiammal, Assistant Professor and Head, co-authored the research article “Smart Nanosensors for Assessing Nanoparticle Interactions in Crops: A Review” published in the Journal of Environmental Nanotechnology, Volume 14, Issue 4, Pages 185–191 (2025). ISBN: 2279-0748, DOI Prefix: 10.13074.
46. Dr. G. Dayana Jeyaleela, Assistant Professor, published a research article titled “Tuning the Electrochemical Performance of Co_3O_4 Nanorods via RGO Functionalization for Supercapacitor Applications" in the Journal of Materials Science: Materials in Electronics (2026, Vol. 37).
47. Dr. M. Esakkiammal, Assistant Professor and Head, authored the research article “Advances in Nanoformulation for Targeted Drug Delivery Systems" published by “Trends in Drug Delivery," Volume 12, Issue 2 (2025). ISBN: 2394-7268 DOI: 10.37591/TDD.

Commerce (Aided)

48. Dr. M. Sharmila published a paper titled “Commercial Bank Investment Patterns: Trends, Challenges, and Opportunities," Sept. 2025 Asian Journal of Management and Commerce 6(2), 2025, 1040-1047.
49. Dr. M. Sharmila published a paper titled “A study into the theoretical perspective of direct marketing" in the April-June 2025 International Journal of Business and Administration Research Review 12(2), 43-52.

50. Dr. B. Sekar published a paper titled “Beyond Metros: Unleashing Innovation in Indian SMEs and Startups through Tier 2 City Ecosystem," Jan. 2026 Research Explorer 15(50).
51. Ms. M. Khaviya & Dr. M. A. Parveen Banu published a paper titled “Knowing Self as the Key to Mastering Emotional Intelligence" in the July-Aug 2025 International Journal for Multidisciplinary Research (IJFMR), Volume 7, Issue 4.
52. Dr. M.A. Parveen Banu & Ms. Khaviya published a paper titled “Assessment of Level of Emotional Intelligence among Post-Graduate Students of Arts and Science Colleges for Women Sep-October 2025," International Journal of Research in Commerce and Management Studies Volume 7, Issue 5
53. Ms. A.S. Minhaj Begum & Dr. M.A. Parveen Banu published a paper titled “Post-Purchase Behavior and Customer Loyalty among Online Gadget Buyers in Tiruchirappalli: An Analysis Sep-October 2025," International Journal of Management (IJM) Volume 16, Issue 5.
54. Dr. M.A. Parveen Banu & Ms. Khaviya, Published a paper titled “Impact of Online Shopping Experience on Consumer Purchase Behavior for Gadgets in India: Mediating Role of Brand Trust. December 2025: Indian Journal of Technical Education, Volume 48, Special Issue 1.
55. M. Vasan published a paper titled “ Factors determining technology adoption among teachers of higher education institutions in India: an investigation during post-pandemic era March 2026”, International Journal of Indian Culture and Business Management (WoS-ESCI Indexed) 37(3), 348-362.
56. R. Natarajan & M. Vasan published a paper titled "Awareness and Perceived Benefits of the PM-Vidyalaxmi Scheme Among Higher-Education Students" in Mar 2026. International Journal of Creative Research Thoughts (IJCRT) Volume: 14 / Issue 3 / p. no. b402-408
57. Dr. V. Rathnamani published a paper titled “A Study On Consumer Buying Behaviour With Respect To Branding And Online Shopping of FMCG Products In Tiruchirappalli City July-Sep 2025," International Journal on Economics and Business Management, Vol. 16, Issue 48, 3.655.
58. Dr. V. Rathnamani published a paper titled “Examining Occupational Stress Among Female Teachers in Bengaluru City: Implications for Well-Being and Job Satisfaction," July 2025, International Journal of Environmental Science, Vol. 11, Issue 16, 3.4
59. Dr. V. Rathnamani published a paper titled “A Study on the Level of Awareness And Investor Confidence In Candlestick Chart Analysis For Market Forecasting

Nov 2025," International Journal Of Creative Research Thoughts Vol. 13, Issue 11 7.97

60. Dr.V.Rathnamani, Published a paper titled "Occupational Stress Among Private School Teachers in Thrissur District, Dec 2025" in Archeo Science Multidisciplinary Journal, Vol 18, Issue 2, pp. 2.5-5.6.
61. R. Soundarya published a paper titled "The Attitude of Employees towards Implementation of Change Management for Effective Green HRM among Southern Railway Employees in Trichy" (With Special Reference to Ministerial staff), July 2025 International Journal of Business and Economics Research (IJBER) 6(1), 89-95

Commerce (UAP)

62. Ms.Mythili, published a paper on "sustainable business practices and their effect on corporate profitability" Issue and year:volume 16,issue 3, may- june 2025

S. Pratheepa

63. A study on rating of e-banking features on service quality among the customers April – June 2025 Research Explorer – International Journal on economics and business management
64. A study on customer preference to E-Banking services with special reference to Trichy district Jan – June 2025 International journal of research in human resource management
65. Dr. G. RAVICHANDIRAN, A Study on Growth of Digital Payment Transactions in India, Emperor Journal of Economics and Social Science Research,7,7,204-213, July 2025
66. Dr. G. RAVICHANDIRAN, Financial Performance and Balance Sheet Analysis of a Banking Institution: A Comparative Study, Intern,1,1ational Journal of Research Nexus,1,1,42-45, arch 2026

Commerce with Computer Applications

Prof. Elavarasan

67. A conceptual study on opportunities & challenges of E-marketing in India. ISSN - 25840789, Vol.3, Issue3A conceptual study on opportunities & challenges of E-marketing in India. ISSN - 25840789, Vol.3, Issue3
68. Exploring the role of social media advertising, e-mail marketing & online product reviews on purchase among consumers in Tamil Nadu. ISSN - 23278, Vol. 4 & Issue 1

Dr. S. Pavithra

Books /Book Chapters Published by the members of staff

BCA

1. Dr. M. Anusha authored a book titled “Engineering the Digital World” in 2026, published by REST Publisher, with ISBN numbers 978-9366657080 and 9366657087.

Chemistry (Aided)

2. Dr. S. Muhamad Rafiq (Editor), *Environment & Sustainable Development – Volume II*, Chyren Publication, 2025, ISBN: 978-93-7143-662-5.

Chemistry (UAP)

3. Dr. M. Esakkiammal Assistant Professor and Head and Dr.A.R.Parveen Assistant Professor authored the book "Introduction to Nanoscience, Nanomaterials and Nanodevices", published by Infinite Research with ISBN: 978-93-48897-83-1. The book was published on 09 November 2025, focusing on fundamental concepts and applications of nanoscience and nanotechnology.
4. A new chapter titled "Nanotechnology-Based Disease Diagnosis" authored by Dr. M. Esakkiammal has been published in the book "Intelligent Smart Healthcare: AI-Driven Applications of Machine Learning, IoT, Cloud, and Nanotechnology in Disease Diagnosis and Management." The book, carrying ISBN 978-81-999435-0-6, is released by March 2026 Vaagai International Publishing House.

Commerce (UAP)

5. Dr. G. RAVICHANDIRAN A Comprehensive Guide to SPSS for Quantitative Research and Data Preparation Software Tools for Research Analysis Indian Academic Researchers Association 978-93-94293-32-8 83 - 89 December 2025.
6. Dr. G. RAVICHANDIRAN Digitalization Of Social Science Education in the 21st Century: Opportunities and Challenges Teaching Excellence Through Digital Tools in Social Science Indian Academic Researchers Association 978-93-94293-58-8 138 - 146 January 2026

Commerce with Computer Applications

7. Prof. Elavarasan Human Resource Information System with ISBN 978-93-6076-538-5, Edition - 1, Year 2025

English

8. Dr. P. Anusooya and Mr. T. Sudarsan Karthi published a book titled "Professional English for Science Students" in Dec 2025 by IARA Publication.
9. Dr. P. Anusooya published a book titled "Hello, My Friend" in 2025 by Writers Corner Publication.
10. Mr. M. Jagadeesh published a book titled "Narrative Transformations in Postcolonial Indian Fiction" in 2025 by Red Shine Publication, United Kingdom.

Geology

11. Sustainable Management of Groundwater Resources for Future Development under Climate Change Scenario; ISBN 978-81-995380-6-1; Editors: Thivya, C.,

Library Science

18. Dr.T.Sureshkumar and Dr.J.Karthikeyan authored a book titled “LIBRARIES AS LEARNING ECOSYSTEMS”, Vol. 1 (2026), pp. 1-166 P
19. Dr.T.Sureshkumar authored a book titled “LIFELONG LEARNING IN THE AGE OF RESEARCH AND INNOVATION”, Vol. 2 (2026), pp. 1-195

Mathematics

20. Dr. D. Muthuramakrishnan and Dr. B. Gayathri authored a book titled "Even Sequential Harmonic Graphs" in 2026, Published by National College with ISBN : 819953802-3
21. Dr. D. Muthuramakrishnan and Dr. G. Jayaraman authored a book titled "Total coloring and Equitable Total Coloring of Certain Graphs" in 2026, Published by National College with ISBN: 819953808-2
22. Dr. D. Muthuramakrishnan, Dr. V. Malika and Dr. D. Kandasami authored a book titled "Health Economics" in 2026, Published by Bhavatharani Publication, with ISBN: 978-47-82133-28-4.

Sanskrit

23. Dr. V. Balaji authored four books titled *Jnanaprada – 1, 2, 3, and 4*, published by Jazym Publications in 2025. These books serve as valuable academic resources in the field of Sanskrit.

Tamil

24. **முனைவர் இரா. மாணிக்கவாசகன்** சைவ சமயப் பெருமையை புலப்படுத்தும் நோக்கில் "மாணிக்கவாசக சுவாமிகள் புராணம்" என்ற நூலை படைத்துள்ளார்.
25. **முனைவர் சே.பத்மினி** நவம்பர் 2025-இல் வையைப் பதிப்பகம் சார்பில் "காலத்தின் குரல்" என்ற நூலையும் பிப்ரவரி 2026 இல் நோசன் பதிப்பகம் சார்பில் "தமிழ்ப் பயணம்" என்ற நூலையும் படைத்துள்ளார் .

சிற்றிலக்கியங்களில் நீத்தார் வழிபாடு ஒரு சமூகப்பண்பாட்டு ஆய்வு. (2025, July 30). In தமிழ்சிற்றிலக்கியங்கள்: தொல்மரபுப் பண்பாடும் பன்முகப் பரிணாமமும். களரிகலை இலக்கியக்களம், அரசு கலை மற்றும் அறிவியல் கல்லூரி, திருவெண்ணைநல்லூர்.

Zoology

26. Dr. D. Gayathri, Published a book chapter entitled "Microbiome in Animal Health and Production" in edited book Emerging Trends in Microbial Science with ISBN no: 978-81-987735-4-8.
27. Dr. D. Gayathri, Published a book chapter entitled "Neuroprotective and cognitive health benefits of Microalgae" in book healing from the Ocean

Medicinal Microalgae (The bioactive compounds and therapeutic applications) from Blue Rose publishers with ISBN no.: 978-93-7310-104-0.

28. Dr. C. Sudha, Sudha.C-Introduction to Robotics and AI in Animal Science-Coronous Publications LLP, ISBN :978-81-993853-6-8

Annexure – V

Patent received by the Faculty members

Botany

Dr.S.Senthil Kumar & Prof. K. Varuna

1. Design Name: "AI based Data processing device analyzing nutritional profile of foods"
   Design Number :467495-001
   Granted by : Govt of India
   Grant Date : 27/07/2025

Commerce (Aided)

Dr.M.A.Parveen Banu & Dr.V. Rathnamani

2. Design Name:Operations Management Perspective: Building Supply chain Resilience
   Patent No: 202541073835
   Grant Date:August 2025

Computer Science

Dr. P. S. S.AkilaShri

3. Design Name : IOT Based Baby Monitoring System
   Design Number :532386
   Grant Date : 23/07/2025
4. Design Name : Artificial Intelligence and Machine Learning-Based Cloud Security
   Detection Device
   Design Number :223518
   Grant Date : 11/02/2026

English

Dr.Nainar Sumathi.

5. Design Number: 6472297
   Design Name: Augmented reality Based audio Visual Teaching Device
   Date: 15 September 2025

Dr. V. Srividhya

6. Design Number: 202631005536 A

Design Name: "AN AI-ASSISTED PEDAGOGICAL APPROACH FOR IMPROVING ENGLISH READING AND WRITING SKILLS IN HIGHER EDUCATION"
Date: 27 March 2026

7. Design Number: 202511124825A.
   Design Name: "SYSTEM FOR INTERACTIVE ENGLISH GRAMMAR TEACHING INTEGRATED INTO E-BOOKS AND METHOD THEREOF"
   Date: 23.01.2026

Library Science

Dr. T. Sureshkumar

8. Design Name: AI & Voice Assistance Technology Integrated Tool for Library Resource Search
   Serial Number:1/2025
   Design Number: 436201-001
   Date of Issue:03/01/2025

Mathematics

Dr. Manju Somanath and Dr. V. Sangeetha

9. Design Name : Elliptic Curve Cryptographic Data Processing Unit
   Design Number :6487762
   Granted by : Intellectual Property Office, United Kingdom.
   Grant Date : 12th December 2025

10. Design Name: Enclosure for handheld electronic diagnostic device
    Design Number :6495950
    Granted by : Intellectual Property Office, United Kingdom.
    Grant Date :25th February 2026

Physical Education

Dr. K. Mahesh, Dr. D. Boopathy, N. Balaji Naik, Dr. E. Raju,Dr. SunilkumarSingh, V. Ajeeth Khanna

11. Design Name : Yoga Mat with Real-Time Posture Feedback
    Design Registration : No. 459521-001
    Granted by : Government of India

Zoology

Dr.D.Gayathri

12. Design Name : "Electrochemical Cell Container"
    Design Registration : 452420-001
    Granted by : Government of India
    Grant date :12/06/2025

Annexure VI

List of Staff Members who presented papers in National and International Seminars/Workshops/ Conferences. (2025-2026)

BBA

1. Dr. J. Mohan Raj presented a paper titled "An Exploratory Study on the Application of Thirukural Principles in Modern Business" at the Two-Day National Seminar on Indian Knowledge System held at National College (Autonomous), Tiruchirappalli, from 26.02.2026 to 27.02.2026 at the National level.
2. Dr. J. Mohan Raj, Assistant Professor in the Department of Business Administration, presented a paper in the title on "Using Common AI Tools for Designing Sales Promotion Offers in Various Categories in Retail Stores – A Case Study with Reference to Tiruchirappalli District" (13.11.2025)- National Conference on Metbiz Nexus: Evolving Strategies in Management and Commerce, Brindavan College, Bengaluru.
3. Dr. C. Suseendar, Assistant Professor in the Department of Business Administration presented a paper in the title on "Unpacking the Role of Influencer Authenticity and Interactivity in Shaping Cognitive Attachment and Brand Loyalty in the Era of Social Media 3.0" (22nd to 24th Jan 2026)- in the place International Conference Frontiers of Sustainability - Global Responsibility for Innovation and Entrepreneurship, Thiagarajar School of Management, Madurai.
4. Mr. Deva Kumar. S & Dr. C. Suseendar and Dr. M. Chandra Assistant Professor in the Department of Business Administration, presented a paper in the title on "Predicting Nurse Performance with Employee Motivation and Commitment on Occupational Health and Safety" (22nd to 24th Jan 2026)- in the place International Conference Frontiers of Sustainability - Global Responsibility for Innovation and Entrepreneurship, Thiagarajar School of Management, Madurai.

BMB

1. Prof. K. Varuna presented a paper titled "Upcycling Agro-Wastes for Photocatalytic Applications" at the 7th International Research Conference, organized by Eastern University, Trincomalee Campus, Sri Lanka, on 23 October 2025, which is categorized as an international conference. She further presented "MRI Reimagined: Safe, Scalable, and Sustainable Dual Contrast SPIONs from Green Microreactors" at the 62nd Annual Convention of Chemists (ACC 2025) and the International Conference on Chemical Sciences

for Net Zero Goals and Sustainability, held at Madras Christian College, Chennai, from 18 to 20 December 2025, also at the international level.

2. Prof. K. Varuna presented "tSPIONs for MR Imaging" at the International Conference on Biotechnology, organized by EGS Pillay Arts and Science College, Nagapattinam, from 16 to 17 February 2026, and "Dual Contrast Agents for Molecular Imaging" at SRASS 2026, held at Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, Chennai, on 20 February 2026, the latter being recognized as a national-level conference.
3. Dr. S. Nightingale Sheeba presented a paper on "Endosymbiotic Microbes from Marine Sponges and their Therapeutic Applications" at the international conference "Science for Sustainability: Integrating Environmental Research with SDG Implementation – Current Trends in Biological Sciences," organized by the DST-FIST & PG CURIE-supported Department of Bioscience, Vivekananda College of Arts and Science, Tiruchengode, Namakkal, held online on 10 and 11 February 2026.

BMS

5. Mr. B.A. Mohamed Faizal, Assistant Professor and Head, Department of Management Studies (BMS), National College (Autonomous), Tiruchirappalli, presented a paper on "Corporate Social Responsibility and Role of HR" at the One Day National Conference on Emerging Trends and Innovations in Commerce and Management held at M.I.E.T Arts and Science College, Tiruchirappalli on 24 January 2026.
6. Mr. B.A. Mohamed Faizal, Head, Department of BMS, National College (Autonomous), Tiruchirappalli, received a Certificate of Appreciation from the Department of Geology for successfully presenting a research paper at the National Conference on "Sustainable Management of Groundwater Resources for Future Development under Climate Change Scenario." The conference was held on 12–13 December 2025 at National College (Autonomous), Tiruchirappalli.
7. Mr. B. A. Mohamed Faizal's research paper titled "Leading Through Challenges: A Study on Survival and Growth in Hospitality Team Management" has been officially accepted for publication by Académique Publicación on 04-09-2025. This achievement highlights his valuable scholarly contribution to the field of management and hospitality studies.

Botany

8. Koperuncholan, M. (2026, February 26–27). Sustainable harvesting of medicinal plants through indigenous community practices. In *ICSSR-SRC sponsored two-day national seminar on "Indian knowledge systems in business and management: Reviving indigenous wisdom for sustainable and inclusive growth"*, Department of Commerce & Bank Management, National College (A), Tiruchirappalli, India.
9. Koperuncholan, M. (2026, January 29–30). Organizing committee member. In *Multidisciplinary international conference on "New generation of libraries for literacy and lifelong learning (NGLLLL 2026)"*, Department of Library & Information Science, National College (A), Tiruchirappalli, India (sponsored by Raja Rammohun Roy Library Foundation, Ministry of Culture, Government of India).
10. Senthil Kumar, S. (2025, August 17–24). Water in the tropics. In *3rd International Conference on Earth and Environmental Sciences*, ICC, Durban, South Africa.
11. Ramu Selvam, Pugalenthi Ramesh, J. Pitchaimani, K. Gilbert Ross Rex, Madhappan Santhamoorthy, and **Senthil Kumar Sadasivam**. "Biotransformation of Textile Industry Sludge Through Vermicomposting with the Earthworm *Eudrilus eugeniae*: Investigation of GCMS and Genotoxic Assessment." *Soil and Sediment Contamination: An International Journal* 34, no. 8 (2025): 2393-2418.

Chemistry (Aided)

12. Dr. M. Murali, Associate Professor of Chemistry, presented a paper titled *"Thiophene-based Biscopper(II) Complexes Mimic Functionalities of Copper Oxidases: Promiscuous Bio-inspired Green Catalysis in Mild Conditions"* at the National Conference on "Frontiers of Bioinorganic Chemistry and Green Catalysis (FBCGC-2026)", organized by the PG & Research Department of Chemistry, Seethalakshmi Ramaswami College (Autonomous), Tiruchirappalli, held on 21–22 January 2026.
13. Dr. M. Murali, Associate Professor of Chemistry, presented a paper titled *"Promiscuity of Monocopper(II) Complexes: Emulate the Function of Ascorbate, Amine, and Catechol Oxidases"* at the 22nd International Conference on Modern Trends in Inorganic Chemistry (MTIC-XXII) organized by University of Delhi, held on December 18–21, 2025.
14. Dr. M. Murali, Associate Professor of Chemistry, presented a paper titled *"Biscopper(II) Complexes Based on Thiophene as Functional Models for*

Copper Oxidases" at the 22nd International Conference on Modern Trends in Inorganic Chemistry (MTIC-XXII) organized by University of Delhi, held on December 18–21, 2025.

15. Dr. M. Murali, Associate Professor of Chemistry, presented a paper titled *"Cytosine-Derived Monocopper(II) Complexes: Multifunctional Catalysis and Anticancer Activity via Greener Pathways"* at the 22nd International Conference on Modern Trends in Inorganic Chemistry (MTIC-XXII) organized by University of Delhi, held on December 18–21, 2025.
16. Dr. M. Murali, Associate Professor of Chemistry, presented a paper titled *"Anticancer Mechanistic Studies of Oxovanadium(IV) Complexes: Structure, DNA Binding and Cleavage, and Cytotoxicity"* at International Conclave 2025 – Health and Environment through Interdisciplinary Approaches in Chemistry (IC-HEIAC) organized by the Department of Chemistry, School of Advanced Sciences, Vellore Institute of Technology, Vellore, held on November 25–27, 2025.
17. Dr. M. Murali, Associate Professor of Chemistry, presented a paper titled *"Functional Duality of Monocopper(II) Complexes: Greener Oxidation Catalysts and ROS-Driven Anticancer Agents"* at International Conclave 2025 – Health and Environment through Interdisciplinary Approaches in Chemistry (IC-HEIAC) organized by the Department of Chemistry, School of Advanced Sciences, Vellore Institute of Technology, Vellore, held on November 25–27, 2025.
18. Dr. M. Murali, Associate Professor of Chemistry, presented a paper titled *"Sustainable Routes in Cytotoxicity and Catalysis: Tetrakis-Copper(II) Complexes as Eco-Friendly Remedies"* at the AICTE-VAANI Sponsored Two-Day National Conference on Green Solutions for Energy, Environment and Sustainability (GSEES) held on October 9–10, 2025.
19. Dr. M. Murali, Associate Professor of Chemistry, presented a paper titled *"Versatile Monocopper(II) Complexes Mimic Catechol Oxidase Activity"* at the AICTE-VAANI Sponsored Two-Day National Conference on Green Solutions for Energy, Environment and Sustainability (GSEES) held on October 9–10, 2025.
20. Dr. M. Murali, Associate Professor of Chemistry, presented a paper titled *"Copper Oxidases Mimics: Structure, Spectroscopic and Catalysis of Monocopper(II) Complexes"* at the Two-Day International Conference on Chemistry Innovation: Current Developments, Challenges and Future Perspective (ICCI-2025) organized jointly by St. Joseph's College (Autonomous), Tiruchirappalli, Bishop Heber College (Autonomous),

Tiruchirappalli, and Christ College (Autonomous), Irinjalakuda, Tiruchirappalli, held on 15–16 September 2025.

21. Dr. M. Murali, Associate Professor of Chemistry, presented a paper titled *"Monocopper(II) Complexes of Cytosine and its Derivatives: Promiscuous Catalysts and Cytotoxic Agents"* at the National Conference on Recent Trends in Chemical Sciences (RTCS-25) conducted in commemoration of the Centenary Year of the Department of Chemistry, Loyola College (Autonomous), Chennai, held on 20–21 August 2025.
22. Dr. M. Murali, Associate Professor of Chemistry, presented a paper titled *"New Cytotoxic Agents: Tetrakis-Copper(II) Square Planar Complexes"* at the National Conference on Recent Trends in Chemical Sciences (RTCS-25), Loyola College (Autonomous), Chennai, held on 20–21 August 2025.
23. Dr. M. Murali, Associate Professor of Chemistry, presented a paper titled *"Promiscuous Biomimicry and Effective Hydrolysis of Phosphodiesters"* at the 35th Chemical Research Society of India (CRSI) National Symposium in Chemistry, organized by the Department of Chemistry, Indian Institute of Technology Gandhinagar, held on July 03–05, 2025.
24. Dr. M. Murali, Associate Professor of Chemistry, presented a paper titled *"Copper(II) (3+2)N-Chelating Complexes as Potential Anticancer Agents"* at the 35th Chemical Research Society of India (CRSI) National Symposium in Chemistry, Indian Institute of Technology Gandhinagar, held on July 03–05, 2025.
25. Dr. M. Murali, Associate Professor of Chemistry, presented a paper titled *"Functional Models for Catechol Oxidase: Square Planar Biscopper(II) Complexes with Dangling Thiophene"* at the 35th Chemical Research Society of India (CRSI) National Symposium in Chemistry, Indian Institute of Technology Gandhinagar, held on July 03–05, 2025.
26. Dr. M. Murali, Associate Professor of Chemistry, presented a paper titled *"Multiple Oxidation Catalysis and Cytotoxicity of Tetrakis-Copper(II) Complexes"* at the 35th CRSI National Symposium in Chemistry and ACS Lectures, organized by Indian Institute of Technology Gandhinagar, held on July 03–05, 2025.
27. Dr. D. Saravanan presented a paper/lecture titled *"Spectroscopic Techniques"* at the DST–FIST Sponsored Seminar, organized by Holy Cross College (Autonomous), Tiruchirappalli, Tiruchirappalli, held on 17–18 February 2026 (State Level).

28. Dr. D. Saravanan delivered a lecture titled *"Analytical Techniques"* during the MoU Signing Programme, organized by Sri Manakula Vinayagar College, School of Arts and Science, Puducherry, on 23 February 2026 (National Level).
29. Dr. D. Saravanan delivered a lecture titled *"Analytical Techniques"* at the Seminar on National Science Day Celebration, organized by Sri Manakula Vinayagar College, School of Arts and Science, Puducherry, on 23 February 2026 (National Level).

Chemistry (UAP)

30. Dr. M. Esakkiammal, Assistant Professor and Head, presented research papers at International conferences organized by RBVRR College for Women, Hyderabad,VELS University, Chennai, Government Arts College Tiruchirappalli during July–August 2025. She presented papers on Green Nanotechnology, Smart Fluorescent Nanomaterials for Biomedical Applications, and Biogenic Fabrication of TiO_2 Nanoparticles.

C**ommerce (Aided)**

31. Dr.B.Sekar, Presented a paper in International conference, titled "Libraries as Leering Operating System: Reimagining New Regeneration Libraries for Literacy and Lifelong Learning" under the theme Conference on New Generation of Libraries for Literacy and Lifelong Learning at National College, Trichy, on 29&30 Jan. 2026.
32. Dr.B.Sekar, Presented a paper in International conference, titled "Beyond Metros: Unleashing Innovation in Indian SMEs and Start Ups through tier 2 City Ecosystem Leveraging Commerce and Industry in Nation Building Under Viksit Bharat 2047" at Jamal Mohamed College, Trichy, on 8-1-2026.
33. Dr.B.Sekar, Presented a paper, titled "Indian Knowledge System and the Reimagining of Commerce: Integrating Indigenous Economic Thought Into Contemporary Business Practices" in ICSSR –SRC Sponsored Two Day National Seminar Indian Knowledge Systems in Business and Management: Reviving Indigenous wisdom for Sustainable and Inclusive Growth at National College (Autonomous) Trichy, on 26.02.2026 & 27.02.2026.
34. Dr.M.A. Parveen Banu, Presented a paper titled "GST Reform and Revenue Productivity in India: A Comparative Study with BRICS VAT Models" in ICSSR-SRC Sponsored Seminar on "Next -Generation GST Reforms and India's Socio- Economic Reset: Institutional, Sectoral and Welfare Dimensions under the 2025 GST- Council Regime" at Department of Commerce with Computer Applications, National College, Tiruchirappalli on 12.03.2026 & 13.03.2026.

35. Dr. M. Vasan, Presented a paper in State conference, titled "Digital Payment Systems and Cashless Economy" in Digital Innovations Driven Modern Commerce at Khadir Mohideen College, on 11-02-2026.
36. Dr. S. Ganapathi, Dr. M. Vasan and Dr. V. Mayakkannan, Presented a paper in National conference, titled "Leveraging business analytics for achieving Sustainable development goals" in Innovation of sustainable future: Embracing the Green Path in Business at Sri Ramakrishna College of Arts & Science, Coimbatore, on 23rd January, 2026.
37. Dr.V.Rathnamani, Presented a paper in National level webinar, titled "Financial Empowerment through Wealth Creation" at Tuljaram Chaturchand College of Arts, Science and Commerce, Baramati & Aneknant Institute of Management Studies, Pune- Online on 14-08-2025.
38. Dr.V.Rathnamani, Presented a paper in National Conference, titled "Risks in Mutual Funds" at AMFI on 03-11-2025.
39. Dr.V.Rathnamani, Presented a paper in ICSSR – SRC Sponsored Two day National Seminar titled "GST Reform and Revenue Productivity in India: "A Comparative Study with BRICS VAT Models". "Next -Generation GST Reforms and India's Socio-Economic Reset: Institutional, Sectoral and Welfare Dimensions Under 2025 GST -Council, Regime at National College(A), Tiruchirappalli, from 12-03-2025 to 13-03-2025
40. Dr.M.Sowriyar Duraisamy, Presented a paper titled "A Study on Stress Management and Employee Well- Being" in ICSSR –SRC Sponsored Two Day National Seminar Indian Knowledge Systems in Business and Management: Reviving Indigenous wisdom for Sustainable and Inclusive Growth at National College (Autonomous) Trichy, on 26.02.2026 & 27.02.2026.
41. Dr.A.Vasuki, Presented a paper in National Conference, titled "Sustainable and innovative outcomes of homepreneurship in startup enterprises "under the theme "Viksit Bharat – 2047 Sustainable business models for ecosystem start-ups" at Bishop Heber College, Tiruchirappalli on 28.11.2025.
42. Dr. A. Vasuki, Presented a paper in International Conference, titled "Sustainable development and social impact of modern business today: A Circular economy focus Research conclave and faculty award Aronax Research Foundation, Tiruvannamalai on 27.12.2025.
43. Dr.A.Vasuki, Presented a paper in National Conference, titled "Smart and hybrid academic libraries as drivers of financial literacy and entrepreneurial readiness among commerce students" under the theme New generation of libraries for literacy and lifelong learning (NGLLLL 2026) at National college, Tiruchirappalli on 29.01.2026.

44. Ms. R.Soundarya, Presented a paper in International Conference, titled " HR Coming of Age-Perception towards metamorphosis of HR through Kurt-Lewin model in Capgemini-TrichyChange Management at National College on 29th & 20th Jan 2026.

Commerce (UAP)

45. Dr. C. Thilagavathy presented a paper titled Impact of AI Tools in the Education Sector: Role of Digitalization in Reshaping Commerce through AI and Blockchain.
46. M. Sathya presented a paper titled Impact of Electronic Payment System – Role of Digitalization in Reshaping Commerce through AI and Blockchain.
47. P.Joyce presented a paper titled E-Commerce Strategies in Durable Goods – Role of Digitalization in Reshaping Commerce through AI and Blockchain.
48. Dr. S. Chidambaram presented a paper titled The Impact of AI in Digital Marketing Platforms – Role of Digitalization in Reshaping Commerce through AI and Blockchain.
49. W. Roselin Prabha presented a paper titled Impact of GST on Entrepreneurship Development and Innovation.
50. Dr. R. Soundaravalli presented a paper titled Indigenous Entrepreneurship and Business Model Pathways to Sustainable Economic Development.
51. Dr. G. RAVICHANDIRAN presented a paper on "Analysis of GST Collections and State-wise Revenue Growth In India" in the Indian Council of Social Science Research-sponsored national seminar on "GST Reforms and Impact on MSMEs, start-ups, and entrepreneurship" on 6th & 7th March 2026 in PG & Research Development of Commerce, Thanthai Periyar Government Arts and Science College (Autonomous), Tiruchirappalli – 620 023.
52. Dr. G. RAVICHANDIRAN has a paper presentation on "The Role of Indigenous Practices in Enhancing Organizational Resilience" in the ICSSR–SRC-sponsored two-day national seminar on "Indian Knowledge System in Business and Management: Reviving Indigenous Wisdom for Sustainable and Inclusive Growth" from 26.02.2026 to 27.02.2026, organized by the Department of Commerce (Bank Management), National College (A), Tiruchirappalli – 620 001.

Commerce with Computer Applications

CS. S. Priscilla Sherene Latha S

53. Presented a paper titled "A social media and influencer-driven commerce" at a state-level conference held at Khadir Mohideen College, Adirampattinam, Thanjavur.

54. Presented a paper titled “Impact of social media on society” at Srimad Andavan Arts and Science College.
55. Presented a paper titled “Corporate Social Responsibility and Role of HR” at a one-day national-level conference held at M.I.E.T. Arts and Science College, Trichy.

Computer Science

56. Ms. R. Sasikala, “AI in Health Care & Education," presented at the Indian Council for Research and Development (ICRD), 20.06.2025.
57. Mr. A. Hendry Richard, “Next–Gen AI: Innovations and Impacts for Shaping the Future," presented at Holy Cross College, Trichy (International Seminar), 30.07.2025.
58. Ms. R. Sasikala, “Artificial Intelligence (AI) Tools Usage," presented at the National Institute for Research and Development, India (NIRDI) (National Workshop), 17.08.2025.
59. Dr. G. Yamini, “AI-Powered Pedagogy in Higher Education," presented at Bharathidasan University (Sponsored by BECH-RUSA 2.0), 26.09.2025.
60. Ms. R. Sasikala, “AI-Powered Pedagogy in Higher Education," presented at Bharathidasan University (Sponsored by BECH-RUSA 2.0), 26.09.2025.
61. Dr. G. Yamini, “Strategies and Techniques to Write and Publish Book Chapters," presented at A.C.T Academy, Kerala (National Level Research Workshop), 10.09.2025.
62. Ms. R. Sasikala, “Strategies and Techniques to Write and Publish Book Chapters," presented at A.C.T Academy, Kerala (National Level Research Workshop), 10.09.2025.
63. Ms. R. Sasikala, “Securing Internet of Things," presented at LKP Academy (International Workshop), 13.12.2025.
64. Ms. R. Sasikala, “Transformative Research in Science," presented at LKP Academy (International Conference), 17.12.2025 – 18.12.2025.
65. Ms. R. Sasikala, “Foundations of Statistical Analysis," presented at LKP Academy (International Workshop), 18.02.2025.

Economics

66. Dr. A. KAYALVIZHI presented a paper on Digital Economy and Innovation Hubs: The New Face of Tamilnadu Growth in the Annual Conference (September 2025).

67. Dr. A. KAYALVIZHI presented a paper on “Employment Generation And Labour Market Reforms: Trends." Challenges and policy implications" (August 2025).
68. Dr. C. SUBRAMANIAN presented a paper entitled, “The Role of Artificial Intelligence on Curriculum Development in Higher Education in India," organized by the Dept. of Commerce. Salem Sowdeswari College for Women, Salem, on 14th Aug 2025.
69. Dr. C. Subramanian presented a paper entitled "A Study on Public Private Partnerships for Economic Transformation in India," organized by the Dept. of Economics, Holy Cross College (A), Tiruchirappalli, on 22nd Aug 2025.
70. Dr. C. SUBRAMANIAN presented a paper entitled "A Study on Poverty Alleviation Programs in India," organized by the PG & Research Dept. of Economics. Sir Theagaraya College, Chennai, on 24th September 2025.
71. Dr. C. SUBRAMANIAN presented a paper entitled "A Study on Challenges for Sustainable Development Goals in Tamilnadu," organized by the NKR Government Arts College for Women, Namakkal, on 27th September 2025.
72. Dr. C. Subramanian presented a paper entitled "A Study on Sustainable Development Goals: Challenges and Opportunities in India," organized by the PG and Research Department of Economics, Jamal Mohamed College, Tiruchirapalli, on 06th January 2026.
73. Dr. B. Chithirairajan presented a paper entitled "Socio-Economic Conditions Of Gig Workers Under The Platform Economy: A Study In Tiruchirappalli District Of Tamil Nadu”, in the National Conference, organized by the Department of Economics, PSG College of Arts and Science, Coimbatore on 06.03.2026.

English (UAP)

74. Dr. P. Anusooya presented a paper titled “Post Human Feminine: Silence and Sensuality…” at a National Seminar held at ICCR, Kolkata, on 1st & 2nd November 2025.
75. Dr. P. Anusooya presented “Love Across Borders…” at a National Seminar organized in association with Kerala Sahitya Akademi on 23rd & 24th February 2026.
76. Dr. P. Anusooya presented “Trauma, Selfhood, and Ecological Memory…” at an International Conference held in Bengaluru on 21st and &; 22nd January 2026.

Geology

77. Dr. V. Vasanthamohan co-authored research paper entitled “Assessment of Groundwater Quality using Geochemistry and GIS Interpolation in and around

Pudur Village near Pandalgudi near Thoothukudi District, Southern India," was presented at the National Conference on "Sustainable Management of Groundwater Resources for Future Development Under Climate Change Scenario", organized by the Department of Geology, National College (Autonomous), Tiruchirappalli 620001, during 12th-13th December, 2025.

78. Vasanthamohan, V., co-authored research paper entitled "L and Use/Land Cover Change Analysis in Rapidly Urbanizing Tiruchirappalli, Tamil Nadu, India: A Remote Sensing and GIS Approach" (at the National Seminar on Earth, Environment, and Ecosystem (GeoEEE2025), Malankara Catholic College, Kaliakkavilai, Kanyakumari, on 23rd June, 2025.
79. Dr. Karung Phaisonreng Kom presented a paper entitled “Assessment of Groundwater Potential Zones Using AHP and Geospatial Techniques in Namakkal District, Tamil Nadu” at the International Seminar on Innovative Solutions for Water Management – 2025 organized by the Gandhigram Rural Institute, Gandhigram, Dindigul, held during December 3rd and 5th, 2025.
80. Dr. K. Radhakrishnan presented a research paper on “Microplastic Risk Assessment from the Sediments and Water Samples in and around Srirangam Island, Tamil Nadu, India” in the International Conference on “Microplastics Chronicles: Emerging Contaminants of Soil, Water, Sediments and Nutrition (ICMSWSN-2025)” held on 6th and 7th September 2025, organized by Nivetha Institute of Earth and Environmental Sciences, Kovilpatti, and SGT University, Gurgaon, Haryana.

History

81. Dr. M. Lavanya presented a paper, "THE ARTISTIC LEGACY OF THE PALLAVAS: FOUNDATIONS OF SOUTH INDIAN TEMPLE ARCHITECTURE," at the 44th Annual Session of the SOUTH INDIAN HISTORY CONGRESS, held on December 20 – 22, 2025.

Mathematics

82. Dr. K. Bhagyasri presented a paper titled “The EEHW Quadrilateral Development Framework: A Graph Theoretical and Eigenvalue-Based model for Sustainable Human Progress in the AI Era” at the National Conference Organized by the Centre for Education Beyond Curriculum (CEDBEC) in Association with the School of Education on 9th and 10th April 2026 at CHRIST (Deemed to be University), Bangalore, India.

83. Dr. V. Krithika, Solving Diophantine Equations with variables in exponents, International Conference on Applied Mathematics – 2026 at St. Joseph's College, Trichy, on 17th and 18th February, 2026.
84. Dr.V.Sangeetha, Encryption – Decryption Strategies through the Construction of Diophantine Triples comprising Gnomonic and Centered Cube Numbers, International Conference on Applied Mathematics – 2026 at St. Joseph's College, Trichy on 17th and 18th February, 2026.

Physical Education

Dr. Bhoopathy

85. Presented a paper, Research Paper Presentation, at Aiman College of Women's Arts & Science College, Tiruchirappalli (International Conference).
86. Presented a paper, Global Spotlight: India's Transformative Vision for the 2026 Olympics, at National Conference (PEFI), New Delhi, 7 February

Sanskrit

Dr. V. Balaji actively participated in academic events and presented papers in various seminars and conferences. Notable presentations include:

87. Concept of Pranayama according to the Philosophy of Yoga at a National level lecture organized by SASHE, SASTRA University, Thanjavur (27 October 2025).
88. IKS in ICT Era: Integrating Tradition with Technology at National College (Autonomous), Tiruchirappalli (05 December 2025).
89. Avatara Rahasyam in Bhagavad Gita at the University of Madras (17 March 2026).

Zoology

Dr. D. Gayathri

98. Participated and presented a paper entitled on "From Molecule to Miracle: Accelerating Drug Discovery with Artificial Intelligence (AI) and OmicsIntegration" on Driving The Future with Biotechnology: Economy, Environment, and Employment – BIOE3, DBT-CTEP sponsored Two-Day National Conference, organized by the Centre of Excellence in Life Sciences, PSGR Krishnammal College for Women, Coimbatore, India during 24th and 25th July 2025.
99. Participated in International Conference on Role of Life Science in Vision India 2047 sponsored by Knowledge Consortium of Gujarat and the education department of Gujarat through RUSA in Assoiciation with Botanical Advanced Association, Gujarat and organized by Tolani college of Arts and Science, Adipur Gujarat on 13th and 14th February 2026 and presented a paper entitled on "Hormones in Troubled Waters: Emerging Gaps in Aquatic Endocrinology."

Dr. C. Sudha

100. Presented an oral presentation at the International Conference-conducted by Thanthai Hans Rover College-Perambalur -13.8.2025 to 14.8.2025. Secured "Best Oral Presentation Award".
101. Presented an oral presentation at National Conference-conducted by ST.Joseph's College, Trichy -7.01.2026. Secured "Best Oral Presentation Award".
102. Presented an oral presentation at International Conference-conducted by Jamal Mohamed College-Trichy -11.9.2025.
103. Presented an oral presentation at International Conference-conducted by Madurai Kamaraj University-Madurai-28.02.2026.

Annexure VII

List of Staff Members who have been invited by other institutions as Resource Person/Chief Guests/Chairperson/Judges. 2025-2026

BBA

1. Dr. M. Chandra, Assistant Professor & Head, Department of Business Administration, National College, Tiruchirappalli, served as a Judge for the Ad-Zap event at the National Level Management Meet organized by the Department of Business Administration, Jamal Mohamed College, Tiruchirappalli, on 30 September 2025.
2. Dr. M. Chandra, Assistant Professor & Head, Department of Business Administration, National College, Tiruchirappalli, served as a Resource Person in a one-week Entrepreneurship Development Programme organized by Thanthai Periyar Government Arts and Science College, Tiruchirappalli, from 12 December 2025 to 18 December 2025. He handled the session on Market Survey on 13 December 2025.
3. Dr. M. Chandra, Assistant Professor & Head, Department of Business Administration, National College, Tiruchirappalli, served as a Judge at the One-Day Science Workshop for school and college students held on 29 January 2026 at Anna University, Trichy.
4. Dr. M. Chandra, Assistant Professor & Head, Department of Business Administration, National College, Tiruchirappalli, served as a Judge at the Two-Day National Tamil Science Conference for school and college students held on 20 and 21 February 2026 at CSIR-Structural Engineering Research Centre (CSIR-SERC), Tharamani, Chennai.
5. Dr.S.Vivekanantha, Assistant Professor, Department of Business Administration, National College (Autonomous), Trichy-01 served as Resource Person for 6 th International Conference on Advanced Management focusing on 29 January 2026, Jamal Mohamed College (Autonomous), Trichy-18

BMB

1. Dr. M. S. Mohamed Jaabir served as a Resource Person and Subject Expert in the three-day Induction Training for PG Teachers, conducted by the State Council of Educational Research and Training (SCERT), Chennai, from 26 to 28 February 2026. The programme focused on orienting newly appointed postgraduate teachers and strengthening their subject knowledge and pedagogical skills.

2. Dr. M. S. Mohamed Jaabir was invited as a Resource Person to deliver a lecture titled "Anti-Cancer Prospects of Coelomic Fluid of Earthworm" at the Department of Human Genetics, Bharathiar University, Coimbatore, on 21 August 2025. The talk highlighted the biological and therapeutic potential of earthworm coelomic fluid in cancer research.
3. Dr. M. S. Mohamed Jaabir delivered a resource-person lecture titled "The Bio-Scope: Navigating Careers in Life Sciences" at Chinmaya Matriculation Higher Secondary School, Srirangam, on 21 January 2026. The session aimed at guiding school students about emerging career opportunities in biotechnology, genetics, and related life-science disciplines.
4. Dr. M. S. Mohamed Jaabir participated as a Subject Expert in the Board of Studies for BSc and MSc Biotechnology at Ayyanar Janaki Ammal College (Autonomous), Sivakasi, on 12 March 2026. In this capacity, he contributed to curriculum review, syllabus planning, and academic policy discussions for the biotechnology programmes.
5. Dr. M. Mohamed Imran served as a Judge in the 18th National Science Fair (NSF-2025), organized by OMEIAT at C. Abdul Hakeem College (Autonomous), Melvisharam, Ranipet District, on 29 November 2025. He evaluated student projects based on scientific content, innovation, and presentation quality.
6. Dr. M. Mohamed Imran was invited as an Honoured Guest at the Planet Protectors Expo 2025, held at S.B.I.O.A Matric and Higher Secondary Schools, Trichy, on 27 November 2025. The event showcased student-based environmental projects, and he addressed the participants on the role of young scientists in sustainability.
7. Dr. M. Mohamed Imran functioned as an Evaluator in the 34th District Level Children's Science Congress – 2025, organized by the Tamil Nadu Science Forum (TNSF) at Jamal Mohamed College (Autonomous), Tiruchirappalli, on 8 November 2025. He assessed research projects and presentations by school-level students, providing feedback to nurture scientific thinking.
8. Dr. M. Mohamed Imran served as a Resource Person for a one-day workshop for Science Teachers on the topic "Preparation of Environmental Science Projects", conducted at Wisdom Park International School, Ambur, on 30 August 2025. The workshop equipped school teachers with practical methods and strategies for guiding students in designing and executing environmental-science projects.

BMS

1. Mr. B.A. Mohamed Faizal, Assistant Professor and Head, Department of Management Studies (BMS), National College (Autonomous), Tiruchirappalli, served as a Resource Person in the Student Exchange Programme organized for the students ofArasu College of Arts and Science for Women, Karur. The programme was jointly conducted by ASEM Lifelong Learning – South Asia Centre and the Career Guidance and Placement Cell, National College (Autonomous), Tiruchirappalli on 23 August2025. His valuable insights and expertise significantly enriched the
2. A. Mohamed Faizal, Assistant Professor and Head, Department of Management Studies (BMS), National College (Autonomous), Tiruchirappalli, received a certificate of participation for attending the Community Connect Conclave 2025 on the theme "Empowering Youth for Resilient Communities and Sustainable Future." VIRTUCHAM and the Centre

Botany

1. Dr.Natarajan, E. was the resource person for the workshop on "framing analytical questions" held at TPGAS College, Tiruchirappalli, India.
2. Dr. S. Senthil Kumar, Asst. Prof. (SS) of Botany and IQAC Coordinator, served as a Resource Person in a Students Welfare Programme organized by the Linnaeus Club of Botany at Holy Cross College (Autonomous) on 30 January 2026. He delivered a special lecture on *"From Botany Classroom to Opportunities We Often Ignore"*,

Chemistry (Aided)

1. Dr. M. Murali, Associate Professor of Chemistry, served as Resource Person and delivered a lecture on *"Copperenzymes to Small-molecular Mimics: Promiscuous Biomimetic Copper(II) Catalysts"* during the Valedictory of the Chemistry Association held on 23 February 2026, Department of Chemistry, St. Joseph's College (Autonomous), Tiruchirappalli, Tiruchirappalli – 620 002.
2. Dr. M. Murali, Associate Professor of Chemistry, served as Session Chair at the 22nd International Conference on Modern Trends in Inorganic Chemistry (MTIC-XXII) organized by University of Delhi, held on December 18–21, 2025.
3. Dr. M. Murali, Associate Professor of Chemistry, served as Resource Person and delivered a lecture on *"Versatile Monocopper(II) Catalysts: Design and Application in Oxidative Catalysis"* at International Conclave 2025 – Health and Environment through Interdisciplinary Approaches in Chemistry (IC-HEIAC) organized by the Department of Chemistry, School of Advanced

Sciences, Vellore Institute of Technology, Vellore, held on November 25–27, 2025.

4. Dr. M. Murali, Associate Professor of Chemistry, served as Resource Person and delivered a lecture on *"Copper Oxidase Mimics: Single Core, Multiple Chemical Changes"* at the National Conference on Recent Trends in Chemical Sciences (RTCS-25) held on 20–21 August 2025, conducted in commemoration of the Centenary Year of the Department of Chemistry, Loyola College (Autonomous), Chennai.
5. Dr. M. Murali, Associate Professor of Chemistry, served as Resource Person and delivered a lecture on *"Bioinspired Models for Copper Oxidases: Experimental and Theoretical Approach"* at the International Conference on Chemistry for Human Development (ICCHD-2025) held on 4–6 January 2025, University of Calcutta, Kolkata.
6. Dr. S. Muhamad Rafiq, Assistant Professor (SS) of Chemistry, served as Session Chair for the Oral Paper Presentation at the International Conference on "Advanced Materials for Sustainable Technologies (ICAMST-2026)", organized by the PG & Research Department of Chemistry, PSGR Krishnammal College for Women, Coimbatore, held on 08–09 January 2026.
7. Dr. S. Muhamad Rafiq, Assistant Professor (SS) of Chemistry, served as Resource Person and delivered a special lecture on "Basics of UV–Visible, IR and One-Dimensional NMR Spectroscopy for Organic Structure Analysis", organized by the PG Department of Chemistry, Bon Secours Arts and Science College for Women, Mannargudi, on 20 January 2026.
8. Dr. K.P. Selvagiri acted as a judge in Naalaya Vinganai 2025 (நாளைய விஞ்ஞானி 2025), organized by Tamil Nadu Science Forum, with VIT Chennai.
9. Dr. M. Murali, Associate Professor of Chemistry, served as Resource Person and delivered a lecture on *"Copperenzymes to Small-molecular Mimics: Promiscuous Biomimetic Copper(II) Catalysts"* during the Valedictory of the Chemistry Association held on 23 February 2026, Department of Chemistry, St. Joseph's College (Autonomous), Tiruchirappalli, Tiruchirappalli – 620 002.
10. Dr. M. Murali, Associate Professor of Chemistry, served as Session Chair at the 22nd International Conference on Modern Trends in Inorganic Chemistry (MTIC-XXII) organized by University of Delhi, held on December 18–21, 2025.
11. Dr. M. Murali, Associate Professor of Chemistry, served as Resource Person and delivered a lecture on *"Versatile Monocopper(II) Catalysts: Design and Application in Oxidative Catalysis"* at International Conclave 2025 – Health

and Environment through Interdisciplinary Approaches in Chemistry (IC-HEIAC) organized by the Department of Chemistry, School of Advanced Sciences, Vellore Institute of Technology, Vellore, held on November 25–27, 2025.

12. Dr. M. Murali, Associate Professor of Chemistry, served as Resource Person and delivered a lecture on *"Copper Oxidase Mimics: Single Core, Multiple Chemical Changes"* at the National Conference on Recent Trends in Chemical Sciences (RTCS-25) held on 20–21 August 2025, conducted in commemoration of the Centenary Year of the Department of Chemistry, Loyola College (Autonomous), Chennai.
13. Dr. M. Murali, Associate Professor of Chemistry, served as Resource Person and delivered a lecture on *"Bioinspired Models for Copper Oxidases: Experimental and Theoretical Approach"* at the International Conference on Chemistry for Human Development (ICCHD-2025) held on 4–6 January 2025, University of Calcutta, Kolkata.
14. Dr. S. Muhamad Rafiq, Assistant Professor (SS) of Chemistry, served as Session Chair for the Oral Paper Presentation at the International Conference on "Advanced Materials for Sustainable Technologies (ICAMST-2026)", organized by the PG & Research Department of Chemistry, PSGR Krishnammal College for Women, Coimbatore, held on 08–09 January 2026.
15. Dr. S. Muhamad Rafiq, Assistant Professor (SS) of Chemistry, served as Resource Person and delivered a special lecture on "Basics of UV–Visible, IR and One-Dimensional NMR Spectroscopy for Organic Structure Analysis", organized by the PG Department of Chemistry, Bon Secours Arts and Science College for Women, Mannargudi, on 20 January 2026.
16. Dr. K.P. Selvagiri acted as a judge in Naalaya Vinganai 2025 (நாளைய விஞ்ஞானி 2025), organized by Tamil Nadu Science Forum, with VIT Chennai.

Chemistry (UAP)

1. Dr. M. Esakkiammal Assistant Professor and Head, Department of Chemistry UAP served as the resource person for a session titled "Transforming Ideas into Opportunities: Creative Techniques for Entrepreneurs" organized by the Institution's Innovation Council of Cauvery College for Women on 11.08.2025. She also delivered a talk on "Role of AI in Energy Conservation and Climate Sustainability" during the Capacity Building Programme held on 16.12.2025.
2. Dr.M.Esakkiammal Assistant Professor and Head and Dr. A.R. Parveen, Assistant Professor, was the Chair Person at the International Conference on

Advanced Functional Nanocomposites for Energy & Environmental Applications (ICAFNEA-2025) organized by the PG & Research Departments of Physical Science, Thanthai Hans Roever College (Autonomous), Perambalur. The conference was held on 11th and 12th September 2025.

Commerce (Aided)

1. Dr. M. Sharmila, Resource Person for National Conference on Business Opportunities and Challenges to Entrepreneurship organized by M.A.M B-School, Trichy on 28-1-2026.
2. Dr.M.A.Parveen Banu, Resource Person for Personality Development and Innovative Business Skills" organized by Aiman College of Arts and Science for Women, Tiruchirappalli on 28.08.2025.
3. Dr. M. Vasan, Guest Lecture on Artificial Intelligence Transforming Business Applications, Sri Amaravathi College of Arts & Science, Karur on 18th July 2025.
4. Dr. M. Vasan, Resource Person for International Online FDP on Innovative Pedagogies and Digital Education Preparing Future Ready Graduates by Kongu Arts and Science, College (A), Erode 28.07.2025.
5. Dr. M. Vasan, Resource Person for Workshop on Project Idea – Vision to Venture organized by VET Arts & Science College, Erode on 31-7-2025.
6. Dr. M. Vasan, Resource Person for ICSSR Sponsored Workshop on Contemporary Approaches to Advanced Research Methods in Social Sciences and Commerce, Thanthai Hans Rover College, Perambalur on 29-09-2025.
7. Dr. M. Vasan, Resource Person for National Level Workshop on Application of Statistical Tools Using SPSS organized by Krishnasamy College of Arts and Science, Sathuron, on 29-12-2025.
8. Dr. S. Ganapathi, Resource Person for the Valedictory of the Commerce Association, organized by Jamal Mohamed College (A), Tiruchirappalli on 24-03-2026.
9. Ms. R.Soundarya, Resource Person for Mathakondapalli Model School, Hosur on 03-04-2025
10. Ms. R.Soundarya, Resource Person for International Conference on Career readiness skills for students-Skill Developer, Chennai and Bharathi Chudar-United Kindom on 25-06-2025.
11. Ms. R.Soundarya, Resource Person for NET Achievers Meet-St Josephs College-Trichy on 26-02-2026.
12. Dr. M. Vasan acted as a member of the Board of Studies at Vellalar College for Women (Autonomous), Erode, on 5-3-2026.

13. Dr. M. Vasan acted as a member of the Board of Studies at Periyar University, Salem, on 26-3-2026. Dr. M. Vasan acted as a member of Board of Studies at Kongunadu Arts & Science College (Autonomous), Coimbatore, on 27-3-2026.
14. Dr. M. Vasan acted as a member of the Board of Studies at NGP College of Arts & Science (Autonomous), Coimbatore, on 02-04-2026.

Commerce (UAP)

1. Dr. C. Thilgavathy served as Advisory committee member on two days international conference on "role of digitalisation in Reshaping commerce through AI and Block chain" held on 29th and 30th January at Sri Bharathi Arts and Science College, Pudukkottai.

Commerce with Computer Applications

1. Prof. Elavarasan, Chief guest for A National-level Technical Symposium on 8 January 2026 at Jamal Mohamed College, Trichy

Computer Science

1. Dr. P.S.S. Akilashri and Dr. N. Karpagavalli served as chairpersons at the International Conference on Next Gen AI and Emerging Technologies for Sustainable Development (IC-AIETS 2026) organized by Holy Cross College , Trichy, on 09.01.2026.
2. Dr. P.S.S. Akilashri, Board of Study member @ JKK Nataraja College of Arts & Science, Komarapalayam.
3. Ms. R. Sasikala served as chairperson at the International Conference on Converging Academic Innovations (ICCAI 2025) held at Madurai Gandhi N.M.R. Subbaraman College for Women from 08.08.2025 to 10.08.2025.
4. Ms. R. Sasikala served as a resource person at the International Conference on Advanced Intelligence and Emerging Technologies (ICAIET-2025) organized by Rajeswari College of Arts and Science for Women, Villupuram, from 08.10.2025 to 10.10.2025.
5. Dr. G. Yamini, Reviewer in Springer Nature Journals—Computational and Mathematical Organization Theory, Language Resources and Evaluation, Discover Artificial Intelligence, and Artificial Intelligence Review.

Economics

1. Dr. C. SUBRAMANIAN acted as a resource person in the one-day webinar on "The Brainpower Behind Business Decisions" organized by the School of Commerce, Sasurie College of Arts and Science, Tirupur, on 28.10.2025.
2. Dr. B. CHITHIRAIRAJAN acted as a Rapporteur in the Two days ICSSR – STC sponsored national conference, "*GST Reforms and Impact on MSMEs, Start-ups, and Entrepreneurship*" organized by the Department of Economics, PSG College of Arts and Science, Coimbatore on 13.03.2026.

English (Aided)

Dr. S. Maha

1. Chaired a session as a resource person at the One-day National Conference on "The Human Condition: Literary and Psychological Reflections across Cultures" in AIMAN College of Arts and Science for Women, Tiruchirappalli – 620021 on October 9, 2025.
2. Chaired a session as a resource person at the Two-day International Conference on "Language
3. Diversity, Social and Technological Development in Educational and Economic Transformation: in Alignment with NEP 2020" at Nagaland University, Nagaland on November 25 &26, 2025.
4. Invited as a Chief Guest for the Inaugural Programme of the English Literary Association's Sprinkler's Club at Government Arts & Science College, Kumulur, Lalgudi, Tiruchirappalli – 621712 on January 9, 2026.
5. Chaired three sessions as a resource person at the International Conference on "Digital Psychology in Language, Literature, Culture, and Society" at Government Arts & Science College, Kumulur, Lalgudi, Tiruchirappalli – 621712 on January 20, 2026.
6. Invited as a Valedictorian Speaker for the one-day International Conference on "Digital Psychology in Language, Literature, Culture, and Society" at Government Arts & Science College, Kumulur, Lalgudi, Tiruchirappalli – 621712 on January 20, 2026.
7. Examined Project Viva-voce at St. Joseph's College, Tiruchirappalli – 620002 on March 5, 2026.
8. Invited as a Chief Guest for the Women's Day program in Win S.B.I.O.A Matric. Hr. Sec. School, Airport Post, Tiruchirappalli – 620007 on March 7, 2026.

Dr. Nainar Sumathi P

9. Served as a resource person and delivered a lecture as a plenary speaker in the two-day International Conference on "Language Diversity, Social, and Technological Development in Educational and Economic Transformation: in Alignment with NEP 2020" at Nagaland University, Nagaland, on November 25 & 26, 2025.
10. Dr. Karthikeyan is a Featured speaker in the TESOL-BD DIU International Conference organized by TESOL Society of Bangladesh on 5 Dec 2025

Geology

1. Dr. S. Selvaraj delivered a special lecture on "Climate Change" at the Departmental Special Lecture Series organized by the Department of Tamil, Government Arts and Science College, Navalur Kuttapattu, Tiruchirappalli, on 2nd April 2026.
2. Dr. V. Vasanthamohan delivered a lecture on "Exploring Career Pathways in Geosciences: Upskilling for Geopreneurship, Freelance Consulting, Government Roles, Industry, Research, and Academia..." at the Geology Association Meeting organized by the Department of Geology, Government Arts and Science College, Karur, on 26th March 2026.
3. Dr. V. Vasanthamohan served as a delegate and delivered an expert lecture entitled "Harmony with Wetlands: Ecology, Conservation, Community, and the Way Forward… Exploring the Interconnectedness of Wetlands and Forest Geology" in the District Level Wetland Conservation (WCC) Innovation Workshop organized by the Perambalur District Wetland Management Committee, Department of Forests, Govt. of Tamil Nadu, on 9th March 2026.
4. Dr. N. Jawahar Raj served as the resource person and delivered a special lecture on "Dissertation: Essential Elements" at the Department of Geography, Bharathidasan University, Tiruchirappalli, on the occasion of Science Day celebrations organized by the Department of Geography, Bharathidasan University, Tiruchirappalli – 24, on 4th March 2026.
5. Dr. S. Selvaraj delivered an invited lecture entitled "Application of Geospatial Technology in Coastal Dynamics" at the Centre for Geoinformatics, The Gandhigram Rural Institute (Deemed to be a University), Gandhigram, Dindigul, on 10th February 2026.
6. Dr. K. Radhakrishnan delivered the keynote address on "Microplastics in Aquatic and Sedimentary Environments: Sources, Environmental Risks, and Sustainable Mitigation Strategies" on 5 th February 2026 at the Two-Day

National Conference on “Emerging Developments in Geosciences and Earth Systems (EDGE-2026)," organized by the Department of Geology, Farook College (Autonomous), Kozhikode, held on 5th and 6th February 2026.

7. Dr. V. Vasanthamohan delivered an expert lecture on “Geochemistry and Geochemical Exploration Techniques” at the RUSA 2.0 Sponsored Workshop-cum-Training Program (GEO-INTELLECT 2025) organized by the Department of Geology, Bharathidasan University, Khajamalai Campus, Tiruchirappalli, on 31st October, 2025.
8. Dr. Selvaraj delivered a special lecture on “A Leader in You” at the Vignesh Vidyalaya, Tiruchirappalli, on 10th August, 2025.
9. Dr. S. Venkatramanan served as a keynote speaker on the topic of “Tracing Heavy Metal Contamination and Ecological Risk in Estuarine Sediments” in the National Seminar on “Earth, Environment, and Ecosystem (GeoEEE 2025)” held on 23rd June 2025 in the Department of Geology, Malankara Catholic College, Kaliyakkavilai, Kanyakumari District.
10. Dr. S. Venkatramanan served as a keynote speaker on the topic of “Urban Riverine Microplastic Pollution Assessment in Cauvery River at Tiruchirappalli, Tamil Nadu, India” in the International Conference on “Microplastics Chronicles: Emerging Contaminants of Soil, Water, Sediments, and Nutrition (ICMSWSN-2025)” held on 6th and 7th September 2025 at Silver Stone Resort, Kovilpatti, organized by Nivetha Institute of Earth and Environmental Sciences in association with SGT University, Gurgaon, Haryana.
11. Dr. S. Venkatramanan served as a resource person and delivered a lecture on the topic of “Groundwater Quality Assessment and Management” in the workshop on “Recent Techniques in Geo-Mapping: Remote Sensing and GIS, Drone Survey, Resistivity Survey, Bathymetric Survey, Mine Planning, Hydrological Survey, and Water Quality Management” held during 28th and 30th October 2025 at the Department of Geology, Alagappa University, Karaikudi.
12. Dr. C. Thivya delivered a special lecture on “Addressing Water Quality Issues in Environmental Concerns for Achieving SDG-6” in the one-day workshop on “Groundwater for Sustainable Management” organized by the Department of Geography, Bharathidasan University, Tiruchirappalli, on 21st July 2025.
13. Dr. C. Thivya and Dr. P. Karthick served as judges for the “Veettukku Oru Vingyani” Science Exhibition organized by Puthiyathalaimurai News Channel on 22nd November, 2025, at the Indian Public School, Tiruchirappalli.

14. Dr. Karung Phaisonreng Kom delivered an invited lead lecture entitled "Assessment of Groundwater Potential Zones Using AHP and Geospatial Techniques in Namakkal District, Tamil Nadu" at the International Seminar on Innovative Solutions for Water Management – 2025 at the Gandhigram Rural Institute (DTBU) during 3rd and 5th December 2025.
15. Dr. K. Radhakrishnan delivered an invited lecture on "Invisible Threats Below: Microplastics in Groundwater Sources, Risks, and Solutions" on 29th October 2025 at the Workshop on "Recent Techniques in Geo-mapping: Remote sensing and GIS, Drone Survey, Resistivity Survey, Bathymetric Survey, Mine Planning, Hydrological Survey, and Water Quality Management" organized by the Department of Geology, Alagappa University, Karaikudi.
16. Dr. S. Venkatramanan served as a chairperson for a session in the National Seminar on "Earth, Environment, and Ecosystem (GeoEEE2025)" held on 23rd June 2025 at the Department of Geology, Malankara Catholic College, Kaliyakkavilai, Kanyakumari.
17. Dr. S. Venkatramanan served as a chairperson for the session at the International Conference on "Microplastics Chronicles: Emerging Contaminants of Soil, Water, Sediments, and Nutrition (ICMSWSN-2025)" held on 6 th and 7 th September 2025 at Silver Stone Resort, Kovilpatti, organized by Nivetha Institute of Earth and Environmental Sciences in association with SGT University, Gurgaon, Haryana.
18. Dr. Karung Phaisonreng Kom delivered an invited lead lecture and served as session chair at the International Seminar on Innovative Solutions for Water Management – 2025 at the Gandhigram Rural Institute, Gandhigram, Dindigul, during 3rd and 5 th December 2025.
19. Dr. K. Radhakrishnan served as Co-Chairperson for a Technical Session at the International Conference on "Microplastics Chronicles: Emerging Contaminants of Soil, Water, Sediments and Nutrition" (ICMSWSN-2025) held on 6th and 7th September 2025, organized by Nivetha Institute of Earth and Environmental Sciences, Kovilpatti, and SGT University, Gurgaon, Haryana.
20. Dr. K. Radhakrishnan served as chairperson for two technical sessions—one on "Earth and Ecosystem" and the other on "Earth and Environment" in the National Seminar on "Earth, Environment, and Ecosystem (GeoEEE 2025)" held on 23rd June 2025 in the Department of Geology, Malankara Catholic College, Mariagiri, Kanyakumari.
21. Dr. S. Venkatramanan served as a chairperson for a session in the National Seminar on "Earth, Environment, and Ecosystem (GeoEEE2025)" held on 23rd

June 2025 at the Department of Geology, Malankara Catholic College, Kaliyakkavilai, Kanyakumari.

22. Dr. S. Venkatramanan served as a chairperson for the session at the International Conference on "Microplastics Chronicles: Emerging Contaminants of Soil, Water, Sediments, and Nutrition (ICMSWSN-2025)" held on 6th and 7th September 2025 at Silver Stone Resort, Kovilpatti. organized by Nivetha Institute of Earth and Environmental Sciences in association with SGT University, Gurgaon, Haryana.
23. Dr. Karung Phaisonreng Kom delivered an invited lead lecture and served as session chair at the International Seminar on Innovative Solutions for Water Management—2025 at the Gandhigram Rural Institute, Gandhigram, Dindigul, during 3rd and 5th December 2025.
24. Dr. K. Radhakrishnan served as co-chairperson for a technical session at the International Conference on "Microplastics Chronicles: Emerging Contaminants of Soil, Water, Sediments, and Nutrition" (ICMSWSN-2025) held on 6th and 7th September 2025, organized by the Nivetha Institute of Earth and Environmental Sciences, Kovilpatti, and SGT University, Gurgaon, Haryana.
25. Dr. K. Radhakrishnan served as chairperson for two technical sessions—one on "Earth and Ecosystem" and the other on "Earth and Environment" in the National Seminar on "Earth, Environment, and Ecosystem (GeoEEE 2025)" held on 23rd June 2025 in the Department of Geology, Malankara Catholic College, Mariagiri, Kanyakumari.

Hindi

1. Ms. S. Prasanna Devi delivered a lecture on "Challenges and Opportunities for AI in the Hindi Language" at Holy Cross College, Tiruchirappalli, on **23 July 2025.**

Library Science

1. Dr. T. Suresh Kumar acted as the chairperson for a technical session in the 5th LISCON International conference held Oct 17-19, 2024, at the School of Library and Information Science, Bharthidasan University, Tiruchirappalli, jointly organized by LIS Academy, Bengaluru.
2. Dr. T. Suresh Kumar acted as the resource person for National Librarians Day, organized by the Department of Library, Seethalakshmi Ramasami College, Tiruchirappalli, on 13th Aug 2024. Topic: Exploring the power of open access: Effective strategies for e-resource utilization.

3. Dr. T. Suresh Kumar acted as the resource person for the three-day workshop on “Streamlining Literature Review and E-resources Access," organized by the Jamal Institute of Management and General Library, Jamal Mohamed College (Autonomous), Trichy on 29th Jul 2024. Topic: Review of Literature and E-Resource Access.
4. Dr. T Suresh Kumar acted as the resource person for the in-service training program for science teachers organized by the National College, with the support of the Tamil Nadu State Council for Science and Technology (TNSCST), at the DOTE Campus, Chennai, from 20th to 24th January 2025. This program is a valuable initiative to strengthen scientific knowledge and innovative teaching practices among educators.
5. Dr. T. Suresh Kumar served as an oral presentation and publication judge for LIST_SDSTLISER-2025, organized by Bishop Heber College, held from 28th February to 1st March 2025.
6. Dr. T. Suresh Kumar served as a resource person on Librarian’s Day, held on 12th August 2025, and delivered a talk titled *“A Book Can Change a Day: A Library Can Change a Life”* during the National Library Day celebration at Servite Arts and Science College for Women, Karur.
7. IRINS (Indian Research Information Network System): Served as the Coordinator for the year 2026, overseeing the maintenance and effective management of the institutional research profile, showcasing the research output and impact of the institution.

Mathematics

1. Dr. Manju Somanath, Resource Person for a Guest Lecture on Pell’s Equations and Beyond: Bridging Pure Theory with Practical Applications, at Ayya Nadar Janaki Ammal College, Sivakasi, on 01.09.2025.
2. Dr. Manju Somanath, Resource Person for a Guest Lecture on Pell’s Equations and Beyond: Bridging Pure Theory with Practical Applications, at Urumu Dhanalakshmi College on 03.09.2025.
3. Dr. K. Raja, Resource Person for a Guest Lecture on Cryptography, A Five-Day online International Faculty Development Programme at AIMAN College of Arts And Science for Women on 05.02.2026
4. Dr. K. Raja, Resource Person for a Guest Lecture on Fundamentals of Algebra at Government Arts and Science College, Srirangam, on 18.03.2026.
5. Dr. K. Bhagyasri, Chief Guest for Drug-Free Tamil Nadu-Anti-Drug Club meeting at Arignar Anna Government Arts College, Attur, on 14.08.2025.

6. Dr. S. Sriram and Dr. K. Bhagyasri, judges for the science exhibition program "Veettukku Oru Vingyani," organized by Puthiya Thalaimurai, held on 22.11.2025 at The Indian Public School, Tiruchirappalli.
7. Dr. V. Sangeetha, resource person for a guest lecture on Beyond Algorithms: The Elegance of Vedic Computation at Ayya Nadar Janaki Ammal College, Sivakasi, on 01.09.2025.
8. Dr. V. Sangeetha, resource person for a guest lecture on mathematical tools at Idhaya College, Puducherry, on 13.10.2025.

Physical Education/Dr. D. Prasanna Balaji

1. Dr. D. Prasanna Balaji, Vice Principal of National College (Autonomous) and State Secretary of PEFI Tamil Nadu, delivered a keynote address at the School Principals' Conclave – 2025 held on November 1st, 2025, in Tiruchirappalli.
2. Resource Person at National Conclave on Equestrian Sports in Ahmedabad, Gujarat, on May 10, 2025. Delivered a speech on the topic "History and Evolution of Equestrian Sports."
3. Resource person at an international conference on sustainable and inclusive development organized by the Interdisciplinary Research Group of Sociology of Sport (IRSS), Gazi University Institute of Education, Turkey, where he spoke on Nutrition, Hydration, and Lifestyle Choices.
4. Resource person for a seminar at North-West University, South Africa where he delivered a session on Ethics and Values in Sports Leadership.
5. He also served as a resource person for a seminar organized by Basaveshwar College of Physical Education, Vidyagiri, Bagalkote, where he delivered a talk on Fitness, Training Methods, and Nutrition.
6. He has also been a resource person at Shikshan Mandal College of Physical Education, Karnataka where he addressed participants on a related topic in physical education and fitness.
7. Participated as a panelist in the National Conference on "India's Transformative Vision for the 2036 Olympics"; Tamil Nadu recognized as the best chapter
8. Educational Leadership Programme Organized by Rockcity Sahodaya & Atom Infinity Solutions Pvt. Ltd., Addressed ~200 school principals on the role and values of sports in education.
9. NR IAS Academy guest Speaker delivered an engaging and interactive session in an academic event
10. Induction Programme for Newly Selected Teachers KSR College of Technology, Thiruchengode

11. Resource Person at PSG Krishnammal College for Women delivered a session on "Sports and Academic Excellence: A Positive Correlation" highlighting the strong relationship between sports participation and academic success.
12. Delivered a lecture in Ahmedabad, Gujarat on "History and Evolution of Equestrian Sports" organized by the Physical Education Foundation of India.
13. Addressed school teachers on enhancing educational efficacy and creative pedagogy at Madhakanapalli Modern School on April 30
14. Dr. Prasanna Balaji has extensively served as a Resource Person for seminars, student induction programmes,and academic events across various institutions, including Saraswathi Matriculation Higher Secondary School, National College, Sri Vignesh Vidyalaya Senior Secondary

School, Tiruchy Public School, Cheran College of Physical Education, Atom Infinity, and PSG Polytechnic College.

Dr.Boopathy

15. Resource Person, Urumu Dhanalakshmi College, Tiruchirappalli, Workshop on Health and Wellness,
16. Resource Person, Rotary Club of BHEL City, Tiruchirappalli, Leadership Camp (RYLA) on Sound Body, Sound Mind,
17. Resource Person, Aiman College of Arts & Science for Women, Guest Lecture on Fitness Keynote Speaker, BIT Campus, Anna University, National Level Workshop on Smart Moves – Engineering Concepts in Gymnastics
18. Resource person for workshop titled A Rhythmic Stretching – An Aerobic Exercise at Vasantham Fitness Club, Seethalakshmi Ramaswami College
19. Dr. Boopathi had the honour of hoisting the National Flag at Rice MMS School, Hosur

Statistics

1. Dr. A. Mohamed Ashik delivered a lecture on "Fundamentals and Enhancement of Statistics" at The Madura College (Autonomous), Madurai, on 07.01.2026.
2. Prof. M. Devendiran served as a trainer for the Self-Defense Program for Backward and Most Backward Women's Hostel Students at Tiruchirappalli (October 2025 – December 2025), appointed by the District Collector.

Tamil

முனைவர் சே. பத்மினி

1. கருத்தரங்க உரையாளர், சிங்கப்பூரில் தமிழ்கல்வியின் வளர்ச்சி போக்குகள் சவால்களும் தீர்வுகளும், 26.11.2025, உலகத் தமிழ்சங்கம் மதுரை – சிங்கப்பூர் தமிழ் இலக்கிய விழா பன்னாட்டு கருத்தரங்கம்

2. கருத்தரங்க உரையாளர், பெண்களுக்கான நூலக அணுகல்கள் மற்றும் தமிழ் பெண் எழுத்தாளர்களின் தகவல் சிந்தனைகள், 29 & 30.01.2026, மல்டிடிஸ்னரி இன்டர்நேஷனல் கான்ஃபரன்ஸ்
3. கருத்தரங்க உரையாளர், தமிழ் பண்பாட்டு மரபு பாதுகாப்பில் நூலகங்களின் பங்கு, 29 & 30.01.2026, மல்டிடிஸ்னரி இன்டர்நேஷனல் கான்ஃபரன்ஸ்
4. கருத்தரங்க உரையாளர், பக்தி இலக்கியத்தில் ஆண்டாள், 10.02.2026, தர்மபுரம் ஞானாம்பிகை அரசினர் மகளிர் கல்லூரி, மயிலாடுதுறை – தமிழ் உயராய்வு துறை & தமிழ் மன்றம்

10. Chairperson, தமிழர் பண்பாட்டு வரலாறு நெய்தல் அரங்கம் – பன்னாட்டு கருத்தரங்கம், கந்தசாமி நாயுடு கல்லூரி, கடலூர்
11. Chairperson, இலக்கியத்தில் வாழ்வியல் சிந்தனைகள் – பன்னாட்டு கருத்தரங்கம், ஸ்ரீ சரஸ்வதி தியாகராஜா கல்லூரி, பொள்ளாச்சி.
12. Chairperson, 19ஆம் பட்டம் ஸ்ரீ சிவானபாலை சுவாமிகள் நூற்றாண்டு விழா – பன்னாட்டு கருத்தரங்கம், ஸ்ரீமத் சிவனானபாலைய சுவாமிகள் தமிழ் கலை அறிவியல் கல்லூரி, மயிலம் & சுப்பிரமணிய பாரதியார் தமிழ் ஏர்குளம், புதுவை பல்கலைக்கழகம், புதுச்சேரி.

Zoology

Dr. D. Gayathri

1. Acted as Coordinator for Internship on Environmental Science and Environmental Impact Assessment from June 10th 2025 to 30th June 2025for Post graduate Students from Physics, Bharathidasan University, Tiruchirappalli.
2. Presented a speech entitled "உயிர் அறிவியல் துறையில் செயற்கை நுண்ணறிவு (Artificial Intelligence in Life Sciences)" in All India Radio, Trichy on 12th June 2025
3. Presented a speech entitled "உயிரியல் துறையில் நவீனநுட்பங்கள் – விலங்கியலில் டிஜிட்டல் புரட்சி" in All India Radio, Trichy on 26th June 2025

Dr. C. Sudha

4. Resource person for the research department of Zoology conducted by Seethalakshmi Ramaswami College, Trichy, on 02.09.2025.
5. Judge for "BIOINNOVATHON-2026" conducted by St. Joseph's College, Trichy, on 8.01.2026.

Annexure VIII

List of Staff Members who attended Orientation/Refresher Course during the year 2025-2026

1. Dr. V. Ayyadurai, Asst. Professor, Department of Botany, attended a Refresher Course –in Life Sciences (UGC-Malaviya Mission Teacher Training Center, Central University of Haryana, Mahendergarh) from 14-07-2025 to 26-07-2025 (14 days)
2. Dr. M. Koperuncholan, Asst. Professor, Department of Botany, attended the NEP 2020 Orientation & Sensitization Programme from 18-11-2025 to 28-11-2025 (Grade "A")
3. Dr. S. Senthil Kumar, Asst. Professor, Department of Botany, attended a Refresher Course on E-content, MOOCs, and Artificial Intelligence in Education (MMTTC, NIEPA, Govt. of India), from 09-02-2026 to 21-02-2026
4. Dr.V. Parveen Banu, Assistant Professor, Department of Commerce, attended a Refresher Course, conducted by MMTTC, North Eastern University, Shillong, from 01-12-2025 -15-12-2025.
5. Dr. R. Natarajan, Assistant Professor, Department of Commerce, attended a refresher course, conducted by MMTTC, Madurai Kamaraj University, Madurai, from 12-11-2025 to 25-11-2025.
6. Dr. P. Sridevi, Assistant Professor, Department of Commerce, attended a Refresher Course, conducted by MMTTC, Madurai Kamaraj University, Madurai, from 12-11-2025 to 25-11-2025.

7. Dr. M. Vasan, Assistant Professor, Department of Commerce, attended a Refresher Course, conducted by MMTTC, Madurai Kamaraj University, Madurai, from 12-11-2025 to 25-11-2025.
8. Dr. V. Mayakkannan, Assistant Professor, Department of Commerce, attended a Refresher Course, conducted by MMTTC, Madurai Kamaraj University, Madurai, from 12-11-2025 to 25-11-2025.
9. Dr. S. Ganapathi, Assistant Professor, Department of Commerce, attended a Refresher Course, conducted by MMTTC, Madurai Kamaraj University, Madurai, from 12-11-2025 to 25-11-2025.
10. Dr. V. Rathnamani, Assistant Professor, Department of Commerce, attended a Refresher Course, conducted by MMTTC, North Eastern University, Shillong, from 01-12-2025 to 15-12-2025.
11. Dr. M. Sowriyar Duraisamy, Assistant Professor, Department of Commerce, attended a Refresher Course, MMTTC, Madurai Kamaraj University, Madurai, from 12-11-2025 to 25-11-2025.
12. Ms. R. Soundarya, Assistant Professor, Department of Commerce, attended a Faculty Induction Program, conducted by UGC-MMTC, Kumaun University, Nainital, Uttarakhand, from 17-07-2025 to 14-08-2025.
13. Ms. S. Prasanna devi participated in an online refresher course on “Hindi and Cultural Heritage” conducted by UGC-Malaviya Mission Teacher Training Centre, University of Calcutta from 4 November to 17 November 2025
14. Dr. A. KAYALVIZHI, Assistant Professor, Department of Economics, Participated in the five-day Faculty Development programme on “ Sustainability and Inclusive Growth” (24.03.2025 to 28.03.2025)
15. Dr. C. SUBRAMANIAN, Assistant Professor, Department of Economics, participated in the FDP on Introduction to AI and Data Science on 23rd May 2025, organized by the Nehru College of Management, Coimbatore.
16. Dr. B. Chithirairajan, Assistant Professor, Department of Economics, participated in the UGC-sponsored Eighteenth Online Faculty Induction Programme from 7th May to 3rd June, 2025, organized by the UGC-Malaviya Mission Teacher Training Centre, Bharathidasan University, Trichy-23.
17. Dr. P. Anusooya, Assistant Professor & Head, Department of English (UAP), National College, Tiruchirappalli, a six-day AICTE-sponsored Faculty Development Programme (FDP) titled “Bridging Academia and Enterprise: FDP on Start-Up Culture and Innovation” from 15 June 2025 to 20 June 2025

Annexure IX

List of Staff members who have successfully completed Training programmes/ Short-Term Courses/Certification Programmes

BMB

1. Dr. P. Jeelani attended a DHR, Ministry of Health and Family Welfare, Government of India-sponsored training program on "Biomedical Techniques in Modern Biology" from 23 June 2025 to 31 July 2025 at the International Research Centre, Sathyabama Institute of Science and Technology, Chennai, Tamil Nadu, India, which involved hands-on laboratory sessions and advanced training in modern biomedical research methods.
2. S. Crosswin attended a one-week certified virtual internship program on zebrafish biology from 17 November to 22 November 2025, delivered online.

Dr. M. Mohamed Imran underwent online faculty development programs:

3. On "Digital Pedagogy and Learning Analytics: Enhancing Student Outcomes through Technology," that was held from 27 January to 31 January 2026.
4. On "Outcome Based Education and Application of Generative AI in Teaching and Research," which was conducted from 19 November to 26 November 2025.
5. Dr. S. Suresh Kumar participated in a UGC-sponsored online short-term program in entrepreneurship and skill development from 5 January to 10 January 2026, organized by the UGC Malaviya Mission Teacher Training Centre, Bharathidasan University, Tiruchirappalli–620024.
6. Dr. S. Nightingale Sheeba attended a faculty development program titled "Strategic Implementation of Artificial Intelligence in Life Sciences for Advancing Research and Innovation," held online from 27 to 31 January 2026, organized by the PG and Research Department of Biotechnology and Bioinformatics, Holy Cross College (Autonomous), Tiruchirappalli.

Prof. Gopinath B. attended several professional development programs:

7. Prof. Gopinath B participated in a total of 22 professional development programs during the period covered in the list, all of them showing very active engagement in teaching, research, and emerging technologies. Of these 22 activities, the majority were conducted online, including faculty development programs (FDPs), workshops, webinars, and short-term training courses.

Chemistry (UAP)

1. Dr. M. Esakkiammal, Assistant Professor and Head, successfully completed a 12-week NPTEL Online Certification Course on “Artificial Intelligence in Drug Discovery and Development (GOLD ELITE with 93%)" from July to Oct 2025.

Commerce (Aided)

1. Dr. V. Rathnamani completed NPTEL SWAYAM titled “Corporate Social Responsibility” on an 8-week course with 4 credits from July 2025 to Sep 2025.
2. Dr. M.A. Parveen Banu completed the NPTEL online certification—an 8-week course titled "Corporate Social Responsibility” cum FDP—during July to September 2025.

English

1. Mr. Arunpandian, Asst. Prof. of English, completed the 84th Faculty Induction Programme conducted by the UGC-Malaviya Mission Teacher Training Centre, University of Kerala , Kariavattom, Trivandrum, from 1.07.2025 to 30.07.2025.
2. Mrs. S. Jaisikaa K. Selvan, Asst. Prof. of. English completed 6th Online Faculty Orientation Programme at Madurai Kamaraj University, Madurai from 05.11.2025 to 02.12.2025

English (UAP)

1. Mr. T. Sudarsan Karthi completed two SWAYAM courses and underwent intellectual property (IP) awareness training conducted by NIPAM.

Mathematics

1. Dr. K. Srividhya and Dr. K. Bhagyasri attended a one-week National Training Program on “Cyber Security for Women Scientists and Technologists," conducted by the Engineering Staff College of India, Hyderabad (22.09.2025–26.09.2025).

Statistics

1. Prof. R. Kumaravel, Dr. A. Mohamed Ashik, and Prof. M. Devendiran participated in a training program on “LaTeX Scientific Document Writing” (sponsored by BECH-RUSA 2.0) held at Bharathidasan University, Tiruchirappalli, on 11.12.2025.

Zoology

Dr. D. Gayathri

1. Completed with Distinction in the 15-day international online certificate course on “Fundamentals of Microbial Instrumentation” organized by the Department of Microbiology sacred hearts College, Tirupattur, Tamil Nadu, in association with the Biotechnology Society of Nepal, Laboratory of Chemical and Biological Analysis, Western Rio Janeiro State University, Rio de Janeiro, Brazil from 21st January 2026 to 4th February 2026.

Annexure X

List of Staff members who have attended National and International/ Seminars/Workshop/Conference.

BBA

1. Dr.M.Chandra, Head and Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on "Generative AI & Agentic AI – Tools and Demos" (16 to 21.2.2026)
2. Dr.M.Chandra, Head and Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on "Recalibrating Assessments for AI – Native Education" (14.1.2026)
3. Dr.M.Chandra, Head and Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on "Empowering Educators" (05 to 09.1.2026)
4. Dr.M.Chandra, Head and Assistant Professor in the Department of Business Administration, attended an One Week International Online Faculty Development Programme on "Unlocking the Power of Advanced Technology Tools in Science Education" (2 to 8.1.2026) - ThanthaiPeriyar Government Arts and Science College (Autonomous), Tiruchirappalli, Tamil Nadu.
5. Dr.M.Chandra Head and Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on "Big Data Analytics & Quantum Computing" (15 to 20.9.2025) - A.C.T Academy, Kerala, & Tamil Nadu.
6. Dr.M.Chandra, Head and Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on "The Tantrayukti of Innovation- A Strategy framework for Industry 5.0 & the SDGs"(15 to 20.9.2025)
7. Dr.M.Chandra, Head and Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on "Empowering Next- Gen Entrepreneurs with sustainability and ESG Values" (04 to 09.8.2025)
8. Mrs.K.Sonia Nancy Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on "Big Data Analytics & Quantum Computing" (15 to 20.9.2025) - A.C.T Academy, Kerala, & Tamil Nadu.
9. Mrs.K.Sonia Nancy, Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on "AICTE – Bridging Academia & Enterprise" (15 to 20.06.2025),

10. Mrs.R.Rajalakshmi Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on “Big Data Analytics & Quantum Computing” (15 to 20.9.2025) - A.C.T Academy, Kerala, & Tamil Nadu.
11. Dr.S.Jayanthi, Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on “Big Data Analytics & Quantum Computing” (15 to 20.9.2025) - A.C.T Academy, Kerala, & Tamil Nadu.
12. Dr. J. Mohan Raj, Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on “AICTE – Bridging Academia & Enterprise” (15 to 20.06.2025),
13. Dr. C. Suseendar, Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on “AI Tools for Innovative Teaching & Research” (05 to 09.1.2026), Vallalar College for Women (Autonomous), Erode.
14. Dr. C. Suseendar, Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on “Unlocking the power of Advanced Technology Tools in Science Education” (2 to 8.1.2026)- ThanthaiPeriyar Government Arts and Science College (Autonomous), Tiruchirappalli, Tamil Nadu.
15. Dr. C. Suseendar, Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on Emerging Forntiers in Generative AI & Deep Learning (24 to 28.11.25)- MEASI Institute of Information Technology, Royapettah, Chennai.
16. Dr. C. Suseendar, Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on Holistic Research Skill Development for achieving SDGs with Indian Knowledge systems: Model Building to Publication and Funding (17 to 23.11.2025)- - S.A. School of Management, Poonamallee – Avadi Road, Thiruverkadu, Chennai.
17. Dr. C. Suseendar, Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on “Big Data Analytics & Quantum Computing” (15 to 20.9.2025) - A.C.T Academy, Kerala, & Tamil Nadu.
18. Dr. C. Suseendar, Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on “Generative AI” (4 to 8.8.2025)-Braino-vision Solutions India Pvt Ltd Collaboration with AICTE.

19. Mr. Deva Kumar. S, Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on "AI Tools for Innovative Teaching & Research" (05 to 09.1.2026), Vallalar College for Women (Autonomous), Erode.
20. Mr. Deva Kumar. S, Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on "Unlocking the power of Advanced Technology Tools in Science Education" (2 to 8.1.2026)- ThanthaiPeriyar Government Arts and Science College (Autonomous), Tiruchirappalli, Tamil Nadu.
21. Mr. Deva Kumar. S, Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on Emerging Forntiers in Generative AI & Deep Learning (24 to 28.11.25)- MEASI Institute of Information Technology, Royapettah, Chennai.
22. Mr. Deva Kumar. S, Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on Holistic Research Skill Development for achieving SDGs with Indian Knowledge systems: Model Building to Publication and Funding (17 to 23.11.2025)- - S.A. School of Management, Poonamallee – Avadi Road, Thiruverkadu, Chennai.
23. Mr. Deva Kumar. S, Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on "Big Data Analytics & Quantum Computing" (15 to 20.9.2025) - A.C.T Academy, Kerala, & Tamil Nadu.
24. Mr. Deva Kumar. S, Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on "Generative AI" (4 to 8.8.2025)-Braino-vision Solutions India Pvt Ltd Collaboration with AICTE.
25. Mr. Deva Kumar. S, Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on "JAMOVI & Systematic Literature Review" (27 to 31.7.2025) –Ideal Institute of Academic & Research Advancement (IIRA), Ministry of MSME.
26. Dr. J. Mohan Raj, Assistant Professor in the Department of Business Administration, attended a Faculty Development Program on "Big Data Analytics & Quantum Computing" (15 to 20.9.2025) - A.C.T Academy, Kerala, & Tamil Nadu.
27. Dr. M. Chandra, Head, Assistant Professor in the Department of Business Administration, attended a National Level Workshop on "Building Bridges: Communication Skills for Personal and Professional Success" (13.10.25) - SRM College of Agricultural Sciences & SRMIST, Chennai.

28. Dr. C. Suseendar, Assistant Professor in the Department of Business Administration, attended a National Level Workshop on "Building Bridges: Communication Skills for Personal and Professional Success" (13.10.25) - SRM College of Agricultural Sciences & SRMIST, Chennai.
29. Mr. Deva Kumar. S & Dr. C. Suseendar, Assistant Professor in the Department of Business Administration, attended a National Level Workshop on "Building Bridges: Communication Skills for Personal and Professional Success" (13.10.25) - SRM College of Agricultural Sciences & SRMIST, Chennai.
30. Dr. J. Mohan Raj, Assistant Professor in the Department of Business Administration, attended a National Level Workshop on "IPR – Workshop" (30.9.25), ACT Academy, Kerala
31. Dr. J. Mohan Raj, Assistant Professor in the Department of Business Administration, attended a National Level Workshop on "Google's Gemini Academy 2025" (16.1.26), UpEducators, Delhi

BMB

4. Prof. K. Varuna, Assistant Professor, BMB, NCT, attended a two-day national level workshop on "Nanomaterial Characterization (NMC 2026)" organized by the Nano Characterization Facility (NCIF), National College (Autonomous), Trichy, held from 27 February 2026 to 28 February 2026.
5. Dr. J. Tharani, participated in a "Workshop on Spawn and White Button Mushroom Cultivation and Processing" conducted by British Agro Products, Madhuranthagam, on 14 November 2025 and 15 November 2025;
6. Dr. J. Tharani, participated in a "Training on Entrepreneurship Development through Spirulina Production and Marketing Techniques," organized by the Department of Environmental Sciences, Bharathiar University, Coimbatore, in association with the Microbiologists' Society of India (MBScI), held on 18 December 2025 and 19 December 2025.
7. Prof. K. Varuna actively participated in several international academic events during the period. She attended the International Webinar on "Genomics of Root System Architecture in Rice: Unveiling Adaptive Traits for Stress Resilience," held online on 11 June 2025, at the international level.
8. Prof. K. Varuna participated in the International Webinar on "Patents, Protection & Progress: The Role of IPR in Science," conducted online on 16 July 2025, again at the international level.
9. Dr. S. Nightingale Sheeba participated in a workshop on "2D & 3D Cell-Based Assays in Cancer Drug Screening," conducted by the Department of Biotechnology, SRMIST, from 11 to 13 August 2025.

10. Dr. S. Nightingale Sheeba additionally presented a poster titled "Antimicrobial Activity of Starfish Protoreaster lincki" at the international conference "Microbial Innovations for a Sustainable Future," organized by the PG & Research Department of Microbiology, Jamal Mohamed College, Tiruchirappalli, on 11 September 2025.

BMS

1. Mr. B. A. Mohamed Faizal, Assistant Professor and Head, Department of Management Studies, National College (Autonomous), Tiruchirappalli, successfully participated in a 6-Day National Level Faculty Development Programmeon "Big Data Analytics and Quantum Computing" conducted from 15September2025to20September 2025.
2. Dr. V. Kanimozhi, Assistant Professor, Department of Economics, National College (Autonomous), Tiruchirappalli, participated in a Five-Day National Level Faculty Development Programme on "Teaching Innovation and Research for Sustainable Development and Viksit Bharat @ 2047" conducted from 16.02.2026 to 20.02.2026.
3. Mr. B.A. Mohamed Faizal, Assistant Professor and Head, Department of Management Studies (BMS), National College (Autonomous), Tiruchirapalli, successfully completed the Five-Day National Level Faculty Development Program on 'Research Proposal Writing & Research Grants' organized by the Ideal Institute of Academic & Research Advancement (IIRA), Mumbai, from 11th to 15th October 2025.
4. Mr. B.A. Mohamed Faizal participated in the Five-Day National Level Faculty Development Program on "Research Approaches & Questionnaire Designing" organized by the Ideal Institute of Academic & Research Advancement (IIRA), Maharashtra. The program was conducted from 27th to 31st October 2025.
5. Mr. B.A. Mohamed Faizal, Head of the Department of Management Studies, National College (Autonomous), Tiruchirapalli, received a Certificate of Participation for attending the One Day National Level Faculty e-Workshop on "NEP 2020 Alignment and Implementation of National Skill Qualification Framework." The workshop was organized by ACT Academy, Palakkad, Kerala on 20 January 2026.
6. Mr. B.A. Mohamed Faizal, National College (Autonomous), Tiruchirapalli, successfully participated in the National Level Two-Day Faculty Development Program on "Mastering OBE: Strategies and Implementation for Quality Education" organized by Nuclific Education Academy, Tamil Nadu, held on 18 & 19 November 2025. The certificate was issued on 20 November 2025.

7. Mr. B.A. Mohamed Faizal, Assistant Professor and Head, Department of Management Studies (BMS), National College (Autonomous), Tiruchirapalli, successfully participated in the Five- Day National Level Faculty Development Programme on "Teaching Innovation and Research for Sustainable Development and Viksit Bharat @ 2047" organized by the Department of Commerce with Computer Applications from 16.02.2026 to 20.02.2026.
8. Mr. B.A. Mohamed Faizal, Assistant Professor and Head, Department of Management Studies (BMS), National College (Autonomous), Tiruchirappalli, participated in the one-day national-level research e-workshop on "Research Funding Opportunities & Proposal Writing" organized by A.C.T Academy, Kerala on 08 November 2025.

BPS

9. Dr. V.Sumathy participated in a Workshop on Aptitude and Placement Training conducted by M.A.M. B-School, Tiruchirappalli on 27.11.2025.
10. She also attended a Conference on Student Development Programme and Hands-on Training organized by Gnanam School of Business, Thanjavur on 19.09.2025.

Botany

1. Dr. S. Senthil Kumar, Asst. Prof. (SS) of Botany, actively participated in a Hands-on Training Programme on *"Plants and Python"* organized by the Department of Botany in association with the Department of Computer Science and IIC at G. Venkataswamy Naidu College on 3 September 2025.
2. Dr.Senthil Kumar, S. (2025, December 11–12). Participated in 7th national level workshop on NIRF India rankings 2026 for higher educational institutions, Institute of Academic Excellence, Hyderabad, India (online mode).
3. Dr.Senthil Kumar, S. (2026, February 26). Participated in ICSSR-SRC sponsored national seminar on "Indian knowledge systems in business and management: Reviving indigenous wisdom for sustainable development".
4. Dr.Senthil Kumar, S. (2026, February 27–28). Participated in 2-day national level workshop on nanomaterial characterization (NMC2026), NCIF, NCT.

English (UAP)

1. Mr. G. Gopi participated in the National Seminar "Strengthening Institutional Quality Frameworks (SIQF – 2026)" on 16.02.2026.5
2. K.G. Parimala participated in an International Conference at Seethalakshmi Ramasamy College, Trichy, on 2nd & 3rd March 2026.
3. Faculty members including Dr. S. Vasuki, Dr. M. Sudha, Ms. S. Rajalakshmi, and Mr.K.V. Theja participated in a National Workshop on 29th March 2026.

Chemistry (Aided)

1. Dr. V. Renuga, actively participated in a One Day Hands-on Training Programme on "Testing and Quality Evaluation of Food Packaging Materials," organized by the Department of Food Packaging and Storage Technology, National Institute of Food Technology, Entrepreneurship and Management (NIFTEM-T), Thanjavur, held on 29th December 2025.
2. Dr. Muhamad Rafiq S, Assistant Professor of Chemistry, actively participated in a Five Day online International FDP on "Research Innovation in Chemistry for Sustainable Development," organized under the DBT Star College Programme by the Department of Chemistry, Bon Secours College for Women (Autonomous), Thanjavur, held from October 27–31, 2025.
3. Dr. K.P. Selvagiri, Assistant Professor, National College (Autonomous), Trichy, attended the Two-Day National Level Workshop on Nanomaterial Characterization (NMC 2026), organized by National College Trichy with Malvern Panalytical and Aimil Ltd, NCIF, held on January 27–28, 2026.
4. Dr. K.P. Selvagiri, Associate Professor & Head, Department of Chemistry, National College, Arts & Science, Trichy, has attended the Workshop on Framing Analytical Questions at Government Arts College, Thanjavur on December 23, 2025, organized by Tamil Nadu State Council for Higher Education (TANSCHE).
5. Dr. J. Balaji Participated in the International Conference on "Recent Trends in Chemistry" (ICRTC-2025) organized by the P.G. & Research Department of Chemistry, Srimad Andavan Arts and Science College, Tiruchirappalli, on 24 January 2025.

Chemistry (UAP)

1. Dr. M. Esakkiammal, Assistant Professor and Head of Chemistry actively participated in several national and international Faculty Development Programmes during 2025–2026. These programmes were organized by reputed institutions including SRM Institute of Science and Technology, VELS University, Chennai, VIT-AP University, Hyderabad, KL University, Kerala Velammal College of Engineering and Technology, and PSGR Krishnammal College for Women Coimbatore.
2. Dr.M.Esakkiammal, Dr.K.Kavitha and Dr.V. John Tamilarasan, Assistant Professor of Chemistry, participated in the one-day International Conference on Chemical Science for Global Sustainability and Innovation (ICCS-GSI 2025) on August 8, 2025, organized by the PG and Research Department of Chemistry, Government Arts College, Tiruchirappalli.

3. Dr. V. John Tamilarasan participated in the three-day national workshop on "AI & ML for Chemoinformatics: Theory to Practice" at Farook College, Kozhikode, Kerala, ON 15 -17 January, 2026 to enhance his academic expertise.

Commerce (Aided)

1. Dr.M.A.Parveen Banu attended, Financial Empowerment through Wealth Creation at Tuljaram Chaturchand College of Arts, Science and Commerce, Baramati & Anekant Institute of Management Studies (AIMS), Pune in Association of Mutual Funds in India (AMFI) on 14.08.2025.
2. Dr.M.A.Parveen Banu attended, Embark Teaching and Learning Methods at DJ Academy of Research and Innovation, Thrissur on 25-29 August 2025.
3. Dr.M.A.Parveen Banu attended, Super Searchers Workshop at UpEducators in Partnership with Google on 14.02.2026.
4. Dr. P.Sridevi attended, National level Webinar on Mutual Funds Sahi Hai at AMFI on7.10.2025
5. Dr. P.Sridevi attended, National level Webinar on Mutual fund - a pathway to financial growth and prosperity at SVP Engineering college - Andhra University on 30.09.2025.
6. Dr. P.Sridevi attended, National level Webinar on Mutual Funds Sahi Hai at AMFI on 25.9.2025.
7. Dr. P.Sridevi attended, National level Webinar on Mutual funds Sahi Hai at AMFI on 05.12.2025.
8. Dr. V.Mayakkannan attended National Intellectual Property Awareness Mission Intellectual Property Office, India, on 11-12-2025.
9. Dr. V.Mayakkannan attended, National level Webinar on Mutual Funds Sahi Hai at AMFI on 25.9.2025.
10. Dr. V.Mayakkannan attended, National level Virtual Conference on Skill Development Under Amrit Kaal Programme to Achieve Viksit Bharat@2047 Versatile Knowledge Foundation on Jan.2026.
11. Dr. S. Ganapathi attended, National level Online Symposium on Beyond Accreditation: The Role of IQAC in Sustaining Quality Enhancement Practices at Nutan Adarsh Arts, Commerce & Smt. M.H.Wegad Science, Nagpur on 21-08-2025.
12. Dr. S. Ganapathi attended, National level Workshop on Intellectual Property Rights at Jagadguru Rambhadracharya Divyang State University, Chitrakoot, UP on 13-10-2026.
13. Dr. S. Ganapathi attended, National level Green Capitalism Reimagined: Evolving Ecosystems of Commerce and Sustainability at SDNBV College for Women, Chennai on 7th & 8th Jan. 2026.

14. Dr.V. Rathnamani attended, National level workshop on super searchers at UP Educators on 14.02.2026.
15. Dr.M.Sowriyar Duraisamy attended, National level FDP on Teaching Innovation and Research for Sustainable Development and VIKSIT Bharat @2047 at Department of B.Com CA,National College(Autonomous) Trichy from 16.02.2026 to 20.02.2026.
16. Dr.M.Sowriyar Duraisamy attended, National level ToT on Cyber Crime Awareness at Bharathidasan University, EICH & RUSA, Tiruchirappalli and NSS Cell on 14-10-2025.
17. Dr.M.Sowriyar Duraisamy attended, state level One Day Workshop "Sensitization against Digital Media Addiction" conducted by Govt. of Tamilnadu, Youth Welfare and Sports Development Department in Association with Bharathidasan University from 29 to 31, Oct. 2025.
18. Ms.R.Soundarya attended, National level Experiential workshop on Research Methodology at St.Joseph's College-Bangalore from 1st to 7th Dec 2025.

Commerce (UAP)

1. Dr. G. RAVICHANDIRAN. "A Two-Day International Conclave on Localizing the Global Goals: India's JourneyTowards Achieving the SDGs" organized by P. G. and Research Department of Economics, Jamal Mohamed College (Autonomous), Tiruchirappalli on 29th and 30th July 2025.
2. Dr. G. RAVICHANDIRAN. Five days online workshop on "Software Tools for Research Analysis" organised by Thanthai Periyar government arts and science college (Autonomous), Tiruchirappalli held on 10.11.2025 to 14.11.2025.
3. Dr. G. RAVICHANDIRAN, Participated in the international webinar titled "Patent filing procedures for researches and academicians" organized by the social science researchers association on 22.11.2025.
4. Dr. G. RAVICHANDIRAN has Participated in Three Days Online Workshop on "Mastering Research Through AI" held on 15.08.2025 to 17.08.2025 organized by the Indian Academic Researcher's Association, Tiruchirappalli in association with the Research and Development Cell, Thanthai Periyar Government Arts and Science College (Autonomous), Tiruchirappalli – 620 023
5. Dr. G. RAVICHANDIRANhas participated in the Online Workshop on "AI in Enhancing Academic Research Writing" held on 14th June 2025, organized by the Indian Academic Researcher's Association in association with the Indian Accounting Association, Tiruchirappalli Branch, Tamil Nadu, India.

6. Dr. G. RAVICHANDIRAN, has Participated in the Five Day National Level Faculty Development Programme on “Modern Research Tools for Smart and Effective Publications” jointly organized by the Department of Commerce and Department of Commerce with Computer Applications Arul Anandar College (Autonomous) Karumathur - Madurai from 21.07.2025 to25.07.2025.
7. Dr. G. RAVICHANDIRAN, has Participated and successfully completed the seven Days Faculty Development Programme titled as research methodology with a focus on qualitative data analysis using SPSS held online from 4th June – 10th June 2025 organised by DIGI Skill Development centre & Training Institute, Mumbai
8. Dr. G. RAVICHANDIRAN, has actively Participated in the one day virtual webinar on “writing high impact papers for Scopus/Web of Science Journals” organised by the department of Corporate Secretaryship and Accounting & Finance, faculty of science and humanities, SRM institute of science and technology, Kattankulathur held on 12th December 2025.
9. Dr. G. RAVICHANDIRAN has Participated in one week international Online FDP “Unlocking the Power of advanced technology tools in science education” organized by Research and Development Cell & Internal Quality Assurance Cell Jointly organised Alumini association sponsored. Thanthai Periyar Government Arts and Science College (Autonomous), Tiruchirappalli – 620 023 held on 02.01.2026 to 08.01.2026.
10. Dr. G. RAVICHANDIRAN has Participated in six days national Level FDP “exploring emerging trends in information technology” Jointly organized by Nuclific Education Private Ltd Coimbatore, Tamil Nadu in association with Department of Information Technology, National College (A), Tiruchirappalli – 620001 held on 13.02.2026 to 18.02.2026.

Commerce with Computer Applications

CS. S. Priscilla Sherene Latha

1. Tamil

முனைவர் அ. முருகானந்தம்

12.08.2025 அன்று திருச்சி காட்டூர் உருமு தனலட்சுமி கல்லூரியில் நடைபெற்ற 34 ஆவது முதுகலை மாணவர் கருத்தரங்கில் பங்கேற்றார்.

Annexure XI

List of Association meetings conducted. (2025-2026)

BMB

1. Date: 03-09-2025
   Topic:"Virology and Vaccine Development"
   Resource Person:Dr. Gnanaguru, Professor, Department of Microbiology, Srinivasan Medical College, Samayapuram, Trichy
   Organizer: Dr. Nightingale Sheeba
2. Date:15-09-2025
   Topic: "Regeneration Research and IPR Awareness for Students"
   Resource Person: Dr. S. Johnson Retnaraj Samuel, Scientist 'D' from Sathyabama Institute of Science & Technology, Chennai
   Organizer: Dr. P. Jeelani
3. Date: 19-09-2025
   Topic: "Nature to Nanotechnology: Sustainability in Progress"
   Resource Person:Dr. K. Jagajjanani Rao, Professor and Dean (Research) at Vel Tech University
   Organizers: Prof. K. Varuna & Dr. S. Senthil Kumar

3. Date: 23-01-2026
   Topic: "Integrative Computational Applications in Network Biology and Pharmacology"
   Resource Person: Dr. Ragothaman Prathiviraj, Scientist-D, Bioinformatics and Systems Biology Division, Rajagiri College of Social Sciences (Autonomous), Rajagiri, Kochi
   Organizer: Dr. G. Manivel

5. Date: 23-01-2026
   Topic: "Foundations of Food Safety and Regulatory Compliance"
   Resource Person: Mr. Abubakker Siddiq, Food Safety Consultant, SAS MICRO, Chennai
   Organizer: Dr. T. Rajarajan

6. Date: 03-02-2026
   Topic: "From Actinobacteria to CRISPR Diagnostics"
   Resource Person: Dr. L. Karthik, Founder of Arqgene and Sasi Nutraceuticals, Chennai
   Organizer: Dr. T. Rajarajan

Bank Management

1. Date: 25-08-2025

Topic: *"Smart Money Skills: Money Matters Made Simple."* **Date:**
Resource Person: Mr. Alexen Job, National Centre for Financial Education

BCA

Association Vice President Dr. Naganya

1. Date:25/07/2025
   Topic: Inaugural and Freshers Day
   Resource person:Mr. R. Logeshwaran and Mr. M. Naveenkumar, Software Developers at Cieyone Tech Works, Coimbatore
2. Date:26.08.2025
   Topic: Workshop on Digital Marketing
   Resource person: Mr. V. Alwin Raj, Human Resource Manager, Rogan Credit Management, Coimbatore
3. Date:25.09.2025
   Topic: SmartIndiaHackathon2025
   Resource person: Dr.R.BalaSubramanian, Research Director, Bharathidasan University
4. Date:26.02.26
   Topic: On line work shop on "AI Tools for Jobs"
   Resource person: Ms. D. Durga Devi, Software Trainer, FIIT, Chennai

Botany

Association Vice President: Dr. K. Ramar

1. Date: 10.09.2025
   Topic: "A Myth, Magic, or Model"
   Resource person: Dr.PRABHAHARAN. J, Associate Professor,
   Department of Agronomy, Tamil Nadu Agriculture University,
   Agricultural College and Research institute, Madurai
2. Date:26.03.2026
   Topic: "Multifactorial Approach for Crop Improvement at Adverse Conditions".
   Resource person: Dr.R.Radhakrishnan, Assistant Professor,
   Department Botany, Jamal Mohamed College, Tiruchirappalli

BMS

Date**:** 25/08/2025
Topic: "Smart Money Skills: Money Matters Made Simple"
Resource Person: Mr. Alexen Job from the National Centre for Financial Education.

BPS

1. Date: 25 August 2025
   Topic: "Spotting Trends Through Market Research,"
   Resource Person: Dr. K. Rajam
2. Date: 24 December 2025
   Topic: "Rise Smart in the Digital Race,"
   Resource Person: Dr. G. Karthik

Chemistry (Aided)

1. Date:11th September 2025
   Topic: career opportunities in food industries
   Resource Person: Prof. R. Jagan Mohan, Dean (Student Welfare), NIFTEM, Thanjavur
2. Date: 6th February 2026
   Topic: From Hide to High Value – The Chemistry Behind Leather Processing"
   Resource Person:Dr. G. Sathyaraj, Senior Scientist, CLRI, Chennai
3. Date:10th March 2026
   Topic:The Strategic Role of Chemistry in Sustainable Agriculture.
   Resource Person:Dr. K. R. Jahanmohan, Dean, Department of Agricultural Economics, Dr. M.S. Swaminathan Agricultural College and Research Institute, Thanjavur

   Topic : The Applications of Algebra
   Resource Person : Dr.C.Durairajan, Professor, Department of Mathematics, Bharathidasan University, Trichy.

2. Date : 09.01.2026
   Topic : The Role of Mathematics in Life
   Resource Person : Dr.R.Tamilselvi, Associate Professor, Department of Mathematics, National Institute of Technology, Trichy.
3. Date : 10.03.2026
   Topic : Geometric Analysis of Solutions of Differential Equations
   Resource Person : Dr.V.Piramanantham Professor, Department of Mathematics, Bharathidasan University,Trichy.
5. Date : 13.03.2026
   Topic : Continuous Functions and Mean Value Theorem
   Resource Person : Dr.N.Prakash, Assistant Professor, Department of Mathematics, National Institute of Technology, Trichy.

Physics

Vice President : Dr. S. Muruganantham

1. Date : 31.07.2025
   Topic : Energy Conservation and Electrical Safety
   Resource Person : Er. A. Mala, Senior Manager, TT&DC, TANGEDCO, Tiruchirappalli.
2. Date : 07.10.2025
   Topic : Opportunities in Nanocarbon
   Resource Person : Dr. S. Manivannan, Professor, National Institute of Technology, Tiruchirappalli.
3. Date : 24.12.2025
   Topic : Great Physicists: Known News and Unknown Facts
   Resource Person : Dr. R. Sambasivam, Associate Professor & Head (Retd.), Department of Physics, Urumu Dhanalakshmi College, Tiruchirappalli.
4. Date : 16.02.2026
   Topic : Advances in Nano Electronics: Opportunities and Challenges
   Resource Person : Dr. V. R. Sarma Dhulipala, Assistant Professor (Senior Grade), Department of Physics, Anna University – BIT Campus, Tiruchirappalli.

Sanskrit:

Vice President Dr. V. Balaji

1. Date : 19.12.2025
   Topic : Didactic Literature in Sanskrit

Tamil

Association Vice- President: R. Padma

1. 20.07.2025 அன்று உ .வே .சா தமிழ்ப் பேரவையின் தொடக்க விழா நடைபெற்றது.பேராசிரியர் முனைவர் அந்தோணி டேவிட் நாதன் சிறப்பு விருந்தினராகப் பங்கேற்று "இத்தனை நாள் எங்கிருந்தாய்"என்ற தலைப்பில் சொற்பொழிவாற்றினார் .
2. 04.12.2025 அன்று நடைபெற்ற உவேசா தமிழ்ப் பேரவை சொற்பொழிவில் பேச்சாளர் முனைவர் இரா. மாது அவர்கள் சிறப்பு விருந்தினராக பங்கேற்று "என்றுமுள தமிழ்" என்னும் தலைப்பில் உரையாற்றினார் .
3. 19.02.2025 அன்று உ.வே.சா தமிழ்ப் பேரவை சொற்பொழிவு நடைபெற்றது. வரலாற்றுத்துறை பேராசிரியர் முனைவர் மு. செல்வகுமார் சிறப்பு விருந்தினராக பங்கேற்று "வரலாற்று நாவல்களில் வரலாற்றுச் செய்திகள்" என்ற பொருண்மையில் உரை நிகழ்த்தினார் .
4. 11.03.2026 அன்று இக்கல்வியாண்டிற்கான உ.வே.சா பேரவை நிறைவு விழா நடைபெற்றது. பிஷப் ஹீபர் கல்லூரியின் பணி நிறைவு பெற்ற பேராசிரியர் முனைவர் தி.வெ. இராசேந்திரன் சிறப்பு விருந்தினராக பங்கேற்று "நானும் எனது படைப்பும்" என்ற தலைப்பில் சொற்பொழிவாற்றினார்

Zoology

Association Vice President: Dr. A . Stalin

1. Date :30/07/ 2025
   Topic: Entrepreneurial Opportunities in Bee keeping
   Resource Person: Dr. Josephine Arockia Mary – Vibis Natural Bee farm, Madurai
2. Date :13/10/ 2025
   Topic: Entrepreneurial Opportunities in Aquarium Industry
   Resource Person: Dr. V. Suresh, MSc., D. Aqua – Topic

SPORTS DAY REPORT

2025 - 2026

PG and Research Department of
Physical Education and Sports Sciences

Quality Policy

PG AND RESEARCH DEPARTMENT OF PHYSICAL EDUCATION

NATIONAL COLLEGE (Autonomous)

It is with immense pride and joy that we gather here today to celebrate the 107th Annual Sports Day of our institution. This event is not just a tradition but a testament to our unwavering commitment to sports, teamwork, and excellence.

I am delighted to record the activities of the PG and Research Department of Physical Education and Sports Sciences, whose tireless efforts have contributed immensely to the growth of sports in our institution.

Special gratitude to Honourable **Secretary Shri K. Raghunathan**, whose relentless support and vision continue to inspire, to Respected **Principal Incharge, Dr. D. Muthuramakrishnan** whose leadership has been instrumental in fostering both academic and athletic excellence and to beloved **Director Dr. K. Anbarasu**, for his constant encouragement which is instrumental for the sports achievements.

Sports have always been an integral part of our institution's legacy, instilling in us the values of discipline, perseverance, and sportsmanship. Today, as we witness our talented athletes showcase their skills, let us cheer them on with enthusiasm and celebrate the spirit of competition. Our students have consistently brought laurels to this institution, achieving remarkable success in various sports at state, national, and even international levels. Their hard work, perseverance, and determination are truly commendable, and today is a celebration of their relentless spirit. I feel proud to present the **Annual Sports Report for 2025-2026**, highlighting the achievements, milestones, and relentless dedication of our athletes and the Department of Physical Education.

Ms.Janani Honored with Gold Medal, Extending Department's 11-Year Winning Streak

In a moment of supreme academic glory, Ms Janani (B.Sc. Physical Education, 2022–2025 Batch) was officially conferred the Gold Medal by the Honourable Governor of Tamil Nadu during the Bharathidasan University Convocation ceremony. Securing the University First Rank in the BDU Ranking Examination, Janani's achievement stands as a pinnacle of student success at National College. This prestigious honor also marks a historic milestone for our institution: The Department of Physical Education has now maintained an unbroken 11-year streak of securing the University Gold Medal.

This extraordinary decade of academic dominance is a direct result of the rigorous standards and visionary mentorship provided by our Vice Principal, Dr. D. Prasanna Balaji, and the dedicated faculty.

Janani's success continues a legacy of excellence, proving that our department remains the undisputed leader in physical education within the university.

2025 Decade of Dominance:

National College Women's Team Claims 10th Consecutive Overall Championship Title

At the 43rd Bharathidasan University Inter-Collegiate Athletic Meet held on October 17 & 18, 2025, at Anna Stadium, the National College Women's Team delivered a historic performance to secure the Overall Championship Title for the 10th year in a row. The team amassed an incredible tally of 9 Gold, 4 Silver, and 2 Bronze medals, headlined by record-breaking feats and elite individual displays.

5th June, 2025

On the occasion of World Environment Day on 5th June 2025, the NSS Units of National College (Autonomous), Tiruchirappalli, organized a tree plantation drive under the theme "Plant a Tree and Get Air for Free." The program was inaugurated by the Principal-in-charge, Dr. D. Muthuramakrishnan, and witnessed the active participation of NSS volunteers. A total of 27 saplings were planted on the college campus. The event was coordinated by Dr. D. Prasanna Balaji, Vice Principal and Head, reflecting the students' strong commitment to creating a greener and cleaner environment. The initiative aimed to raise awareness about environmental conservation and promote sustainable living, emphasizing the vital role of trees in maintaining ecological balance and inspiring everyone to contribute to a healthier planet.

June 7, 2025

The Physical Education Foundation of India (PEFI) officially appointed our College Vice Principal, Dr. D. Prasanna Balaji, as the Tamil Nadu State Secretary, a pivotal move that led to the successful launch of the PEFI TN State Chapter through his direct initiative on June 7, 2025. Held at, Tiruchirappalli the grand inauguration was headlined by Chief Guest Thiru. Anbil Mahesh Poyyamozhi ,Honourable Minister for School Education, Tamilnadu and Olympian Padma Shri Vasudevan Baskaran, who personally presented appointment orders to the new leadership team. Under the dedicated leadership of Dr. Prasanna Balaji, the chapter has established a powerful, government-endorsed framework to standardize and elevate grassroots physical education and sports literacy across all districts of Tamil Nadu.

June 21, 2025

National College observed International Yoga Day with great enthusiasm and active participation across the campus. The programme was organized by the PG and Research Department of Physical Education and witnessed the wholehearted involvement of students from the Department of Physical Education and NSS Units, reflecting their strong commitment to health, wellness, and the timeless Indian tradition of yoga.

June 27 ,2025

Thiru A. Myilvahanan, IPS, currently pursuing his Ph.D. in the Department of Physical Education, achieved remarkable success at the World Police and Fire Games held in Birmingham, USA. Representing both the police force and the academic community with distinction, he secured an impressive total of four medals, including one Silver Medal and three Bronze Medals. His outstanding performance on the international stage highlights his unwavering dedication, discipline, and commitment to physical excellence. This global achievement not only brings immense pride to the institution but also reflects the high standard of athletic talent and research excellence nurtured within our Department of Physical Education.

Seminar on Career in Police Services

July 21 ,2025

The PG & Research Department of Physical Education, National College (Autonomous), Tiruchirappalli, organized a seminar on the theme “Career in Police Services” on 21st July 2025 at 2:00 p.m. in the A/C Seminar Hall.

The objective of the seminar was to create awareness among students about the various career opportunities available in the Police Department and to provide guidance on eligibility, selection procedures, and preparation strategies for a successful career in the police services. The seminar began with a Welcome Address delivered by Dr. D. Boopathi, Assistant Professor, Department of Physical Education. The session was graced by the Chief Guest and Resource Person, Mr. P. Mohan, Inspector of Police, Organized Crime Unit, CBCID, Trichy City. In his comprehensive presentation, Mr. P. Mohan explained the career prospects in Central and State Police services, including IPS, Tamil Nadu Police Subordinate Services, CBCID, CRPF, CISF, and other allied services. He elaborated on the qualifications and eligibility criteria for different positions such as Sub-Inspector, Constable, and IPS officer. The Resource Person also provided a detailed briefing on Physical Efficiency Tests (PET) and highlighted the importance of physical fitness in police recruitment. The seminar received enthusiastic participation from 96 students, who interacted actively during the Q&A session. The programme concluded with a Vote of Thanks proposed by Ms. R. Yogeswari, III-year B.Sc. Physical Education student.

August 2 & 3, 2025

Mr. Kishore (III B.Sc. Physical Education) secured the Gold Medal in the U23 Boys – Road Race at the State Road Cycling Championship 2025. The championship was organized by the Tamil Nadu Cycling Association in coordination with the Sports Development Authority of Tamil Nadu (SDAT) and conducted along the East Coast Road, Chennai. Competing against top cyclists from across the state, he demonstrated exceptional endurance and determination to secure the top podium position. His outstanding performance marks a proud achievement for National College and strengthens its growing legacy in competitive cycling.

LONG JUMP

August 20 & 21, 2025

S. Kiruba Lakshmi (II B.Sc. Physical Education) secured the Silver Medal in the Long Jump event at the Tiruchirappalli District Kids & Junior Athletic Championship 2025. The championship was conducted at Anna Stadium, where she competed in the highly competitive Girls Under-18 category.

Demonstrating excellent technique, strength, and determination, Kiruba Lakshmi recorded an impressive jump of 5.25 meters, earning her a well-deserved place on the podium. Her achievement reflects her consistent training and commitment to athletics. This accomplishment adds pride to National College and further strengthens the institution's growing record of success in district-level competitions.

TRIPLE JUMP

August 20& 21, 2025

Mr. Abdul Malik (II B.Sc. Computer Science) secured the Silver Medal in the Triple Jump event at the Tiruchirappalli District Kids & Junior Athletic Championship 2025. The competition was held at Anna Stadium, where he competed in the Boys Under-20 category.

With an impressive leap of 13.71 meters, he delivered a remarkable performance, bringing pride to National College and adding to the institution's growing achievements in athletics.

National College Students Sweep Top Honors at

Bharathidasan University Inter-Collegiate Archery Tournament

August 21, 2025

The PG & Research Department of Physical Education, National College (Autonomous), Tiruchirappalli, successfully organized the Bharathidasan University Intercollegiate Archery Tournament on 21st July 2025.

The tournament aimed to promote archery among college students and provide a competitive platform to showcase their sporting skills. A total of 23 colleges from various districts participated in the tournament, making the event highly competitive and engaging. The tournament was inaugurated by the Chief Guest, Prof. Mahaboob John, Sports Secretary, Bharathidasan University. In his address, he emphasized the importance of active participation in sports and highlighted the benefits of competitive exposure for student athletes. The matches witnessed enthusiastic participation from all competing institutions, with archers displaying excellent skill, focus, and sportsmanship. At the end of the tournament, Bishop Heber College, Tiruchirappalli, emerged as the Overall Champions, while National College, Tiruchirappalli, secured the Runner-Up position.

The Prize Distribution ceremony was conducted by Dr. D. Prasanna Balaji, Vice Principal, National College, who congratulated the winners and expressed appreciation for the efforts of all participants and organizers.

August 29, 2025

Mr. Guru Prasad, a first-year B.Sc. Physical Education student, secured the Gold Medal in the Instrumental Music – Non-Percussion (Classical Solo) event at the Intercollegiate Classical Fest organized by Kalai Kaviri College of Fine Arts, Tiruchirappalli.

Trichy's Kaveri Bridge Turns Hub for Sports Awareness on National Sports Day

August 29,2025

The PG & Research Department of Physical Education, National College (Autonomous), Tiruchirappalli, organized a Human Chain Awareness Programme on 29th July 2025, in connection with National Sports Day, at the Kaveri Bridge, Trichy.

The objective of the event was to commemorate the birth anniversary of India's legendary hockey player Major Dhyan Chand, and to promote the importance of sports, physical fitness, and healthy lifestyle among students and the public. The event was graced by the Honourable Minister for School Education, Tamil Nadu, Mr. Anbil Mahesh Poyyamozhi, as the Chief Guest. In his address, the Honourable Minister highlighted the remarkable achievements of Major Dhyan Chand, his contributions to Indian hockey, and the inspiration he continues to provide to young athletes across the nation. He emphasized the role of sports in building discipline, teamwork, and leadership skills in students, and encouraged educational institutions to promote active participation

in sports activities. More than 1,200 students from various colleges participated in the human chain activity, holding placards and slogans on sports awareness, physical fitness, and national unity.

The event created a strong public message on the value of sports in daily life and received positive support from the local community. The Human Chain Programme successfully reflected the commitment of National College toward fostering sports culture and public awareness on fitness, making the celebration of National Sports Day 2025 highly impactful and memorable.

National College Triumphs at CM Trophy Athletes Sweep Gold and Silver at District Meet

September, 2025

The students of National College (Autonomous) delivered an extraordinary performance at the Chief Minister's Trophy District Meet in Tiruchirappalli, held in September 2025. Organized by the Sports Development Authority of Tamil Nadu (SDAT) at Anna Stadium, our athletes showcased unparalleled skill and determination across various disciplines, securing significant cash rewards and podium finishes.

Team Sports

Our college teams demonstrated exceptional coordination and sportsmanship, bringing home three major trophies in both traditional and modern games.

Women's Handball (Champions): In a high-stakes and thrilling final match against Indira Gandhi College, our Women's Handball Team displayed decisive skill and teamwork to emerge as the District Champions. For their outstanding performance, the team was awarded a prestigious Gold Medal and a cash prize of 35,000.

Men's Handball (Second Place): The Men's Handball Team also reached the podium, securing Second Place through rigorous discipline and tactical gameplay. Their efforts earned them a Silver Medal and a cash prize of 25,000.

Men's Kabaddi (Second Place): Competing in one of the most physically demanding and competitive events, the Kabaddi team delivered an outstanding performance to finish in Second Place. They were awarded a Silver Medal and a cash prize of 25,000, further strengthening the college's reputation in traditional Indian sports.

Category	Achievement	Prize/Medal
Women's Handball	District Champions	Gold / ₹ 35,000
Men's Handball	Second Place	Silver / ₹ 25,000
Men's Kabaddi	Second Place	Silver / ₹ 25,000
Cycling (25km)	1st & 2nd Place	Gold & Silver
Track & Field	3 Gold, 4 Silver	Multiple Medals

Track & Field:

The athletics squad was the highlight of the meet, with several students securing multiple medals on the track and in the field.

B. Bhuvaneshwari (B.A. Economics): Established herself as a premier sprinter by winning the Gold Medal in the 200 Meters and the Silver Medal in the 100 Meters.

B. Akshyashree (M.Sc. Yoga): Demonstrated incredible pace to clinch the Gold Medal in the 400 Meters event.

Sunitha Williams (I B.Sc. Physical Education): In a brilliant start to her collegiate career, she outperformed a strong field to win the Gold Medal in the 1500 Meters, earning a cash prize of 3,000.

J.Mariyadharshini (B.A. English): Showcased technical mastery over the hurdles by claiming Silver Medals in both the 100 Meters Hurdles and the 400 Meters Hurdles.

S.Kiruba Lakshmi (II B.Sc. Physical Education): Competing at Anna Stadium, she recorded an impressive performance in the field events to secure the Silver Medal in the Long Jump.

Cycling:

The cycling squad was a major highlight of the meet, with our riders dominating the long-distance endurance category.

Mr. Pradeep Sankaran (B.Sc. Physical Education): Brought great laurels to the institution by securing the Gold Medal in the 25 km Speed Cycling Race. His victory in this demanding endurance race highlights his exceptional stamina and discipline.

Mithun T (III B.A. Tamil): Displayed remarkable endurance and focus in the cycling category, securing the Silver Medal in the 25 km Speed Cycling Race. His achievement further reflects the diverse sporting talent and strong athletic culture nurtured within the college.

Home Ground Heroes: National College Crowned Bharathidasan University Handball Champions!

September 11&12, 2025

The PG & Research Department of Physical Education at National College (Autonomous) proudly hosted the Bharathidasan University Inter-Collegiate Handball Women Tournament on the 11th and 12th of September 2025. In a stellar display of home-ground dominance, National College emerged as the Champions, outclassing a competitive field of 11 teams from various affiliated colleges. The tournament was meticulously convened by Dr. D. Prasanna Balaji, Vice Principal of National College, and showcased the highest levels of skill, strategic teamwork, and athletic endurance.

The event was set in motion with a warm welcome address by Dr. D. Boopathy, Assistant Professor of Physical Education. Sri K. Ragunathan, Secretary of National College, graced the occasion as the Chief Guest, delivering an inspiring speech that highlighted the vital importance of sportsmanship, disciplined participation, and the spirit of fair play in shaping the character of young athletes.

Throughout the two-day knockout competition, the National College team exhibited exceptional tactical coordination and agility, ultimately reaching the grand finale. In a high-stakes championship match, our athletes delivered a decisive performance to secure the Winners' Title, while Srimathi Indira Gandhi College, Tiruchirappalli, settled for the runners-up position after a hard-fought battle. The tournament concluded with a grand prize distribution ceremony led by Mrs S Nithya, President RCT Butterflies &Founder of Petgalaxy. The programme drew to a close with a vote of thanks proposed by Ms. Chinthiya, Assistant Professor of Physical Education, celebrating the triumphant spirit of the National College Women's Handball Team.

Workshop on

From Passion to Profession
Career Pathways in Gymnastics

September 1, 2025

The PG and Research Department of Physical Education and Sports Sciences organized a One Day Workshop titled "Career Pathways in Gymnastics" on 1st September 2025. The resource person for the7 workshop was Mr. P. Ragul, an F.I.G. Certified Coach, National Medalist, and the Founder of GymnoRa Gymnastics in Chennai. In his address, Mr. Ragul shared his expertise and emphasized gymnastics as the "Mother of Sports," as it develops core attributes like strength, flexibility, balance, and coordination essential for all other sports. The sport

demands commitment and consistent practice, which helps instill lifelong discipline and he noted that career opportunities are rapidly expanding with the rise of new training academies, particularly in cities.

September 13, 2025

Mr Guru Vishnu (I B.Sc. Physical Education) secured the Silver Medal in the Bharathidasan University Intercollegiate Boxing Competition held at Anna Stadi um.The tournament was conducted under the aegis of Bharathidasan University, bringing together top collegiate boxers from across the region. Demonstrating remarkable strength, technique, and determination, Guru Vishnu deli vered an impressive performance in the ring.

September 14, 2025

In an impressive achievement for the boxing team of National College, Mr. Logesh and Mr. Raja (III B.Sc. Physical Education) secured Bronze Medals at the Bharathidasan University Intercollegiate Boxing Competition. The tournament was conducted under the aegis of Bharathidasan University and featured intense bouts across various weight categories. Competing in different divisions, both athletes displayed determination, technical excellence, and resilience inside the ring.

September 17 & 18, 2025

In a commendable display of teamwork and perseverance, the Women's Basketball Team of National College secured Fourth Place in the Bharathidasan University Intercollegiate Tournament held at Vanji College of Arts and Science. The team's determined performance reflected disciplined training and collective effort throughout the event. The institution also extends special appreciation to Dr. Murali from the Department of Chemistry for his valuable support and guidance, which significantly contributed to the team's successful campaign.

September 19,2025

Athletes from the National College delivered a stellar performance at the District Level 5 km Red Run Marathon, organized by the District AIDS Prevention and Control Unit (DAPCU) and the Tiruchirappalli Collectorate to promote HIV awareness. **Ms Jasmine Rosey** (I M.Sc. Yoga) clinched the Gold Medal with a first-place finish, earning a cash prize of 10,000, while Ms A. Keerthikambal (III B.Sc. Physical Education) secured the Silver Medal and a cash prize of 7,000. Their podium finishes not only highlight the institution's athletic dominance but also underscore its commitment to vital social awareness initiatives through sports.

September 19 – 21, 2025

Ms. Mariya Dharshini from the Department of English at National College achieved a notable milestone at the 39th Tamil Nadu Inter District Junior Athletic Championship held at Tamil Nadu Physical Education and Sports University (TNPESU), Vandalur. Competing in the Girls U-20 category, she secured Third Place in the 400m Hurdles, clocking an impressive time of 1:10.84 seconds. The prestigious state-level meet was organized by the Chengalpattu District Athletic Association and featured top young athletes from across Tamil Nadu.

The Spirit of Sportsmanship:

Special Children's Team Triumphs at the CM Trophy

In a powerful display of resilience and inclusive sportsmanship, the special students from our Department of Physical Education competed with immense spirit at the CM Trophy Throwball Tournament, ultimately securing a commendable Fourth Position.

This achievement serves as a significant milestone for our Adaptive Sports Program, highlighting the college's unwavering commitment to providing platforms where every student, regardless of their challenges, can demonstrate grit, coordination, and athletic excellence. Their performance was a shining example of "Sportsmanship Beyond the Playground," bringing immense pride to the institution and proving that dedication and heart are the true measures of success on the field.

September 28, 2025

The PG & Research Department of Physical Education and NSS Unit IV volunteers conducted a Rabies Awareness Rally to promote public health. Starting from Student Road and concluding at St. John's Vestry School, the participants used slogans and placards to educate the community on rabies prevention, vaccination, and responsible animal care. The initiative highlighted the students' commitment to social responsibility and the vital role of the NSS in community health service.

October 2 - 14, 2025

The athletes from National College achieved prestigious state-level success at the Chief Minister's Trophy held at Jawaharlal Nehru Stadium, Chennai, securing two major podium finishes. **Ms Akshaya (M.Sc. Yoga)** delivered a stellar performance in the 400m track event, clinching the Silver Medal and a cash prize of ₹ 75,000 against a highly competitive field. Complementing this success on the road, **Mr K. Pradeep Sankar** (II B.Sc. Physical Education) demonstrated exceptional endurance in the grueling 20 km Speed Cycling Race, securing the Bronze Medal and a cash prize of ₹ 50,000.

These remarkable achievements, totaling ₹ 1.25 lakh in prize money, bring immense pride to the institution and further solidify its legacy of sporting excellence at the state level.

October 5 – 9, 2025

In a historic achievement for National College, **Mr. Sachin (III** B.Sc. Physical Education) secured 1st Position (Gold Medal) in the National Championships – Basketball 2025. The tournament was organized by Special Olympics Bharat and hosted at K.I.T. Global School, Odisha. Competing at the national level, he demonstrated outstanding determination, skill, and team spirit to emerge as champion. Following this remarkable performance, he has been selected to represent India at the Special Olympics in Santiago, USA.

Youth Power Takes Center Stage at National College Empowerment Initiative

October 10, 2025

The Department of Physical Education, in association with NSS Units I, II, III & IV of National College (Autonomous), organized the "We the 100 – Youth Empowerment Program" on 10th October 2025 at Ramakrishna Math, Village Empowerment Centre, Thanjavur. The program commenced with the ceremonial lighting of the lamp, setting a reflective tone for the day's proceedings. This was followed by a warm welcome address by Dr. D. Prasanna Balaji, Vice Principal of National College, who emphasized the significance of the responsibility shouldered by the youth, the importance of self-confidence, the adherence to moral values, and the necessity of consistency for achieving success in life's endeavors. The students from National College then took center stage, presenting their thoughts and insights on the pivotal topics "The Power of Youth" and "What Youth Can Do?", thereby showcasing their perspectives on youth empowerment. Dr. Karuthan, an Assistant Professor in Tamil from National College, Trichy, delivered a special address, drawing inspiration from the life incidents of Swami Vivekananda to highlight the potential and influence of the youth. Swami Vimurtananda, the Adyaksha of Ramakrishna Math, Thanjavur, led an engaging awareness program that included a video presentation followed by a group discussion, focusing on themes pertinent to the youth. Ms. Sarada Dev, Director, Ramakrishna Math, delivered a motivating talk on focus and concentration and later distributed certificates to the participants. The programme witnessed active participation from NSS volunteers and students, reinforcing the values of leadership, discipline, and nation-building. The event concluded with a vote of thanks proposed by Dr. D. Prasanna Balaji, marking the programme as a meaningful and successful youth empowerment initiative.

October 8, 2025

The PG & Research Department of Physical Education hosted a Lecture on the Olympic Movement and its Core Values, led by Dr. Murali Krishnan (PSG Polytechnic College). He provided deep insights into the history and significance of Olympic movements, emphasizing their vital role in modern training for developing strength, coordination, and overall athletic performance.

October 10 – 12, 2025

In a proud representation at the state level, seven students from the B.Sc. Physical Education and M.Sc. Yoga departments of National College participated in the Chief Minister's Trophy State Level Women's Handball Tournament. The prestigious tournament was held at the SDAT Stadium and organized by the Sports Development Authority of Tamil Nadu. The college proudly recognizes the athletes who competed at this elite level: A. Arul Brija, K. Sangeetha, N. Pavithra, R. Shobana, R. Santhiya, S. Namitha, and N. Sowmiya. Their selection and participation in this high-level state competition reflect the strong training framework of the institution and highlight the dominant presence of our sportswomen in the regional handball arena.

October 27,2025

The PG & Research Department of Physical Education hosted an inspiring special lecture titled "Arise, Awake, and Stop Not till the Goal Is Reached". Chief Guest Swami Govindeshananda, Director of Ramakrishna Math, Mylapore, delivered a motivational talk rooted in the teachings of Swami Vivekananda. He emphasized that self-belief, discipline, and perseverance are essential for overcoming obstacles and achieving life goals.

2025 Decade of Dominance

National College Women's Team Claims 10th Consecutive Overall Championship Title

October 17& 18 ,2025

At the 43rd Bharathidasan University Inter-Collegiate Athletic Meet held on October 17 & 18, 2025, at Anna Stadium, the National College Women's Team delivered a historic performance to secure the Overall Championship Title for the 10th year in a row. The team amassed an incredible tally of 9 Gold, 4 Silver, and 2 Bronze medals, headlined by record-breaking feats and elite individual displays.

In late 2025,

Mr. B. Prajith Venkat, a B.Sc. Computer Science student at National College, achieved a remarkable series of bodybuilding victories. His season began on November 9 with a **first-place finish in the Junior Bodybuilding** (Above 65 kg) category at the Captain Classic Tamil Nadu Open Meet.

He continued his momentum on November 30, securing fourth place in the competitive **75–80 kg category at the Emperor Classic State Level** Competition in Trichy.

Prajith capped off the year on December 22 by earning a gold medal and a Certificate of Merit in the **Best Physique (70 kg) category at the Bharathidasan University** Inter-Collegiate Tournaments, showcasing an elite balance of academic and athletic excellence.

Wheels of Excellence:

National College Triumphs in Khelo India

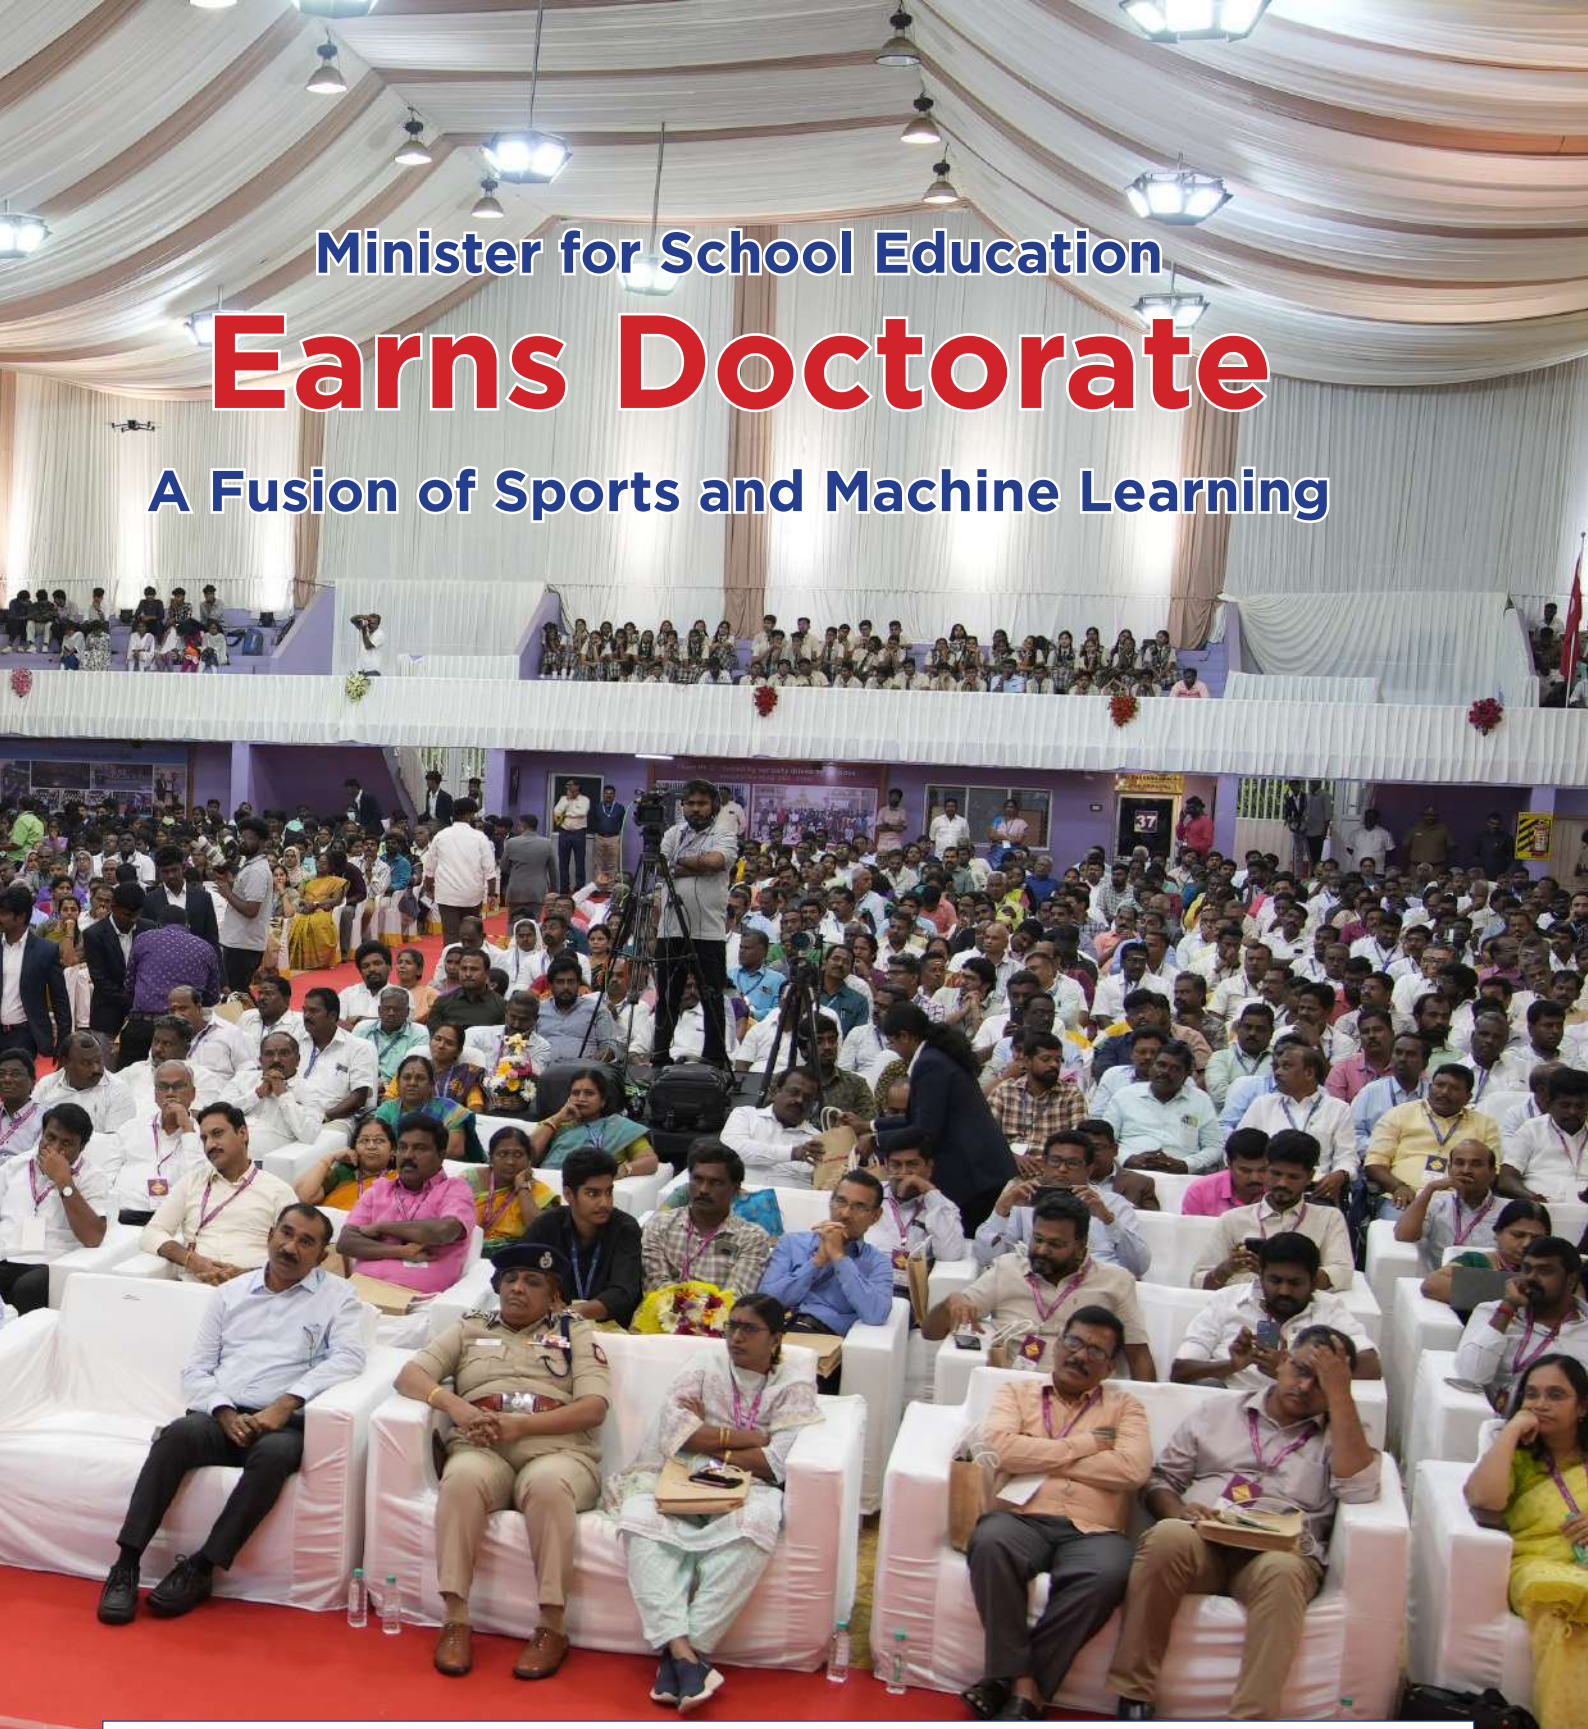

November 24, 2025

National College athletes delivered stellar performances at the 5th Khelo India University Games (KIUG) 2025 held at the SMS Stadium in Jaipur, securing both national honors and significant financial recognition. Leading the cycling contingent, Mr. Pradeep Sankara (III B.Sc. Physical Education) clinched the Gold Medal in the 10K Cross Race Cycling event, outpacing elite competitors from across India through superior endurance and strategy. In the 25 km Fast Cycling category, Mr. Kishore (III B.Sc. Physical Education) demonstrated exceptional tactical skill to secure a Bronze Medal. His podium finish earned him a combined cash prize of 2,00,000 from the Central and State Governments, further cementing the institution's reputation for excellence in competitive cycling at the national level.

Minister for School Education Earns Doctorate

A Fusion of Sports and Machine Learning

November 17, 2025

In a historic academic achievement for National College, Thiru. Anbil Mahesh Poyyamozhi, the Honourable Minister for School Education, successfully defended his doctoral thesis on November 17, 2025. The viva-voce, held at the college's Indoor Stadium, marked the completion of his journey as a scholar of the Department of Physical Education. Under the expert guidance of Dr. D. Prasanna Balaji, his research titled "Physical Activity for Skill Development Among School Children Using Machine Learning Technology" showcased a groundbreaking integration of traditional physical education and modern data science.

The ceremony highlighted the Minister's dedication to intellectual growth, demonstrating his ability to balance state-level responsibilities with rigorous academic pursuit. By presenting a scientific blueprint for using technology to enhance the physical literacy of the younger generation, Dr. Anbil Mahesh Poyyamozhi has set a remarkable precedent for future scholars in the department. His success reinforces the role of evidence-based research as an essential pillar for elevating the standards of education and sports throughout Tamil Nadu. This achievement stands as a masterclass in interdisciplinary innovation, demonstrating how cutting-edge technology can be practically applied to improve the physical literacy and long-term health of the younger generation.

Furthermore, this academic triumph adds a new layer of prestige to the institution, showcasing National College as a hub where high-level policy-making meets advanced technological research. The Minister's journey from a dedicated scholar to a Ph.D. holder within the department serves as an inspiration to the entire student body, proving that academic excellence is attainable regardless of one's professional stature. This event will undoubtedly be remembered as a defining moment in the college's history, bridging the gap between governance and the scientific advancement of physical education.

A New Era for PE: Driven by the Leadership of Dr. D. Prasanna Balaji

December 23, 2025

The magnificent success of the PEFI State Awards Celebration served as a definitive masterclass in organizational leadership, steered directly by the strategic vision and meticulous planning of Dr. D. Prasanna Balaji. Serving in his vital dual capacity as the State Secretary of PEFI and the Vice Principal of National College, Dr. Prasanna Balaji acted as the primary architect of an event that successfully bridged the gap between institutional excellence and state-level sports advocacy. Under his expert command, the celebration was transformed from a professional gathering into a high-profile summit of prestige, perfectly reflecting the dynamic leadership of Rtn. Muruganandam (MMM). Dr. Balaji's ability to coordinate the presence of icons like Padma Bhushan Dr. Kamal Haasan and the Hon'ble Minister for School Education, Dr. Anbil Mahesh Poyyamozhi, showcased a rare caliber of administrative brilliance that has now become the hallmark of our department.

Beyond the grand scale of the event, Dr. Prasanna Balaji's leadership focused on the dignity of the profession, ensuring that the Best Physical Education Teachers and Professionals from across the state were honored on a platform of significant national importance. By orchestrating this grand tribute, he has not only elevated the status of physical education as a discipline but has also firmly established National College as the premier epicenter for sports leadership in India. The event stands as a testimony to his unwavering commitment to the Msion of a healthier society, proving that through his visionary guidance, the Department of Physical Education is setting new, global benchmarks for excellence.

December 19, 2025

Mr. Kishore (III B.Sc. Physical Education) of National College secured the Bronze Medal in the Men's Elite 10km Scratch Race (part of the 15 km event category) at the 77th Senior National Track Cycling Championship 2025–26. The championship was organized by the Cycling Federation of India (CFI) and held at the Rudrapur Velodrome (Shivalik Velodrome), Uttarakhand.

History on the Pitch:

Women's Cricket Team Crowns as University Champs!

January 6-9 2026

The Women's Cricket Team of National College achieved a historic milestone by securing the Overall Championship Title at the Bharathidasan University Inter-Collegiate Cricket Tournament 2025–26. Hosted at Arignar Anna Government Arts College in Musiri, the tournament witnessed a masterclass in teamwork, strategy, and tactical execution by the National College athletes.

This victory marks the first time in the institution's history that the women's cricket team has been crowned university champions. The team's path to the trophy was defined by a dominant all-round performance, featuring clinical bowling, disciplined fielding, and a powerful batting display that outclassed their opponents in every department.

This prestigious win not only brings home the trophy but also establishes a significant new benchmark for excellence within the college's storied athletic legacy.

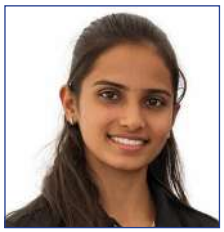

National College Quartet Selected for All India Inter-University Athletics Tournament

January 12 – 16, 2026

Four distinguished student athletes from National College - Bhuvaneshwari B, Akshyasree B, Nivedhaa E, and Kirubalakshmi S U achieved a significant milestone by being selected to represent the Bharathidasan University Women's Athletics Team. This prestigious selection followed their outstanding performances at the university-level trials, which served as the gateway to the national stage.

The athletes earned the honor of competing at the All India Inter-University Athletics (Women) Tournament, hosted at Rajiv Gandhi University of Health Sciences, Bengaluru. Their participation in such a high-level competition brought great honor to the institution and stands as a powerful testament to the rigorous athletic training, unwavering dedication, and competitive excellence nurtured at National College.

Marching with Pride

Ms. Pooja Represents National College at the 77th State Republic Day Parade

January 26, 2026

In a moment of immense institutional pride, Ms. Pooja (II B.Sc. Physical Education) was selected as a prestigious Volunteer of the NSS Contingent for the 77th Republic Day Parade held on January 26, 2026, at Marina, Chennai.

Standing among the finest volunteers in the state, her participation in the grand march-past before the Governor and Chief Minister of Tamil Nadu reflects her exceptional discipline, leadership, and commitment to the National Service Scheme (NSS). This high-profile achievement further solidifies the Department of Physical Education's reputation for producing well-rounded students who excel in both athletic skill and national service.

National College Dominates BDU Squad for South Zone Cricket

January 28, 2026

Five elite athletes from the Women's Cricket Team of National College achieved a prestigious selection to represent Bharathidasan University (BDU) in the South Zone Women's Cricket Tournament. Held at K.S.R. College of Engineering in Tiruchengode, the tournament featured the finest regional talent, with National College providing a significant core to the university squad.

The selected players, S. Vishnu Sri, R. Shara Sri, T. Karkuzhali, M. Kaviya, and R. Vaishnavi earned their spots through exceptional skill and clinical performances during the university-level trials. This achievement highlights the high caliber of cricketing talent nurtured within the Department of Physical Education and further cements the college's reputation as a powerhouse for women's sports in the region.

Asian Glory: National College Cyclists Clinch Bronze at Track Asia Cup 2026

January 29-31,2026

In an unprecedented sporting milestone for National College, Mr. Kishore and Mr. Pradeep Sankar (both III B.Sc. Physical Education) secured Bronze Medals at the Track Asia Cup 2026 (Asian Track Cycling Championship) held from January 29 to 31, 2026. The UCI-sanctioned continental event took place at the SDAT Cycling Velodrome (TNPESU Campus) in Chennai, featuring world-class cyclists from across Asia. Competing at this elite level, both athletes demonstrated extraordinary endurance, speed, and tactical brilliance to earn their spots on the podium in a fiercely contested international arena.

In a moment of immense pride, the achievers were honored by the Honourable Deputy Chief Minister of Tamil Nadu, Mr. Udhayanidhi Stalin, who recognized their remarkable feat. This prestigious achievement stands as one of the most significant sporting accomplishments in the college's history, bringing global recognition to the Department of Physical Education and serving as a powerful inspiration for aspiring athletes across the nation.

February 21-24,2026

Four elite cyclists from National College, Mr. Pradeep Sankara K., Mr. Mithun M., Mr. Chinnadurai P., and Mr. Kishore N. represented Bharathidasan University (BDU) at the All India Inter-University Track Cycling Championship 2025–26. Held at the prestigious Guru Nanak Dev University (GNDU) Campus in Amritsar, Punjab, the competition brought together the finest cycling talent from across the country.

Each athlete secured their selection through a season of exceptional performances, demonstrating the high-level endurance, speed, and technical expertise cultivated within the Department of Physical Education. Their participation in this national-level championship further solidifies National College's reputation as a premier hub for developing top-tier cycling talent and underscores the institution's commitment to athletic excellence on the grandest stage.

A National Salute: Mr. Kaviyarasan C. Appointed to the Indian Army's Elite Brigade of The Guards

In a moment of profound pride for the Department of Physical Education and National College, Mr. Kaviyarasan C. (III B.Sc. Physical Education, 2023–2026 Batch) has been officially selected and appointed as an Agniveer (General Duty) in the Indian Army. This prestigious appointment is even more remarkable as he has been drafted into the Brigade of The Guards, the senior-most infantry regiment of the Indian Army, renowned for its elite status and the motto "Pehla Hamesha Pehla" (First Always First).

His journey from a student-athlete to an Indian Army soldier began with his successful clearance of the recruitment process conducted by the Army Recruiting Office (ARO), Tiruchirappalli. Following his selection, he has been posted to the Guards Regimental Centre (GRC) in Kamptee, Maharashtra, a premier training facility where the nation's most disciplined soldiers are forged.

This achievement stands as a shining example of the "athlete-to-soldier" pipeline fostered by our Vice Principal, Dr. D. Prasanna Balaji. Under his leadership, the department has consistently encouraged students to channel their physical prowess and discipline into national service. Mr. Kaviyarasan's appointment not only brings glory to his family and the college but also serves as a powerful inspiration for his peers to serve the nation with the same grit and determination.

Faculty Excellence

February 6 - 7, 2026

Strategic Vision, Innovation, and Research Excellence
Our Vice Principal, Dr. Prasanna Balaji, recently attended the National Conference on Physical Education & Sports Science 2026, organized by PEFI INDIA at the NDMC Convention Center, New Delhi, on February 6th and 7th. Centered on the theme “Global Spotlight: India’s Transformative Vision for the 2036 Olympics,” the conference proved to be both inspiring and intellectually enriching. Dr. Balaji was privileged to serve as a distinguished panelist, sharing his strategic perspectives on India’s pathway toward securing Olympic gold medals and establishing a formidable global sporting identity. This occasion reached a pinnacle of success as Tamil Nadu was adjudged the best chapter in India, a moment of immense pride for the entire delegation.

Strengthening our department's presence at the national level, Assistant Professors Dr. D. Boopathy and Mr. V. Ajeeth Khanna also participated in the conference. They presented a significant research paper titled "Effect of Adaptive Gymnastics Program in Enhancing Physical & Psychological Variables in Children with Neurodevelopmental Disorder." Their certificates of presentation were awarded by Dr. Piyush Jain, Organizing Secretary of the conference, in the presence of Dr. Prasanna Balaji.

February 11, 2026

Dr. D. Prasanna Balaji, Vice Principal of National College (Autonomous), was entrusted with the significant responsibility of serving as a key member of the School Curriculum Framing Committee of Tamil Nadu at SCERT, Chennai. This appointment, recognized on February 11th, provided a vital platform for him to contribute his expertise toward imparting core human values and Olympic ideals through the state's school curriculum.

Guided by the conviction that true education must transcend academics, Dr. Balaji advocated for the active nurturing of character, ethics, discipline, respect, excellence, and fair play among young learners. Serving as part of this visionary initiative was both an honor and a profound responsibility, as it plays a crucial role in shaping the minds and value systems of future generations. He expressed his sincere gratitude to SCERT, Chennai, for providing this opportunity to integrate sports philosophy and value-based education into mainstream schooling for the holistic development of students across Tamil Nadu.

October 2 -11, 2025

Mr. P. Edwin Thomas, Assistant Professor in the Department of Physical Education, was officially deputed to serve as a key official for the Chief Minister Trophy State Level Handball Championship 2025. Under the appointment of the Tamil Nadu Handball Association, he played a vital role in coordinating the smooth conduct of this prestigious tournament at the SDAT District Sports Complex, Tiruvannamalai, from October 2 to 11, 2025. This high-profile assignment, involving both school and college athletes, highlights the technical leadership of our faculty and reinforces the department's standing as a hub for state-level sports administration.

November 1st, 2025,

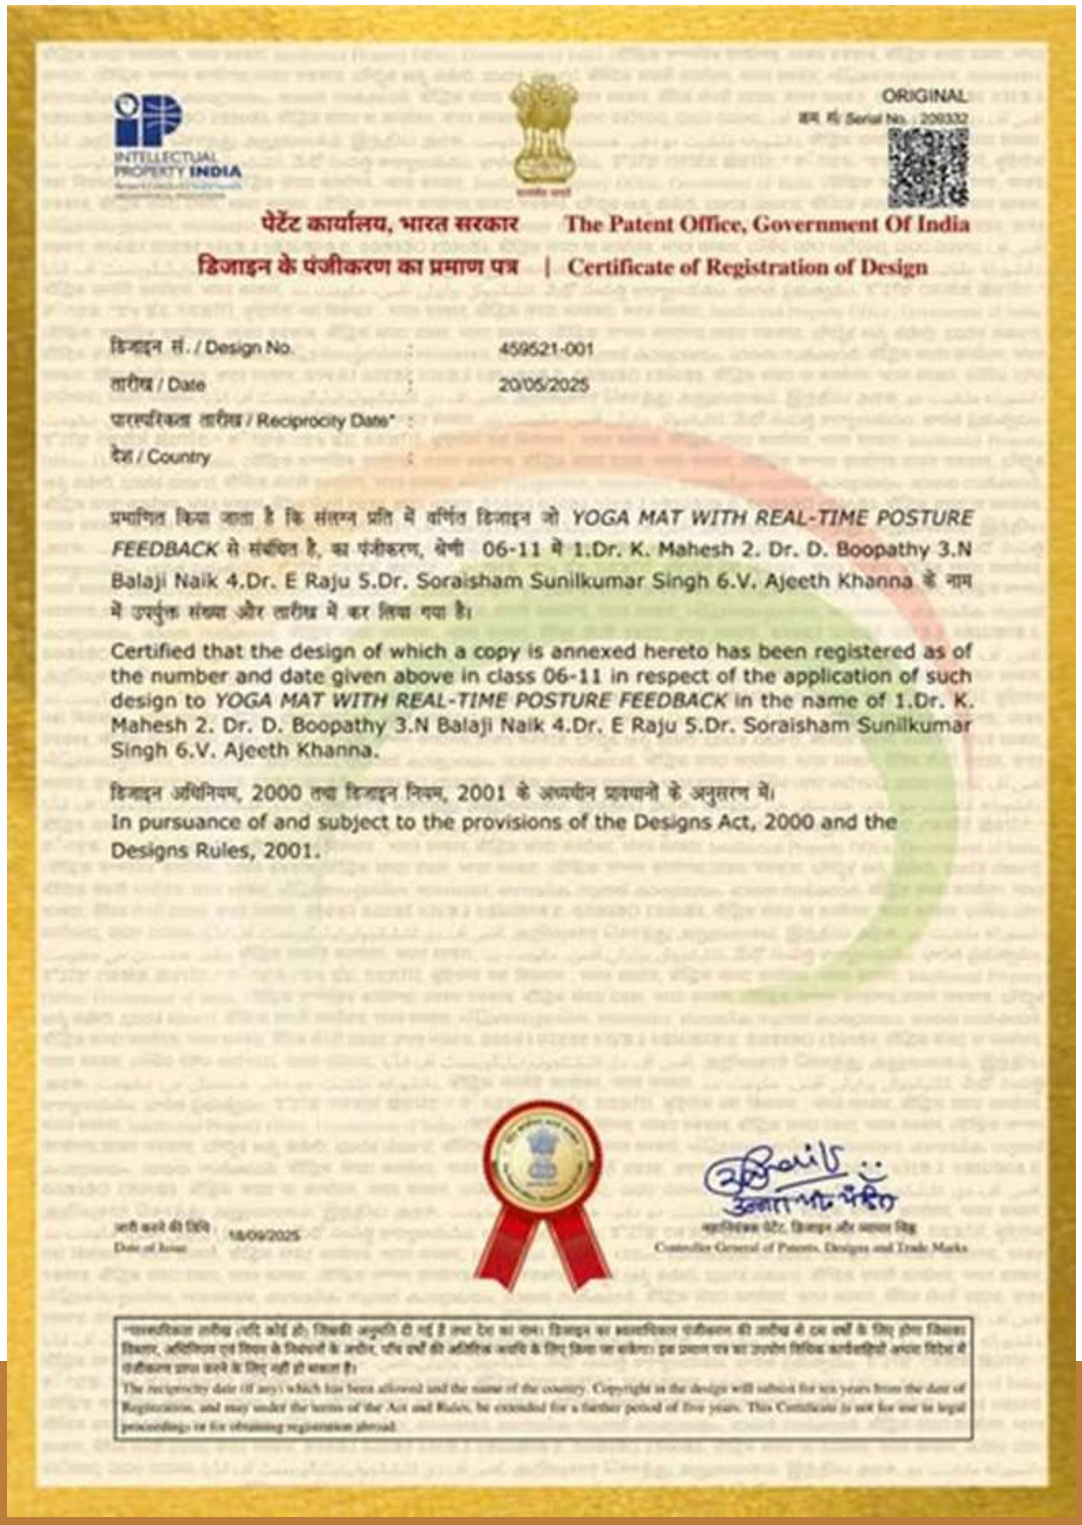

A Masterclass in Leadership: Dr. D. Prasanna Balaji Keynotes Rockcity Sahodaya Event

Dr. D. Prasanna Balaji, Vice Principal of National College (Autonomous) and State Secretary of PEFI Tamil Nadu, delivered a powerful keynote address at the School Principals' Conclave – 2025 held on November 1st, 2025, at the Tiruchirappalli. Addressing a distinguished gathering of approximately 200 school principals and educational leaders, he shared profound insights during the program organized by Rockcity Sahodaya in collaboration with Atom Infinity Solutions Pvt. Ltd. Under the theme "Reimagining Education for Tomorrow," Dr. Balaji's session, "Sportsmanship Beyond the Playground: A Holistic Approach to Student Development," was met with great enthusiasm. He highlighted the vital role and core values of sports in shaping the future of education, emphasizing how athletic principles serve as a cornerstone for leadership and student growth.

September1, 2025- August 31,2026

In a prestigious international recognition for the 2025-2026 academic year, Ms. Chindhiyaa R. S., a Ph.D. Scholar under the guidance of Dr. Prasanna Balaji, Vice-Principal and Head of the Department of Physical Education at National College, Trichy, was appointed as an International Ambassador for the International Organization for Health, Sports, and Kinesiology (IOHSK). Her tenure, which spans from September 1, 2025, to August 31, 2026, involves coordinating global activities and representing the organization in research initiatives. This achievement, overseen by her guide Dr. D Prasanna Balaji, further solidifies the institution's reputation for excellence in sports research and brings significant global recognition to the department.

Patent

The Department of Physical Education has achieved a historic milestone in sports innovation and wellness technology. Assistant Professors Dr. D. Boopathy and Mr. V. Ajeeth Khanna have officially registered a patent with the Patent Office, Government of India, for their groundbreaking design: a **“Yoga Mat with Real-Time Posture Feedback.”**

This invention seamlessly integrates modern technology with traditional practices to enhance alignment and prevent injuries for fitness enthusiasts. This achievement stands as a testament to their dedication to research excellence and significantly contributes to India’s growing leadership in sports science.

Expert Address at the National Conclave on Equestrian Sports

Dr. D. Prasanna Balaji, Vice Principal and Head of the PG & Research Department of Physical Education and Sports Sciences, addressed a distinguished gathering at the National Conclave on Equestrian Sports in Ahmedabad, Gujarat, on May 10, 2025. Invited as a featured speaker, he delivered a comprehensive presentation on the "History and Evolution of Equestrian Sports," tracing its rich cultural legacy from ancient civilizations to its modern global prominence. The event, organized by the Physical Education Foundation of India (Gujarat Chapter), brought together renowned scholars and professionals in the field. Dr. Balaji's insights were highly commended by the esteemed Vice Chancellor

and eminent academicians in attendance, further reinforcing the institution's leadership in sports science.

Dr. D. Boopathy, Assistant Professor in the Department of Physical Education, has demonstrated significant academic leadership through several high-profile engagements. On February 18, 2026, he served as the Keynote Speaker for the National Workshop "Smart Moves – Engineering Concepts in Gymnastics" at BIT Campus, Anna University, followed by receiving the Best Paper Presentation Award on February 11, 2026, at the Aiman College International Multidisciplinary Conference for his research on respiratory parameters in cricketers. Additionally, he shared his practical expertise as a Resource Person for the "Rhythmic Stretching" program at Seethalakshmi Ramaswami College on January 30, 2026, and conducted a comprehensive Health and Wellness Workshop at Urumu Dhanalakshmi College on August 26, 2025. These contributions reflect his versatility as a researcher, speaker, and advocate for holistic fitness across the region.

Abstract: Emotional and stress responses are essential for interpreting cognition and mental health in therapy. Traditional models insufficiently seize the complicated temporal-spatial correlations in EEG data, resulting in imprecise assessments of patients' emotional states. This research presents a Novel Attention-Tuned deep learning (DL) model for recognizing emotions and stress by real-time EEG signals gathered during Cognitive Therapy Sessions, intending to improve recognition accuracy and the interpretability of neural activity connected to psychological states. 2000 EEG data were collected, which undergoes preprocessing employing adaptive median filtering to eliminate noise and artifacts. Discrete Wavelet Transform (DWT) using features is extracted to both temporal and spectral characteristics of the brain's activity patterns. The See-See Partidge Chicks-driven Attention-Tuned Convolutional Neural Network (SSPC-Att-CNN) model is used to recognize human emotions and stress levels by examining EEG data. This architecture integrates convolutional layers for spatial feature learning with an attention mechanism that adaptively concentrates on the most informative EEG regions corresponding to emotional arousal and stress variations. A SSPC Optimization (SSPCO) algorithm is employed for feature selection, enhancing computational efficacy and robustness. Experimental evaluation was conducted on python 3.10 for standard EEG datasets which demonstrates that the proposed AT-CNN significantly outperforms conventional DL models in recognizing emotional valence in accuracy of 82.10 %, arousal in the accuracy of 97.89%, and stress intensity levels. The system provides real-time cognitive monitoring, giving therapist's objective insights into emotional regulation and stress patterns. This improves Artificial Intelligence (AI)-assisted psychological assessment tools and promotes a data-driven understanding of emotions in therapy.

Keywords: EEG, Attention-Tuned CNN, Emotion Recognition, Stress Detection, Cognitive Therapy, Feature Selection, Brain Dynamics.

1. Introduction

The human neurological system is a system that controls emotions based on external and internal stimuli. These are not simple psychophysiological systems of emotions, the emotional states are relevant to clinical psychology and neuroscience since it influences the mental health, cognitive, attention, and therapeutic involvement [1, 2]. Stress being both body and mind reaction is one of the greatest emotional responses that are caused by stress or hazardous circumstances. Short-term stress can also raise attention, but in the long run or with improper management, stress predisposes an individual to depression, insomnia, heart disease, and cognitive impairment [3]. The diagnosis of stress early is important to patients who have cognitive or psychological therapy with an aim of ensuring that they respond to it on time and achieve successful treatment outcomes.

F.No. P.1-29/NSS/RDC/2026

Dated 20th January, 2026

LETTER OF APPRECIATION

The Ministry of Youth Affairs & Sports, Government of India, expresses its sincere appreciation and gratitude to **Dr. D. Prasanna Balaji,** Secretary, Physical Education Foundation of India (PEFI), Tamil Nadu State Chapter, and Vice-Principal & Director and Head, National College, Tiruchirappalli, Tamil Nadu for serving as a Resource Person at the NSS Republic Day Parade Camp–2026, held at Jawaharlal Nehru Stadium, New Delhi.

Dr. D. Prasanna Balaji delivered an inspiring and intellectually enriching session on the theme *"Sports as a Tool for Leadership & Nation Building"* on 9th January 2026. His profound insights, vast experience in the field of physical education, sports sciences, and youth development, and his ability to connect sports with leadership values and national development deeply motivated the NSS volunteers drawn from across the country.

The session significantly contributed to the holistic learning objectives of the Camp by instilling values of discipline, teamwork, patriotism, and social responsibility among the young participants. His thoughtful deliberations and real-life examples left a lasting impact on the campers and added immense value to the academic and personality development components of the NSS RDPC–2026.

On behalf of the Ministry, I place on record its heartfelt appreciation for his committed service to youth empowerment and nation building and wishes him continued success in his future academic and social endeavours.

CONVOCATION DAY
SUMMARIZED REPORT

CONVOCATION DAY SUMMARIZED REPORT

The academic year **2025–2026** has been a remarkable period of growth, excellence, and achievement for the institution, marked by significant progress in **research, academic output, industry collaboration, and student success.**

1. Academic and Institutional Achievements

The institution strengthened its academic ecosystem through **strategic MoUs with reputed organizations and institutions**, promoting industry integration and collaborative research. Departments actively engaged in interdisciplinary partnerships, enhancing skill development and employability.

A total of **95 seminars, workshops, conferences, and awareness programmes** were conducted, reflecting a strong commitment to academic enrichment and knowledge dissemination.

Faculty members actively participated **in 159 national and international academic events**, while **15 faculty** members attended **36 training programmes**, and **14 faculty** completed **33 certification courses**, demonstrating continuous professional development.

2. Research Excellence and Output

The institution showcased outstanding research performance:

- **194 research papers** were published in national and international journals
- **28 books and book chapters** were published
- **103 research papers** were **presented** in conferences
- **27 Ph.D. scholars** were **awarded doctoral degrees**
- **3 faculty members** were **awarded Ph.D. degrees**
- **5 faculty qualified** in **NET/SET examinations**

Faculty members also contributed significantly to innovation through **multiple patents and design registrations**; a total of **12 patents** have been registered this academic year.

3. Research Grants and Funding

The institution secured **substantial research funding from national agencies**, demonstrating strong research capability:

- AICTE Grant: Rs.**3,50,000**
- DBT-PGT Scheme & Consultancy (BMB Dept.): Rs.**30,19,404**
- ICSSR Grants: Rs.**16,60,000** (Rs.15,10,000 + Rs.70,000 + Rs.80,000)
- Government of Tamil Nadu Research Grant: Rs.**19,87,000**
- RRRLF Grant: Rs.**2,00,000**
- NABARD Conference Grant: Rs.**1,50,000**
- HYDORA & Indian Bank Support: Rs.**50,000**
- Forum for Lifelong Learning Grant: Rs.**110,000** + Rs.**30,000** consultancy
- Institutional Seed Money & other grants: Rs.**86,000**

Total Funds Received amounted to Rs.76,25,404

These funds supported **research projects, faculty development programmes, seminars, innovation, and infrastructure for academic growth.**

4. Awards and Recognitions – Faculty

Faculty members received **prestigious awards at international, national, and institutional levels**, highlighting academic excellence:

- **Best Poster and Oral Presentation Awards** at international conferences
- **Women in Academia Excellence Award (2025)**
- **Best Teacher Awards and Outstanding Faculty Awards**
- **Dr. Radhakrishnan Best Teacher Award**
- **Global AI Award (International recognition)**

- **Rashtriya Utkrushta Shikshak Shri Samman (ராஷ்ட்ரிய உத்த்கிருஷ்ட சிக்ஷக் ஸ்ரீ சம்மான்)**
- **Multiple Tamil literary awards (தமிழ் இலக்கிய மற்றும் கல்வி விருதுகள்)**
- **Lifetime Achievement Award** in Physical Education

Faculty members also held **key academic positions**, including:

- Editorial Board Members of renowned academic publishers of the world like Springer, Elsevier, Frontier
- Guest Editors of international journals
- Members of Boards of Studies in reputed universities

5. Student Achievements and Success

Students demonstrated **exceptional academic and co-curricular performance**:

- **29 University Rank Holders** (17 UG + 12 PG)
- Students passed in **national-level JAM EXAM 2026**
- Won multiple **Best Paper, Poster, and Presentation Awards**
- Received Prestigious recognitions such as **CSIR-SRF Fellowship**

In sports and extracurricular activities:

- Students have consistently demonstrated outstanding achievements in sports by winning **Gold, Silver, and Bronze medals** at national and state level competitions
- **Mr. N. Kishore of III B.Sc.** Physical Education won cash Prize of Rs. **2,00,000/- lakh** from both central and state government for winning National Level cycling competition
- **Ms. Akshya sree of M.Sc.** Yoga won cash Prize of **Rs.75,000/-** for Track event at Chief Minister's trophy held at Chennai.
- **Mr. Kaviyarasan C. of III B.Sc.** Physical Education has been officially Selected and appointed as an **"Agni veer" in Indian Army.**

6. Placement and Career Development

The Career Guidance and Placement Cell achieved remarkable success:

- **46 companies visited the campus**
- **1115 job offers were made**
- **Highest salary of Rs. 6.52 LPA** was offered
- **The Average salary was Rs. 2.4 LPA** for this academic year
- Several departments achieved **100% placement**

Additionally:

- **1900 students benefited from 15 training programmes** conducted by placement cell
- **740 students completed certification courses**

7. Infrastructure and Digital Advancement

The institution upgraded its infrastructure significantly:

- Internet upgraded to **1 Gbps leased line**
- Library resources expanded to:
  - **1,26,500+ books**
  - **3,00,000 e-books**
  - **50,000 e-journals**
- Fully Wi-Fi-enabled campus with advanced digital learning facilities
- A new commerce block sprawling over **80000 sq feet** was dedicated consisting of **Ground plus 3 floors.** The block houses **40 well-ventilated classrooms, 4 computer laboratories** with around **60 computers in each**, promoting digital learning. Overall, the building reflects a blend of **modern infrastructure and student-centric design**, enhancing the teaching–learning experience.

8. Student Welfare and Government Support

- **2088 laptops** were **distributed** under Government Scheme (100% coverage)
- This year a total of **1 core 10 lakh 30 thousand two hundred** has been disbursed as Scholarship to benefit the students

The academic year 2025–2026 stands as a testament to the institution's unwavering commitment to **academic excellence, research innovation, and holistic development**. With substantial research funding, numerous awards, outstanding student achievements, and strong industry integration, the institution continues to strengthen its position as a **centre of excellence in higher education**.

Inaugural Function for First Year UG and PG Students (2025–2026)

The **Inaugural Function** for the First Year Undergraduate and Postgraduate students of the academic year 2025–2026 was held on 25 June 2025 in the College Indoor Stadium. Dr. D. Muthuramakrishnan, Principal In-charge, welcomed the gathering. Dr. K. Anbarasu, Director (Academic), highlighted the institution's academic goals for the year. The Chief Guest, Dr. N. Murugeswari, Director and Head In-charge of the Department of Women's Studies, Bharathidasan University, was formally honoured and delivered an inspiring inaugural address on education, empowerment, and holistic development. Prof. M.S. Balamurugan, Associate Professor and Head, Department of English provided the instructions for the one-week Induction Programme. Dr. D. Prasanna Balaji, Vice Principal (UAP), proposed the vote of thanks. The ceremony, gracefully compered by Dr. S. Neelagandan, Associate Professor of Tamil.

From the Offfice of the Principal

Dear Reader,

As I assumed charge as Principal In-charge of this esteemed institution, I was humbled by the weight of its legacy and energised by the promise of its future.

In our constant pursuit of academic excellence and relevance, proposals have been submitted to the All India Council for Technical Education (AICTE) for the approval of two highly sought-after programmes — the Master of Business Administration (MBA) and the Master of Computer Applications (MCA).

In a further stride towards academic recognition and credibility in the research domain, a proposal has also been submitted to the Department of Scientific and Industrial Research (DSIR) for the recognition of our institution as a Scientific and Industrial Research Organisation (SIRO).

Three endowment lectures were also organised, honouring the memory and vision of benefactors who have contributed to the academic mission of the college. These lectures serve not only as scholarly events but also as an affirmation of the college's bond with its alumni and well-wishers across generations. In fulfilment of the Government of Tamil Nadu's commitment to digital empowerment, free laptops were issued to eligible students under the Government-sponsored scheme.

No institution can grow without investing in its physical infrastructure. We are delighted to announce that the construction of the new Commerce Block has been successfully completed. It stands as a symbol of the management's commitment to providing the best possible learning environment for our academic community. As I reflect upon the milestones of this period, I am filled with a profound sense of gratitude — to our visionary management, our dedicated faculty and non-teaching staff, our enthusiastic students, our supportive parents, and our generous alumni and well-wishers. It is the collective effort of this entire family that has made National College the beacon it is today.

With warm regards and best wishes,

Dr. D. Muthuramakrishnan

Principal In-charge

From the Secretary's Desk

Dear Reader,

I am delighted to report that the department of Business Administration successfully organised a Faculty Development Programme (FDP) jointly sponsored by the All India Council for Technical Education (AICTE) and the ATAL Academy. This prestigious programme featured a rich array of workshops and seminars, enabling our faculty to sharpen their pedagogical skills, engage with contemporary research frontiers, and imbibe the latest advancements across disciplines.

In a significant step towards bridging our glorious intellectual heritage with contemporary higher education, National College has formalised a Memorandum of Understanding (MoU) with the Siddhanta Knowledge Foundation, Chennai. This partnership is expressly oriented towards promoting the integration of the Indian Knowledge System (IKS) into our academic programmes. I am pleased to announce the inauguration of a new Alumni Association Chapter in Hyderabad, bringing together the large and illustrious family of National College graduates settled in the vibrant metropolis of Telangana. This new chapter joins our growing national network of alumni bodies and will serve as a vital forum for professional networking.

All departments have been actively conducting their respective Association Meetings, creating valuable spaces for intellectual exchange, guest lectures, inter-disciplinary dialogues, and student-led presentations. I am heartened to note that our NSS (National Service Scheme), NCC (National Cadet Corps), EXNORA, and Rotaract units have organised a commendable number of activities and meetings during this period. The Department of English deserves special appreciation for organising a well-structured, week-long Student Induction Programme for newly admitted students. As we reflect on these achievements, we are equally energised by the vast potential that lies ahead. I urge every member of our faculty and non-teaching staff, to remain steadfast in their commitment to National College's mission: to educate, to inspire, and to serve.

With my warmest regards.

Sri K. Raghunathan

Secretary

AICTE and ATAL Academy Sponsored FDP

A Six-Day Faculty Development Program (FDP) sponsored by **AICTE** and **ATAL Academy** on ***"Bridging Academia and Enterprise: FDP on Startup Culture and Innovation"*** was organized from **15th to 20th June 2025**. The programme aimed to enhance understanding of the startup ecosystem and foster innovation-driven entrepreneurial mindsets among academicians. It brought together 43 faculty participants from various institutions across Tiruchirappalli, creating a vibrant platform for knowledge exchange and collaborative learning. Eminent experts from academia, industry, and startups shared insights on entrepreneurial trends, incubation support systems, design thinking, business model development, intellectual property rights, and government initiatives. Interactive discussions, hands-on activities, and case studies provided practical exposure. The FDP aligned academic potential with entrepreneurial initiatives, contributing to the vision of ***Atmanirbhar Bharat*** and the National Innovation and Startup Policy (NISP).

The **Inaugural session** held on **15th June 2025** began with the presidential address by Dr. Muthuramakrishnan, Principal(i/c). Dr. M. Esakkiammal, FDP Co-ordinator and Assistant Professor and Head, Department of Chemistry(UAP), introduced the Chief Guest. The inaugural address was delivered by **Dr. A. Venkatachalam, Principal and Director of Vijay Institute of Management and former Principal of GTN Arts College, Dindigul**. He emphasized the importance of integrating entrepreneurial thinking into academic curricula and highlighted the role of institutions in fostering innovation and strengthening industry linkages.

During **Session I, Mr. N. Kanagasabapathy** delivered a special address on industry–academia collaboration and employability enhancement. He highlighted the role of academic institutions in bridging the gap between education and enterprise and shared information on government schemes, subsidies, and financial assistance programs that support youth entrepreneurship. **Session II** featured **Mr. M. Ramalingam** from **the District Industries Centre (DIC), MSME Department, Government of Tamil Nadu,** who spoke on government policies and startup support schemes, emphasizing socially responsible and sustainable business models.

On **16th June 2025**, **Session III** was handled by **Dr. J. Gayathri, Professor and Coordinator, Centre for Entrepreneurship and Skill Development,**

Bharathidasan University. She delivered an insightful lecture on Business Model Innovation and Lean Start-up Methodology, explaining the Business Model Canvas and concepts such as MVP, Build–Measure–Learn, and validated learning. **Session IV** was delivered by **Dr. C. Paramasivan, Associate Professor of Commerce, Thanthai Periyar Government Arts and Science College**, who discussed funding strategies and investment readiness, highlighting financial planning, policy frameworks, and investor engagement.

Session V featured **Mr. Vinoth Rajendran from Start-up India, Madurai**, who elaborated on startup incubation and acceleration programs and encouraged faculty to guide students toward innovation-driven ventures. On **17th June 2025**, **Session VI** was conducted by **Mr. C. Ramaswamy Desai, Project Director at CR Business Solutions and Director at TIDITSSIA-STED, Salem**, who explained start-up incubation processes and business planning, emphasizing mentorship, funding access, and networking support.

On **18th June 2025, Session VII** was delivered by **Dr. S. Elango, Associate Professor, Urumu Dhanalakshmi College, Trichy**, on digital marketing and branding for start-ups. He discussed social media strategies, content creation, customer engagement, and analytics. **Session VIII** was handled by **Dr. N. Murugeswari, Director In-Charge and Head, Department of Women Studies, Bharathidasan University**, who highlighted the role of women in entrepreneurship and emphasized gender-inclusive innovation and institutional support systems.

Session IX was delivered by **Dr. V. R. Sinija, Professor and Head, NIFTEM–T,** on innovations in food processing and agri-tech start-ups. She highlighted emerging technologies such as precision fermentation, smart packaging, AI-driven quality control, block chain traceability, cold chain innovations, and sustainable food technologies, emphasizing the vast start-up potential in the agri-food sector. On the final day, 20th June 2025, **Session X** was handled by **Mr. Mohamed Juher, General Manager, Etik Skill Training and Outsourcing Company,** on resilient leadership and digital thinking. He emphasized adaptive leadership, emotional intelligence, and digital transformation in academic and entrepreneurial environments. Throughout the six days, the FDP featured two technical sessions per day led by eminent speakers from academia and industry. All 43 participants actively engaged in discussions and activities, expressing high satisfaction with the relevance and depth of the sessions. The

programme significantly enhanced participants' understanding of start-up culture and the educator's role in nurturing entrepreneurial mind-sets. The FDP concluded successfully, with participants expressing their intent to implement the learnings through academic innovation and entrepreneurial initiatives.

Induction Programme 2025 -2026

The PG & Research Department of English organized the **Induction Programme for the Academic Year 2025–2026** for first-year undergraduate students of both aided and unaided programmes. The programme was conducted from **26 June to 02 July 2025** and aimed to provide new students with a comprehensive introduction to College life, academic expectations, co-curricular opportunities, and essential support systems. Through a series of informative sessions, interactive activities, and guidance talks, the programme helped students smoothly transition into their undergraduate studies and set a strong foundation for their holistic development.

An inspiring and insightful session titled ***"Setting Path to the Future"*** was delivered by **Dr. S. Neelagandan, Associate Professor of Tamil, Dr. K. Bhuvaneswari, Assistant Professor (SS) of Tamil and Dr. S. Karuthan, Assistant Professor of Tamil.** The speakers emphasized the importance of goal setting at the beginning of college life and encouraged students to reflect on their aspirations and plan their academic and personal journeys. The session motivated students to take responsibility for shaping their future and provided a strong foundation for a successful transition into college life.

Dr. M. Murali, Associate Professor of Chemistry and **Dr. D. Prasanna Balaji, Vice Principal(UAP) and Head, Department of Physical Education** addressed the students on ***Campus Ethics and Values***, highlighting the importance of ethical conduct, discipline, and shared values. The speakers stressed responsible behaviour and ethical decision-making as essential components of a healthy campus culture. The session effectively instilled moral awareness and encouraged students to uphold integrity in both academic and personal life.

An informative session on ***Examinations*** was delivered by **Dr. Sri Ramachandran V**, **Associate Professor of English and Controller of Examinations,** who explained the collegiate examination system and its significance. He clarified examination procedures, evaluation methods, and academic expectations, helping students understand the transition from school to college assessments. The session enhanced students' awareness of academic rigor and institutional standards.

Dr. Mohamed Jaabir M. S. Associate Professor and Head, Department of Biotechnology, Microbiology and Bioinformatics conducted a detailed session on ***Curricular Structure***, explaining

the academic framework, course components, and credit system. His clear presentation enabled students to understand their curriculum and plan their academic progress effectively. The session provided a clear roadmap for students' academic journey at National College.

A crucial session on ***Anti-Ragging and Student Grievance Redressal*** was handled by **Dr. R. Ravichandran, Associate Professor of Tamil** and **Dr. P. S. S. Akilashri. Associate Professor and Head, Department of Computer Science** The speakers sensitized students to the seriousness of ragging and highlighted the college's zero-tolerance policy. They also informed students about grievance redressal mechanisms, ensuring a sense of safety, confidence, and support.

Dr. R. Suresh Kumar, Assistant Professor of English (SS) introduced students to ***NCC, NSS, and other Part V activities***, emphasizing the importance of co-curricular involvement for holistic development. He highlighted leadership opportunities, skill enhancement, social responsibility, and academic credits associated with these activities, encouraging active participation beyond academics. A motivating session on ***Sports and Wellness*** was delivered by **Dr. D. Boopathy**, **Assistant Professor, Department of Physical Education** who emphasized the physical, mental, and emotional benefits of sports. He encouraged students to actively participate in sports activities and prioritize wellness as a key factor in academic success and personal growth. **Dr. J. Karthikeyan, Assistant Professor of English** and **Placement Officer** conducted an informative session on ***Career Guidance and Placement*****,** stressing the importance of early career planning. He explained the role of the Placement Cell, profile building, and placement procedures, motivating students to prepare proactively for future career opportunities. A supportive session on ***Counselling Services and Academic Tutoring*** was handled by **Dr. V. Srividhya**, **Associate Professor of English** and **Dr. S. Maha, Assistant Professor of English**. The speakers assured students of emotional and academic support systems available on campus and encouraged them to seek guidance whenever necessary for their well-being and success. **Dr. R. Natarajan**, **Assistant Professor of Commerce** delivered a future-oriented session on ***Competitive Examinations***, introducing students to various national-level exams and career opportunities. He emphasized early preparation, strategic planning, and institutional support, broadening students' career perspectives. **Dr. T. Suresh Kumar, Librarian,** presented an informative session on ***Library Resources***, explaining the library's physical and digital facilities. He encouraged students to make effective use of library services to enhance research skills and academic performance.

Mr. M. Sivanandam, **Superintendent** addressed students on ***Financial Aid and Scholarships***, providing detailed information on available financial support, eligibility criteria, application procedures, and renewal processes. The session empowered students to access financial assistance and reassured them of institutional support.

Dr. C. Nandhini Devi, Assistant Professor of English and **Mr. N. Arunpandian, Assistant Professor of English** conducted a practical session on ***Study Skills and Time Management***. They shared effective learning strategies, note-taking methods, scheduling techniques, and stress management practices, enabling students to adapt confidently to college academics. **Dr. S. P. Anand**, **Associate Professor of Botany**, delivered a reassuring session on ***Hostel Facilities*****,** explaining hostel rules, discipline, and support systems. The session helped students understand hostel life and ensured a safe, structured, and comfortable residential experience.

Mrs. Anita from **Apollo Primary Health Center** conducted a session on ***Health and Wellness***,

focusing on physical and mental well-being. She provided practical health advice and emphasized the importance of a balanced lifestyle to support academic success and personal growth. The Induction Programme was coordinated by **Prof. M. S. Balamurugan**, **Head of the Department of English**, with the support of Executive Coordinators **Dr. T.G. Akila , Assistant Professor of English (SS) Dr. M.N.V Preya, Assistant Professor of English (SS)** and **Dr. P. Nainar Sumathi**, **Assistant Professor of English (SS)** The event management team, comprising **Dr. J. Karthikeyan, Dr. C. Nandhini Devi, and Mr. N. Arunpandian,** efficiently organized and oversaw the various sessions and activities. Their collective efforts ensured the smooth execution of the programme, providing first-year students with a well-structured, informative, and engaging orientation experience.

MOU SIGNED - INDIAN KNOWLEDGE SYSTEMS

National College (Autonomous), Tiruchirappalli, signed a **Memorandum of Understanding (MoU)** with the **Siddhanta Knowledge Foundation, Chennai**, on **August 6, 2025**, to promote the integration of **Indian Knowledge Systems (IKS)** into higher education. Siddhanta, an IKS Centre accredited by the Ministry of Education, offers structured online courses through its ***Siksha*** Learning Management System, which will now be accessible to National College students as part of their academic curriculum. The collaboration aligns with the UGC mandate requiring students to earn a minimum of 5% of their credits in IKS-related courses and provides a 50% scholarship for enrolled students. This initiative marks a significant step in reviving India's traditional wisdom within contemporary education and aims to enhance value-based learning and academic enrichment.

The MoU signing ceremony was held in the presence of college administrators and representatives from Siddhanta Knowledge Foundation, including Dr. D. Muthuramakrishnan, Principal (i/c), Dr. K. Anbarasu, Director, Dr. D. Prasanna Balaji, Vice Principal (Unaided), Dr. M. Murali, Vice Principal (Aided), Dr. S. Senthil Kumar, IQAC Co-ordinator, Dr. V. Balaji, Assistant Professor of Sanskrit, and Shri. R. Subhramanian, Director, Siddhanta Knowledge Foundation, along with Institutional Engagement Managers Ms. P. K. Priya and Mr. R. Chandrasekar.

Alumni Association – Hyderabad Chapter

The **Alumni Association – Hyderabad Chapter** was inaugurated on **17th September 2025** at Hotel Occassia Bliss, Miyapur, Hyderabad. The programme began with a welcome address by **Dr. D. Saravanan**, Dean of Science, followed by the formal inauguration by **Dr. Dhamodharan, Sai Life Science, Hyderabad,** who emphasized the role of alumni in fostering professional connections and contributing to the growth of the institution. The elected office bearers were honored, including **Dr. B. Satheesh, Alumni President, Azurity Pharma,** and **Mr. K. Sureshkumar, Alumni Secretary, Aktinos Pharma.** Felicitations were offered virtually by dignitaries including **Sri K. Raghunathan,** Secretary, **Dr. K. Anbarasu,** Director, **Dr. M. Murali,** Vice Principal, and **Dr. D. Prasanna Balaji,** Vice Principal (UAP), appreciating the initiative and encouraging continued alumni engagement. Faculty members, including **Dr. M. Esakkiammal**, Head of Department, and others, also joined virtually. **Dr. K. Sureshkumar** presented the objectives, activities, and future plans of the Hyderabad Chapter, followed

by an interactive session where alumni shared fond memories of their college days. The Vote of Thanks was proposed by **Dr. B. Satheesh,** expressing gratitude to all dignitaries, organizers, and alumni. A total of **54 members** participated, including 14 M.Sc. students and distinguished alumni from leading pharmaceutical companies such as Artek Labs, Apothecon Pharma, USP India, Aktinos Pharma, Azurity Pharma, Sagent Pharma, Syngene International, Neuland Laboratories, Sai Life Sciences, and MSN R&D Centre. The event concluded with fellowship, dinner, and informal interactions, marking a memorable milestone that strengthened the bond between the institution and its alumni community.

FOUR DAY INDUSTRIAL VISIT

The **Department of Chemistry (UAP)** organized a **Four-day Industrial visit** from **15th to 18th September 2025,** providing students with exposure to research and industrial practices in chemistry. On **Day 1**, the group assembled at Tiruchirappalli Junction and travelled by **Vaigai Superfast Express** and **Kacheguda Express** to Hyderabad. During the journey, faculty briefed students on the objectives of the visit, emphasizing the link between theory and industry, while students engaged in discussions and maintained travel diaries. On **Day 2**, the team arrived in Hyderabad and visited **CSIR–Indian Institute of Chemical Technology (IICT)**, where they attended an orientation on IICT's research contributions in medicinal chemistry, catalysis, nanotechnology, and sustainable processes. Students toured laboratories, observed advanced instrumentation such as NMR, chromatography, and microscopes, and participated in interactive sessions on industrial applications and career prospects.

On **Day 3,** the group visited **Sai Life Sciences Ltd.,** gaining insights into drug discovery, chemical synthesis, process development, and regulatory compliance, followed by a visit to **Aktinos Pharma Pvt. Ltd.,** where students learned about API synthesis, purification, analytical procedures, GMP practices, and chemists' roles in ensuring drug safety and affordability. The visits effectively bridged classroom knowledge with industrial applications.

Day 4 was dedicated to the **Analytica Anacon India & India Lab Expo,** where students explored the latest analytical instruments, laboratory automation, biotechnology, nanotechnology, and sustainable laboratory practices. Interactions with industry professionals broadened their understanding of career prospects in analytical and pharmaceutical sciences. The visit provided hands-on learning, practical insights, and valuable exposure to real-world chemical research and industrial operations.

INDUSTRIAL VISIT

On Monday, 25 August 2025, students and faculty from the Department of Information and Communication Technology, visited **HCL Software Company** in Madurai for an industrial exposure programme. **Mr. Vel Siddharth, Human Resources Manager**, warmly welcomed the group and provided an overview of the company's history, basic qualifications required for employment, company policies, employee safety measures, and the services offered by the organization**. Mr. Prakash, Chief Human Resources Manager**, emphasized the importance of continuously learning new programming languages to stay relevant in the rapidly evolving IT industry. He actively engaged with students, answering their questions, encouraging them, and wishing them success in their careers. The group was guided through various software

development sections, where detailed explanations of workflows and projects were provided.

As a token of appreciation, Mr. N. Parthasarathy, Head of the Department of ICT, presented mementos to the HR managers. The visit was attended by Professors S. Palanisamy, Vice President, T. Bhuvaneswari, and C. Usha, along with 55 enthusiastic students, making the visit an informative and inspiring experience.

A Workshop on Functional English

The PG & Research Department of English, National College (Autonomous), Tiruchirappalli, successfully conducted a **Workshop on Functional English** exclusively for first-year undergraduate students on **03 July 2025**. The workshop was

organised in two batches to accommodate students from all aided departments. **Ms. Vidhya Sankar, Director, ACTION DnA, Chennai,** and an experienced corporate trainer, served as the resource person. The workshop focused on enhancing students' practical command of Functional English for academic and professional communication.

The training modules covered areas such as Navigating Academic English, Communicating in College Life, Essential Language Tools and Resources, and Practical Application and Practice. Through interactive and hands-on sessions, students were exposed to real-world usage of English in academic and social contexts, which helped build confidence and communicative competence. The programme was coordinated by Dr. J. Karthikeyan and Dr. C. Nandhini Devi under the leadership of Prof. M. S. Balamurugan, Head of the Department of English. The workshop was well received and marked an impactful beginning to the students' academic journey.

Workshop on "Financial Education for Young Citizens"

The **Department of Economics** organized a two-day Workshop titled ***"Financial Education for Young Citizens"*** from **21st to 22nd August 2025**. The event was organized under the leadership of **Dr. C. Subramanian, Assistant Professor**, who served as the Organising Secretary. The programme was inaugurated with a welcome address by **Dr. K. Rajesh, Assistant Professor and Head, Department of Economics**. The presidential address was delivered by **Dr. D. Muthuramarkrishnan, Principal(i/c)**. The chief guest for the programme was **Dr. A. Mahadeven, SEBI Empanelment Resource Person**, associated with **SEBI-SMARTs and NISM (NSE, BSE, NISM, CDSL & NCDEX), Mumbai**.

In his inaugural address, the chief guest emphasized the importance of financial education in empowering young citizens to make informed financial decisions. He highlighted key concepts such as savings, budgeting, responsible spending, investment planning, digital banking awareness, and

long-term financial security. He also stressed the role of financial literacy in avoiding debt traps and contributing to national economic growth.

During **Technical Session I**, Dr. A. Mahadeven explained the concept of inflation and its impact on purchasing power. He discussed various asset classes, risk–return trade-offs, portfolio diversification, and the importance of early financial planning to achieve long-term goals. In **Technical Session II**, the speaker elaborated on mutual funds as an effective investment option for young investors. He explained their structure, types, benefits, and the role of systematic investment plans (SIPs) in wealth creation, while also highlighting market risks. The valedictory session featured an address by **Dr. A. Mahadeven**, who explained the functioning of the share market, including the primary and secondary markets, and its role in capital formation and economic development. The programme concluded with a vote of thanks by **Dr. C. Subramanian, Assistant Professor**.

The event was effectively coordinated by the Masters of Ceremony, **Ms. J. Rohini and Ms. S. Namithavagini**, students of BA Economics.

A one-day workshop on "AI-Enabled Transformation: Bridging Technology and Management".

The Department of Management Studies (BMS), in association with the Department of Information Technology, organized a one-day workshop titled **"AI-Enabled Transformation: Bridging Technology and Management"** on 22/08/2025. The session began with a welcome address by Dr. K. Thamodharan, Associate Professor and Head of the Department of Information Technology. The workshop aimed to explore the transformative role of Artificial Intelligence in integrating technology with management practices. The first session was delivered by **Dr. P. Sridevi, Professor, Department of Management Studies, National Institute of Technology**, who explained AI applications in decision-making and business analytics. The second session was conducted by **Dr. K. Gopinath, Assistant Professor, Department of Information Systems, Indian Institute of Management**, who discussed analytics and digital transformation frameworks.

The sessions were interactive and provided practical insights through real-world examples and case studies.The workshop emphasized the importance of interdisciplinary learning and ethical considerations in AI adoption. The event concluded with a vote of thanks by Mr. R. Yeswanth of II BMS.

A Workshop on Digital Marketing

Department of Computer Applications organized a **Workshop on Digital Marketing** (Alumni Connect) on **26th August 2025**. Mr. M. Mahesh President - Students Association, welcomed the gathering. **Mr. V. Alwin Raj, Human Resources Manager, Rogan Credit Management, Coimbatore** was the resource person. Digital marketing is centered on creating value for customers through a customer-centric approach, multi-channel integration, and valuable content. It begins with an SEO audit to evaluate a website's performance and visibility, followed by applying the 7P's of marketing product, price, promotion, place, people, physical evidence, and processes to build strong strategies. Tools like Google Ads, which operate on a pay-per-click model, help businesses reach intent-driven audiences, while

content creation through social media, email marketing, and blogs ensures consistent engagement. Platforms like YouTube further expand reach with video marketing, making digital marketing a powerful mix of data, creativity, and strategy to connect with audiences effectively. Mr. V. Gokulraj, MC In-charge - Students Association, proposed the vote of thanks.

A Workshop on UI/UX

The Department of Computer Applications organized a ***Workshop on UI/UX*** on **04-09-2025**. The program began with a welcome address by **Mr. M. Mahesh, Student President, III BCA**. The chief guests, **Mr. M. Prathaksh, Founder & CEO**, and **Mr. K.R. Prem Kumar, Video Production Head**, from **Skill Dragon, Chennai**, led the session.

The workshop started with an interactive ice-breaking session that encouraged active participation. The speakers introduced the concept of freelancing and explained its benefits and career opportunities. They discussed the scope of UI/UX with a clear learning roadmap and future prospects.

Participants were introduced to various UI and UX methods and sample design practices.

A real-time project was conducted in which students developed their own portfolio websites. The session also included motivational insights and freelancing success stories, inspiring students toward professional growth.The program concluded with a vote of thanks proposed by **Mr. S. R. Aswin Rubah**.

A two-day workshop on "Next–Gen Intelligence: AI Tools in Data Science"

The Department of Computer Science organized a **two-day workshop** on **"Next–Gen Intelligence: AI Tools in Data Science"** on **16th and 17th September 2025**. The program commenced with a welcome

address by Ms. G. Kanimozhi, Assistant Professor, Department of Computer Science. The chief guests were honored by Dr. P. S. S. Akilashri, Head of the Department. **Mrs. S. Thulasi Bharathi, Assistant Professor, Department of Computer Science, St. Joseph's College, Trichy, and Dr. George Gabriel Richard Roy, Assistant Professor and Coordinator, Department of Computer Science, St. Joseph's College, Trichy**, served as the resource persons. On Day 1, Mrs. S. Thulasi Bharathi delivered a hands-on session highlighting the role of AI tools in data science and their impact on analytics, automation, and decision-making.

She explained AI-based tools used for data preparation, machine learning, modeling, AutoML, and AI-enabled visualization platforms. On Day 2, Dr. George Gabriel Richard Roy conducted an interactive session on integrating data from multiple sources, creating dashboards, and preparing analytical reports. He introduced advanced AI tools for automated data cleaning, predictive analytics, natural language processing, AI-powered visualization, code generation, synthetic data creation, and business monitoring. The workshop was highly interactive, with active student participation through practical exercises and discussions. Participants gained valuable exposure to real-time applications and emerging career opportunities in data science and AI. The workshop concluded with a vote of thanks proposed by Mr. Ajay J., II M.Sc. (CS), marking the successful completion of the program.

Hands on workshop on "Tally Prime Basics: A Gateway to Professional Accounting"

The Department of Commerce – Bank Management, organized a three-day hands-on **workshop** on **"Tally Prime Basics: A Gateway to Professional Accounting"** from **17th to 19th September 2025**.The program commenced with a Welcome Address by Ms.

P. Kanaga Pradeepa, I B.Com (BM). The workshop was inaugurated in the presence of Shri. K. Raghunathan, Secretary, Dr. D. Muthuramakrishnan, Principal (i/c), and Dr. D. Prasanna Balaji, Vice Principal (UAP), who emphasized the importance of skill-based training in commerce education and the relevance of practical knowledge in professional accounting. The resource person, **Ms. Boomika Devi K, Tally Trainer from G Tech Education, Trichy**, provided structured and practice-oriented training on Tally Prime. On Day 1, students were introduced to the Tally interface, company creation, ledger setup, and basic navigation, with hands-on exercises enhancing understanding. Day 2 focused on voucher entries, recording business transactions, and managing inventory through stock groups and items, allowing students to apply concepts practically. On Day 3, participants learned to prepare financial statements such as the balance sheet and profit & loss account, and were trained in GST configuration and tax-related entries, emphasizing Tally's professional relevance in real-world accounting. The workshop was highly interactive, with students actively participating, asking questions, and gaining confidence in using Tally Prime. The program concluded with a vote of thanks

proposed by Ms. K. Pavithra, II B.Com (BM), expressing gratitude to the resource person, organizers, faculty, and participants for the successful conduct of the workshop. The program was coordinated by Dr. R. Arvindh, Head of the Department, and Mr. K. Sai Prasath, Assistant Professor.

Two Days Workshop on Stock Market Operations and Passive Income Strategies

A two-day workshop on Stock Market Operations and Passive Income Strategies was organized by the Department of Commerce (Aided) on 9th and 10th October 2025. The primary objective of the programme was to enhance students' financial

literacy and equip them with practical knowledge about various investment avenues. The workshop was conducted in association with the National Institute of Securities Markets (NISM), Mumbai, and focused on providing both theoretical understanding and hands-on training to enable students to make informed financial decisions and develop long-term investment strategies.The workshop commenced with a welcome address delivered by Dr. R. Natarajan, Assistant Professor of Commerce. In his address, he highlighted the importance of financial awareness in today's dynamic economic environment and encouraged students to actively participate in the sessions.

The programme featured a special address by the chief guest, Mr. N. Sundar, Empanelled Trainer from SEBI SMART, Mumbai. He delivered an insightful session on the functioning of the stock market and its significance in wealth creation. He explained the fundamental concepts of the stock market, including the structure and functioning of stock exchanges, various types of securities, and the roles played by investors and intermediaries in the financial system. He further elaborated on trading mechanisms such as the buying and selling of shares, different types of market orders, and the importance of analyzing market trends before making investment decisions. He also emphasized the need for financial discipline, proper budgeting, goal setting, and risk assessment, which are essential for successful investment planning.

On the first day, the sessions primarily focused on financial literacy and basic investment concepts. Students were introduced to the importance of saving, budgeting, and setting clear financial goals as the foundation of sound financial management. Subsequent sessions provided a detailed understanding of the structure and functioning of the stock market, enabling students to gain insights into how financial markets operated. Participants were also educated on trading mechanisms and risk assessment, where they learned to evaluate market conditions, understand price fluctuations, and make informed investment decisions. The day concluded with a practical mock trading session, which offered students hands-on experience in simulated market conditions and enhanced their analytical thinking and decision-making abilities.

The second day of the workshop focused on advanced investment strategies and long-term financial planning. Students were introduced to the concepts of portfolio diversification and asset allocation, which are crucial for minimizing risks and maximizing returns. A detailed session on mutual funds and Systematic Investment Plans (SIPs) provided valuable insights into effective long-term investment options suitable for different types of investors. Another important session focused on passive income strategies and financial independence, where participants learned about investment avenues such as dividend-paying stocks and the significant role of compounding in wealth creation over time. The workshop concluded with a practical session in which students prepared a sample investment portfolio and a basic financial plan by applying the concepts they had learned during the programme.

The workshop was successfully coordinated by Dr. R. Natarajan, Assistant Professor of Commerce, and witnessed the active participation of 62 students. The programme concluded with a vote of thanks delivered by Mr. R. Soundharrajan, of III B.Com 'B' , who expressed his gratitude to the resource person, organizers, and participants for making the event a grand success.

Field Visit

The Department of Zoology organized a field visit to the District Forest Office, Thanjavur, on 4th August 2025 for the students of III B.Sc., I M.Sc., and II M.Sc.

Zoology. They were accompanied by faculty members Dr. A. Stalin, Dr. S. Thangaraj, and Dr. C. Sudha. The team arrived at the Forest Office at 10:30 a.m., where they were warmly welcomed by the forest officials. The first session was handled by **Dr. M. Ananda Kumar, IFS, District Forest Officer**, who gave an insightful presentation on the conservation of Dugong dugong, mangrove forests, and crocodiles, explaining their ecological significance and ongoing protection efforts. The second session was conducted by **Dr. R. Sathis Kumar, Founder of the Endangered Wildlife and Environmental Trust**, who spoke on snake conservation, demonstrated the handling of live snakes, and emphasized the importance of public education to reduce fear and unwarranted killings. The final session was presented by **Dr. Krishnamurthi, IFS**, who discussed teak wood conservation, wood processing, and sustainable forestry practices, highlighting the initiatives of the Tamil Nadu Government and the role of students in protecting biodiversity. The programme was highly interactive and informative, providing students with practical knowledge of wildlife and forest conservation. The visit concluded at 4:00 p.m., and the students returned to the college under the guidance of Dr. V. Gokula, Associate Professor & Head, Department of Zoology. A field visit to **Keeladi** and **Arittapatti**, Madurai, was organized on 22 August 2025 by Dr. V. Gokula, Associate Professor and Head, PG and Research Department of Zoology. The visit was coordinated by Dr. A. Stalin, Dr. A. Krishnavani, and Dr. P. Kumar, with the participation of 45 students from II and III B.Sc. and I and II M.Sc. Zoology. The team reached the **Keeladi Archaeological Site** at 11:30 AM and was briefed by the site officials on the historical significance of the Sangam-era civilization. Students observed well-preserved artefacts displayed in the exhibition hall, which highlighted the advanced urban culture and trade practices of ancient Tamil society. Later, the group proceeded to **Arittapatti Biodiversity Heritage Site** which is the Tamil Nadu's first Biodiversity Heritage Site, known for its unique ecological features and archaeological

remains. Students explored rock-cut Jain temples and learned about the region's rich biodiversity. Birding activities were conducted around the hillocks, though sightings were limited due to the non-migratory season. The visit successfully enhanced students' awareness of biodiversity conservation and archaeological heritage.

Financial Support for Research Activities

As part of its commitment to promoting research and innovation, the College Management has sanctioned seed money to faculty members for undertaking minor research projects in their respective disciplines. The beneficiaries include **Prof. K. Varuna,** Department of Biotechnology; **Dr. Karung Phaisonreng Kom,** Assistant Professor, Department of Geology; **Dr. K. Radhakrishnan** and **Dr. S. Venkataramanan,** Assistant Professors, Department of Geology (Joint Project); **Dr. R. Aravindh**, Head and Assistant Professor, Department of Commerce–Bank Management; and **Dr. M. Chandra,** Head and Assistant Professor, Department of Business Administration. The Management has also awarded monthly fellowships of Rs. 3,000/- each to research scholars: **Mr. S. Shanmugavadivel,** under the guidance of **Dr. M. Murali,** Associate Professor, Department of Chemistry; **Mr. Narendar Ram,** under the guidance of **Dr. M. Vasa**n, Assistant Professor, Department of Commerce; and **Ms. Ishwarya Pownraj,** under the guidance of **Dr. S. Senthil Kumar,** Assistant Professor (SS), Department of Botany. These initiatives reflect the institution's continued encouragement of research, innovation and academic excellence among faculty members and research scholars.

Department of Botany

The PG & Research Department of Botany organized the Association meeting on 10/09/2025 in the college. Dr. Ramar K., Associate Professor in Botany and Vice President of the association, welcomed the gathering, and Dr. E. Natarajan, Associate Professor and Head, honoured the Chief Guest. **Dr. Prabhaharan J., Associate Professor (Soil**

Science), Department of Agronomy, Tamil Nadu Agricultural University, Madurai, was the Chief Guest. He spoke on the theme of organic farming**, "A Myth, Magic, or Model,"** emphasizing its importance for health, sustainability, and respect for nature. He highlighted that traditional farming practices, supported by modern science, could promote sustainable agriculture, and that techniques like inter-cropping, mulching, and crop-livestock integration are not new to India. He also explained that organic farming strictly prohibits synthetic inputs and prioritizes soil health. The session was interactive, with students and faculty actively participating, and Ragul G., III B.Sc Botany and Student Joint Secretary, proposed the Vote of Thanks.

Department of Biotechnology, Microbiology and Bioinformatics

The Department of Biotechnology, Microbiology, and Bioinformatics organised an invited lecture on **09 September 2025** on the topic **"Nature to Nanotechnology: Sustainability in Progress"**. Dr. Mohamed Jaabir, Head of the Department of Biotechnology, Microbiology, and Bioinformatics, welcomed the gathering and honoured the Chief Guest. The Chief Guest, **Dr. K. Jagajanani Rao, Professor, Department of Biotechnology, Vel Tech University,** delivered an insightful lecture outlining the core concepts of Nano manufacturing and their relevance to green synthesis and the development of sustainable nanomaterials. He emphasized how advances in nanotechnology, guided by sustainability principles, can offer innovative solutions to environmental challenges and enhance human well-being. The programme was attended by postgraduate

students of Biotechnology and Microbiology, who actively participated and benefited greatly from the session. The students were deeply impressed by Dr. Rao's presentation and research contributions, gaining new perspectives on translating classroom learning into impactful research. The session was both intellectually stimulating and personally inspiring, leaving the audience motivated to contribute toward sustainable scientific progress. The vote of thanks was delivered by Ms. K. Varuna, Assistant Professor, Department of Biotechnology, Microbiology, and Bioinformatics.

The Department of Biotechnology, Microbiology, and Bioinformatics organised an invited lecture on 03 September 2025 on the topic **"Virology and Vaccine Development: Lessons from the Recent**

Pandemics." Dr. M.S. Mohamed Jaabir, Head of the Department of Biotechnology, Microbiology, and Bioinformatics, welcomed the gathering**.** The Chief Guest **Dr. P. Gnanaguru, Professor, Department of**

Microbiology, Srinivasan Medical College, Samayapuram, Trichy, delivered a lucid and comprehensive presentation on the historical evolution of virology. He traced key discoveries from the early identification of viruses to major breakthroughs in vaccine development, culminating in the rapid creation and deployment of COVID-19 vaccines. The lecture highlighted milestones in virology, emerging vaccine technologies, and the collaborative efforts essential for global health preparedness. He also discussed challenges and successes in vaccine development using real-world examples from recent pandemics. The interactive question-and-answer session addressed important public health concerns, including myths surrounding COVID-19 vaccines, antibiotic use for viral infections, and related issues. Students found the session highly informative and engaging, gaining valuable insights and motivation to explore the field of virology further. The vote of thanks was delivered by Dr. S. Nightingale Sheba, Assistant Professor, Department of Biotechnology, Microbiology, and Bioinformatics.

The Department of Biotechnology, Microbiology, and Bioinformatics organised an invited lecture on 15 September 2025 on the topic **"IPR and Regenerative Biology.**" The programme was inaugurated by Dr. D. Muthuramakrishnan, Principal (i/c) presided

over the meeting. Dr. Mohamed Jaabir, Head of the Department of Biotechnology, Microbiology, and Bioinformatics, welcomed the gathering**.** The Chief Guest **Dr. S. Johnson Retnaraj Samuel, Scientist D, Sathyabama Institute of Science and Technology, Chennai.** He delivered an insightful lecture on regenerative biology using the earthworm as a model, sharing his research findings on tissue repair. Subsequently, he addressed the students on the importance of Intellectual Property Rights (IPR) for life science researchers. Dr.S.Johnson clearly explained the patenting process and emphasized how young researchers can protect their innovations and enhance translational research impact. Students appreciated the session for effectively bridging scientific discovery with innovation protection and understanding the commercial and societal potential of biotechnology research. The vote of thanks was delivered by Dr. Jeelani Peerzada, Assistant Professor, Department of Biotechnology, Microbiology, and Bioinformatics.

Department of Chemistry

The Inauguration Ceremony of the Chemistry Association was held on 11th September 2025. Mr. R. Prabakaran, II M.Sc Chemistry, welcomed the gathering, and Dr. D. Muthuramakrishnan, Principal (i/c), delivered the presidential address, emphasizing the importance of food safety and food processing. Dr. B. Latha, Head of the Department, honored the Chief Guest with a shawl and memento, while Mr. Joydeep Pal, III B.Sc, introduced **Prof. R. Jagan Mohan, Dean (Student Welfare), National Institute of Food Technology Entrepreneurship and Management (NIFTEM), Thanjavur.** The Chief Guest enlightened the students about the various career opportunities available to chemistry aspirants in the food industry and explained advancements in chemical processing technologies, including upcycling food waste into value-added products to improve food quality and extend shelf life, highlighting key aspects of sustainable food systems.

Miss S. Lavanya, I M.Sc, proposed the Vote of Thanks, and the student secretary, Miss C. Divyadharshini, II M.Sc, anchored the meeting. Dr. K. G. Sekar, Deputy HOD, and Dr. G. Rekha, Vice-President of the Chemistry Association, coordinated the inaugural function.

Department of Chemistry(UAP)

The **Department of Chemistry** organized an **Alumni interaction session** with **Mr. Shyam R., Junior Executive, Teyro Labs Private Limited,** on **28.07.2025.** Mr. R. Shyam, a proud alumnus of the M.Sc. Chemistry

programme, interacted with the students and shared his career journey from campus to the professional world. He provided an overview of the roles and responsibilities of chemists in pharmaceutical laboratories and discussed emerging opportunities in the pharma and allied sectors. He emphasized the

importance of technical competence, communication skills, and professional ethics for building a successful career.

He also highlighted the value of internships and hands-on training in bridging the gap between academic knowledge and industry requirements. The session was motivating and inspiring, giving students practical insights into industry expectations and career growth opportunities. The Department expressed sincere appreciation to Mr. Shyam R. for his valuable guidance, which will encourage students to pursue rewarding careers in the pharmaceutical sector.

The **Department of Chemistry** organized an interactive **Alumni session** on 23 September 2025 with **Mr. A. Mageshwaran, Executive – P1 Analytical, Aragen Life Sciences, Bengaluru,** and a distinguished

alumnus of the M.Sc. Chemistry programme. During the session, he interacted with current M.Sc. Chemistry students and delivered a talk on the theme **"Campus to Career Journey."** He shared his personal career experiences, highlighting the transition from academic life to a professional role in the pharmaceutical industry. Mr.A. Mageshwaran elaborated on the opportunities available in pharma companies and provided valuable guidance on preparing to meet industry expectations. He motivated students to enhance their technical knowledge, communication skills, and industry readiness to pursue successful careers in the pharmaceutical sector. The interactive session inspired students, provided clarity on career pathways, and boosted their confidence to explore job opportunities in reputed pharma companies. The department expressed sincere gratitude to Mr. Mageshwaran for his time and insightful guidance, which will greatly benefit the students in shaping their professional futures.

The **Department of Chemistry (UAP)** organized an inspiring **Alumnus Talk** on **31st July 2025** with **Dr. Marappan Velusamy, Professor, Department of**

Chemistry, North Eastern Hill University, Meghalaya, as the chief guest. The programme began with a welcome address by **Mr. U. Selvarasan,** I M.Sc. Chemistry, followed by an introduction of the chief guest by **Mr. S.T. Jai Ganesha Perumal,** highlighting Dr. Velusamy's academic and professional accomplishments. In his talk, Dr. Velusamy fondly recalled his college days at National College and shared his academic and research journey, including national and international experiences. He provided guidance on international examinations such as IELTS and TOEFL, research opportunities worldwide, current trends in chemical synthesis, and prominent scholarships and fellowships, including JSPS, Fulbright, Swiss Government Excellence, Alexander von Humboldt, and Marie Curie Fellowships. The session was highly enriching and interactive, inspiring students to explore global research and higher study opportunities. Faculty members and postgraduate students actively participated, clarifying doubts with

great enthusiasm. The programme concluded with a vote of thanks by **Mr.N Naveen,** II M.Sc. Chemistry, expressing gratitude to the chief guest, faculty, and participants for making the event meaningful and memorable.

The **Department of Chemistry (UAP),** inaugurated its **Chemistry Association on 6th August 2025** at the Gallery Hall. **Dr. G. Dayana Jeyaleela**, Vice President of the Chemistry Association, welcomed the gathering. The **Presidential Address** was delivered by **Dr. D. Saravanan,** Dean of Science and Chemistry

(UAP) Coordinator, emphasizing academic excellence, innovation, and student development. **Mr. U. Selvarasan,** I M.Sc. Chemistry, introduced the Chief Guest, **Dr. T. Mohan Das, Former Dean, School of Basic and Applied Sciences, Central University of Tamil Nadu, Thiruvarur**. The event included the oath-taking ceremony of the newly elected Student President, **Mr. R. Ragavan,** II M.Sc., and Student Secretary, **Mr. S.T. Jai Ganesha Perumal,** I M.Sc. In his keynote address, **Dr. Mohan Das** delivered an enlightening talk on **Emerging trends in carbohydrate chemistry,** covering topics such as deoxyhalo derivatives, protected saccharides, gelators, photoresponsive organogels for phase-selective gelation, marine oil spill recovery using gelators, and glucosylated SWCNTs as coolant additives, highlighting the interdisciplinary applications of carbohydrate-based materials. The event was graced by **Dr. M. Esakkiammal,** Head of Department, along with faculty and non-teaching staff. The programme concluded with a vote of thanks by **Mr. S.T. Jai Ganesha Perumal** of I M.Sc expressing gratitude to the Chief Guest, faculty, and students. The inauguration marked the beginning of a promising academic year focused on scientific exploration, collaborative learning, and vibrant student activities.

The **Department of Chemistry (UAP),** organized **Fresher's Day celebration on 23rd July 2025** to welcome first-year postgraduate students. The event was graced by **Dr. J. Karthikeyan, Assistant Professor of English and Coordinator, Career Guidance and Placement Cell,** National College, as the Guest Speaker. The programme began with a welcome address by **Mr. Kalaiselvan,** II M.Sc. Chemistry, followed by the introduction of the Chief Guest by

Mr. Vignesh, II M.Sc. Chemistry, who highlighted Dr. Karthikeyan's contributions to English education and career guidance. In his keynote address, Dr. Karthikeyan emphasized essential placement skills, including communication, adaptability, and professional attitude, and conducted an interactive session with students, practicing mock introductions and improving their pronunciation. Gifts were distributed to all freshers as a token of encouragement. Fun games and competitions added joy to the event, with sweets and prizes given to winners. The celebration was made special by the presence of **Dr. M. Esakkiammal,** Head of Department, **Dr. D. Saravanan,** Department Coordinator, and the entire faculty team. The programme concluded with a vote of thanks by **Mr. R. Raghavan,** II M.Sc. Chemistry, expressing gratitude to the Chief Guest, faculty, and participants for making the event a grand success.

The **Department of Chemistry (UAP)** organized a special **Outreach Programme** to celebrate the **79th Independence Day** at **Anbalayam, Home for Wandering Mentally Ill, Gundur,** as part of its

extension activities. **Dr. T. Suresh Kumar,** Librarian, National College, hoisted the National Flag, followed by the National Anthem. In his inspiring address, he highlighted the sacrifices of freedom fighters, emphasized the value of education, and motivated students to become responsible citizens guided by service and compassion. **Mr. T. Yuvan Shankar**, representing Anbalayam, honoured the Chief Guest with a shawl. The event was coordinated and sponsored by **Dr. D. Saravanan**, Dean of Science and Chemistry (UAP) Coordinator**,** with active participation from **Dr. M. Esakkiammal**, Head of Department, faculty, and PG students. A total of **56 participants**, including inmates, faculty, and students, attended. PG students interacted with the residents and distributed essential items such as soaps, cakes, bedspreads, and sweets, creating a joyful and meaningful experience. The celebration fostered patriotism while instilling empathy, kindness, and social awareness among students. The programme concluded with gratitude, smiles, and a renewed commitment to serve society responsibly.

The **Department of Chemistry (UAP)** organized a Science Awareness Programme **on** 15th October 2025 at RT Malai Higher Secondary School, Karur, coordinated by **Dr. D. Saravanan,** Dean of Science & Chemistry (UAP) Coordinator. The programme began with a welcome address by **Mr. R. Thirumurugan,**

Headmaster, followed by a felicitation and overview of the programme by **Dr. D. Saravanan,** highlighting the importance of promoting scientific awareness among school students. Faculty members addressed the students on various scientific topics: **Dr. A. Parveen** spoke on science education and career opportunities in Chemistry, **Dr. V. Hari Harakrishnan** motivated students to pursue research in Physics, and **Dr. G. Dayana Jeyaleela** explained the scope of Chemistry and its role in everyday life and technological advancement. **Dr. M. Esakkiammal** conducted a Science Quiz Competition, rewarding winners and distributing Periodic Table cards to all participants. II M.Sc. Chemistry students demonstrated fun chemistry experiments, making scientific principles engaging and understandable. The programme witnessed active participation from around **250 students,** successfully inspiring scientific curiosity and encouraging students to explore science with enthusiasm. The **Department of Chemistry** organized a **Special Lecture Programme on 21 August 2025,** featuring **Dr. Gautam Jaiswar, Professor, Department of Chemistry, Dr. Bhimrao Ambedkar University, Agra,** as the Chief Guest. The programme began with a welcome address by **Mr. S. T. Jai Ganesha Perumal, I M.Sc. Chemistry,** followed by a brief introduction of the guest by **Mr. Kalaiselvan, II M.Sc. Chemistry**, highlighting Dr. Jaiswar's contributions in Chemistry and spectroscopy.

Dr. D. Saravanan, Dean of Science and Coordinator of Chemistry (UAP), felicitated the Programme. In his lecture, Dr. Jaiswar provided an in-depth discussion on **Nuclear Magnetic Resonance (NMR) Spectroscopy,** covering its principles,

signal detection, interpretation, and historical milestones, while also illustrating applications in chemical, pharmaceutical, and material sciences. He emphasized the significance of **Taxol in NMR studies** and explained advanced applications such as **Magnetic Resonance Imaging (MRI)** in modern healthcare.

The session was highly interactive, with students and faculty posing questions that Dr. Jaiswar patiently addressed, linking theoretical concepts to real-world applications. The programme concluded with a **Vote of Thanks** by **Ms. Sathya, II M.Sc. Chemistry**, expressing gratitude to the Chief Guest, faculty, and students. The lecture provided valuable insights, broadened academic perspectives, and inspired participants to explore the latest advances in spectroscopy and its applications in research and healthcare.

Department of Commerce

The **Department of Commerce** organized a **Knowledge Enrichment Programme on Emerging Trends Impacting Careers in Finance** on **22nd July 2025**. The session began with a welcome address by **Dr. S. Ganapathi, Assistant Professor of Commerce.** Dr. M. Sharmila, Associate Professor and Head honoured the chief guest. The keynote lecture of **Mr. G. Kumar, Director & Senior Transformation Catalyst, FINSPIRE Academy, Chennai**. has provided a comprehensive overview of the global financial scenario, highlighting **digital transformation, regulatory shifts, and the growing role of AI** in financial operations, including fraud detection, investment analysis, and automation. He emphasized the impact of globalization, the internet revolution, and e-commerce in creating new financial roles and opportunities, and encouraged students to consider both **Indian professional courses (CA, CMA, ACS) and global certifications (ACCA, CIMA, CPA, CIA, CISA, CFA)**. He compared qualifications across countries, discussed trends like **digital banking, FinTech, ESG compliance, and cross-border taxation**, and offered guidance on aligning skills with industry needs.

The session was both motivational and informative, inspiring students to pursue careers as **global finance professionals** through continuous learning. **Mr. M. Bala Bharathi, I B.Com 'A'**, proposed the vote of thanks.

The **Department of Commerce** inaugurated its **Association Meeting** on **23rd July 2025** with a warm welcome by **Dr. M. Vasan, Assistant Professor of Commerce**. Dr. M. Sharmila, Associate Professor and Head of the Department, felicitated the programme. The Chief Guest, **Dr. T. Subramanian, Professor, Department of Accounting & Finance, College of Business and Economics, Raya University, Ethiopia**, delivered a special lecture on **"Sustainable Development through Green Finance."** He explained how green finance channels funds into environmentally sustainable initiatives, such as renewable energy, green infrastructure, and eco-friendly agriculture, emphasizing its role in reducing carbon emissions while promoting economic growth. Dr. Subramanian

highlighted India's policies supporting green finance, including 100% FDI in renewable energy and green deposit guidelines for financial institutions.

He concluded by stressing the importance of awareness, innovation, and collaboration among governments, businesses, and communities to advance green finance initiatives. **Ms. Subathra, III B.Com 'B'**, proposed the vote of thanks.

The **Department of Commerce** conducted an **Online Financial Literacy Awareness Programme** in association with **SEBI** on **17th September 2025**. **Dr. P. Sridevi, Assistant Professor of Commerce**, welcomed the gathering, and the session was led by Mr. **Tushar Chandra Avasthi, Empanelled Trainer,**

NSE, Mumbai. He emphasized the importance of financial planning, budgeting, saving, and investing, while highlighting the role of the National Stock Exchange in promoting financial awareness. He provided practical insights on investments, retirement planning, risk management, and safe digital payment practices, and advised participants on avoiding

financial scams. The session was highly interactive and informative, successfully enhancing financial literacy among the participants. **Ms. P. Sobana Deepa, III B.Com**, proposed the vote of thanks.

The **Department of Commerce** organized an **Awareness Programme on the Tamil Nadu Government's "Police Akka" Scheme** on **6th October 2025**. **Dr. P. Sridevi, Assistant Professor of Commerce**, welcomed the gathering. The session was conducted by **Ms. G. Karthika, Head Constable, Trichy City**

Police, who emphasized women's safety, self-defence, and building trust between students and the police. She explained the objectives of the "Police Akka" initiative, shared practical tips for self-protection, and encouraged students to approach the police when needed. The programme aimed to create a safe and supportive environment for young women and was highly appreciated by the participants. **Ms.V. Shivani, II B.Com,** proposed the vote of thanks.

The **Commerce Association Meeting** was held on **7th October 2025** at our college on the topic **"Role of HRM in Achieving Strategic Business Objectives." Dr. M. Vasan, Assistant Professor of Commerce,** welcomed the gathering. . Dr. M. Sharmila, Associate Professor and Head of the Department, felicitated the programme. The session was delivered by **Dr. D. Elangovan, Assistant Professor & Head, Department**

of Commerce, Government Arts College, Ariyalur, who emphasized that Human Resource Management is a strategic function critical for aligning people, performance, and organizational goals. He highlighted how HR practices such as talent acquisition, performance management, employee engagement, and leadership development contribute to innovation, competitiveness, and customer satisfaction. Dr.D. Elangovan illustrated examples of organizations using HR analytics, competency mapping, and continuous learning to enhance productivity. He stressed the importance of HR professionals as strategic partners and change agents and discussed emerging trends such as digital HR, remote work, and workforce diversity. The lecture provided students with practical insights on leveraging HRM for business excellence. **Mr. R. Soundararajan, III B.Com 'B'**, proposed the vote of thanks.

The **Career Guidance Programme on Higher Education Pathways in Commerce** for Class 12 students was organized on **8th October 2025** to help government school students explore academic and

career opportunities after higher secondary education. **Dr. B. Sekar, Assistant Professor of Commerce (SS)**, welcomed the gathering, and **Dr. R. Natarajan, Assistant Professor of Commerce, National College, Trichy**, served as the chief guest. The session provided insights into traditional courses such as B.Com, BBA, and Economics, as well as professional and emerging fields like CA, CS, Cost Accounting, Business Analytics, and Digital Marketing. The speaker emphasized aligning career choices with personal interests, skills, and long-term goals, highlighting higher education as a foundation for career growth and lifelong learning. The programme concluded with an interactive session where students actively participated and clarified their queries. The session was highly informative and inspiring, helping students gain clarity and confidence about their future academic pathways.

Department of Commerce (UAP)

The Department of Commerce (UAP) inaugurated its Association on 13/08/2025**.** Dr. S. Chidambaram, Vice-President of the Commerce Association, welcomed the gathering, and the event was presided over by Dr. D. Muthuramakrishnan, Principal (i/c),

who, in his presidential address, emphasized the commitment to fostering academic excellence and holistic development among the students. Dr. D. Prasanna Balaji, Vice-Principal (UAP), highlighted the importance of student involvement in achieving academic excellence and preparing effectively for competitive examinations. Prof. R. Jayaraman, Head of the Department, honoured the Chief Guest, while Ms.A. Susmitha, Student Secretary, introduced him**. Dr. K. V. Nithyananda, Faculty Member at the Indian Institute of Management, Tiruchirappalli,** chaired the meeting as the Chief Guest and spoke on preparing students for successful career opportunities, explaining the various avenues available to commerce graduates. Staff members from the Commerce Department and other departments actively participated in the program. Ms.C. Medona of II B.Com proposed the vote of thanks.

The PG Commerce Department (UAP) Trichy, conducted the Second Association Meeting on 06 October 2025. Dr. S. Chidambaram, Vice President of the Commerce Association, welcomed the gathering, and Ms. Susmitha, Student Secretary of the Department, introduced the Chief Guest. Prof. R. Jayaraman, Head of the Department, honoured the Chief Guest. The programme was presided over by Dr. D. Muthuramakrishnan, Principal (i/c), who, in his presidential address, emphasized the institution's commitment to fostering academic excellence and holistic development among students.

Dr. D. Prasanna Balaji, Vice Principal (UAP), delivered the felicitation address, highlighting the importance of active student involvement in academics to secure successful career opportunities. **Dr. M. Neela, Associate Professor of Business Administration, Cauvery College for Women, Trich**y, delivered a special lecture on **"GST 2.0 Reforms and Its Effects".** She elaborated on recent advancements in GST 2.0, reduction of tax rates to 5% and 18% for most commodities, and their positive impact on

consumer prices and economic growth. She also discussed the benefits to businesses, improved compliance, supply-chain efficiency, and challenges such as short-term revenue concerns and transition issues. The programme concluded with the vote of thanks proposed by Prof. M. Sathya.

Department of B.COM (CA)

The Department of B.Com (CA) organized the inauguration and investiture of the association on 17th September 2025**.** Mr. M. Nikileshwaran of III B.Com (CA) welcomed the gathering, and Ms. R. Bhuvaneshwari of III B.Com (CA) introduced the

resource person, **Dr. S. Shanthi Merlin, Assistant Professor in Commerce, Bishop Heber College** (Autonomous), Trichy. Dr. N. Jawahar Raj, Principal-in-Charge, rendered the presidential address. Around 125 students participated and gained insights into developing a positive attitude and stress-busting techniques. The resource person delivered a speech on professional guidance, focusing on equipping

students with knowledge through activity-based learning and PowerPoint presentations. She began with an activity video demonstrating how to face challenges in daily life and emphasized practical strategies for personal and professional growth. Dr. S. Shanthi also explained digital marketing tools like Google Ads, social media, email marketing, blogs, and YouTube, highlighting how data, creativity, and strategy combine to reach audiences effectively. The students' queries were addressed thoughtfully, making the session highly motivational and inspiring them to enhance their educational journey. Miss S. Tharshini of III B.Com (CA), the student MC-in-charge, delivered the Vote of Thanks, while Miss P. Yoga and Miss R. Dhivya kumari conducted the Master of Ceremony, leaving a lasting impression on the attendees.

Department of Management Studies (BMS)

The Logistics Forum of the Department of Bachelor of Management Studies (BMS) organized a meeting on 12/09/2025. Dr. K. Thamodharan, Associate Professor and Head of the Department of Information Technology, welcomed the gathering,

and **Dr. S. Madhanagopal, Senior Professor, Indian Institute of Logistics, Chennai,** addressed the students. The session focused on the growing importance of logistics and supply chain management in today's global economy, aiming to bridge the gap between academic learning and real-world practices. The resource person highlighted how logistics efficiency influences business competitiveness and customer satisfaction and provided insights into transportation management, warehousing, supply chain coordination, and technological advancements in the sector.

He also emphasized the significance of digitalization, sustainability, and global connectivity in modern logistics operations. Interactive sessions encouraged active student participation and helped them relate theoretical knowledge to practical applications.

The program shed light on emerging career opportunities and the skills required to excel in logistics and supply chain industries. Overall, Logistics Forum 2025 was an enriching learning experience that broadened students' understanding, inspired innovative thinking, and reinforced the importance of logistics as a key driver of global business success. Mr. R. Arunachalam of I BMS proposed the Vote of Thanks.

Department of Business Process Service(BPS)

The **Department of Business Process Service** organized an Association Meeting cum Knowledge Enrichment Programme on **"Spotting Trends Through Market Research"** on 25th August 2025.

The programme began with a welcome address by **Ms. G. Praveena, II B.Com (BPS)**. The presidential address was delivered by **Dr. D. Muthuramakrishnan, Principal (i/c)**, followed by felicitation by **Dr. D. Prasanna Balaji, Vice Principal (UAP)** and **Dr. V. Sumathi, Head of the Department**. **Ms. A. Sivasri, III B.Com (BPS)** introduced the chief guest, **Dr. K. Rajam, Head and Assistant Professor, Department of B.Com (Bank Management), Srimad Andavan Arts and Science College**. Dr. Rajam emphasized the importance of market research in identifying trends, guiding business decisions, and promoting societal development. She highlighted systematic preparation, accurate data collection, and effective analysis as key to reliable research. Examples included the growth of e-commerce, online education, and sustainable lifestyles. Modern tools like digital analytics and AI were discussed for trend identification. The programme concluded with a vote of thanks by **Mr. R. Mohamed Puhari, II B.Com (BPS)**, and the event was coordinated by **Ms. P. Suganya, Assistant Professor, Department of BPS**.

Department of Commerce – Bank Management

The Department of Commerce – Bank Management, organized an Association Inauguration

and a lecture on ***"Smart Money Skills: Money Matters Made Simple"*** on 25 August 2025. The program began with a welcome address by **Ms. S. Priya Dharshini, I B.Com BM**, highlighting the importance of financial literacy for students. The Chief Guest was **Mr. Alexen Job, Financial Literacy Trainer, National Center for Financial Education (NCFE), Navi Mumbai**, who emphasized proper money management, savings, investments, insurance, and responsible use of credit. He also highlighted digital financial literacy, safe online transactions, consumer protection rights, and fraud prevention measures. Through interactive discussions, practical examples, and real-life scenarios, Mr. Job guided students on setting short-term and long-term financial goals, cultivating budgeting habits, and prioritizing savings to ensure a secure financial future. Around 32 students from various departments actively participated, asking thought-provoking questions, which were patiently addressed by the resource person. The session motivated students to become financially responsible citizens and provided valuable insights into the practical aspects of financial literacy in alignment with NCFE's FACT initiative. The program concluded with a vote of thanks delivered by **Ms. K. Pavithra, II B.Com BM,** expressing gratitude to Mr. Alexen Job and NCFE.

The **Department of Commerce – Bank Management** organized an Expert Insight Session on **"Intelligent Business and Strategic Leadership: Driving Success in a Tech-Driven World"** on 1st September 2025. The session began with a welcome address by **Ms. P. Kanaga Pradeepa, I B.Com BM**, followed by the presidential address of **Dr. D. Muthuramakrishnan, Principal (i/c)**. The chief guest, **Dr. Ashish Viswanath Prakash, Assistant Professor, IIM Tiruchirappalli**, delivered the main session. Dr. Prakash emphasized that intelligent business practices, driven by **data analytics, AI, and digital transformation**, are crucial for growth in today's dynamic business environment. He highlighted the need for **strategic leadership** that integrates digital

tools, fosters innovation, collaboration, and ethical practices. Using real-world examples, he demonstrated how organizations leverage digital solutions for predictive decision-making, efficiency, and enhanced customer engagement. An interactive discussion followed, where participants explored challenges faced by SMEs, the importance of upskilling, and ethical considerations in AI-driven decisions, which Dr. Prakash addressed insightfully. The session concluded with a **vote of thanks by Ms. K. Pavithra, II B.Com BM**. Overall, the program enriched students' understanding of how intelligent business practices and strategic leadership drive success in a tech-driven world.

The Internal Quality Assurance Cell (IQAC) and the Department of Commerce – Bank Management, organized a **Capacity Building Program for teaching and non-teaching staff** on **12 September 2025,** titled ***"Smart Money Habits: From Savings to Security***

– Plan Today, Prosper Tomorrow" at the Gallery Hall. The welcome address was delivered by **Ms. P.**

Kanaga Pradeepa, I B.Com BM, emphasizing the importance of financial literacy. The session was graced by **Dr. D. Muthuramakrishnan, Principal(i/c)**, and **Dr. D. Prasanna Balaji, Vice Principal (UAP)**, who highlighted the significance of disciplined savings and secure investment strategies for long-term financial well-being. The Chief Guest, **Lion T.S. Sethuraman, Managing Director, Surabhi Investments Pvt. Ltd., Tiruchirappalli**, was introduced by Mr. Manoj, I B.Com BM, and delivered an insightful keynote address on financial planning, budgeting, and various investment avenues such as mutual funds, insurance, and systematic investment plans (SIPs). His session was highly interactive, motivating participants to adopt practical steps toward financial discipline. The program concluded with a vote of thanks delivered by **Ms. K. Pavithra, II B.Com BM**, expressing gratitude to the Chief Guest, dignitaries, faculty members, and participants.

Department of Computer Applications

The **Department of Computer Applications,** hosted its **Association Inauguration and App Launching Ceremony** on **25th July 2025** at the Dr. V.

K. Krishnamurthy Auditorium. Welcome address was delivered by the Student President **Mr. M. Mahesh**, and a lamp-lighting ceremony led by dignitaries including the Principal and Vice Principal. **Principal Dr. D. Muthuramakrishnan, Principal(i/c)** encouraged students to leverage technology for social impact, while **Dr. D. Prasanna Balaji, Vice Principal (UAP)** emphasized alumni connections and resilience. The Chief Guest was introduced by Student Secretary **Ms. B. Umamaheswari** . Alumni software developers **Mr. R. Logeshwaran** and **Mr. M. Navennkumar** from **Cieyone Tech Works, Coimbatore**, shared valuable industry insights. The Office Bearer Installation Ceremony recognized student leaders, and at 11:30 AM, BCA students launched their official app, showcased through a promo video, followed by the distribution of internship certificates. Q&A session provided guidance on coding languages, Git vs. GitHub, and IT career prospects. The event also featured vibrant cultural performances and concluded with a Vote of Thanks by Student Vice President **Mr. S. R. Ashwin Rubah**. The programme successfully highlighted innovation, student talent, and leadership, making it a memorable occasion for the department.

The Smart India Hackathon 2025 (SIH 2025) was successfully conducted on 25 September 2025 at Dr. V. Krishnamoorthy Auditorium, National College (Autonomous), with enthusiastic participation from students across various disciplines. Dr. D. Prasanna Balaji, SPOC of SIH 2025 and Vice Principal (UAP),

delivered the welcome address, emphasizing the importance of the hackathon in fostering innovation and problem-solving skills. The presidential address was delivered by Dr. D. Muthuramakrishnan, Principal (i/c), who highlighted the achievements of the institution and encouraged students to actively participate in national-level events to enhance their technical expertise and creativity.

Ms. S. Vanmathi, a II BCA student, introduced the Chief Guest by outlining his professional background and achievements. The Chief Guest, Mr. Bala Subramanian, was formally felicitated by the Principal and staff members. **Dr. R. Bala Subramanian, Research Director**, along with **Dr. R. Arthur James, IQAC Director, Bharathidasan University**, Tiruchirappalli, delivered an inspiring address, emphasizing the significance of app development, career opportunities in the IT sector, and the necessity of continuous skill development in a rapidly evolving technological environment. Their address motivated students to think innovatively and make effective use of platforms like the Smart India Hackathon. A total of 50 teams registered for the event, showcasing innovative ideas and strong problem-solving abilities and engaging the participants with brainstorming sessions, coding, and presentations. The event

featured both hardware- and software-based problem statements, covering 35 problem statements across multiple themes, which encouraged multidisciplinary approaches and critical thinking among students.

For evaluation, a panel of three distinguished jury members was invited: **Dr. S. Ravimaran, Professor and Head, Department of Artificial Intelligence and Data Science, Saranathan College of Engineering, Tiruchirappalli; Dr. P. Shanmuga Sundari, Assistant**

Professor, School of Computing, SRM Institute of Science and Technology, Tiruchirappalli; and **Dr. G. L. Saviour Prakash, Assistant Professor, Department of Computing Technologies, SRM Institute of Science and Technology, Kattankulathur, Chennai.** The jury provided valuable insights and constructive feedback, which greatly benefitted the participants and helped them refine their ideas and implementation strategies.

Overall, SIH 2025 served as a dynamic platform for innovation and knowledge exchange, fostering creativity, teamwork, and interdisciplinary collaboration to address real-world challenges. The valedictory address was delivered by **Dr. R. Arthur James, IQAC Director, Bharathidasan University, Tiruchirappalli,** and the event report was presented by Dr. D. Prasanna Balaji, SPOC – SIH 2025. The programme concluded with a vote of thanks proposed by Mr. B. Mahesh, Student President, who expressed gratitude to the dignitaries, organizers, faculty members, and participants for the successful conduct of the event.

The Master of Ceremony was effectively handled by Ms. K. Sivasankari of III BCA and Ms. M. Lathikasri of II BCA. Dr. D. Muthuramakrishnan, Principal (i/c), Dr. G. Srinaganya, Event Coordinator of SIH and Assistant Professor and Dr. M. Anusha, Event Coordinator of SIH and Head, Department of Computer Applications coordinated the programme.

Department of Information and Communication Technology(B.Voc)

The Department of Information and Communication Technology (ICT), inaugurated its Association meeting on 09 July 2025. The theme of the event was **"Serverless Revolution: The Story of Monolithic, Microservices, and Modern Architectures".** The programme was presided over by Dr. D. Muthuramakrishnan, Principal (i/c) of the college. The session began with a warm welcome address by Mr. M. Iyyappan, student representative. The Chief Guest, **Dr. Vinay Raj, Assistant Professor,**

Department of Computer Applications, National Institute of Technology (NIT), Trichy, delivered a keynote lecture on emerging trends in software development, explaining the progression from traditional monolithic architectures to micro services, server less computing, and modern cloud-native architectures. Key concepts discussed included monolithic architecture, microservices architecture, serverless computing, and modern practices such as API-first development, containerization, and DevOps culture. The lecture was supported by well-curated video demonstrations that enhanced understanding of the technical concepts. As a token of appreciation, Dr. Vinay Raj was felicitated with a gold-wrapped shawl and a memento by the Principal. The event was also graced by Prof. N. Parthasarathy, Head of the Department, B.Voc (ICT), Prof. S. Palanisamy, Vice President, Mrs. T. Bhuvaneswari, and Mrs. C. Usha. The programme concluded with a vote of thanks proposed by Ms. Varunika Shree of II B.Voc.

The Department of ICT organized a seminar on **"AI Agent Development"** on **11th September 2025.** The program began with a welcome address by Mr. M. Iyyappan, III B.Voc (ICT), who warmly welcomed the gathering. The chief guest, **Dr. Vimal Gerald, Assistant Professor, Department of Computer Science, St. Joseph College (Autonomous),** Trichy,

delivered an informative session on AI Agents. He explained that an AI agent is an autonomous and intelligent computer program capable of observing its environment, understanding changes, taking actions, and achieving specific goals. He elaborated on various types of AI agents, including Simple Reflex Agents, Model-Based Reflex Agents, Goal-Based Agents, Utility-Based Agents, and Learning Agents, with clear real-life examples. The session helped students understand how AI agents function in practical applications.

Dr. Vimal Gerald also answered questions raised by the students and motivated them to explore emerging technologies in artificial intelligence. The seminar concluded successfully with a vote of thanks proposed by Mr. A. Mohammed Arshath, III B.Voc (ICT).

The department of ICT programme organized a two-day workshop on **"Hardware and Troubleshooting"** on **16th and 17th September 2025**. The program commenced with a welcome address by Mr. A. Mohammed Arshath, III B.Voc (ICT). The workshop was inaugurated by Dr. D.

Muthuramakrishnan, Principal (i/c). **Mr. S Avudaiyappan, Director, Marcello Tech, Trich**y, served as the chief guest and resource person and provided hands-on training to the students. He explained the fundamentals of computer hardware and its role in system functionality, along with the importance of software. Key components such as CPU, RAM, HDD/SSD, motherboard, PSU, graphics card, monitor, keyboard, and mouse were explained in detail through live demonstrations. Students were also trained in software installation procedures and troubleshooting techniques. The workshop was highly interactive, and students actively participated by raising queries and clarifying doubts. On the second day, Dr. D. Prasanna Balaji, Vice Principal, honoured the chief guest with a memento and shawl and distributed certificates to the participants. Faculty members including the Head of the Department, Mr. N. Parthasarathy, and other staff members attended the event. The workshop concluded successfully with a vote of thanks proposed by Ms. P. K. Sri Gayathri, I B.Voc (ICT).

Virtual Seminar

A virtual seminar on **IoT Security** was held on 2 September 2025, in Computer Lab II, Department

of Information and Communication Technology, National College, Trichy. The seminar was conducted by **Dr. Srikrishna, Scientist E, Advanced Computer Development Center, Bangalore.** He explained that IoT security involves protecting Internet of Things (IoT) devices, sensors, software, and related technologies from cyberattacks when connected to networks, emphasizing the use of strong authentication methods, encryption, and regular updates to safeguard data and devices.Dr. Srikrishna highlighted the importance of IoT security for protecting sensitive personal and organizational data, securing devices to prevent misuse, and maintaining enterprise security by safeguarding all connected devices. He elaborated on key security measures, including using strong and unique passwords, encryption of data in transit, regular device updates, mutual authentication methods such as mTLS, and adherence to standard security

frameworks. He also discussed challenges, such as the diversity of devices and manufacturers, varying security standards, and risks posed by outdated devices that no longer receive updates.The online seminar was attended by N. Parthasarathy, Head of the Department of ICT, Vice-President S. Palanisamy, Professors T. Bhuvaneshwari and C. Usha, along with 24 first-year, 26 second-year, and 30 third-year students. The session concluded with an interactive Q&A, where Dr. Srikrishna addressed students' queries and motivated them to stay proactive in learning and implementing IoT security measures.

Department of Computer Science

The Inauguration of the Computer Science Association and Technical Career Development programme was organised on **09.07.2025**. Mr. Ajay J., II M.Sc. (Computer Science), welcomed the gathering. **Mr. G. Saravanakumar, MBA (IT), Founder, PECE Education, Trichy**, served as the Chief Guest. He was honoured by Dr. D. Muthuramakrishnan, Principal (i/c), Dr. P. S. S. Akilashri, Head of the Department of Computer Science, and Dr. D. Prasanna Balaji, Vice Principal (UAP), felicitated the programme and highlighted the importance of the meeting. The Chief Guest interacted with the students on various technical career paths, including roles such as Software Engineer, Senior Engineer, Staff Engineer, Principal Engineer, and Distinguished Engineer, as well as leadership roles like Engineering Manager, Director, and CTO. He also discussed specialist career tracks such as Data Science, Cybersecurity, DevOps, Cloud Computing, Embedded Systems, and Frontend/UI Engineering.

He elaborated on foundational competencies, including proficiency in programming languages like Python, Java, and C++, strong knowledge of data structures and algorithms, and an understanding of databases, version control, and system design. He further explained short-term and medium-term career development goals and highlighted useful online learning platforms and professional certifications. The vote of thanks was proposed by Bhubaneshwar, III B.Sc. (Computer Science).

The PG and Research Department of Computer Science and the Department of Data Science organised **TALENT FEST 2025**, an Inter-School Talent Competition for students of Grades 11 and 12, on **15 October 2025**. Ms. G. Kanimozhi, Assistant Professor, Department of Computer Science, welcomed the

gathering. The Special Guests for the programme were **Dr. D. Prasanna Balaji, Vice Principal (UAP), Dr. Sri V. Ramachandran, Controller of Examinations, and Dr. D. Saravanan, Dean of Science**. Dr. D. Prasanna Balaji delivered an inspiring address commemorating the birthday of Dr. A. P. J. Abdul Kalam, highlighting his life, vision, and love for students, and motivating participants to believe in themselves, work hard, and express their talents confidently.

Dr. Sri V. Ramachandran spoke about the significance of Talent Fest 2025, emphasizing that the competitions foster creativity, teamwork, critical thinking, and confidence among students. Dr. D. Saravanan highlighted the importance of such events in nurturing students' skills and encouraged participants to focus on learning and enjoyment beyond winning. Various competitions were conducted, and students from 17 schools in Trichy participated enthusiastically. Girls Higher Secondary School, Srirangam, emerged as the overall winner, while SRV Public School secured the runner-up position. The vote of thanks was proposed by Ms. Dhivya Dharshini, II B.Sc. (Computer Science).

The **PG & Research Department of Computer Science** successfully conducts **Computer Club activities** every Thursday under the guidance of Dr. **P. S. S. Akilashri**, Head of the Department, and **Ms. T. Malathi**, Club Coordinator. The sessions use the **NEARPOD application** to promote interactive

and technology-driven learning, enabling students to participate in engaging tasks. Through these activities, students develop essential computational skills such as coding, logical reasoning, debugging, problem-solving, gamified learning, and decision-making. Each session is designed to foster creativity, analytical thinking, and hands-on exposure to real-world computing challenges. Students' performances are evaluated based on technical accuracy, innovation, and problem-solving abilities. To encourage excellence, cash prizes are awarded to top performers. This initiative has successfully nurtured technical expertise, inspired students, and contributed to a vibrant and dynamic learning environment in computer science.

Department of Economics

The Department of Economics organized its **Association Inauguration** on **14th August 2025. Dr. A. Kayalvizhi**, Assistant Professor and Vice President of the Association, welcomed the gathering. **Dr. K. Rajesh** honoured the Chief Guest. **Dr. P. Jayakumar, Assistant Professor, Department of Economics, St. Joseph College (Autonomous), Tiruchirappalli**, delivered a lecture on the topic **Indian Economy: Trends and Challenges**.

In his address, he highlighted that the Indian economy stood as one of the fastest-growing economies in the world, having transformed from an agriculture-driven economy to one with a strong manufacturing and service base. He emphasized the role of urbanization, digitalization, innovation, and government initiatives such as ***Make in India*** and renewable energy in driving economic growth. He also discussed challenges such as unemployment, inequality, inflation, and low agricultural productivity, while pointing out India's global strength in IT, finance, and start-ups. He stressed that skill development, healthcare, and rural development were essential for inclusive growth and concluded that collective efforts could lead India toward sustainable and balanced economic development. **Mr. S. Boazsamraj III BA Economics** proposed the vote of thanks.

Department of English

The PG & Research Department of English, inaugurated its Department Association with a seminar on 29 July 2025. The programme was anchored by Bharathi of I MA English, who served as the Master of Ceremony. The Welcome Address was delivered by Ms. Swarna Bairavi S. R., Student Secretary of II MA English.

The Resource Person, **Dr. M. Ramesh Kumar** from **SRM Institute of Science and Technology,** delivered an engaging talk on **ASK Theory in Literature**, captivating the audience with his interactive approach and motivational insights. In his keynote address, Dr. Ramesh Kumar delivered a thought-

provoking lecture on the relevance and effectiveness of Task-Based Teaching in the learning and teaching of language and literature. He emphasized that moving beyond traditional lecture methods and incorporating practical, real-life tasks in classroom settings would foster better engagement and deeper understanding among students. The session also highlighted the importance of upskilling learners to meet contemporary academic and professional demands. He encouraged students to develop linguistic competence, critical thinking, and communication skills through active participation in language-based tasks. The programme concluded with a Vote of Thanks proposed by Sylvia of I MA English. The event was organized under the guidance of Prof. M.S. Balamurugan, Head of the Department of English. Dr. Nainar Sumathi P., Vice President, and Ms. Swarna Bairavi S R, Student Secretary, coordinated the program.

The PG and Research Department of English, organized an engaging and insightful session titled ***"Crack the Code of Reading with Comics"*** on 16 July

2025 under the Readers Forum initiative. The workshop was specially designed to enhance the reading skills of first-year undergraduate students at the beginning of their academic journey. By using popular and nostalgic resources such as ***Tinkle Comics*** and ***Tinkle Digest***, the session effectively

bridged entertainment and education. It encouraged students to improve their reading fluency, comprehension, and vocabulary through visual storytelling. Interactive activities and comic-based games were conducted to stimulate interest and make reading an enjoyable habit. The initiative aimed to promote lifelong reading practices, strengthen language proficiency, and nurture critical thinking skills among beginners. The session received an enthusiastic response from the students, who actively participated throughout. This session was coordinated by Dr. R. Suresh Kumar, Assistant Professor(SS), Department of English.

The Writers' Forum of PG & Research Department of English, in collaboration with Shakespeare Publications, Coimbatore, organized the **State-Level Shakespeare Talent Examination – 2025** on **11 October 2025**. The examination was conducted in the Department of English.The examination was coordinated by **Dr. Preya M. N. V, Assistant Professor (SS), Department of English**, with the active support of faculty members who served as invigilators.

A total of **100 students** from various departments participated enthusiastically, reflecting a strong interest in competitive examinations and skill development. The examination comprised **seven categories**, namely **CA Made Simple (English and Tamil), TNPSC General Tamil** (பொதுத் தமிழ்)**, English for Competitive Examinations, TNSET Paper I (Model Paper), Soft Skills, and Interview and Group Discussion**. These categories were designed to assess students' language proficiency, general aptitude, and professional communication skills. The examination was conducted in a disciplined and well-organized manner. Upon completion, the answer scripts were systematically collected and forwarded to **Shakespeare Publications, Coimbatore**, for evaluation. The organizers announced **trophies and medals** for top state and college rank holders, **participation certificates** for all candidates, and a

special award for the institution with maximum participation.

The PG and Research Department of English, successfully organized the inauguration of the **Drama Club** – ***National Theatres*** along with a **Workshop on Script Writing** and Performance on 25 July 2025 at Principal Saranathan Hall. The programme aimed to nurture theatrical skills, creative expression, and performance aesthetics among students. The event began with a prayer song, followed by a welcome address by Mr. A. Yuvaraj, I MA English, who highlighted the significance of drama as a medium of artistic and social expression.

The Presidential Address was delivered by Dr. D. Muthuramakrishnan, Principal i/c, who emphasized the importance of theatre in higher education and encouraged active student participation in co-

curricular activities. The Felicitation Address by Prof. M. S. Balamurugan, Head of the Department of English, focused on the role of drama in developing

critical thinking and cultural awareness. The Chief Guest, **Dr. R. Jayaseelan, Assistant Professor, PSG College of Arts and Science, Coimbatore,** delivered an insightful address on the evolution of drama in India, with special reference to Tamil theatre, and drew engaging comparisons between theatre and cinema. His address inspired students to view theatre as a meaningful cultural practice. The programme effectively set the tone for the workshop and concluded with a Vote of Thanks proposed by Ms. M. Gayathri Sathya, I MA English. The program was coordinated by Dr. V. Srividhya, Associate Professor and Co-ordinator of the Drama club.

The PG & Research Department of English, organised a **Training Programme for Drama Competition and Intercollegiate Competitions** on 10th September 2025 at the Department of English under the banner of National Theatres (Drama Club). The programme aimed to provide systematic training and practical exposure in drama for students preparing for college-level and intercollegiate competitions. The session began with a prayer song, followed by a welcome address by Mr. V. Dinesh Raja, Research Scholar, who emphasized the importance

of theatre as a medium of expression, creativity, and teamwork. The Felicitation Address was delivered by Prof. M. S. Balamurugan, Head of the Department of English, who highlighted the role of drama in enhancing communication skills, confidence, and cultural awareness. Dr. V. Srividhya, Associate Professor and Coordinator of the Drama Club, outlined the objectives and significance of the training programme. The practical training session was conducted by Ms. D. Divya Priya, Research Scholar, focusing on voice modulation, body language, stage movement, characterisation, and team coordination, with active student participation. The programme concluded with a Vote of Thanks by Mr. M. Sundaraperumal, Research Scholar. Overall, the training programme was highly beneficial and effectively prepared students for upcoming drama and intercollegiate competitions.

The PG & Research Department of English, organized a vibrant **"Welcome Freshers"** programme on 04 September 2025 at the Principal Saranathan Hall. The event commenced with the enthusiastic

presence of faculty members, senior students, and newly admitted freshers. The programme began with a formal address by Prof. M. S. Balamurugan, Head of the Department of English, who warmly welcomed the students and encouraged them to strive for academic excellence while actively participating in co-curricular activities. The event was further enlivened by cultural performances presented by senior students, including traditional dance, music, and interactive sessions, which created a cheerful and inclusive atmosphere. The vibrant performances reflected the unity and diversity of the institution and left the freshers entertained and inspired. The programme concluded with a vote of thanks by Sindhuja of II M.A, expressing gratitude to the management, faculty members, and students for their support. Overall, the event set a tone of enthusiasm and camaraderie, marking the beginning of a promising academic journey for the freshers.

The PG & Research Department of English, organized an **educational trip** titled ***"The Dance of Shiva"*** on 11 October 2025 to Gangaikondacholapuram, Chidambaram, and Pichavaram, under the coordination of Dr. R. Suresh Kumar and Mr. N. Arunpandian . The trip was accompanied by **Prof. M. S. Balamurugan, Head of the Department of English, and other staff members.** The academic excursion offered students a profound experiential understanding of ***chiaroscuro***, the artistic interplay of light and darkness, as a critical lens for literary and cultural interpretation. At Gangaikondacholapuram, the sharp sunlight illuminating the monumental vimana contrasted with the deep granite shadows

within the halls, symbolizing the ethical silences and marginalized histories that often underlie imperial narratives. Chidambaram presented a ritualistic illumination through camphor flames and oil lamps, visually representing spiritual enlightenment piercing the darkness of ignorance, a recurring metaphor in

mystical literature. The cosmic dance of Shiva, set against the sanctum's shadowed stillness, reflected the intellectual struggle to comprehend absolute truth amid worldly illusion (***maya***).

At Pichavaram, the fragmented sunlight filtering through the mangrove canopy revealed nature's own chiaroscuro, suggesting ambiguity and coexistence rather than absolute meaning.

The trip effectively demonstrated how varying forms of illumination—historical, spiritual, and ecological—shape art, literature, and human consciousness. Overall, the educational journey enriched students' critical perspectives and deepened their engagement with interdisciplinary literary interpretation.

The PG & Research Department of English of National College (Autonomous), Tiruchirappalli organized an Alumni Talk on 06 October 2025. The

programme was conducted with the objective of connecting experience with aspiration and motivating postgraduate students in their academic and professional pursuits. Dr. S. Maha, Alumini Coordinator of the Department, welcomed the gathering and introduced the speaker. The Alumni Talk was delivered by **Mr. S. Joshua Jeyaraj, Assistant Professor of English** at **Vijaya Vittala Institute of Management Science and Technology, Bangalore**. In his address, he shared insights from his academic journey and professional experiences in higher education. He offered valuable guidance on career opportunities, research prospects, and emerging areas in English studies. His speech effectively connected theoretical knowledge with practical academic pathways. The session was highly interactive, and students actively participated in the discussion. Prof. M. S. Balamurugan, Head of the Department, expressed his appreciation to the alumnus for his enriching and inspiring address. The programme concluded successfully with a vote of thanks by Mr. S. Jermiah Jeyaraj of I M.A.

The PG & Research Department of English of National College (Autonomous), Tiruchirappalli organized an Alumni Talk titled **"English Graduates as Global Professionals"** on 01 September 2025. The session was delivered by **Dr. Rajasekaran V., Associate Professor of English, School of Social Sciences and**

Languages, VIT Chennai. In his address, he shared valuable insights on global career opportunities available to English graduates. He elaborated on industry expectations and emphasized the importance of effective communication, adaptability, and interdisciplinary skills in meeting global professional standards. The programme was coordinated by Dr. S. Maha, who ensured the smooth conduct of the event. Prof. M. S. Balamurugan, Head of the Department, presided over the function and highlighted the relevance of such alumni interactions in shaping students' career perspectives.

The PG & Research Department of English organized a Student Exchange Programme on 23rd August 2025 for students from Arasu College of Arts and Science for Women, Karur. The programme

aimed to promote academic enrichment, collaboration, and personal development. The inaugural session was presided over by Dr. D. Muthuramakrishnan, Principal i/c, while Dr. J. Karthikeyan, Event Coordinator, welcomed the participants and explained the objectives. The programme included team-building exercises, logical

and language-based activities, and personality development sessions to enhance communication, problem-solving, and interpersonal skills. Students actively participated and benefited from the interactive sessions, which encouraged mutual learning and cooperation. The programme concluded with positive feedback from participants, making it a successful initiative that strengthened academic ties and fostered holistic development.

The PG & Research Department of English, organized an International Seminar titled ***"Ink & Imagination: A Journey with a Writer-Artist"*** on **25**

September 2025. The event was inaugurated in the presence of Dr. D. Muthuramakrishnan, Principal (i/c), Prof. M. S. Balamurugan, Head, Department of English, and faculty members. The Welcome Address was delivered by Ms. Swarna Bairavi S. R., Student Secretary of II MA English The seminar featured **Ms. Claire Le Michel**, an **eminent writer and performing artist from France,** who shared insightful perspectives on imagination, creativity, and the intersection of literature and performance. She engaged the audience through a reading from her bilingual book ***The Mysterious Journal of Mr Carbon Crow: The Story of George,*** blending storytelling with performance and music. The session included a creative brainstorming activity that encouraged students to transform clusters of words into imaginative sentences and narratives. Her calm and engaging presence, along with her effective use of voice and musical elements, made the session immersive and dynamic. The programme concluded with a Vote of Thanks proposed by Sylvia of I MA English. The seminar witnessed enthusiastic participation from students and faculty interested in theatre, drama, and creative writing. The programme was coordinated by Dr. J. Karthikeyan, Assistant Professor and Dr. Nainar Sumathi P., Vice President of the Literary Association.

Department of English (UAP)

The Department of English (UAP), National College (Autonomous), Tiruchirappalli, organised a **Vocabulary Club** event on **14 October 2025** for Part II English students to enhance their vocabulary skills and language proficiency. The programme began with a welcome address by Ms. K. G. Parimala, Assistant Professor of English, who emphasized the importance of vocabulary enrichment for effective communication. Around fifteen students actively participated in the vocabulary contest, demonstrating enthusiasm and keen interest throughout the session. The participants found the programme highly beneficial and instrumental in improving their vocabulary skills.

The event successfully achieved its objective of strengthening students' language abilities. The programme concluded with a Vote of Thanks proposed by Dr. P. Anusooya, Head of the Department of English (UAP).

The Department of English (UAP), organized a **Vocabulary Club** activity on 06 August 2025 with

the objective of strengthening students' communication skills in English. G. Parimala, Assistant Professors, Department of English (UAP), delivered the welcome address. The programme aimed to enhance the four core language skills—Listening, Reading, Speaking, and Writing (LSRW)—through periodic activities such as book reviews and vocabulary enrichment programmes. In the session, undergraduate students participated enthusiastically in the Vocabulary Contest to improve their language competence. The activities proved to be inspiring and effective, encouraging active student engagement. Dr. P. Anusooya, Head of the Department of English (UAP) addressed the event whose words further motivated the students. The event was organized by the coordinators, Ms. S. Rajalakshmi and Ms. K. G. Parimala, Assistant Professors, Department of English (UAP. The programme concluded on a happy and successful note. The vote of thanks was proposed by Dr. P. Anusooya. A total of 24 students participated in and benefited from the programme.

The **Vocabulary Club** programme was organized by the Department of English (UAP) on 30 September

2025. The event commenced with a welcome address delivered by Ms. K. G. Parimala, Assistant Professor of English. Students from Shift II actively participated in the vocabulary enrichment contest conducted on the same day. The programme was engaging and informative, and the students were highly motivated by the innovative methods adopted to enhance their vocabulary skills. The session effectively fulfilled its intended objectives and concluded successfully. The organizers expressed their sincere gratitude to the management, the Head of the Department of English, and the students for their enthusiastic participation. The vote of thanks was proposed by Dr. P. Anusooya, Head of the Department of English (UAP). A total of 25 students participated in and benefited from the programme.

The Book Review Event on ***A Temporary Matter* by Jhumpa Lahiri** was organized by the **Book Reviewer's Club,** Department of English (UAP), on 30 July 2025 at the Library AV Hall. The event was coordinated by Mr. K. V. Theja, Assistant Professor, Department of English (UAP), delivered the welcome address. The objective of the event was to promote thoughtful reading, develop literary analysis skills, and encourage confident expression of ideas among students. Part II students actively participated in the competition by presenting insightful and well-structured book reviews. The participants shared diverse perspectives on the themes, characters, and narrative style of the text. The event created an interactive platform for critical discussion and literary appreciation. Students demonstrated clarity of thought and effective communication skills

throughout the session. M. Jeevitha of I Biotech won the competition for her outstanding presentation. Dr. P. Anusooya, Head, Department of English (UAP), delivered the vote of thanks. Overall, the event was conducted successfully and achieved its intended objectives.

The Book Review Event on ***The Adventure of the Speckled Band* by Sir Arthur Conan Doyle** was organized by the **Book Reviewer's Club**, Department of English (UAP), on 10 September 2025 in the New Block Building. The event was coordinated by Mr. K. V. Theja, Assistant Professor, Department of English (UAP), who also delivered the welcome address and highlighted the importance of literary reading and analytical thinking. The objective of the event was to develop thoughtful reading habits and enhance students' literary analysis and communication skills. Part II students participated actively and presented well-structured and insightful book reviews. The session encouraged critical discussion and open exchange of ideas among the participants. Students demonstrated improved confidence and clarity while expressing their interpretations of the text.

Shanmuga Priya of I CS B won the competition for her excellent review presentation. The programme concluded with a vote of thanks delivered by Mr. D. Gopinath, Assistant Professor, Department of English (UAP). The event strengthened students' interest in reading and literary appreciation. Overall, the event was conducted successfully and achieved its intended outcomes.

The **Book Review** Event on ***The Management of Grief*** **by Bharati Mukherjee** was organized by the Book Reviewer's Club, Department of English (UAP), on 29 September 2025 in the Gallery Hall. The event was coordinated by Mr. K. V. Theja, Assistant Professor, Department of English (UAP), who also delivered the welcome address and emphasized the importance of thoughtful reading and literary analysis. The objective of the event was to cultivate critical reading habits and encourage confident expression of ideas among students. Part II students actively participated by presenting insightful and well-organized book reviews. The session facilitated meaningful discussions and encouraged diverse interpretations of the text. Students demonstrated clarity of thought, analytical depth, and effective communication skills throughout the programme. Venkata Krishnan of III BA History won the competition for his outstanding review. The programme concluded with a vote of thanks delivered by Mr. D. Gopinath, Assistant Professor, Department of English (UAP). The event enhanced students' interest in literature and strengthened their analytical abilities. Overall, the event was conducted successfully and achieved its intended objectives.

Department of Geology

The PG and Research Department of Geology, conducted the Inauguration of the Association Meeting on 25.09.2025. Dr. R. Soundar Rajan, Vice President of the Geology Association, welcomed the gathering. Dr. D. Muthuramakrishnan, Principal (i/c), National College, delivered the presidential address. Dr. N. Jawahar Raj, Head of the Department of Geology, honoured and introduced the Chief Guest. **Dr. C. Vinay Kumar, Assistant Professor, Department of Civil Engineering, National Institute of Technology, Trichy**, was the Chief Guest and delivered a lecture on **"Recent Trends in Geotechnical Engineering."**

He explained the role of geologists in geotechnical engineering projects, particularly in geological investigations for dams and reservoirs. He discussed national and international case studies related to the construction of dams and reservoirs and elaborated on the different parts and types of dams. He also highlighted dam-related disasters caused by improper site selection based on geological and geotechnical factors. He emphasized career opportunities in geotechnical engineering and the importance of dams for water storage, power

generation, and national economic growth. The event summary and vote of thanks were presented by Ms. A. Amala, a final-year M.Sc. (Applied Geology) student, and the programme was attended by final-year B.Sc. and postgraduate geology students.

The PG and Research Department of Geology, National College, Trichy, conducted the Second Association Meeting on 07.10.2025. Dr. R. Soundar Rajan, Vice President of the Geology Association, welcomed the gathering, and Dr. D. Muthuramakrishnan, Principal (i/c), delivered the presidential address. Dr. N. Jawahar Raj, Head of the Department of Geology, honoured and introduced the Chief Guest. **Mr. S. Prasad, Assistant Manager (Geology), M/s TANCEM – Tamil Nadu Cements Corporation Limited, Ariyalur,** served as the Chief Guest and delivered a lecture on

the "Role of Geologist in the Mining Industry." He explained the importance of geological techniques such as geological mapping, geophysical surveys, geochemical analysis, and remote sensing in mining activities. He also presented case studies from

various mine locations of TANCEM, Ariyalur. The Chief Guest elaborated on the role of geologists in ore deposit identification, mine design, and operational planning, ensuring safe and efficient extraction. The event summary and vote of thanks were delivered by Ms. A. Amala, a II M.Sc. (Applied Geology) student. The programme was attended by final-year B.Sc. and postgraduate geology students.

Department of History

The Department of History organized the inauguration of its association meeting on 28th August 2025. Dr. M. Selvakumar, Assistant Professor and Vice President of the association, welcomed the gathering, and Dr. D. Muthuramakrishnan, Principal (i/c), delivered the presidential address. **Dr. T. Samraj,**

Assistant Professor, Department of History, Bishop Heber College (Autonomous), Tiruchirappalli, spoke on the topic **"Historian and Social Transformation".** He explained that historians play a vital role in shaping social change by interpreting the past and connecting it to the present. Through their study of historical events, ideas, and institutions, they provide insights into the causes and consequences of societal change, highlight the struggles of marginalized communities, and challenge myths, prejudices, and stereotypes. He emphasized that historians' work preserves collective memory, guides policymakers and reformers, and inspires social consciousness for a just and progressive future. Mr. Gowthaman P., III BA History, proposed the Vote of Thanks.

The Department of History organized an association meeting on 11.10.2025 on the topic **"Queen Meenakshi and Arcot Nawab Chanda Sahib".** Dr. M. Selvakumar, Assistant Professor and Vice President of the association, welcomed the gathering, and Dr. D. Muthuramakrishnan, Principal (i/c), delivered the presidential address. **Dr. A. Akbar Hussain, Associate Professor & Head, PG & Research, Department of History, Jamal Mohamed College (Autonomous), Tiruchirappalli**, served as the resource person. He explained that Queen Meenakshi of Madurai and Nawab Chanda Sahib of Arcot played significant roles in the political drama of 18th-century Tamil Nadu, a period marked by native resistance and growing European influence. Queen Meenakshi ruled with courage and wisdom after the decline of the Nayak dynasty around 1736, maintaining order and defending her kingdom despite internal rebellions and external threats.

Nawab Chanda Sahib, known for his ambition, diplomacy, and military skill, allied with the French and became a key figure in the Carnatic Wars, influencing the political landscape of South India. The session highlighted their leadership, resilience, and impact on Tamil Nadu's history. R. Akalya, II BA History, proposed the Vote of Thanks.

Hindi

The **Viruksha Hindi Club** of the Department of Hindi, organized a **Raksha Bandhan Postal Card Activity** on 9th August 2025 as part of its cultural and academic initiatives. The event saw enthusiastic participation from first- and second-year Part I Hindi students, who celebrated the festival with creativity

and linguistic expression. Students designed and artistically decorated postal cards with traditional

motifs, colours, and symbols associated with Raksha Bandhan, while writing heartfelt messages in Hindi expressing love, gratitude, and emotional bonding for their siblings. This activity not only enhanced the students' creative abilities but also provided a practical platform to improve their Hindi writing skills in a meaningful and enjoyable manner. The event was organized by **Prof. S. Prasanna Devi, Assistant Professor and Head**, and proved to be an enriching experience, fostering both linguistic competence and cultural values among the students. The **Viruksha Hindi Club** of the Department of Hindi, organized a classroom activity on **31st July 2025** to celebrate **Munshi Premchand Jayanti**. First-year students participated in a **drawing competition** on Premchand's portrait and village scenery. Second-year students took part in a **storytelling session**, narrating his famous stories such as ***Idgah, Kafan,*** and ***Panch Parameshwar***, and presented his biography.

Dr. P. Nainar Sumathi, Assistant Professor of English, served as the judge and provided constructive feedback to the students. In her address, she praised Premchand, the "Upanyas Samrat," for highlighting

social realities, human dignity, and moral values. She emphasized that literature can inspire **empathy, integrity, and social awareness**. The programme encouraged students to carry forward Premchand's humanistic values in life. The event was organized by Prof. **S. Prasanna Devi, Assistant Professor and Head, Department of Hindi.**

The **Viruksha Hindi Club** organized a classroom activity for **I Year Part–I Hindi students** to participate in the **Indian Independence Day Quiz 2025**. The quiz was conducted by the **Ministry of Social Justice & Empowerment** in collaboration with **My Gov** from 11th July to 7th August 2025. This **National-Level Quiz** was held as part of the **79th Independence Day** celebrations. It focused on India's freedom struggle, major events, and the contributions of freedom fighters. The activity aimed to enhance students' **historical knowledge** and **patriotic awareness**.

Students participated with enthusiasm, showing keen interest and a competitive spirit. All participants received **certificates** from the organizers for their successful participation. The initiative encouraged students to use **digital platforms for learning** about history.

As part of the **79th Independence Day celebrations**, the **Viruksha Hindi Club** of the Department of Hindi organized a **Multiethnic Potluck** on 21st August 2025. The event was inaugurated with a welcome by **M. Pooja Sri** from the Department of Geology. It aimed to promote **unity in diversity** by bringing together students from different cultural backgrounds through food**. II Year Part-I Hindi students** actively participated, preparing traditional dishes representing their regional and cultural heritage. Each student introduced their dish, explaining its **cultural and traditional significance.** The wide variety of dishes showcased **India's rich culinary heritage** and fostered cultural understanding. **Dr. J. Karthikeyan**, Assistant Professor of English, encouraged students and added academic motivation. MA English students also participated, promoting **interdepartmental harmony.** The programme was coordinated by Prof. **S. Prasanna Devi**, Head of the Department of Hindi, and concluded with a vote of thanks by Ms. **Nandini Ghosh**. The activity successfully strengthened **friendship, cultural awareness, and unity** among the students, making it a memorable contribution to the Independence Day celebrations.

Department of Information Technology

The Department of Information Technology, organized a guest lecture on **"AI for Societal Development and Global Well-Being"** on 23 July 2025. The session began with a welcome address delivered by **Mr. C. Sivanantham, Assistant Professor**

and Vice President of the IT Association, who emphasized the importance of understanding emerging technologies for academic and professional growth. The Chief Guest, **Dr. U. Srinivasulu Reddy, Associate Professor, National Institute of Technology, Tiruchirappalli**, delivered a lecture highlighting the transformative potential of Artificial Intelligence (AI) in driving societal development and enhancing global well-being. He elaborated on AI's contributions to healthcare, education, environmental sustainability, economic empowerment,

infrastructure, and technological advancement, emphasizing its ability to process large datasets, recognize patterns, and make informed predictions. The lecture also stressed the importance of responsible, ethical, and inclusive deployment of AI for maximizing societal benefits. Students actively engaged in the session, gaining valuable insights into the latest trends and applications of AI, and understanding the relevance of AI in bridging the gap between academics and industry needs. The program concluded with a vote of thanks delivered by **Ms. G. Varshini, III Year IT**. Overall, the guest lecture was highly informative, inspiring, and prepared students for future careers in AI-driven technologies while emphasizing its potential to contribute positively to society.

The Department of Information Technology organized a seminar on **"LOGISTICS ENCLAVE-2025: Integration of Information Technology with Logistics"** on **12th September 2025**. The session began with a welcome address by Mr. C. Sivanantham, Assistant Professor and Vice President of the IT Association. The chief guest, **Dr. S. Madhanagopal, Senior Professor, Indian Institute of Logistics, Chennai,** delivered an insightful lecture on how IT is transforming logistics and supply chain management. He emphasized that modern logistics relies on real-time data, predictive analytics, and digital tools rather than just traditional warehousing and transportation. He also explained about ERP systems, Warehouse Management Systems (WMS), Transportation Management Systems (TMS), GPS, telematics, and GIS as key technologies enhancing efficiency, accuracy, and sustainability. Real-world examples from companies like Amazon, Flipkart, DHL, and FedEx illustrated IT applications in tracking, route optimization, and customer service. He also discussed automation tools like robotics and Automated Guided Vehicles (AGVs) in warehouses.

The seminar highlighted how IT improves operational efficiency, reduces errors, minimizes costs, and enables better decision-making across supply chains. The program concluded with a vote of thanks delivered by Ms. G. Varshini, III year I.T, appreciating the resource person and organizers.

Department of Library

The Department of Library and Information Science, Central Library, National College, organized a **Library Orientation Programme** on **10th July 2025** to introduce first-year undergraduate students to the library resources and services**. Prof. M. Rajavelayutham**, Library Committee Member, welcomed the gathering and highlighted the importance of the library in academic development.

The Presidential Address was delivered by **Major Dr. D. Muthuramakrishnan**, Principal (i/c), who emphasized the role of libraries in the digital age and encouraged effective use of library resources.

Shri K. Raghunathan, Secretary of National College, distributed College ID and Library Membership cards to the students. The orientation and e-resources awareness session was conducted by **Dr. T. Sureshkumar**, Librarian and Programme Coordinator, who explained the library facilities, e-resources, OPAC, and remote access services.

The Department of Library organized an **NPTEL Awareness Programme** for postgraduate students on **24th July 2025** to familiarize them with the **SWAYAM–NPTEL** online learning platform. A total of **55 postgraduate students** actively participated in the session. The programme introduced NPTEL as a national initiative offering high-quality courses from premier institutions such as IITs and IISc. It highlighted the importance of online learning for academic enrichment and guided students on selecting courses based on their academic interests and career goals.

The registration and enrolment process was explained step by step. The session also emphasized the value of NPTEL certifications and discussed their benefits for placements, competitive exams, and

higher studies. Overall, the programme created awareness and encouraged students to make full use of NPTEL courses to enhance their learning and career prospects. **Dr. T. Sureshkumar**, Librarian organised the programme.

Department of Physics

The PG Research Department of Physics, organized the **Inauguration of the Physics Association** on 31 July 2025. The programme commenced with a welcome address delivered by Dr. S. Murganantham, Associate Professor of Physics. The Presidential Address was delivered by Dr. D. Muthuramakrishnan, Principal (i/c), followed by the felicitation address by Dr. T.V. Sundar, Associate Professor and Head of the Department of Physics. M.K. Chandru, II M.Sc. Physics, Student Secretary, introduced the Chief Guest, **Er. A. Mala, Senior Manager, TT & DC / TANGEDCO, Tiruchirappalli**..She delivered an insightful lecture on **"Energy Conservation and Electrical Safety"**, emphasizing the importance of using electricity responsibly,

essential safety devices for households, and practical methods for conserving energy in daily life. She also highlighted immediate first-aid measures to be followed during electrical accidents, offering valuable guidance to the students. K. Thulasidaasan, III B.Sc. Physics, proposed the vote of thanks, expressing gratitude to the Chief Guest and all dignitaries. The programme was successfully organized by the staff members of the Physics Department and witnessed active participation from the students.

The PG & Research Department of Physics, organized a special lecture on October 7, 2025. . Dr. S. Murganantham, Associate Professor of Physics, welcomed the gathering. The presidential address was delivered by Dr. D. Muthuramakrishnan, Principal (i/c), who praised the department for organizing the event and emphasized the role of associations in fostering leadership, teamwork, and academic growth. Dr. T.V. Sundar, Associate Professor and Head of the Department, delivered the felicitation address. Mr. M.K. Chandru, II M.Sc Physics, introduced the Chief Guest, **Dr. S. Manivannan, Professor, Department of Physics, National Institute of Technology (NIT), Trichy**, delivered the lecture on "Opportunities in Nanocarbon Materials."

He elaborated on the unique properties of nanocarbon materials such as carbon nanotubes, graphene, and carbon dots, highlighting their applications in energy storage, gas sensors, batteries, super capacitors, electronic devices, environmental purification, and drug delivery. He also explained their use in composite materials to enhance strength and reduce weight in aerospace and automobile

industries, and encouraged students to pursue nanoscience research for societal development.

Mr. K. Thulasithasan, III B.Sc Physics, proposed the Vote of Thanks. The session was highly interactive, with faculty members and postgraduate students actively participating and clarifying their doubts. The program concluded with a sincere vote of thanks by Mr. Naveen, II M.Sc Chemistry, expressing gratitude to the chief guest, faculty, and participants for making the session meaningful and memorable.

PG & Research Department of Physical Education

The PG and Research Department of Physical Education and Sports Sciences, National College, Trichy, successfully organized a seminar on **"Career in Police Services"** on **21st July 2025**.The seminar aimed to create awareness among students about career opportunities in state and central police

services and to guide them on eligibility, selection procedures, and required skills. The program was efficiently compered by Ms. Karkulali, III B.Sc. Physical Education. The welcome address was delivered by Dr. D. Boopathy, Assistant Professor, who highlighted the importance of career-oriented guidance for physical education students. The resource person, **Sri. P. Mohan, Inspector of Police**, **Organized Crime Unit, CBCID, Trichy City**, delivered an informative session on various police services, eligibility criteria, physical efficiency tests, written examinations, and interview preparation. He also shared insights on mental toughness, general knowledge preparation, and career growth. The session was highly interactive, and students actively participated by raising queries related to age limits, reservations, training, and promotions. The resource person addressed all questions with clarity and real-life experiences, motivating students to pursue police services. The vote of thanks was delivered by Ms. Yogeshwari, III B.Sc. Physical Education.

On **08.10.2025**, the PG and Research Department of Physical Education, organised a lecture titled **"Olympic Movement and Its Core Values."** The programme was conducted as part of the department's initiative to inculcate not only sports skills but also the theoretical, social, and philosophical dimensions of sport among students. The event was organised under the guidance of the Organising Secretary, Dr. D. Prasanna Balaji, Vice Principal (UAP). Mr. V. Ajeeth Khanna, Assistant Professor, Department of Physical Education, delivered the welcome address**. Dr. P. E. Murali Krishnan, Physical Director, PSG Polytechnic College, Coimbatore**, served as the Chief Speaker. The lecture focused on introducing students to the philosophy of the Olympic Movement, highlighting its core values and their relevance to sport, life, and society.

The Seminar on **"Tech Trends in Sports Sciences"** was organized on **26th September 2025** to expose students and faculty of the Department of Physical Education to contemporary developments in sports science. The seminar highlighted the growing integration of technology with training, performance

monitoring, and athlete care. The program began with a welcome address by Ms. R. S. Chindhiyaa, Assistant Professor, Department of Physical Education. The seminar was formally inaugurated by Dr. D. Prasanna Balaji, Vice Principal (UAP) and Head, who emphasized the importance of technology in

modern sports practices. The technical session was delivered by **Dr. Saviour Prakash, Assistant Professor, Department of Computer Science, SRM Institute.** He explained the use of wearable sensors for real-time physiological and biomechanical data collection and discussed the role of artificial intelligence and data analytics in performance optimization and injury prevention. He also highlighted technology-enabled training and recovery methods that support athlete safety and long-term health. The session emphasized emerging career opportunities in sports analytics, biomechanics, and performance monitoring. The seminar concluded with a vote of thanks by Mr. K. Sanjay, III B.Sc. Physical Education student, expressed gratitude to the resource person and organizers.

A one-day workshop on "From Passion to Profession – Career Pathways in Gymnastics"

The PG and Research Department of Physical Education and Sports Sciences, National College, organized a **one-day workshop** on **"From Passion to Profession – Career Pathways in Gymnastics"** on **1st September 2025**. The workshop aimed to create

awareness among students about professional opportunities in gymnastics and its role in overall fitness and sports development. The welcome address was delivered by Dr. D. Boopathy, Vice President and Assistant Professor. Dr. D. Muthuramakrishnan, Principal (i/c), delivered the presidential address, and Dr. D. Prasanna Balaji, Vice Principal & Head, gave the felicitation address. The chief guest, **Mr. P. Ragul, F.I.G. Certified Coach and National Medalist,** was introduced and honoured by the Principal and Vice Principal.

Mr. Ragul highlighted gymnastics as the "Mother of Sports" and discussed its benefits in developing strength, flexibility, balance, and coordination. He emphasized discipline, dedication, continuous learning, and emerging career opportunities in coaching, judging, choreography, and fitness consultancy. Modern training methods, including AI and technology integration, were also discussed. A practical session allowed 125 students to perform warm-ups, basic skills like rolls and handstands, strength exercises, and learn safety and spotting techniques. The workshop combined theoretical knowledge with hands-on training, motivating students to pursue gymnastics professionally. Ms. S. Nithiyasri, III B.Sc. Physical Education, delivered the vote of thanks, appreciating the resource person and organizers.

A special lecture was delivered by Swami Govindeshananda, Director, Ramakrishna Math, Mylapore, on 27th October 2025, who served as the Chief Guest and Resource Person. The lecture inspired students to cultivate discipline, perseverance, and self-belief, drawing from the teachings of Swami Vivekananda. The programme concluded with a vote of thanks by Mr. K. Sanjay, III B.Sc. Physical Education.

Department of Mathematics

The **PG and Research Department of Mathematics** organized its **Association Inauguration Meeting** on 26th August 2025. **Dr. V. Vanitha**, Assistant Professor (SS) and Vice President of the Mathematics Association, welcomed the gathering.

Dr. D. Muthuramakrishnan, Principal (i/c) and Head delivered the Presidential Address, highlighting the significance of mathematics and its role in shaping future mathematicians.

He emphasized that mathematics is the **queen of science**, and mathematics students possess a unique identity and discipline in society. The student secretary **Ms. P. Ilavarasi** introduced the chief guest **Dr. C. Durai Rajan**, **Professor, Department of Mathematics, Bharathidasan University.** The chief guest, delivered a lecture on **"Applications of**

Algebra", explaining its relevance in coding theory, source coding, vector spaces, subspaces, and linear codes, with practical examples.

He concluded by underscoring the vital role of mathematics in the modern world. The session provided both **theoretical insights and practical applications** to the students. The vote of thanks was proposed by **Ms. M. Gayatri**, II M.Sc., student.

Department of Statistics

The Department of Statistics celebrated **National Statistics Day** on **27.06.2025**. The programme began with a welcome address by third-year student Ms. N. Navadharshni, followed by Ms. B.Kamatchi and Ms. K Gopilatha explaining the importance of National Statistics Day. Ms. N. Deepa Anjali administered the National Statistics Day Pledge to the students. The function was presided over by the College Secretary Mr. K. Raghunathan. The Principal (i/c) Dr. D. Muthuramakrishnan, Vice Principal (UAP) Dr. D. Prasanna Balaji, and Head of the Department Mr. R.

Kumaravel offered their felicitation. The Chief Guest, **Mrs. P. M. Yasmeenbanu, Assistant Commissioner of Police, Trichy City**, addressed the gathering and explained the role of data in crime analysis and handling crime-related cases. Mr. Harish delivered the vote of thanks, and the programme concluded successfully.

The Department of Statistics organized a **fieldwork** on the sculptures present at **Srirangam Temple on 18.07.2025,** with the participation of **45 students and four faculty members**. The students were divided into groups and were directed to collect data, analyze it, and interpret the results based on the collected information. Through this fieldwork, the students understood the application of **descriptive statistics** in learning activities. The knowledge gained through the implementation of descriptive statistical techniques was helpful in enhancing the students' understanding of theoretical concepts. Throughout the visit, the students gained both theoretical and practical knowledge of **measures of central tendency** (mean, median, and mode) and **measures of dispersion** (variance and standard deviation).

பண்டித ம.கோபாலகிருஷ்ணய்யர் அறக்கட்டளைப் பொழிவு

05.08.2025 முதல் தமிழ்த்துறைத் தலைவர் பண்டி ம. கோபாலகிருஷ்ணய்யர் அறக்கட்டளைப் பொழிவு.

திருச்சி தேசியக் கல்லூரியில் முதல் தமிழ்த் துறை த்தலைவர் பண்டித ம. கோபாலகிருஷ்ண ஐயர் அறக்கட்டளைச் சொற்பொழிவு நடைபெற்றது. தமிழ்த்துறைத் தலைவர் சி. காந்தி வரவேற்புரை வழங்கினார். கல்லூரி முதல்வர் முனைவர் D. முத்துராமகிருஷ்ணன் தன் தலைமை உரையில் மாணவர்கள் இது போன்ற அறக்கட்டளைச் சொற்பொழிவுகளைக் கேட்டு பின்பற்றி வாழ வேண்டும் என அறிவுறுத்தினார்.

மதுரை பேராசிரியர் முனைவர் சொ.சொ. மீ. சுந்தரம் அவர்கள் எல்லாப் பொருளும் இவர் பால் உள எனும் தலைப்பில் சிறப்புரை வழங்கினார். பண்டித ம.கோபாலகிருஷ்ண ஐயர் அவர்கள் ஆசிரியர், இதழ் ஆசிரியர், உரையாசிரியர், கவிஞர், மொழிபெயர்ப்பாளர், என எல்லாத் தளத்திலும், துறையிலும் இலக்கிய பணி மேற்கொண்டவh;

vd;Wk; gy;NtW jsq;fspy; k. கோபாலகிருஷ்ணய்யர் mth;fs; jpwk;g;lr; nray;gl;l jd;ikfis vLj;Jf;$wp khzth;fSk; jq;fs; jpwikfis tsh;j;Jf;nfhz;L gz;bj k. கோபாலகிருஷ்ணய்யர் Nghy; GfOila Ntz;Lk; vdj;jk; rpwg;Giuapy; $wpdhh;;. பண்டிதமா கோபாலகிருஷ்ண ஐயர் அவர்களின் பெயர்த்தி முனைவர் உஷா மகாதேவன், கவிஞர் சிவ சூரியநாராயணன் ஆகியோர் வாழ்த்துரை வழங்கினர். திரு சுந்தரராஜன் உள்ளிட்ட குடும்ப உறுப்பினர்களும் பேராசிரியர்களும் மாணவர்களும் கலந்து கொண்டனர். சொற்பொழிவைத் தமிழ்த் துறை

இணை பேராசிரியர் முனைவர் சா. நீலகண்டன் ஒருங்கிணைத்து நன்றி கூறினார்.

உ.வே.சா. தமிழ்ப்பேரவைத் தொடக்க விழா

தமிழ்த் துறை சார்பில் உ.வே.சாமிநாதையர் தமிழ் இலக்கிய பேரவை தொடக்க விழா 31.07.2025 அன்று நடைபெற்றது. கல்லூரி முதல்வர் (பொறுப்பு) முனைவர் முத்துராமகிருஷ்ணன் தலைமை வகித்தார்.

சிவகங்கை மன்னர் துரைசிங்கம் அரசு கலைக் கல்லூரி முதல்வர் முனைவர் அந்தோணி டேவிட்நாதன் சிறப்பு விருந்தின ராக கலந்து கொண்டு பேசினார். பேராசிரியர் ராதாகிருஷ்ணன், ராஜகோபாலன், பூம்புகார் ஜெகந்நாதன், நாவுக்கரசர் சத்தியசீலன்

போன்ற உலகளாவிய பேச்சாளர்களை இனம் கண்டு அடையாளப்படுத்திய இடம் தேசியக் கல்லூரியின் தமிழ் துறை என்றும், அவர்கள் உலகலாவிய பெருமை மிக்கது இந்த வளாகம் என்றும் தம் சிறப்புரையில் பதிவு செய்தார். முன்னதாக தமிழ்துறை தலைவர் முனைவர் காந்தி சிறப்பு விருந்தினரை அறிமுகப்படுத்தி பேசினார். முடிவில் இளங்கலை மூன்றாம் ஆண்டு தமிழ்த்துறை மாணவி செல்வி சரண்யா நன்றி கூறினார். இளங்கலை மூன்றாம் ஆண்டு தமிழ்த்துறை மாணவர் செல்வன் யோகேஸ்வரன் நிகழ்ச்சியை தொகுத்து வழங்கினார். மேனாள் தமிழ்துறைத் தலைவர் முனை வர் மாணிக்கம், தமிழ்த்துறைப் பேராசிரியர்கள், பிற துறைப் பேராசிரியர்கள் மாணவ, மாணவிகள் கலந்து கொண்டனர்.

பாரதி பைந்தமிழ்ப் பேரவை விழா

தமிழ்த்துறை (சுயநிதிப்பிரிவு) சார்பாக "பாரதி பைந்தமிழ்ப் பேரவை நிகழ்வு" 03-09-2025 புதன்கிழமையன்று நடைபெற்றது. இவ்விழாவில் தமிழ்த்துறை உதவிப்பேராசிரியர் கோ. இராமச்சந்திரன் அவர்கள் அனைவரையும் வரவேற்று சிறப்பு விருந்தினரை

அறிமுகம் செய்து பேசினார். பின்னர் நிகழ்ச்சிக்கு அழகு சேர்க்கும் விதமாக பெ. ராகவி, அ. நிசாலினி, செள.பிஜ்வானா, சி. பரமேஸ்வரி ஆகிய மாணவிகள் பாரதியார் பாடலைப் பாடினார்கள்.

இப்பேரவையில் கல்லூரியின் முதல்வர் (பொ) த. முத்துராமகிருஷ்ணன் அவர்கள் தலைமையுரையாற்றினார். அவ்வுரையில் இன்றைய மாணவர்கள் பட்டம் பெறுவதோடு, பல திறமைகளையும் வளர்த்துக்கொண்டால் வாழ்வில் உயரலாம் என்று வலியுறுத்திப் பேசினார். பின்னர் தமிழாய்வுத் துறையின் தலைவர் முனைவர். சி. காந்தி அவர்கள் மாணவர்கள் இலக்குகளை உயர்வாக நினைத்தால்தான் வாழ்வில் உயரமுடியும் என்று வாழ்த்துரை வழங்கினார். திருச்சி, மத்தியச்சிறை சமூகஇயல் வல்லுநரான ப. மணித்தமிழன் அவர்கள் சிறப்பு விருந்தினராக கலந்துக்கொண்டு "உள்ளுவதெல்லாம் உயர்வுள்ளல்" என்ற தலைப்பில் பேசினார். வாழ்க்கையில் மனிதர்கள் முன்னேற வேண்டுமென்றால் உயர்வான எண்ணங்களை உள்ளத்தில் பதிய வைத்து, உயர்வான குறிக்கோளை முடிவு செய்து அதை நோக்கி பயணம் செய்தால் இலக்கை அடையலாம் என்பதையும், "எண்ணம் போல வாழ்வு" என்ற பழமொழியையும் நினைவுப்படுத்தி சிறப்புரையாற்றினார். குற்றமற்றவன் என்று உலகில் மனிதர்கள் எவரும் இல்லை. தவறுகள் இயல்பு. ஆனால் அதை திருத்திக்கொண்டு வாழவேண்டும் என்று பொது உலக நியதிகளையும் எடுத்துரைத்தார்.

நிகழ்ச்சியின் நிறைவாக பேரவைத் துணைத்தலைவர் ந. ஆனந்த் அவர்கள் நன்றி கூறினார். கூ.முத்தையன் உதவிப்பேராசிரியர் அவர்கள் பேரவை நிகழ்ச்சியைத் தொகுத்து வழங்கினார்.

Department of Zoology

The Zoology Association meeting was held on 13 October 2025 at the Department of Zoology.. Dr. A. Stalin, Vice-President of the Association, welcomed the gathering, and Dr. V. Gokula, Head of the Department, presided over the function. **Mr. V. Suresh, Aquarium Consultant, Vasantha Aquarium, Trichy**, graced the occasion as the Chief Guest and delivered a talk on **"Entrepreneurial Opportunities in the Aquarium Industry".** He highlighted the growing scope of the aquarium industry in India and discussed various avenues for young zoologists to explore entrepreneurship in this field. Mr. Suresh elaborated on the scientific and aesthetic aspects of aquarium setup, emphasizing their role in mental

well-being and relaxation. He explained the basics of aquarium design, filtration systems, aquatic plant management, and fish health care, encouraging students to consider aquascaping and ornamental fish culture as both a hobby and a business opportunity. He also stressed the importance of sustainable practices to conserve aquatic biodiversity and native ornamental species. The session was highly informative and witnessed enthusiastic participation from undergraduate and postgraduate Zoology students. The event concluded with a vote of thanks delivered by R. Preethi, II M.Sc. Zoology, expressing gratitude to the Chief Guest and all dignitaries for their valuable presence and contributions.

The Department of Zoology organized a meeting on **"Entrepreneurial Opportunities in Beekeeping"** on 30.07.2025**.** Dr. A. Stalin, Assistant Professor, welcomed the gathering. Dr. V. Gokula, Head of the Department, presided over the function. **Dr. Josephine Arogya Mary, Founder and Director of**

the Madurai District VIBIS Beekeeping Centre, graced the occasion as the Chief Guest and delivered a lecture on entrepreneurial opportunities in beekeeping. She shared her journey from a small-scale entrepreneur to a successful industrialist, highlighting the challenges and achievements of women in this field. Dr. Josephine also elaborated on various loan schemes available for setting up beekeeping ventures and discussed effective marketing strategies, providing valuable insights for aspiring entrepreneurs.

As part of the programme, the VIBIS Beekeeping Centre showcased nearly 20 varieties of honey for sale, which attracted keen interest from both students and staff members. Miss Divayadharshini, III B.Sc. Zoology, proposed the Vote of Thanks.

A field visit to the **Tropical Butterfly Conservatory, Tiruchirappalli**, was organized on 21 July 2025 by Dr. V. Gokula, Associate Professor and Head, PG and Research Department of Zoology. The visit was coordinated by Dr. V. Gokula, Dr. S. Thangaraj, and Dr. P. Kumar, with the participation of III B.Sc. and I & II M.Sc. students. Mr. John Britto, Research Scholar at the conservatory, provided a detailed explanation of various butterfly species and their vital role in maintaining ecological balance. He also explained the diversity of birds present in the conservatory, their breeding patterns, and their ecological connection with butterflies. The session helped students understand the importance of biodiversity and conservation. Students actively observed and identified butterflies with great enthusiasm during the visit. The field visit successfully created awareness and stimulated research interest among students.

79th Independence Day Celebration

The 79th Independence Day was celebrated with great enthusiasm on Friday, 15th August 2025 at the college premises. The National Flag was hoisted by Dr. M. Murali, Vice Principal and Associate Professor of Chemistry. The programme commenced with the welcome address delivered by Dr. D. Muthuramakrishnan, Principal (i/c), who warmly greeted the gathering and highlighted the significance of the occasion. On this occasion, Dr. K. Bhuvaneswari, Assistant Professor of Tamil, delivered an insightful speech on the significance of Independence Day, emphasizing the sacrifices of freedom fighters and the responsibilities of citizens towards the nation.Mr. S. Narasimhan, Junior Assistant (SS), delivered a speech highlighting the importance of unity and the role of youth in nation-building.

The celebration was conducted under the guidance of Shri K. Raghunathan, Secretary. Faculty members, administrative staff, and students actively participated in the programme.Dr. D. Prasanna Balaji, Vice Principal (UAP) proposed the vote of thanks.

EXNORA

The Students' Exnora of National College (Autonomous), affiliated to Youth Exnora International, organized the Exnora Orientation Programme in commemoration of Exnora Day and in celebration of Paper Bag Day on 14 July 2025 at

the Department of English. The programme aimed to create environmental awareness, promote eco-friendly alternatives to plastic, and orient students towards Exnora's environmental initiatives. The session began at 11:30 AM with the distribution of environmental newsletters, followed by interactive content-sharing and discussions that encouraged sustainable thinking among participants. A special address was delivered by Mrs. Akshaya Sri R, Research Scholar, PG & Research Department of English, who emphasized the importance of sustainable practices and environmental conservation. The programme was conducted under the guidance of Dr. D. Muthuramakrishnan, Principal (i/c), and was efficiently organized with the support of Dr. Preya MNV, Exnora Staff Advisor. Around 40 students and faculty members participated actively, and the event successfully reinforced environmental responsibility, civic consciousness, and the significance of adopting sustainable lifestyles within the campus community.

In commemoration of World Nature Conservation Day, the Students' Exnora of National College (Affiliated to Youth Exnora International) successfully organized the 27th Installation of Students' Exnora on 30 July 2025 at Principal Saranathan Hall, with the participation of nearly 75 students. The programme marked the formal initiation of students into Exnora's environmental activities and aimed to create awareness about environmental conservation while orienting students toward the vision, mission, and action plans of Exnora. The event commenced with an introductory address by the Staff Advisor, Dr. M. N. V. Preya, who highlighted the significance of Exnora and its commitment to sustainability, followed by the presentation of the Annual Activity Report (2025–2026) by Miss S. Preetha of III B.A. English.

The newly elected office bearers were then announced, after which the students collectively took an oath pledging to protect the Earth, reinforcing their sense of environmental responsibility and civic duty. Miss Bavana of II B.A. English presented the Annual

Plan of Action for the year 2025–2026, outlining future initiatives. The Chief Guest, Exn. Mr. Mohan, Founder of Youth Exnora International, Chairperson of the Child Welfare Committee, Trichy District, and Former State Member of the Tamil Nadu Commission for the Protection of Child Rights, was felicitated by the Principal (in-charge), Dr. D. Muthuramakrishnan, who also delivered the presidential address. An alumnus of National College, Mr. Mohan delivered an inspiring and thought-provoking special address emphasizing urgent environmental concerns such as climate change, plastic pollution, waste management, and biodiversity conservation, while underscoring the importance of grassroots participation, sustainable practices, and youth-led community action. His speech, which stressed the principles of reducing, reusing, and recycling, citizen responsibility, and long-term commitment to sustainability, served as the highlight of the programme and concluded with a strong call to action, motivating students to become proactive agents of environmental change.

THE YOUTH RED CROSS

The Youth Red Cross unit of National College, Trichy, organized its installation ceremony on July 11, 2025. The programme began with a prayer song, followed by a welcome address by Miss A. Lakshana of II B.Sc. Mathematics. Dr. D. Muthuramakrishnan, Principal (i/c), delivered the presidential address and

honoured the chief guest, emphasizing the importance of discipline, service, and social responsibility among youth. The newly elected office-bearers were installed, and all YRC members took the pledge. The chief guest, Dr. Nirmala Sarath, spoke on community health, stressing the need for awareness on haemoglobin deficiency among girls

and the impact of obesity on the future generation. The programme concluded with a vote of thanks by coordinator of YRC Dr. K. Srividhya.

The Youth Red Cross (YRC) Club of **National College (Autonomous), Tiruchirappalli**, in collaboration with **Maxivision Super Speciality Eye Hospitals**, organized a two-day ***Eye Check-up Camp*** on 17 and 18 July 2025 for students and teaching and non-teaching staff. The camp was inaugurated by Principal (i/c) Dr. D. Muthuramakrishnan. The programme aimed to provide free eye screening and create awareness about the importance of eye health.

A team of qualified ophthalmologists conducted vision testing, screening for common eye disorders,

and offered counseling for further treatment wherever necessary. On the first day, vision tests were conducted for 1,800 students and 100 staff members, while on the second day, 1,500 students and 75 staff members were screened. Students identified with vision issues were advised to use corrective spectacles. The programme was coordinated by Dr. K. Srividhya, YRC Co-ordinator.

NCC Air Wing

The NCC Air Wing of National College (Autonomous), Trichy, in collaboration with Trichy

City Police, organized a Drug Awareness Rally on June 26, 2025. The programme was coordinated by Dr. J. Balaji, Care Taker, B2 Flight – NCC Air Wing, 3 (TN) Air Sqn (T) NCC, marking his first programme in this role. The rally was flagged off by Mr. T. Eswaran, Deputy Commissioner of Police (South Zone), and aimed to create awareness on the harmful effects of drug abuse among students and the public. The rally commenced from National College and proceeded up to Karumandapam Checkpost, attracting public attention through placards and slogans. The event was graced by Dr. D. Muthuramakrishnan, Principal i/c, Mrs. P. M. Yasmeen Banu, Assistant Commissioner of Police, and Mr. D. Sivaprakasam, Inspector of Police. In addition, NCC cadets participated in Combined Annu al Training Camp–I (16.06.2025 to 25.06.2025) and CATC–II (01.07.2025 to 11.07.2025) held at PMIST, Vallam, and actively took part in various competitions, winning prizes in Cross Country, Solo Dance, and Volleyball, reflecting their discipline, enthusiasm, and commitment to excellence.

The Combined Annual Training Camp–I (CATC–I) and Combined Annual Training Camp–II (CATC–II) were conducted at PMIST, Vallam, from 16.06.2025 to 25.06.2025 and 01.07.2025 to 11.07.2025 respectively, during which cadets of National College, NCC Air Wing – B2 Flight actively participated with great enthusiasm and discipline in events such as Cross Country, Solo Dance, Solo Song, Group Dance, Group Song, Drill Competition, Volleyball (Boys), Throw Ball (Girls), and Firing. In CATC–I, the cadets brought laurels to the institution by securing Third Prize in Cross Country (Cadet Pravin Raj), First Prize in Solo Dance (Cadet Deepak), and First Prize in Volleyball by

the National College team, reflecting their excellence, teamwork, and commitment to NCC values.

In observance of the International Day against Drug Abuse and Illicit Trafficking, the NCC Girls Battalion of National College (Autonomous), Tiruchirappalli, organized a Drug Awareness Rally on 26 June 2025 at 11:40 AM. The rally was conducted at Jaya Nagar Extension and IOB Nagar, Karumandapam, with the active participation of cadets from 4 (TN) Girls Battalion NCC. The objective of the rally was to create awareness among the public, especially youth, about the harmful effects of drug abuse and to promote a drug-free society.

The cadets marched along the designated route carrying handwritten placards and posters with impactful messages such as "Stop Drugs," "Say No to Drugs," and "Drugs Kill the Happiness in You," while raising slogans to highlight the physical, mental, and social consequences of drug addiction.

The rally drew the attention of local residents and passersby, effectively spreading awareness and encouraging community support for healthy living. The disciplined participation of the cadets reflected the values of social responsibility and nation-building upheld by the NCC. The programme was successfully organized under the guidance of Dr. D. Gayathri, Associate NCC Officer and Assistant Professor, Department of Zoology. The rally concluded with a renewed pledge by the cadets to lead healthy lives and act as ambassadors against drug abuse in society.

NCC Girls Battalion

The NCC Girls Battalion of National College (Autonomous), Tiruchirappalli, organized an

International Yoga Day celebration on 19 June 2025 at 8:00 AM in the college campus, in connection with International Yoga Day observed on 21 June 2025. A total of 25 cadets from 4 (TN) Girls Battalion NCC actively participated in the programme. The objective of the event was to promote awareness about the importance of yoga among the younger generation. During the yoga practice session, the cadets performed Surya Namaskar and various asanas, which helped rejuvenate both mind and body. The programme was presided over by Dr. D. Muthuramakrishnan, Principal (i/c), who emphasized the role of yoga in maintaining physical fitness, mental peace, and personal growth in today's stress-filled world. The event was successfully organized under the guidance of Dr. D. Gayathri, In-charge of the NCC Women's Wing and Assistant Professor, Department of Zoology. The session concluded with a positive response from the cadets, highlighting the significance of yoga in leading a healthy and balanced life.

2 (TN) Armd Sqn NCC

The Har Ghar Tiranga Campaign was organized by the 2 (TN) Armd Sqn NCC on 15th August 2025 at the National College Campus, Tiruchirappalli, with the active participation of NCC cadets to promote patriotism and encourage citizens to hoist the

National Flag with pride. The programme aimed to create awareness about the significance of the Indian National Flag and to strengthen the spirit of unity and national integrity. Cadets assembled in an organized and disciplined manner, proudly displaying the Tricolour and participating in the campaign with enthusiasm, thereby reflecting their commitment to fostering national pride and respect for the Flag. The campaign successfully instilled a strong sense of patriotism among NCC cadets and the public, spreading awareness about the importance of honoring the National Flag. The activity further strengthened values such as discipline, unity, leadership, teamwork, and responsibility among the cadets, aligning with the NCC motto, "Unity and

Discipline." The 2 (TN) Armd Sqn NCC organized an awareness programme titled "Breaking Free from Plastic: A Call for Action" on 26th September 2025 at the National College Campus, Tiruchirappalli, with the objective of educating cadets about the adverse environmental and health impacts of plastic usage.

The programme featured lectures and interactive discussions emphasizing the responsibility of youth in reducing plastic consumption and promoting sustainable alternatives in daily life. The session created significant awareness among NCC cadets regarding plastic pollution and its long-term effects on the ecosystem. Cadets actively pledged to minimize the use of single-use plastics and to spread awareness among fellow students and the wider community, thereby contributing positively to environmental protection efforts. The activity strengthened their understanding of environmental responsibility and sustainable living, while also enhancing leadership qualities by motivating them to take initiative in social awareness campaigns and community-oriented environmental actions.

As part of the Swachh Bharat Abhiyan, the 2 (TN) Armed Sqn NCC organized a cleanliness drive on 26th September 2025 at the College Campus and its

surrounding areas with the objective of promoting cleanliness, hygiene, and environmental sanitation among students and the local community. NCC cadets actively participated in the drive with discipline and dedication, undertaking cleaning activities to ensure a healthier and more hygienic environment. The initiative resulted in improved campus cleanliness and created greater awareness about the importance of maintaining sanitation in daily life. The enthusiastic participation of cadets inspired fellow students and staff members to adopt clean and responsible practices.

The activity enhanced the cadets' understanding of civic responsibility and public health, while also strengthening teamwork, discipline, leadership qualities, and reinforcing the NCC motto of service before self.

RED RIBBON CLUB

The AIDS Awareness Marathon 2025 was organized by the Red Ribbon Club of National College at the Collector Office, Trichy, on 14.09.2025, with the objective of creating public awareness about HIV/AIDS and promoting a healthy, stigma-free society. Students and faculty members of National College actively participated in the marathon with enthusiasm and social responsibility, joining hands with youth, health professionals, and members of the community. The event aimed to dispel myths and misconceptions surrounding HIV/AIDS, promote safe and healthy practices, and encourage empathy and support for people living with HIV. Through impactful placards, slogans, and awareness messages, the participants educated the public on modes of transmission, prevention methods, and the importance of early testing and treatment. The marathon was inaugurated by the Deputy Collector, Trichy, whose presence added significance to the occasion. By combining physical fitness with social awareness, the event effectively reinforced the values of compassion, collective responsibility, and public health consciousness among the students, thereby strengthening their commitment towards social responsibility and life-saving awareness initiatives.

(Autonomous), Trichy, organized an Awareness Program on Organ Donation on 26.08.2025 at the AV Hall, Resource Centre, with the objective of increasing students' knowledge about organ donation and promoting a positive, ethical, and informed attitude towards the same. The programme aimed to dispel myths and misconceptions surrounding organ donation and to create awareness about its legal and life-saving significance. The session was handled by eminent medical professionals, Dr. G. Balaji, Consultant Nephrologist, and Dr. S. Kumaragurubaran, Senior Consultant Hepatologist from Apollo Hospital, Trichy, who provided clear and accurate information on living and deceased organ donation, the organs and tissues that can be donated, and the ethical and legal procedures involved. The programme also encouraged participants to pledge for organ donation and to discuss their decisions with family members, underscoring the importance of consent. A total of 75 students, 10 faculty members, and 5 others participated actively in the programme. Overall, the awareness programme successfully reinforced the values of compassion, social responsibility, and the importance of saving lives, thereby contributing to the development of informed and responsible citizens.

ROTARACT CLUB

The Rotaract Club of National College organized a tree-planting activity on 27 July 2025 under the leadership of Event Chairman Rtr. Rohinth and Event Secretary Rtr. Kavin Barath, aiming to promote environmental conservation by planting various saplings and creating awareness about protecting nature, with enthusiastic teamwork from all members.

The club also conducted its Installation Ceremony on 28 August 2025 at Saranathan Hall, National College, in the presence of college authorities and Rotary dignitaries, with Rtn. Subha Prabu, Assistant Governor (2025–2026), as the Chief Guest. During the ceremony, outgoing President Rtr. S. M. Kauser Reshma formally installed the new President Rtr. Vanmathi S. (2025–2026), and the secretary's charge was handed over to Rtr. M. B. Sundara Moorthy, marking a successful leadership transition and reaffirming the club's commitment to service and leadership development.

The Rotaract Club of our college actively participated in the ***Make in India*** rally held on 29 August 2025 at Cauvery Bridge, with the objective of creating awareness about promoting indigenous products and strengthening the Indian economy. A total of 15 members took part in the rally, holding placards and raising meaningful slogans that emphasized self-reliance and the importance of supporting local industries. The programme was conducted in the presence of the Honorable Minister Thiru. Anbil Mahesh Poyyamozhi, which added significance to the event. The rally effectively conveyed the message of ***Make in India*** to the public and was informative, impactful, and well received.

The Rotaract Club of National College organized the District Trainee Workshop Seminar (DTWS) on 6 September 2025 at Saranathan Hall, National College, as a district project of Team THADAM, co-hosted with the Rotaract Club of Trichy Celestials. The programme was conducted under the leadership of Event Chairman Rtr. Rubini and Event Secretary Rtr. Vanmathi, with participation from Rotaractors of all zones of RI District 3000. Around 150 members took part in the seminar, making it a successful platform for training, leadership development, and networking.

In addition, the club actively participated in RYLA 2K25 held on 12 September 2025, where team members Rtr. A. Matheu Mossas, Rtr. M. B. Sundara Moorthy, and Rtr. Venkatakrishnan represented the club. Notably, one team member excelled in the TYSON competition and won a fully sponsored entry to RYLA, bringing pride and recognition to the club.

The Rotaract Club of Jamal College organized a ***Meet and Greet*** event on 10 October 2025 at Café Cake Bee to strengthen fellowship between the Rotaract clubs. Members from both clubs interacted actively, sharing experiences and ideas in a friendly atmosphere. The meeting focused on building friendship, cooperation, and mutual understanding, while discussions also helped improve coordination for future joint activities. Overall, the event successfully enhanced inter-club bonding and fellowship. The Rotaract Club organized a ***Magilvithu Magil*** programme on 17 October 2025 at 6:00 PM at St. Joachim Anbagam as part of Diwali celebrations. The members visited the orphanage and distributed cakes and snacks to around 50 children, spreading joy and festive cheer. To engage and entertain the children, the club members conducted various indoor games and interactive activities. A total of seven members actively participated in the programme, making the event a meaningful and heartwarming experience that reflected the club's spirit of service and compassion.

The members of the Rotaract Club actively participated in the ***End Polio*** rally on 30 October 2025 at 7:00 AM along the Trichy–Chennai Highways. Five club members took part in the rally, which aimed to create awareness about the importance of polio vaccination and Rotary's mission to eradicate polio worldwide. The participants held banners and spread key messages to the public, emphasizing the need for collective responsibility in achieving a polio-free world. The rally was meaningful and successfully promoted social responsibility and community awareness among students.

LIONS / LEO CLUB – AWARENESS RALLY

Lions Clubs of Tiruchirappalli jointly organized an awareness rally on 8 October 2025 (Wednesday) at 8:30 AM, focusing on blood donation, eye donation, and organ donation. The rally commenced from the Tiruchirappalli District Collectorate and was flagged off by the Honorable District Collector, Thiru. V. Saravanan, I.A.S. A total of 53 members of the National College Leo Club actively participated in the rally, carrying placards highlighting the importance of blood, eye, and organ donation. The participants marched up to the Tiruchirappalli Kalaignar Arangam, distributing awareness pamphlets to the general public along the route.

At the valedictory function held at Kalaignar Arangam, the National College Leo Club was awarded a Certificate of Appreciation for its special participation, which was received by the club's faculty advisor, Dr. S. Neelakandan. In addition, the Thanjavur District Leo Club organized a self-development workshop titled ***PST Schooling***, in which the President of National College Leo Club, M. Gowtham, and Secretary, P. Abishek Das, participated and benefited. As part of the outreach activity, health and essential supply kits were also distributed to the public in Thanjavur, reflecting the club's commitment to service and social welfare.

NSS

On the occasion of World Environment Day on 5th June 2025, the NSS Units of National College (Autonomous), Tiruchirappalli, organized a tree plantation drive under the theme "Plant a Tree and Get Air for Free." The program was inaugurated by the Principal-in-charge, Dr. D. Muthuramakrishnan, and witnessed the active participation of NSS volunteers. A total of 27 saplings were planted on the college campus. The event was coordinated by Dr. D. Prasanna Balaji, Vice Principal and Head, reflecting the students' strong commitment to creating a greener and cleaner environment. The initiative aimed to raise awareness about environmental conservation and promote sustainable living, emphasizing the vital role of trees in maintaining ecological balance and inspiring everyone to contribute to a healthier planet.

The Grand Inauguration of the Tamil Nadu State Chapter of the Physical Education Foundation of India (PEFI) was held on 7th June 2025 at Hotel Marriott, Tiruchirappalli. The event brought together eminent personalities, academicians, sports professionals, and stakeholders from across the state. The ceremony was graced by Olympian Padma Shri Thiru V. Baskaran and Thiru Anbil Mahesh Poyyamozhi, Honourable Minister for School Education, Government of Tamil Nadu, who served as the Chief Guest. The programme commenced with a Welcome Address by Dr. D. Prasanna Balaji, Secretary, PEFI Tamil Nadu Chapter, followed by the Presidential Address by Rtn. AKS Er. Muruganandam. The formal appointment of office bearers and district secretaries marked a key highlight of the event. The programme concluded with a Vote of Thanks by Dr. D. Boopathy, Assistant Professor.

International Yoga Day was celebrated with great enthusiasm by the PG and Research Department of Physical Education in association with NSS Units on 21st June 2025. Yoga Ratna Thiru Ramaswamy served

as the Chief Instructor and Resource Person for the programme. The programme began with a welcome address by Dr. Soundarya, Assistant Professor and NSS Programme Officer. Yoga Ratna Thiru Ramaswamy served as the Chief Instructor and Resource Person, guiding students through various

yogic practices. Dr. D. Prasanna Balaji honoured the resource person for his valuable contribution. The programme concluded with a vote of thanks by Dr. D. Boopathy, reaffirming the institution's commitment for promoting holistic health and wellness.

The Department of Physical Education, along with NSS Volunteers, participated in the Rabies Awareness Rally organized by NSS Unit IV on 28th September 2025. The rally created public awareness on rabies prevention, vaccination, and responsible animal care.

The Department of Physical Education, in association with NSS Units, organized the "We the 100 – Youth Empowerment Programme" at Ramakrishna Math, Thanjavur. The programme featured Dr. Karuthan, Assistant Professor, Department of Tamil, and Ms. Sarada Dev, Director, Ramakrishna Math, as the key Resource Persons. The programme focused on youth responsibility, leadership, and nation building and concluded with certificate distribution to participants.

THE GENDER CLUB

The Gender Club and Equal Opportunity Centre of National College (Autonomous), Tiruchirappalli organized a programme titled "Basic Characteristics of Leadership" on 02.09.2025. The programme commenced with a welcome address by Dr. P. Anusooya, Co-ordinator, Gender Club. The Chief Guest, Ms. R. L. Lavanya, Managing Trustee, Social Activist, and Motivational Speaker, delivered an insightful address on the essential qualities of effective leadership. She emphasized that leadership is rooted in responsibility, self-awareness, and effective communication. She highlighted the importance of empathy, resilience, integrity, teamwork, and inclusivity in guiding others and building trust. The speaker encouraged students to cultivate confidence, compassion, and vision in their leadership journey. The programme concluded with

a vote of thanks proposed by Dr. R. Raja, Co-ordinator, Equal Opportunity Centre. A total of 40 students participated in the event.

The Gender Club and Equal Opportunity Centre of National College (Autonomous), Tiruchirappalli organized a Workshop on Calligraphy on 18.09.2025.

The programme commenced with a welcome address by Dr. P. Anusooya, Co-ordinator, Gender Club. The session was conducted by the Chief Guest, Ms. J. Saranya Rabekka, Calligraphy Trainer, who introduced students to the art of creative lettering and aesthetic handwriting. She explained the significance of calligraphy and demonstrated the use of essential tools such as pens, nibs, ink, and paper. The participants were guided through basic strokes, letter formation, spacing, and alignment techniques. The interactive workshop included hands-on practice sessions, encouraging creativity, precision, and artistic expression among students. The programme concluded with a vote of thanks proposed by Dr. R. Raja, Co-ordinator, Equal Opportunity Centre. A total of 50 students actively participated in the workshop.

NATIONAL SPORTS DAY

In connection with National Sports Day, the Department of Physical Education organized a Human Chain Awareness Programme on 29th

August 2025 at Kaveri Bridge, Tiruchirappalli. The event commemorated the birth anniversary of Major Dhyan Chand. The Chief Guest, Thiru Anbil Mahesh Poyyamozhi, highlighted the importance of sports in nation building. Over 1,200 students participated, creating public awareness on sports and fitness.

PHYSICAL EDUCATION DEPARTMENT - ARCHERY TOURNAMENT

The PG and Research Department of Physical Education successfully organized the Bharathidasan University Intercollegiate Archery Tournament on 21st

August 2025. Twenty-three colleges participated in the tournament. The event was inaugurated by Prof. Mahaboob John, Sports Secretary, Bharathidasan University. Bishop Heber College emerged as Overall Champions, while National College secured the Runner-Up position. The programme concluded with a vote of thanks by Ms. R. Yogeswari.

HANBDALL TOURNAMENT

The Department of Physical Education organized the Bharathidasan University Intercollegiate Handball Tournament (Women) on 11th and 12th September 2025. Eleven teams participated. National College emerged as Winners, and Srimathi Indira Gandhi College secured the Runner-Up position. The event concluded with a vote of thanks by Ms. Chinthiya, Assistant Professor.

GIRLS HOSTEL FRESHERS DAY

The Girls Hostel Freshers' Day Programme of National College (Autonomous), Tiruchirappalli was conducted on 17th July 2025 at Santhanam Hall to welcome newly admitted hostel students. The programme began with a welcome address by Dr. R. Soundaravalli, Coordinator of the Girls Hostel. The

Chief Guest, Ms. Shanmuga Priya, Proprietor of Aphrodite's Drape, Chennai, delivered an inspiring talk highlighting self-confidence, discipline, and independence in hostel life, while sharing her entrepreneurial journey. Cultural performances and interactive activities by senior students created a lively atmosphere and strengthened bonding among students. Dr. D. Muthuramakrishnan, Principal (i/c), appreciated the efforts of the organizers and encouraged students to make effective use of hostel life and Vice Principal Dr. D. Prasanna Balaji expressed his happiness over the active participation of students. The programme concluded with a vote of thanks, followed by refreshments.

National COLLEGE NEWS Bulletin

Our Motto : "That alone is knowledge which liberates"

107th CollegeDay Celebrations

Education: The Foundation for Knowledge, Skills and Responsible Citizenship

The 107th Annual Day celebration of our College was held on 13th April 2026. The Principal i/c, Dr. D. Muthuramakrishnan, welcomed the gathering and presented the Annual Day Report. In his report, he high lighted the institution's notable achievements, including research accomplishments, grants received, and the outstanding performance of students in academic as well as co-curricular activities. He also elaborated on the active role of faculty members in organizing conferences and seminars, and their participation in various workshops and academic events.

The Chief Guest Dr. Asit K. Barma, Director, Bharathi dasan Institute of Management, Tiruchirappalli, delivered an inspiring address. He proudly shared his association with the former president of our college Dr. V. Krishnamurthy and spoke about his remarkable contributions to major organizations such as Maruti Udyog Limited, Bharat Heavy Electricals Limited (BHEL) and Steel Authority of India Limited (SAIL), as well as his role in Indian manufacturing competitiveness council. He motivated students to focus on their studies, emphasizing that education is the key to becoming knowledgeable individuals and responsible citizens. He also remarked that shaping students is more challenging than many complex tasks, thereby highlighting the importance of dedication in learning. Furthermore, he lucidly explained various ways through which students can enhance their knowledge and skills. Following the Chief Guest's address, prizes were distributed to students and staff achievers in recognition of their excellence. The programme concluded with a vote of thanks proposed by the Vice Principal, Dr. D. Prasanna Balaji, who expressed gratitude to all those who contributed to the success of the event.

From the Offfice of the Principal

Dear Reader,

I am deeply gratified by the extraordinary research output that our faculty, staff, and scholars have demonstrated during this period. A total of 194 research publications have been contributed by our staff and research scholars, a testament to their intellectual vigour and academic dedication.

Our college has also made significant strides in the realm of intellectual property, having obtained 9 patents. The securing of a total research grant of Rs. 76 lakhs further validate the quality and relevance of our research agenda. The doctoral achievements of this period are equally inspiring. Three of our esteemed faculty members were awarded the Ph.D. degree, five teachers have successfully qualified the National Eligibility Test (NET) or the State Eligibility Test (SET), and a total of 18 research scholars were awarded the Ph.D. degree during this period.

One of our research scholars has been awarded the prestigious Council of Scientific and Industrial Research Senior Research Fellowship (CSIR SRF). A total of 95 workshops and seminars were organised during this period, bringing together scholars, practitioners, and students across disciplines in meaningful dialogue and knowledge exchange.

The academic brilliance of our students has been resoundingly affirmed at the university level, with 17 students obtaining university ranks.

On the placement front, the college achieved a landmark result with 1,115 job offers extended to students through campus recruitment drives.
The period under review witnessed a rich tapestry of co-curricular activities — cultural programmes, sports events, literary competitions, community service initiatives, and intercollegiate competitions — that helped students discover their talents, build leadership skills, and cultivate a sense of teamwork and social responsibility. Let this bulletin serve not only as a record of our achievements but as an inspiration for greater heights.

With warm regards and best wishes,

Dr. D. Muthuramakrishnan
Principal in-charge

From the Secretary's Desk

Dear Reader,

107th College Annual Day was celebrated during the semester - a proud milestone that reaffirms our long-standing legacy and institutional heritage. The occasion reminded all of us of the responsibility we carry as stewards of this great institution.

Graduation Day ceremonies were organised for Arts and Science graduates separately, ensuring that each student's academic achievement was honoured with the individual attention and ceremony it deserves. The Annual Sports Day further added to the festive spirit of the year, celebrating the physical prowess, team spirit, and competitive zeal of our students.

On the research and intellectual front, our college proudly hosted a Two-Day International Conference on the theme "New Generation of Libraries for Literacy and Lifelong Learning". The conference brought together scholars, librarians, and educationists from across the country and beyond, fostering rich academic dialogue. The semester also witnessed the organisation of the prestigious Sir C.V. Raman Endowment Lecture and the Diamond Jubilee Endowment Lecture, both of which upheld our tradition of nurturing intellectual inquiry by bringing distinguished speakers to inspire our students and faculty.

Strengthening industry–academia linkages, four Memoranda of Understanding were signed during the year — one each by the Departments of Geology and Chemistry, and the remaining two by the Department of B.Voc. In recognition of exceptional merit and achievement, endowment scholarships were distributed to deserving student achievers in a special function. I congratulate each recipient and thank the generous donors whose contributions continue to motivate and support our talented students. National College continues to grow in academic excellence, research culture, and social commitment, and I am confident that the best chapters of our story are yet to be written.

With warm regards and best wishes,

Shri K. Raghunathan
Secretary

GRADUATION CEREMONY - ARTS STREAM 2026

The graduation ceremony for Arts stream of students was held on 07.04.2026. The event was a momentous occasion that celebrated the academic achievements of 537 graduates who completed their Undergraduate and Post Graduate programmes in Arts subjects.

The function commenced with a formal procession of dignitaries, which set a distinguished and ceremonious tone for the event. The procession, led by HoDs, Principal, Management Committee member and the Chief Guest proceeded from staff lounge to Dr. V. Krishnamurthy Auditorium. Students, Parents and Staffs warmly received the procession reflecting the deep respect for the institution's heritage.

The graduation ceremony was formally initiated by the Committee Member Dr. N. S. Prasad. The Welcome Address was delivered by the Principal i/c Dr. D. Muthuramakrishnan. He also read the annual report of the college summarising the academic year's key accomplishments. The report covered student achievements, faculty research contributions, infrastructure developments, examination results, extracurricular activities, and the college's continuing progress in maintaining its NAAC 'A' accreditation standards. The report underscored the college's commitment to quality education and its sustained efforts toward academic and administrative excellence. Dr. Sheela Ramachandran, the distinguished Chief Guest and Former Vice Chancellor of Avinashilingam University, delivered an inspiring and thought-provoking address to the graduating students. Drawing from her rich academic career and administrative experience in higher education, she shared valuable insights on the evolving landscape of education, careers, and the responsibilities of educated citizens. She encouraged the graduates to remain lifelong learners, to contribute meaningfully to society, and to uphold the values instilled by this historic institution. Her address was warmly received and greatly appreciated by all present. The highlight of the ceremony was the conferment of degrees upon the graduating students. A total of 537 graduates received their degrees in Arts subjects. Each graduate was called upon the stage individually to receive their degree amidst the pride of the assembled audience. The conferment of degrees represented the culmination of years of academic effort, discipline, and dedication by the students. Following the conferment of degree, the Principal administrated a pledge to all the graduants as below.

"We shall in thought, word and deed ever endeavor to be scrupulously honest in the dischage of our duties in our profession and shall uphold the dignity and integrity of our0 profession and the honour of our university".

"We shall uphold and advance social order and the well being of our fellow members and shall devote all our energy to promote unity, integrity and the secular ideal of out country".

Finally, the Principal announced the dissolving of graduation ceremony. And the ceremony ended with National Anthem.

GRADUATION CEREMONY - SCIENCE STREAM 2026

The graduation ceremony for Science stream of students was held on 09.04.2026. The event was a momentous occasion that celebrated the academic achievements of 732 graduates who completed their Undergraduate and Post Graduate programmes in Science subjects.

The function commenced with a formal procession of dignitaries, which set a distinguished and ceremonious tone for the event. The procession, led by HoDs, Principal, Management Committee member and the Chief Guest proceeded from staff lounge to Dr. V. Krishnamurthy Auditorium. Students, Parents and Staffs warmly received the procession reflecting the deep respect for the institution's heritage.

The graduation ceremony was formally initiated by the Committee Member Mr. D. Harsha. The Welcome Address was delivered by the Principal i/c Dr. D. Muthuramakrishnan. He also read the annual report of the college summarising the academic year's key accomplishments. The report covered student achievements, faculty research contributions, infrastructure developments, examination results, extracurricular activities, and the college's continuing progress in maintaining its NAAC 'A' accreditation standards. The report underscored the college's commitment to quality education and its sustained efforts toward academic and administrative excellence.

The Chief Guest, Dr. V. Geethalakshmi, former Vice Chancellor of Tamil Nadu Agricultural University, distributed the degree certificates to the graduates. In her address, she urged the graduates to acknowledge the hard work and sacrifices of their parents, as well as the dedication of their teachers who had been a constant source of inspiration. She encouraged them to become job providers rather than job seekers and motivated them to explore global opportunities and transform them into meaningful careers. She also congratulated the management and faculty for disbursing scholarships amounting to crores of rupees for the welfare of students. The highlight of the ceremony was the conferment of degrees upon the graduating students. A total of 732 graduates received their degrees in Science subjects. Each graduate was called upon the stage individually to receive their degree amidst the pride of the assembled audience. The conferment of degrees represented the culmination of years of academic effort, discipline, and dedication by the students. Following the conferment of degree, the principal administrated a pledge to all the graduants as below.

"We shall in thought, word and deed ever endeavor to be scrupulously honest in the dischage of our duties in our profession and shall uphold the dignity and integrity of our0 profession and the honour of our university". "We shall uphold and advance social order and the well being of our fellow members and shall devote all our energy to promote unity, integrity and the secular ideal of out country". Finally, the principal announced the dissolving of graduation ceremony.

107th Annual Sports Meet 2026

The 107th Annual Sports Meet of our college was celebrated with grand fervor and athletic spirit on February 26, 2026, at the college playground. The formal ceremony opened with a Welcome Address by Mr. S. Venkata Krishnan, III B.A. History. The Principal i/c Dr. D. Muthuramakrishnan delivered the presidential address. Dr. D. Prasana Balaji, Physical Director- Vice Principal (UAP) read out the annual sports report of the college.

The Chief Guest **Dr. T. Senthilkumar, Dean, Anna University, Tiruchirappalli** hoisted the National Flag and declared open the sports event. In his address, he emphasized that sports are integral to developing physical fitness, mental fortitude, and discipline. He further encouraged the students to maintain a harmonious balance between academic excellence and athletic pursuits to foster a healthy lifestyle and a spirit of fair play. He appreciated the students of the physical education department for their achievements.

The event witnessed enthusiastic participation from all departments of the college. The March Past, a highlight of the sports meet, displayed remarkable coordination and discipline. The Department of Statistics secured the first position, while the Department of English and the Department of Chemistry earned the second and third positions, respectively. The meet also included various track and field events, a special 50M race for children, and a captivating Aerobics display by the Physical Education students.

The final championship standings were as follows: Major Games Overall Champions: Department of Computer Science. **Major Games Runners-up:** Department of Commerce (Un-aided). **Athletics Overall Champions:** Department of Physical Education. **Athletics Runners-up:** Department of Statistics. The event concluded with a formal **Prize Distribution** ceremony, honoring the victors for their outstanding performances. The day's proceedings ended with the rendition of the **National Anthem**, marking the successful completion of the 107th Annual Sports Meet.

Alumni Association

National College (Autonomous), Tiruchirappalli, organised an Alumni Meeting on 8 February 2026, bringing together distinguished alumni, faculty members, and students for interaction and reflection. The programme commenced with an invocation, followed by a welcome address by Dr. D. Muthuramakrishnan, Principal (i/c), who highlighted the continuing bond between the institution and its alumni community. Office bearers of the Alumni Association, President Dr. K. Anbarasu, Director of National College (A), and Secretary Mr. M. Somasundaram addressed the gathering. Dr. K. Anbarasu traced the history of National College and outlined its recent academic and institutional achievements. Mr. M. Somasundaram described participation in alumni meets as intellectually and emotionally rejuvenating and encouraged former students to remain connected with the institution.

Eminent alumni Rtn. S. Chidambaram, Chairman of Sakthi College of Nursing, Sri Meenakshi Matriculation Higher Secondary School, Zee School (CBSE), and NBF Nidhi Ltd., Karur; Dr. S. Ramesh, Scientist-G and Deputy Director (Mission Projects) at the National Institute of Ocean Technology, Chennai; and Dr. E. M. T. Velu, Senior Principal Scientist and Engineer (Retd.), Research and Development Division, Western Digital Corporation, USA, were honoured with the Distinguished Alumni Award. The award to Rtn. S. Chidambaram was presented by Dr. D. Muthuramakrishnan, Dr. S. Ramesh received the award from Mr. M. Somasundaram, and Dr. E. M. T. Velu was presented the award by Dr. K. Anbarasu. Rtn. S. Chidambaram was introduced by Dr. M. Sharmila, Department of Commerce; Dr. S. Ramesh was introduced by Dr. N. Jawahar Raj, Department of Geology; and Dr. E. M. T. Velu was introduced by Dr. M. Murali, Department of Chemistry. In his address, Rtn. S. Chidambaram expressed his gratitude to his former professors for their guidance and influence

on his career. Dr. S. Ramesh shared his experiences as a student at National College and reflected on how the institution shaped his academic and professional journey.

In their acceptance speeches, Dr. S. Ramesh highlighted the need for innovation and continuous learning. Dr. E. M. T. Velu encouraged the younger generation to pursue research in renewable energy sources and emphasised the importance of scientific inquiry in addressing global challenges. During the general interaction session, several distinguished alumni shared their memorable experiences as students and reflected on the academic environment and facilities of the college. The programme concluded with a vote of thanks proposed by Dr. D. Saravanan, Dean of Science. The alumni meet served as a platform to strengthen alumni–institution ties and foster engagement between former students and the academic community.

Two-Day International Conference on "New Generation of Libraries for Literacy and Lifelong Learning (NGLLLL–2026)"

Raja Rammohun Roy Library Foundation (RRRLF), Ministry of Culture, Government of India, sponsored Two**-Day International Conference**

on "New Generation of Libraries for Literacy and Lifelong Learning (NGLLLL–2026)" was organized by the Department of Library and Information Science from 29 to 30 January 2026. The conference brought together academicians, researchers, librarians, and professionals from India and abroad to deliberate on the evolving role of libraries in the digital era. The conference was conceptualized with the objective of exploring the transformation of libraries into dynamic knowledge ecosystems that support literacy, lifelong learning, research, and skill development. The central theme emphasized the shift from traditional libraries to technology-driven, inclusive, and intelligent information hubs that integrate artificial intelligence, digital resources, and interdisciplinary knowledge systems to support academic and societal advancement.

The inaugural session commenced with the welcome address by Dr. T. Sureshkumar, Assistant Professor, Librarian and Organizing Secretary,. Dr. J. Karthikeyan, Assistant Professor of English and Conference Director, presented the conference overview, highlighting that out of 240 research papers received, 145 papers authored by 226 contributors from 184 institutions across six states and two union territories were selected for presentation and publication. He also noted that 30 applicants were shortlisted for the Torch Bearers' Awards. The conference souvenir and proceedings were released by the dignitaries on the dais. The presidential address was delivered by Dr. M. Muthuramarkrishnan, Principal (I/C), who emphasized the transformative role of libraries in supporting lifelong learning and knowledge dissemination. The chief guest, **Prof. P. Pratheepan, Vice-Chancellor, Eastern University, Sri Lanka,** delivered an insightful address on libraries as dynamic knowledge systems. He stressed the importance of digitization of rare manuscripts, promotion of the Indian Knowledge System, and the evolving competencies required for library and information science professionals in the age of artificial intelligence. The special address was delivered by **Dr. Maheswaran Rosiah, Librarian, University of Peradeniya, Sri Lanka**, who highlighted the evolutionary growth of library documents and the importance of delivering the right information to the right user at the right time and in the right format.

Felicitation address was delivered by Dr. D. Prasanna Balaji, Vice-Principal(UAP), who emphasized libraries as instruments of transformation and appreciated librarians for their dedicated service. The keynote address was delivered by Dr. Dewendra Kumar Singh, University Librarian, Banaras Hindu University, Varanasi. He elaborated on the relevance of the Five Laws of Library Science in the present context and discussed the role of libraries in promoting digital, social, and AI literacy. He also emphasized the importance of integrating traditional knowledge systems with modern technologies while preserving indigenous knowledge.

Following the inaugural session, an industry interaction session was conducted. Representatives from ROVAN IMS, SAGE Publications, 2CQR, Trichy Book House, Cambridge Publications, GALE, and Rovan LMS demonstrated their products and interacted with participants. The session provided valuable exposure to contemporary publishing trends, digital platforms, and research tools widely used in academic and professional environments.

The first plenary session was delivered by **Dr. S. Sreenivasaragavan, Senior Professor and Founder Head, DOLIS, Bharathidasan University**. He spoke on research support services in libraries, skill requirements for librarians, open access scholarly communication, research visibility tools, and anti-plagiarism software. The second plenary session was handled by Dr. J. Karthikeyan, who discussed research funding opportunities, real-life case studies, and the use of artificial intelligence tools to enhance library services and academic productivity.

The conference featured twelve parallel technical sessions covering diverse themes such as Artificial Intelligence and Smart Library Technologies, Information Literacy and Lifelong Learning, Digital Transformation and Library Automation, Bibliometrics and Scientometrics, Cultural Heritage Preservation, User Studies, Knowledge Management, and interdisciplinary applications across humanities, sciences, engineering, and social sciences. Each session was chaired by eminent academicians and supported by co-chairs and rapporteurs to ensure systematic academic discussion and documentation.

On 30 January 2026, the third plenary session was delivered by **Dr. K. Elavazhagan, Librarian and Chief Knowledge Officer, Indian Institute of Management, Tiruchirappalli.** He spoke on Intellectual Property Rights, patents, copyright, trademarks, plagiarism, and ethical use of artificial intelligence, supported by practical examples and real-world applications.

A panel discussion titled "Libraries as Partners in Lifelong Learning and Skill Development" was moderated by **Dr. S. Dhanavandan, Deputy Librarian, Central University of Tamil Nadu.** Panelists included Dr. J. Franklin, Dr. R. R. Saravankumar, and Dr. S. Raghavan, who discussed the role of libraries in supporting lifelong learning, collaboration with stakeholders, and the development of user-centric services in both academic and public library systems.

The valedictory function commenced with the college song and Tamil Thai Vazhthu. Dr. Arunpandian, Assistant Professor of English, welcomed the gathering. The conference director, Dr. J. Karthikeyan, read out the list of awardees. Felicitations were offered by Dr. D. Prasanna Balaji and Dr. S.

Sreenivasaragavan. Awards were conferred by the chief guest**, Mr. Farooq Umar, Deputy Collector, Tiruchirappalli,** including lifetime achievement awards, best librarian awards, best researcher awards, and awards for cultural heritage preservation and outstanding contributions. In his valedictory address, Mr. Farooq Umar emphasized the importance of making books lifelong companions and encouraged a shift in perception from viewing libraries as mere book-lending institutions to knowledge empowerment centers.

The guest of honor, Dr. B. Jeyapragash, Controller of Examinations (I/C), Bharathidasan University, highlighted modern tools and technologies such as discovery layers, integrated library systems, digital libraries, makerspaces, and AI-driven platforms for enhancing library services. The organizing secretary, Dr. T. Sureshkumar, proposed the vote of thanks. A total of 122 research papers were presented across 12 technical sessions, supported by multiple industry presentations and exhibitions.

Two-Day Workshop on "IoT Sensor to Smart System"

A two-day workshop on **"IoT Sensor to Smart System"** was organized by the PG & Research Department of Computer Science and the Department of Data Science on **December 4 and 5,**

2025. G. Kanimozhi, Assistant Professor, Department of Computer Science, delivered the welcome address during the inaugural session. The workshop was inaugurated by **Mr. A. Arunprasath, Assistant Professor, Department of Information Technology,** National College, Tiruchirappalli. In his address, he highlighted the growing importance of emerging technologies like the Internet of Things (IoT) and emphasized the need for students to acquire practical knowledge and technical skills to meet current industry demands. The workshop was structured into two days of intensive hands-on technical sessions aimed at providing both conceptual understanding and practical exposure to IoT systems.

Day 1 of the workshop focused on introducing the fundamental concepts of the Internet of Things (IoT).

The resource person explained IoT as a network of interconnected physical devices embedded with sensors, software, and communication technologies that enable them to collect and exchange data over the internet. He elaborated on how IoT devices range from simple household appliances such as smart lights and thermostats to complex industrial machinery. The session highlighted the core objective of IoT, which is to minimize human intervention by enabling devices to communicate autonomously, thereby improving efficiency, accuracy, and convenience. Participants were introduced to the architecture of IoT systems and gained insight into how devices interact within a network to create smart environments.

Day 2 of the workshop focused on the practical aspects of IoT, particularly the role of sensors in smart systems. The session explained that IoT sensors are crucial components that detect physical parameters such as temperature, humidity, motion, and pressure, and convert these measurements into

digital data. The resource person demonstrated how these sensors act as a bridge between the physical and digital worlds, enabling real-time data collection and analysis. Participants were given hands-on exposure to understanding how sensor-based systems operate, how data is transmitted, and how smart decision-making processes are implemented in IoT applications. The session further emphasized the wide-ranging applications of IoT in fields such as smart homes, healthcare, agriculture, industrial automation, and environmental monitoring. Throughout the workshop, students actively participated in the sessions, showing keen interest in learning about IoT technologies and their real-world applications. The hands-on approach helped students gain practical knowledge and enhanced their understanding of how IoT systems are designed and implemented. The workshop concluded with a vote of thanks proposed by Mr. Akash B, II B.Sc. Computer Science.

Workshop on "Digital Marketing in Action: Real-World Industry Practices"

The Department of Commerce (UAP), National College (Autonomous), Tiruchirappalli, organized an Industry-Led Workshop titled **"Digital Marketing in Action: Real-World Industry Practices"** on Monday,

16 February 2026 in the Dr. V. Krishnamurthy Auditorium. The workshop was conducted in collaboration with the industry partner Freshora Digital Technologies, with the objective of providing practical exposure to students on digital marketing strategies, tools, and real-world applications.

The programme began with a warm welcome address delivered by Ms.J. Salma Banu, II B.Com A. The event was presided over by Dr. D. Muthuramakrishnan, Principal (i/c),. The session was effectively anchored by Ms. Preethi, who served as the Master of Ceremony and ensured the smooth flow of the programme.

The workshop featured eminent industry experts from Freshora Digital Technologies**. Mr. Jerald Alphonse, CEO**, delivered the keynote address, emphasizing the growing importance of digital marketing in today's business environment. He elaborated on how businesses leverage digital platforms for branding, customer engagement, and revenue generation. He also highlighted the increasing demand for skilled digital marketing professionals and encouraged students to explore career opportunities in this dynamic field.

The technical sessions were handled by Ms. Swathi, Team Leader, Ms. Leena Helan, Digital Marketing Expert, and Ms. Santhiyak Shril, Digital Marketing Executive. They provided in-depth knowledge on various aspects of digital marketing, including Search Engine Optimization (SEO), Social Media Marketing (SMM), Google Ads, content marketing strategies, branding techniques, and consumer engagement practices. The speakers also demonstrated real-

time digital marketing campaigns and introduced students to various tools and analytics platforms used in the industry.

A significant focus of the workshop was on practical learning. The resource persons explained how businesses design and implement marketing strategies to reach target audiences effectively. They also discussed the role of data analytics in measuring campaign performance and optimizing marketing efforts. The interactive nature of the session encouraged students to actively participate by asking questions and sharing their perspectives, making the workshop engaging and insightful. The workshop successfully achieved its objective by enhancing students' understanding of digital marketing concepts and their practical applications. It created awareness about current industry trends and equipped students with knowledge of modern marketing tools and techniques. The session also inspired students to develop digital skills and consider career opportunities in digital marketing and e-commerce sectors. The programme concluded with a vote of thanks delivered by Mr.P.M Subhash,Sriram.

Seminar on Trade Smart, Not Hard: Stock Market Basics to Young Investing Minds

The Department of Business Administration organized a seminar titled **"Trade Smart, Not Hard: Stock Market Basics to Young Investing Minds"** on Wednesday, **24 December 2025.** The programme

commenced with a welcome address by Dr. M. Chandra, Assistant Professor and Head of the Department, who emphasized the importance of developing financial intelligence as an integral part of the undergraduate curriculum.

The seminar was designed to provide students with foundational knowledge of financial markets and to encourage a disciplined and informed approach to investing from an early age. The resource person for the session was **Mr. S. Md. Inamul Hassan, Founder of Dreamin Traders Training Academy,** who brought an inspiring and relatable perspective to the topic. He addressed common misconceptions about the stock market, reframing it from a gambling activity to a structured platform for strategic and long-term investment.

During his presentation, Mr. Hassan explained the concept of "Smart Trading," which focuses on technical competence, emotional discipline, and risk management. He introduced students to the structure of the Indian financial markets and explained the roles of the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE**)** in the economy. He highlighted the power of compounding, illustrating how small but consistent investments made during college years could grow into substantial wealth over time, emphasizing that time in the market is a crucial factor for investment success.

The technical segment of the seminar familiarized students with essential trading tools such as candlestick patterns, market trends, moving averages, support and resistance levels, and the use of stop-loss orders to minimize risk. The speaker cautioned against unplanned and emotionally driven trading practices and advocated a methodical approach supported by continuous learning and the use of modern fetch applications.

The session concluded by encouraging students to adopt a systematic investment mindset early in life, focusing on long-term value rather than short-term market fluctuations. The seminar successfully empowered young investors to view the stock market as an accessible, structured, and rewarding avenue for achieving financial independence.

The introduction of the resource person was made by Ms. T. Swathi, I BBA – Aviation Management, and the vote of thanks was proposed by Mr. P. T. Arun Saghaya Raaj, II BBA**.** Ms. M. Hinduja, II BBA**,** served as the Master of Ceremony. The programme concluded with an interactive session between the students and the speaker, further enriching their understanding of stock market fundamentals. The introduction of the chief guest was given by Mr. G. Sarath, Assistant Professor (Visiting Faculty – Pilot), and the vote of thanks was proposed by Dr. C. Suseendar, Assistant Professor. The programme concluded with an interactive session, enriching the students' understanding of the aviation industry and its career prospects.

National Seminar on "Indian Knowledge Systems for Interdisciplinary & Holistic Education"

A One-Day National Seminar on **"Indian Knowledge Systems for Interdisciplinary & Holistic Education"** was organized by the Department of

Sanskrit and the Department of Hindi, National College (Autonomous), Tiruchirappalli, on **04 February 2026** at Rajaji Hall. The seminar aimed to explore the relevance of Indian Knowledge Systems (IKS) in interdisciplinary and holistic education. Mrs. S. Prasanna Devi, Head of the Department of Hindi, delivered the Welcome Address and highlighted the importance of Indian Knowledge Systems in connecting modern education with India's cultural and intellectual traditions.

The Presidential Address was delivered by Dr. D. Muthuramakrishnan, Principal **(i/c)**, who emphasized the need to integrate traditional knowledge with modern educational practices. The Chief Guest**, Dr. Sudha Seshayyan**, **Director, SASTRA (Deemed to be University), Chennai** Campus, delivered the Inaugural Address, explaining the scientific and interdisciplinary aspects of Indian Knowledge Systems.

The technical sessions included four lectures. **Dr. L. Sampath Kumar** spoke on **"Sanskrit as the Language of Sciences: Evidence from IKS."** **Dr. V. Jagannadha Reddy** presented a lecture on **"Folk Literature as a Knowledge System." Dr. S. Usha** discussed **"Management Principles in Ancient Indian Texts." Dr. P. Rajaretnam** delivered a talk on **"Hindi Literature as a Medium for Value-Oriented Education."**

The Valedictory Address was delivered by **Dr. S. Senthilnathan, Director, UGC HRDC, Bharathidasan University.** An interactive feedback session was conducted, followed by certificate distribution to the participants. The programme concluded with the Vote of Thanks proposed by Dr. V. Balaji, Head of the Department of Sanskrit.

Workshop on GST Simplified for Commerce Students

The Department of Commerce (Aided) organized an insightful workshop titled **"GST Made Simple – From Registration to Return Filing"** on March 10, 2026, aimed at enhancing students' understanding of

the Goods and Services Tax system and its practical applications in business. The session commenced with a welcome address by Mr. Aakash, a student of III B.Com A, who warmly greeted the resource persons and participants, setting the tone for the event. Dr. D. Muthuramakrishnan, Principal (i/c), delivered the Presidential Address. The felicitation address was given by Dr. M .Sharmila, Associate Professor and ,Head of the Department.

The workshop featured two distinguished resource persons from Chennai. The first technical session was led by CA. **P. A. Ashwin Kumar**, **Auditor at CRBS & Associates LLP**. He delivered a comprehensive presentation on the structure and functioning of GST in India. Emphasizing the transformative impact of GST, he explained how it streamlined the indirect taxation system by subsuming multiple taxes into a unified framework. He elaborated on key components such as Central Goods and Services Tax (CGST) and Integrated Goods and Services Tax (IGST), providing clarity on their roles in the taxation system.

Further, he discussed GST rate rationalisation and explained the classification of tax rates applicable to various goods and services. By citing practical examples, such as the 3% GST on gold, he enabled students to better understand the real-time implications of tax policies. His session offered valuable academic and practical insights, making complex taxation concepts more accessible to students.

The second technical session was handled by **Mr. A. Naveen, Advocate, Chennai,** who provided an in-depth explanation of important GST concepts. He focused on Input Tax Credit (ITC), highlighting its significance in avoiding tax cascading, and clearly differentiated between inter-state and intra-state supply of goods and services.

He also elaborated on the legal definitions under GST, referring to Section 2(56) of the GST Act, where goods are defined as movable property. The session further covered procedural aspects such as GST registration, types of registration, and the step-by-step process involved in filing GST returns. His practical approach and clear explanations helped students gain a better understanding of compliance requirements and legal provisions under GST.

Both sessions were highly interactive, with students actively engaging in discussions and clarifying their doubts. The workshop successfully bridged the gap between theoretical knowledge and practical application, equipping students with essential skills relevant to the field of commerce and taxation.

Two-day national seminar on next-generation GST reforms and india's socio-economic reset: institutional, sectoral and welfare dimensions under the 2025 GST-council regime

The Department of Commerce – Bank Management organized a Two-Day National Seminar on "Next-

Generation GST Reforms and India's Socio-Economic Reset: Institutional, Sectoral and Welfare Dimensions Under the 2025 GST-Council Regime" from **26th to 27th February 2026**. The seminar was sponsored by the **Indian Council of Social Science Research – Southern Regional Centre** and was organized under the guidance of Dr. R. Arvindh, Head and Assistant Professor, Department of Commerce – Bank Management, who served as the Organising Secretary. The inaugural session commenced with a prayer song followed by Tamil Thai Vazhthu. The welcome address was delivered by Dr. R. Arvindh, who highlighted the importance of integrating traditional Indian knowledge systems with contemporary business and management practices. The Chief Guest**, Prof. B. Mahadevan, Professor of Production and Operations Management, Indian Institute of Management (IIM), Bangalore**, delivered the inaugural address. He emphasized the relevance of Indian Knowledge Systems in shaping ethical leadership and value-based management practices. He further discussed how classical Indian texts offer timeless principles for governance, entrepreneurship, and responsible economic development. The dignitaries appreciated the initiative of the department in promoting indigenous wisdom in modern management. The session set an inspiring tone for the seminar and encouraged scholarly engagement on sustainable and inclusive growth. The inaugural session was graced by Dr. Balaji V., Head and Assistant Professor of Sanskrit, National College (Autonomous), Tiruchirappalli.

The first technical session was delivered by **Mr. S. Sivakumar, CEO, Trichy Plus Group of Companies**, who highlighted the historical foundations of Indian knowledge systems in business and management. He explained the relevance of texts such as Arthashastra and Thirukkural in governance, trade, and business ethics.

The second session was handled by **Mr. Jay Tanna, Training Director, Skill Training School, Coimbatore,** who emphasized the importance of integrating Indian Knowledge Systems into modern education through policy support and institutional frameworks.

The third session was delivered by **Dr. S. Madhan Shankar, Founder and CEO, Ashwinis Herbs & Foods and Rashmivat Edu Tech Pvt. Ltd., Coimbatore**, who discussed ethical foundations in Indian traditions, focusing on values such as Dharma, integrity, and accountability in business practices.

The fourth session was taken by **Dr. Christabell P. J., Head and Associate Professor, Department of Economics, University of Kerala,** who highlighted the role of indigenous knowledge in promoting sustainable entrepreneurship, rural development, and community-based enterprises. The fifth session was delivered by **Dr. K. Kesava Rajarajan, Associate Professor, The Gandhigram Rural Institute (Deemed**

to be University), Dindigul, who emphasized the global relevance of Indian cultural and philosophical traditions in promoting sustainability, ethics, and responsible governance.

The sixth technical session was handled by **Dr. D. Don Stony, Assistant Professor, Department of Tamil, Loyola College (Autonomous), Chennai**, who discussed leadership and management principles derived from classical Indian literature and their relevance in modern organizations.

The valedictory session was presided over by **Prof. Dr. S. M. Balakrishnan, Registrar, Tamil Nadu National Law University, Tiruchirappalli**. In his address, he reflected on the outcomes of the seminar and emphasized the importance of integrating Indian Knowledge Systems into contemporary business and management practices. He highlighted their role in promoting sustainability, ethics, and inclusive growth. The session concluded with a vote of thanks delivered by **Dr. R. Arvindh, Head and Assistant Professor, Department of Commerce – Bank Management**

One-day workshop on "Introduction to Artificial Intelligence with a hands-on session with Vital Minds (AI based app)"

The PG and Research Department of Physical Education and Sports Sciences at National College, Trichy, organized a dynamic one-day workshop titled

"Introduction to Artificial Intelligence with a hands-on session with Vital Minds (AI based app)" on March 10, 2026. Held at the Indoor Stadium, the session featured Dr. S. Muthukumaran from the Department of Metallurgical and Materials Engineering at NIT Trichy as the resource person, who provided students with practical insights into integrating AI tools within the sports and wellness domain. Under the guidance of Vice Principal Dr. D. Prasanna Balaji, Principal (i/c) Dr. D. Muthuramakrishnan, and Secretary Shri. K. Raghunathan, the workshop successfully equipped participants with modern digital competencies to enhance athletic performance and pedagogical research.

Workshop on Micro Website Creation

The Department of Information Technology, organized a MoU-signed workshop on **Micro Website Creation** on 3 February 2026 in the Library AV Hall. The programme commenced with a welcome address by Mr. C. Sivanandham, Assistant Professor and Vice

President of the IT Association. The event marked a significant milestone with the formal signing of a Memorandum of Understanding (MoU), aimed at strengthening industry–academia collaboration and providing students with enhanced practical learning opportunities.

The chief guest, **Mr. M. Abdul Malick, Founder of Digitz India Technology and Digital Toppers, Tiruchirappalli**, delivered a comprehensive and engaging session. He provided detailed insights into micro website development, covering key aspects such as domain registration, web hosting, design principles, and user experience (UI/UX). He also introduced students to various tools and platforms that enable quick and efficient website creation.

A major highlight of the workshop was the live demonstration, where students were guided step-by-step through the process of creating a micro website. This hands-on approach helped participants clearly understand real-time implementation and technical workflows. The session also focused on integrating digital marketing strategies with micro websites, emphasizing their role in personal branding and professional growth.In his keynote address, Mr. Abdul Malick stressed the importance of establishing a strong digital identity in today's competitive world. He encouraged students from all disciplines to create personal websites to showcase their portfolios, achievements, and skills. He also highlighted

emerging career opportunities in web development, freelancing, and entrepreneurship, urging students to adopt a proactive and innovative mindset.

Overall, the programme was highly beneficial in bridging the gap between theoretical knowledge and practical application. It reinforced the institution's commitment to skill-based education and innovation. The event concluded with a vote of thanks by Ms. M. Elakkiya, III Year IT.

Two-day International Conference on "Sustainable Groundwater Management under Climate Change and Environmental Challenges"

The Department of Geology, National College, successfully organized a two-day International Conference on "Sustainable Groundwater Management under Climate Change and Environmental Challenges" on 12 and 13 December 2025. The conference was conducted with the objective of bringing together academicians, scientists, policymakers, environmental experts, industry professionals, and research scholars to discuss sustainable approaches for groundwater management in the context of climate change,

increasing environmental stress, and water resource challenges. The event served as an important academic platform for knowledge sharing, scientific interaction, and collaborative research discussions related to hydrogeology, groundwater sustainability, climate resilience, and environmental management.

The inaugural session commenced with an invocation followed by the Welcome Address delivered by Dr. N. Jawahar Raj, Associate Professor and Head, Department of Geology, who outlined the objectives, thematic focus, and academic significance of the conference. The Presidential Address was delivered by Dr. D. Muthuramakrishnan, Principal (i/c), who emphasized the important role of higher educational institutions in addressing groundwater-related issues through research, innovation, and interdisciplinary collaboration. The Inaugural Address was delivered by Shri R. Anand, Chief General Manager, NABARD, Chennai, who highlighted the importance of sustainable groundwater management practices for achieving climate-resilient rural development and agricultural sustainability. The conference was further honoured by the presence of Shri M. Sivakumar, Regional Director, Central Ground Water Board, South Eastern Coastal Region, Chennai, as the Guest of Honour. In his address, he shared valuable insights on groundwater assessment techniques, monitoring methodologies, aquifer management, and governance frameworks adopted in India for sustainable utilization of groundwater resources.

One of the major academic highlights of the conference was the release of an ISBN-published conference proceedings volume comprising 24 peer-reviewed research papers contributed by researchers and academicians from reputed institutions across India and abroad. The publication included scholarly contributions from Ravenshaw University, Bhabha Atomic Research Centre, Kuwait Institute for Scientific Research, Anna University, Annamalai University, University of Madras, Banasthali Vidyapith, Bishop Heber College, Bharathidasan University, Tamil University, and Dhaanish Ahmed College of Engineering. The publication serves as a valuable academic reference for researchers, policymakers, and environmental planners working in the fields of groundwater management and climate studies.

Another significant milestone of the conference was the signing of a Memorandum of Understanding (MoU) between the Department of Geology, National College (Autonomous), Tiruchirappalli, and Hydro Development & Research Analytics Pvt. Ltd. (HYDORA). Following the signing ceremony, Dr. A. L. Ramanathan, Chief Technical Officer, HYDORA, delivered a comprehensive presentation explaining the objectives and strategic significance of the collaboration. He emphasized the importance of industry–academia partnerships in addressing contemporary environmental and groundwater challenges. The MoU aims to promote joint research initiatives, consultancy projects, technical training programmes, internships for students, capacity-building workshops, and the application of advanced analytical tools and technologies in groundwater assessment and environmental monitoring. The collaboration is expected to strengthen research

opportunities, practical exposure, and knowledge transfer between academia and industry.

The conference featured five invited lectures delivered by eminent scientists and academicians including Dr. R. Arthur James, Prof. Dr. Prasanna Mohan Viswanathan, Dr. Chidambaram Sabarathinam, and Dr. C. Lakshumanan. The invited lectures addressed several important themes including climate change impacts on groundwater systems, hydrogeochemical processes, coastal aquifer management, groundwater contamination, disaster mitigation strategies, remote sensing and GIS applications, environmental sustainability, and policy perspectives in groundwater governance. The sessions provided participants with valuable scientific insights and exposure to recent advancements in hydrogeological research and environmental management practices.

The conference also witnessed active participation from faculty members, scientists, and scholars representing various institutions including Annamalai University, Bishop Heber College, Anbil Dharmalingam Agricultural College and Research Institute, and Government Arts College. A total of six technical sessions were conducted and chaired by eminent academicians including Dr. R. Thilagavathi, Dr. Pradeep, Dr. N. Ganesan, and Dr. U. Sangunathan. These technical sessions provided an effective platform for the presentation of research findings, scientific discussions, and exchange of innovative ideas related to groundwater sustainability and environmental science.

Based on scientific merit and presentation quality, Best Oral Presentation Awards and Best Poster Presentation Awards were distributed to outstanding participants from various institutions. The awards recognized excellence in scientific communication, innovative research methodologies, and contributions toward sustainable groundwater management and environmental studies. Cash prizes sponsored by HYDORA were awarded to selected best presenters, encouraging young researchers and students to actively engage in scientific research and academic excellence.

The Valedictory Session held on 13 December 2025 was graced by Dr. Chidambaram Sabarathinam, who emphasized the need for interdisciplinary approaches, international collaboration, and sustainable strategies for groundwater conservation and environmental protection. The Special Address was delivered by Dr. K. Anbarasu, Director, National College (Autonomous), Tiruchirappalli, who appreciated the efforts of the organizing committee, resource persons, and participants for making the conference a grand academic success. The Conference Report was presented by Dr. C. Thivya, Convenor and Assistant Professor, while the Vote of Thanks was proposed by Dr. P. Karthick, Convenor and Assistant Professor, National College (Autonomous), Tiruchirappalli. The conference concluded successfully with meaningful academic deliberations, collaborative networking, and valuable recommendations for sustainable groundwater management, climate resilience, and environmental sustainability.

Endowment Lectures

Prof. Sir C. V. Raman Memorial Endowment Lecture

National College (Autonomous), Tiruchirappalli has been organizing the Nobel Laureate, **Bharat Ratna,**

Prof. Sir C. V. Raman Memorial Endowment Lecture for more than a decade with the aim of enriching academic discourse and promoting excellence in the field of physical sciences. The 10th edition of this prestigious Endowment Lecture was held on **28th January 2026.** The annual endowment lecture brings together eminent scholars and distinguished technocrats who share their knowledge and expertise with the academic community, particularly those engaged in physical sciences. **Prof. P. Paratheepan, Hon'ble Vice-Chancellor, Eastern University, Sri Lanka**, delivered the endowment lecture on Recent Advancements in Thermoelectrics.

In his address he spoke about Thermoelectric materials are capable of converting heat energy directly into electrical energy and vice versa through the Seebeck and Peltier effects. These materials are gaining importance due to their potential in energy harvesting, waste heat recovery, and solid-state cooling. Recent advancements focus on improving

efficiency, reducing cost, and expanding applications. He also said that the performance of thermoelectric materials is measured by the dimensionless figure of merit (ZT), which depends on the Seebeck coefficient, electrical conductivity, and thermal conductivity. Modern research emphasizes optimizing these parameters simultaneously to achieve higher efficiency. Recent research has expanded beyond traditional materials like bismuth telluride.

These materials offer improved efficiency, stability, and wider temperature applicability. He also said that Hybrid materials combine organic and inorganic components to improve both efficiency and mechanical strength. He also spoke about Recent research focuses on environmentally friendly materials. These efforts aim to make thermoelectric technology more sustainable.

Thermoelectric advancements have expanded applications. The programme was presided over by Dr. D. Muthuramakrishnan, Principal, who also delivered the welcome address. Dr. S. Kumaresan spoke on the life and contributions of Sir C. V. Raman, while Dr. M. Murali, Vice-Principal, introduced the speaker. Dr. T. V. Sundar, Associate Professor and Head, Department of Physics, proposed the vote of thanks.

Diamond Jubilee Endowment Lecture

The PG and Research Department of Physics, organized a **Diamond Jubilee Endowment Lecture** on **05/02/2026** as part of the institution's academic enrichment activities. Dr. T. V. Sundar, Head of the Department of Physics, delivered the welcome

address, highlighting the legacy and academic contributions of the department. The presidential address was delivered by Dr. D. Muthuramakrishnan, Principal (i/c), who emphasized the importance of international academic exposure for students and faculty. The guest was introduced by Dr. S. Sadhasivam, Assistant Professor of Physics. The Chief Guest, **Dr. Aravindharaja Selvaraj, Assistant Professor of Physics, Gachon University, South Korea,** delivered the endowment lecture on **"Nano Materials for Energy Storage Techniques –Educational Opportunities in South Korea."** His lecture provided valuable insights into advanced nanomaterials research and higher education prospects in South Korea. The speaker said that There is enormous interest in the use of graphene-based materials for energy storage.

The research on the use of graphene for energy storage began very recently, but the growth rate of relative research is rapid. aphene recently emerged as a promising material for energy storage because of several properties, such as low weight, chemical inertness and low price. Graphene is an allotrope of carbon that exists as a two-dimensional sheet of carbon atoms organized in a hexagonal lattice.

A family of graphene-related materials, called «graphenes» by the research community, consists of structural or chemical derivatives of grapheme. The most important chemically derived graphene is graphene oxide (defined as single layer of graphite oxide,Graphite oxide can be obtained by reacting graphite with strong oxidizers, for example, a mixture of sulfuric acid, sodium nitrate, and potassium permanganate) which is usually prepared from graphite by oxidization to graphite oxide and consequent exfoliation.

The properties of graphene depend greatly on the method of fabrication. For example, reduction of graphene oxide to graphene results in a graphene structure that is also one-atom thick but contains a high concentration of defects, such as nanoholesMoreover, carbon materials, which have relatively high electrical conductivity and variable structures are extensively used in the modification of sulfur.

Sulfur–carbon composites with diverse structures have been synthesized and exhibited remarkably improved electrochemical performance than pure sulfur, which is crucial for battery design Graphene has great potential in the modification of a sulfur cathode for high performance Li-S batteries, which has been broadly investigated in recent years.

The session was informative and interactive, benefiting undergraduate, postgraduate students and research scholars. Dr. A. Shanthidevi, Assistant Professor of Physics, proposed the vote of thanks.

Association Meetings

Department of Biotechnology, Microbiology &Bioinformatics

A lecture on **"Integrative Computational Applications in Network Biology and Pharmacology"** was organized by the Department of Biotechnology, Microbiology and Bioinformatics on January 23, 2026. The session commenced with a welcome address by Ms. Abirami, III B.Sc. Bioinformatics. The

lecture was delivered by the Chief Guest, **Dr. Ragothaman Prathiviraj, Scientist-D, Department of Biosciences, Rajagiri College of Social Sciences.** In his lecture, he provided a comprehensive overview of bioinformatics, tracing its evolution and highlighting its significance in life sciences, followed by an in-depth discussion on systems biology, network biology, and network pharmacology. He emphasized understanding biological systems as interconnected networks involving genes, proteins, metabolites, and drugs, and explained key concepts such as hub nodes, modularity, and multi-target drug interactions. The session also included demonstrations of computational tools like STRING, STITCH, Cytoscape, and Gephi, enabling students to understand network construction, analysis, and interpretation. Furthermore, the speaker elaborated on diverse career opportunities in bioinformatics, computational biology, systems biology, and drug discovery, including prospects in industries, research institutions, clinical research organizations, and government sectors. The lecture significantly enhanced the participants' conceptual and practical knowledge, strengthened their analytical skills, and motivated them to explore emerging interdisciplinary research fields. The programme concluded with a vote of thanks delivered by Ms. Iniya Shree, II B.Sc. Bioinformatics. 1

A special lecture titled **f**rom **Actinobacteria to CRISPR Diagnostics: Pioneering Phage Therapy, Synthetic Biology, and Drug Discovery in India** was organized by the Department of Biotechnology, Microbiology and Bioinformatics on February 3, 2026. The session began with a welcome address by Dr. Mohamed Jaabir, Head of the Department. The lecture was delivered by the Chief Guest, **Dr. L. Karthik, Founder of Arqgene and Sasi Nutraceuticals,**

Vellore, and associated with the Department of Biotechnology at Vel Tech University. During his talk, Dr. Karthik shared his extensive practical experience in scientifically validating traditional herbal formulations and transforming them into effective nutraceutical products addressing lifestyle-related diseases such as diabetes and joint disorders. He highlighted his mission of integrating traditional knowledge with modern scientific approaches to develop accessible healthcare solutions. He also discussed the growing impact of CRISPR technology and revealed ongoing efforts at his organization to develop CRISPR-based diagnostic and therapeutic applications. The session featured a demonstration of advanced technologies such as nanopore sequencing, which enables rapid whole-genome analysis of actinomycetes, along with specialized bioinformatics tools used to identify novel antimicrobial compounds. Furthermore, he elaborated on his innovative work in phage therapy, particularly in developing bacteriophage-based solutions to control bacterial infections in aquaculture and poultry farming, thereby offering sustainable alternatives to antibiotics. He encouraged students to focus on developing expertise in niche areas, pursue innovation-driven research, and acquire computational skills such as coding and BioPython to succeed in modern biotechnology. The session concluded with an interactive question-and-answer segment, where students actively engaged and expressed keen interest in emerging areas like synthetic biology and AYUSH-based research. The

programme ended with a vote of thanks proposed by Ms. Bena Veronica, III B.Sc. Microbiology.

Department of Botany

The Department of Botany organized an Association Meeting on 26th March 2026. The programme commenced with a welcome address delivered by Dr. Ramar K, Associate Professor in Botany. The Chief Guest, **Dr. R. Radhakrishnan,**

Assistant Professor, Department of Botany, Jamal Mohamed College, Tiruchirappalli, spoke on the topic **Multifactorial Approach for Crop Improvement at Adverse Conditions.** In his lecture, he emphasized that plants require optimal environmental conditions such as adequate light, water, temperature, nutrients, and suitable soil for proper growth. He explained that unfavourable conditions adversely affect plant growth and productivity. He elaborated on various stress factors affecting crops, including drought, which leads to wilting, reduced photosynthesis, and decreased oxygen availability in the soil. He also highlighted that extreme temperatures disrupt enzyme activity and metabolic processes, while high salinity levels interfere with water uptake and damage plant cells. Furthermore, he pointed out that pests and pathogens, including insects, fungi, bacteria, and viruses, significantly weaken plants and reduce agricultural productivity. He stressed the importance of adopting integrated and multifactorial strategies to improve crop resilience under adverse conditions. The programme concluded with a vote of thanks delivered by Balasubramani P, Student Secretary of II B.Sc. Botany, who expressed his gratitude to the Chief Guest, faculty members, and participants for their valuable presence and contribution to the success of the event.

Department of Business Administration

The Department of Business Administration, organized a lecture programme titled "Corporate Strategic Management: Agenda and Imperatives for Action" on Monday, 08 December 2025. The programme started with the welcome address by Dr. M. Chandra**,** Associate Professor and Head of the Department**,** who highlighted the significance of strategic thinking and corporate governance in the modern business environment. The presidential

address was delivered by Dr. D. Muthuramakrishnan, Principal **(i/c)**, who emphasized the need for management students to develop leadership qualities and adaptability to cope with rapid economic changes. A felicitation address was delivered by Dr. D. Prasanna Balaji, Vice Principal (UAP)**,** followed by the honouring of the chief guest by the Principal and Vice Principal. The chief guest was introduced by Ms. T. Sivasankari, I BBA, The Chief Guest **Mr. A. B. Sivakumar, Chief Executive, Sankalp Management Consultants,** spoke on the emerging challenges in strategic management, corporate decision-making frameworks, and the importance of ethical and innovative practices. Mr. Sivakumar explained that corporate strategic management is a practical roadmap rather than a theoretical concept and stressed the need for proactive strategies in response to dynamic market conditions, technological advancements, and global economic shifts. He highlighted strategic agility, risk assessment, effective implementation, and the alignment of long-term vision with short-term goals as essential imperatives for organizational excellence. He also emphasized the role of human capital development, innovation, and sustainability in corporate planning. The vote of thanks was proposed by Dr. C. Suseendar, Assistant Professor**.**

The Department of Business Administration conducted its Association Valediction on 17 March 2026. The program commenced with a welcome address by Ms. T. Sivasankari of I BBA. The chief guest, **Dr. B. Ramani Mabel, Associate Professor Department of Management Studies, Thiagarajar**

College, Madurai, delivered a lecture on **Empowering Tomorrow's Leaders: Communication, Boldness and Beyond**. She emphasized that leadership was no longer defined by titles but by practical skills such as effective communication and confidence, which played a crucial role in securing internships, research

opportunities, and career advancement. In her address, she elaborated on three key pillars for success. Under communication, she stressed the importance of creating a strong first impression through eye contact, a smile, and clear introduction, and explained techniques such as the BLUF method and the "So What?" test to ensure clarity and relevance. Speaking on boldness, she encouraged students to be proactive, participate in public speaking, practice empathy, reflect regularly on their performance, and build a network of mentors and peers. She also highlighted the importance of maintaining physical and mental well-being. Under the concept of "Beyond," she motivated students to remain consistent, take initiative, and focus on long-term growth through discipline and self-belief. The session was informative and motivating, providing practical strategies for developing leadership qualities. During the event, certificates were distributed by Dr. M. Chandra, Associate Professor and Head, Dept. of Business Administration; Dr. B. Ramani Mabel,Chief Guest; Dr. Vivekanantha S., Assistant Professor; and Dr. J. Mohan Raj, Assistant Professor, Department of Business Administration, to students who had successfully completed the "Professional Impact & Leadership Skills Development Program". The program concluded with a vote of thanks delivered by Dr. J. Mohan Raj, Assistant Professor, Department of Business Administration.

Department of Business Administration-Aviation Management

The Department of Business Administration – Aviation Management, organized a lecture programme on **Essential Skills and Career Opportunities in the Aviation Industry** on 10.12.2025. The programme began with a Welcome Address by Dr. M. Chandra, Associate Professor and Head of the Department, who highlighted that success in aviation required a blend of technical knowledge and essential

soft skills such as leadership, crisis management, and attention to detail. The Introduction to the Chief Guest was delivered by Mr. G. Sarath, Assistant Professor (Visiting Faculty – Pilot), The Resource Person, **Mr. Asher Ragland, Security Executive at SpiceJet Ltd**., delivered the keynote address and shared practical insights from his experience in airline operations and security management. He explained the core competencies required to thrive in the modern aviation industry, emphasizing the balance between technical expertise and interpersonal skills. He discussed the rapid growth of the aviation sector, diverse career opportunities such as Airport or Airline Operations Manager, Air Traffic Controller, Air Cargo Manager, and Safety or Security Executive, and the impact of government policies and technological advancements. The seminar highlighted that aviation management graduates were well prepared for both technical and managerial roles. Vote of thanks was proposed by Dr. C. Suseendar, Assistant Professor. T. Swathi of I BBA – Aviation Management served as the Master of Ceremony. The programme concluded with an interactive session that enriched students' understanding of the aviation industry.

Department of B. Voc- (Information & Communication Technology)

The Department of B.Voc (Information and Communication Technology), organized an Association Meeting on 03.03.2026. The program was presided over by the Principal (i/c), Dr. D. Muthuramakrishnan. The event commenced with a warm welcome address delivered by M. Ayyappan, a III B.Voc (ICT) student. The chief guest for the

occasion was **Mrs. V. Sankari**, **Assistant Professor, Department of Artificial Intelligence and Data Science, K. Ramakrishnan College of Engineering, Trichy**. Mrs. V. Sankari delivered an insightful seminar on the topic **"Generative AI and Large Models."** She explained that Generative AI is a branch of Artificial

Intelligence capable of creating new content such as text, images, audio, video, and program code. She highlighted how these systems learn patterns from human-created data—such as writing, drawing, and speech—to generate new outputs. She provided examples such as ChatGPT by OpenAI and Google Gemini, explaining their capabilities in answering questions, generating articles, and producing multimedia content. She further elaborated on Large Models, describing them as AI systems trained on massive datasets including books, articles, and web content, often containing millions or even billions of parameters. The speaker emphasized the wide-ranging applications of Generative AI in fields like education, healthcare, business, digital marketing, and software development. The session was interactive, with the chief guest engaging students through questions and addressing their queries effectively. The event was attended by the Head of the Department N. Parthasarathy, Vice-President Mr. S. Palanisamy, Prof. T. Bhuvaneshwari, and Prof. C. Usha, along with students. The program concluded with a vote of thanks proposed by R. Karthika, a I B.Voc (ICT) student.

The Department of B.Voc (Information and Communication Technology), organized the **Valediction of the Association Meeting** on 11.03.2026. The program was presided over by Dr. D. Muthuramakrishnan, Principal(i/c). The event began with a welcome address delivered by M. Ayyappan, a III B.Voc (ICT). The chief guest of the occasion was **Mr. N. S. Ismail**, **Director, T4TEQ Software Solutions, Trichy**. He was felicitated by the Head of the Department of Information and Communication Technology, N. Parthasarathy, Assistant Professor and Head of the Department. Mr. N. S. Ismail delivered an engaging seminar on the topic **The Truth about Job in the Future.** He explained that **Artificial Intelligence (AI)** is a technology that enables computers to think, learn, and make decisions similar to humans. He addressed the common misconception that AI will eliminate all jobs, clarifying that AI will primarily transform the way work is performed rather than replace it entirely. He illustrated this with examples, such as the shift from manual accounting on paper to computerized systems, emphasizing that AI will act as a supportive tool in future workplaces. He further stated that AI is likely to take over repetitive and manual tasks, while human skills such as creativity, emotional intelligence, and complex decision-making will remain essential. The speaker stressed the importance of adaptability, encouraging students to continuously learn and embrace new technologies instead of limiting themselves to their current field of study. He highlighted that professions such as

customer service, healthcare, and education will continue to require strong human involvement, and students should focus on developing personal and interpersonal skills. The event was attended by Vice-President Prof.. S. Palanisamy, Prof. T. Bhuvaneshwari, and Prof. C. Usha, along with students. The program concluded with a vote of thanks proposed by R. Karthika, of I B.Voc (ICT) .

The Department of B.Voc (Information and Communication Technology), organized an Extension Activity on 04 December 2025 (Thursday) at HMY Government Higher Secondary School, Inamkulathur. The programme was conducted under the guidance of Mr. N. Parthasarathy, Head and Assistant Professor of the department, with Prof. S. Palanisamy serving as Faculty In-charge. The activity was jointly organized with the school and coordinated by Mrs. Muthamil Priya. The objective of the programme was to enhance students' understanding of core concepts

through practical application, promote collaborative learning, and develop higher-order thinking skills such as analysis and innovation. As part of the outreach initiative, student volunteers from the ICT department delivered technical sessions on various topics, including Python Programming by T. Visva (III

Year), C++ Programming by C. Surya Prakash (III Year), SQL Concepts by M. Iyyappan (III Year), Artificial Intelligence Tools by N. Varunikaa Shree (II Year), and C Programming by R. Balaji (I Year). The sessions were interactive and informative, providing Class XII Computer Science and Computer Applications students with valuable insights into programming and emerging technologies. Around 60 students actively participated and benefited from the programme. The Head of the Department honored the Headmistress and the coordinating faculty with mementos as a token of appreciation. The programme concluded with a vote of thanks delivered by N. Varunikaa Shree of II B.Voc.

An industrial visit was organized by the Department of B.Voc (Information and Communication Technology), on 21 January 2026 (Wednesday) as part of the academic exposure programme. The visit was conducted to Spectrum Softtech Solutions Pvt. Ltd., Kochi, Kerala, with the objective of understanding

the Software Development Life Cycle (SDLC) and gaining real-time industry experience. The programme was coordinated by Mr. S. Palanisamy, Vice President of the department, and guided by Mr. N. Parthasarathy, Head of the Department. A total of 51 students along with three faculty members participated in the visit.

During the industrial visit, students attended an interactive session titled **Unlocking the Power of DevOps,** where they were introduced to DevOps concepts, tools, lifecycle processes, software development workflows, networking, and emerging career opportunities in the IT industry. The session also provided an overview of the Spectrum Software Group and its global operations, helping students connect academic concepts with real-world applications. The visit enabled students to understand how the Software Development Life Cycle is implemented in a professional environment, particularly the stages of development, testing, and deployment. It also helped them gain insights into professional work culture, including the importance of communication, teamwork, and time management in corporate settings. In addition, students developed clarity about career paths in the IT field, such as progressing from junior developer roles to system architect or technical lead positions. The visit proved to be highly beneficial in enhancing both academic understanding and professional awareness. A total of 51 students participated, including 11 from I B.Voc (ICT), 14 from II B.Voc (ICT), and 26 from III B.Voc (ICT) with Faculties.

An IoT Project Expo was organized by the Department of B.Voc (Information and Communi

cation Technology), on 06 February 2026 (Friday) in Saranathan Hall. Mr. S. Palanisamy, Vice President of the department meeting welcomed the gathering. The programme was presided over by Dr. D. Muthuramakrishnan, Principal (i/c), honored the chief guest with a shawl and memento as a token of appreciation.. The exhibition began with a welcome

address delivered by R. Karthika (I B.Voc ICT). The chief guest, **Dr. S. T. Ramesh, Dean, National Institute of Technology, Tiruchirappalli,** inaugurated the event by lighting the traditional lamp and delivered an informative address on the concept of the Internet of Things (IoT). The chief guest explained that IoT connects everyday objects to the internet using sensors, software, and communication technologies, enabling devices to operate, monitor, and exchange data without human intervention, thereby making life more efficient, automated, and convenient.

Following the inauguration, the chief guest visited various student projects and interacted with participants, who demonstrated the working models of their IoT devices. The exhibition showcased innovative ideas developed by students, highlighting practical applications of IoT technology. The Secretary of National College, Shree K. Raghunathan, also visited the expo and distributed prizes for the best IoT projects. The event was attended by Dr. Anbarasu, Director of National College, Heads of departments, faculty members, and students from both the college and Rajam Krishnamoorthy School. The event concluded with a vote of thanks delivered by M. Shwetha (I B.Voc ICT).

The Department of B.Voc (Information and Communication Technology), organized a **State-level Seminar** on the topic **Indian Knowledge Systems (IKS) in the ICT Era – Integrating Tradition with Technology** on 05 December 2025 (Friday). The event was presided over by the Principal (i/c), Dr. D.

Muthuramakrishnan, and commenced with a welcome address delivered by N. Varunikaa Shree (II B.Voc ICT). The chief guest, Dr. Balaji, Head and Assistant Professor, Department of Sanskrit, National College, delivered an insightful lecture explaining how Indian Knowledge Systems represent the continuous transmission of traditional practices, sciences, and technologies adapted into modern applications. He illustrated this by comparing the Pushpaka Vimana from the Ramayana to modern aircraft, the visual narration of the Kurukshetra war to present-day projection systems, and ancient encoding methods to modern encryption and decryption techniques. He further related the intelligence networks used during Chanakya's time to present-day cybersecurity systems, emphasizing that many modern technologies have evolved from ancient practices. The session was interactive, with students actively engaging and clarifying their doubts. At the end of the seminar, the Head of the Department, Mr. N. Parthasarathy, honored the chief guest with a shawl and memento. The event was attended by Mr. S. Palanisamy, along with faculty members Ms. T. Bhuvaneswari and Ms. C. Usha. The programme concluded with a vote of thanks delivered by A. Mohamed Arshath (III B.Voc ICT).

A seminar on **Ethical Hacking in Mobile Security Engineering** was organized by the Department of B.Voc (Information and Communication Technology), on 24 December 2025 in Computer Lab I. The programme was sponsored by National College and coordinated under the guidance of Mr. S. Palanisamy,

Vice President of the department. The seminar was presided over by the Principal (i/c), Dr. D. Muthuramakrishnan, and began with a welcome address delivered by N. Varunikaa Shree (II B.Voc ICT). The Head of the Department, Mr. N. Parthasarathy, honored the chief guest with a shawl and memento The chief guest, **Dr. D. Manikandan, Lead Cyber Security Professional, Siemens Technology and Services Pvt. Ltd., Bangalore**, delivered an insightful session on ethical hacking and mobile security engineering. He explained ethical hacking as a legal and preventive approach used to identify and fix vulnerabilities in mobile systems and applications. He further elaborated on three major areas of mobile security: device security, application security, and network security. He highlighted how ethical hackers

perform vulnerability assessment, penetration testing, encryption analysis, and reporting to strengthen system security. He emphasized the importance of mobile security in today's digital world, where banking, communication, and personal data are highly dependent on mobile devices, and even minor vulnerabilities can lead to serious risks.. The event was attended by Mr. S. Palanisamy, Ms. T. Bhuvaneswari, and Ms. C. Usha. The seminar concluded with a vote of thanks delivered by Iyyappan (III B.Voc ICT).

A seminar on the topic **UI/UX Testing** was organized by the Department of B.Voc (Information and Communication Technology), on 05 January The seminar was presided over by the Principal (i/c), Dr. D. Muthuramakrishnan, and began with a welcome address delivered by Iyyappan (III B.Voc ICT). The

chief guest, **Mr. Satish Kumar, Managing Director, Big Learn Training Services, Trichy**, delivered an insightful session on UI/UX testing and its importance in modern software development. He explained that UI (User Interface) refers to the visual elements of an application such as buttons, colors, and layout, while UX (User Experience) refers to the overall usability and user satisfaction. He highlighted that UI/UX testing involves evaluating usability, functionality, accessibility, and overall user experience to improve digital products. He further explained that usability ensures task completion ease, functionality checks proper system performance, accessibility ensures usability for all users including those with disabilities, and overall experience focuses on user satisfaction. The session was highly interactive, with the speaker addressing students' questions and encouraging them to explore design and testing concepts. The seminar was attended by Mr. S. Palanisamy, Ms. T. Bhuvaneswari, and Ms. C. Usha. The programme concluded successfully with a vote of thanks delivered by Mohammed Arshath (III B.Voc ICT).

Department of Chemistry (Aided)

The Department of Chemistry organized its Association Meeting on February 6, 2026. The programme commenced with a welcome address by Mr. S. Ramkumar, II M.Sc Chemistry. The Chief Guest, **Dr. G. Sathyaraj, Senior Scientist at the Inorganic**

and Physical Chemistry Laboratory, Central Leather Research Institute (CLRI), Chennai, delivered an insightful lecture on "**Chemical processes involved in the leather industry**". He explained how raw animal hides are transformed into durable and high-value leather through carefully controlled chemical treatments. He also highlighted various career opportunities available in the leather and chemical industries. Emphasizing the importance of environmental sustainability, he discussed key practices such as waste minimization, effluent treatment, chrome recovery systems, and the use of bio-based tanning agents to reduce environmental impact. Further, he elaborated on the application of green chemistry principles in modern leather production, including reducing water consumption and replacing hazardous chemicals with safer alternatives. He also explained the role of chemistry in post-tanning processes such as retaining, dyeing, and finishing, where dyes interact with collagen fibres to produce vibrant colours and finishing polymers enhance properties like gloss, durability, and water resistance. The programme concluded with a vote of thanks delivered by Mr. Joydeep Pal, III B.Sc Chemistry.

The Chemistry Association meeting was held on March 10, 2026. The programme began with a welcome address delivered by Mr. J. Thinakaran, II M.Sc Chemistry.The Chief Guest, **Dr. K. R. Jahanmohan, Dean of the Department of Agricultural Economics at Dr. M. S. Swaminathan Agricultural College and Research Institute, Thanjavur,** spoke on **"Role of chemistry in sustainable agriculture"**. In his keynote

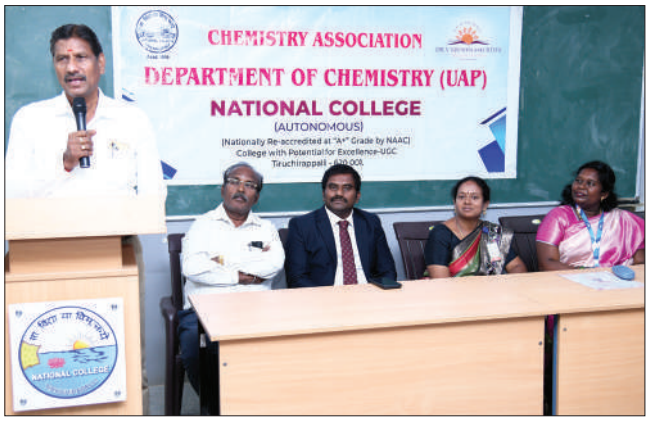

address titled “The Strategic Role of Chemistry in Sustainable Agriculture,” Dr. Jahanmohan emphasized the importance of chemistry in developing eco-friendly fertilizers and pesticides to improve crop yield while minimizing environmental damage. He also highlighted the role of chemical

science in soil testing and effective nutrient management practices.The event concluded with a vote of thanks proposed by Mr. P. Karthikeyan, I M.Sc Chemistry.

Department of Chemistry (Un-Aided)

The Department of Chemistry (UAP) organized the Association Valedictory Ceremony on 11th March 2026. The programme commenced with a welcome address delivered by Mr. T. Dhanush, I M.Sc. Chemistry. The Chief Guest was formally introduced by Ms. Sathya,

I M.Sc. Chemistry. The Chief Guest of the event, **Dr. A. Sivarajan, Former Associate Professor and Head of the Department of Chemistry at Government Arts College, Tiruchirappalli,** and Financial Advisor at GTN Group of Institutions, Dindigul and Pudukottai, delivered an insightful address. In his speech, Dr. A. Sivarajan shared valuable perspectives on the importance of education and career development. He emphasized that while earning money might be relatively easy, managing and utilizing it wisely became increasingly challenging with maturity. He advised students to prioritize their physical, mental, and spiritual well-being, stressing that health should be cared for with the same commitment as academic pursuits. He further highlighted the importance of dedicating time to career planning, self-respect, and financial discipline. Drawing from his personal experiences, he underscored the significance of effective communication skills, language proficiency, and the need for continuous learning. His address was both inspiring and practical, offering students meaningful guidance for achieving success in their personal and professional lives.The programme concluded with a vote of thanks delivered by Mr. U. Selvarasan, I M.Sc. Chemistry.

Department of Commerce (Aided)

The Department of Commerce organized its Association Meeting on 03-01-2026 on the topic **Positive Thinking as a Strategic Tool for Entrepreneurial Growth and Resilience**. The programme began with the welcome address by

Dr. M. Vasan, Assistant Professor of Commerce. The Chief Guest**, Dr. B. Senthil, Assistant Professor of Commerce from St. Joseph’s University, Bangalore**, delivered a lecture on the importance of positive thinking in promoting entrepreneurial growth and resilience. He explained how a positive mindset acts as a strategic tool for overcoming business challenges, managing uncertainty, and achieving long-term entrepreneurial success.Through practical examples and real-life illustrations, he encouraged students to develop resilience, adaptability, and optimism in both their professional and personal lives. The session was interactive and helped students gain a better understanding of entrepreneurial mindset development. The event concluded with the vote of thanks delivered by Mr. R. Soundharrajan, of IIIrd B.Com ‘B’.

The Department of Commerce organized the valediction of the Commerce Association meeting

on 04-03-2026. The programme began with the welcome address delivered by Dr. M. Vasan, Assistant Professor of Commerce. The Chief Guest, **Dr. P. Jegan, Assistant Professor of Commerce from A.V.V.M. Sri Pushpam College (Autonomous), Poondi, Thanjavur**, delivered an insightful lecture on

From Learner to Leader: Shape Your Future in Logistics. He spoke at length the growing importance of the logistics sector as the backbone of global commerce. He explained the rapid expansion of the industry driven by e-commerce, digital transformation, and global connectivity. He also highlighted various career opportunities in logistics, including operational roles such as warehouse associates, forklift operators, and material handlers, as well as strategic roles like logistics coordinators, dispatchers, and facilities managers. Furthermore, he discussed emerging trends in the logistics industry, including automation, artificial intelligence, real-time supply chain visibility, and digital logistics platforms. Through practical examples, he encouraged students to develop relevant skills, obtain certifications, and gain technological knowledge to succeed in this dynamic field.The event concluded with the vote of thanks delivered by Mr. R. Soundharrajan, of III B.Com 'B'.

The Department of Commerce (Aided) organized a Knowledge Enrichment Programme on 09 March 2026 on the topic **Career Pathways in Finance – A Roadmap to Chartered Accountancy and Professional Opportunities**. The programme aimed to provide students with valuable insights into professional opportunities in the field of finance. The session commenced with a welcome address by Mr. Ramanujam, a student of III B.Com A. The Presidential Address was delivered by Dr. M.Sharmila, Associate Professor and Head of the Department . The chief guest for the programme was **CA Deepak Pandiyan, Vice President, JK Shah Classes, Veranda Enterprises**, and an Auditor. In his address, the resource person provided a comprehensive overview of the Chartered Accountancy course, explaining its structure, various stages, and the dedication required to achieve success in the profession. He emphasized that Chartered Accountancy is one of the most prestigious and challenging qualifications in the field of finance and accounting. He further elaborated on the wide range of career opportunities available in the finance sector, including roles such as Chartered Accountant, Auditor, Tax Consultant, and Financial Advisor. He also highlighted emerging career options such as Data Analyst, Credit Analyst, Risk Analyst, Equity Research Analyst, and KYC Compliance Officer. The speaker encouraged students to enhance their employability by pursuing certification courses offered by the National Institute of Securities Markets (NISM) and introduced the scope of the US Certified Management Accountant (US-CMA) programme. Additionally, he discussed the impact of technological advancements, including digital banking, artificial intelligence, and financial technology, on the evolving finance industry. He advised students to develop analytical, communication, and technical skills to succeed in this dynamic environment. The programme concluded with a vote of thanks delivered by Ms. Pooja Shree, of III B.Com A. The event concluded with a vote of thanks delivered by Mr. Dharanisriram of III B.Com A.

Department of Commerce (Un-Aided)

The PG Department of Commerce (UAP) in collaboration with BSE Institute, organized an Industry Expert Session on **Strengthening Investor Confidence in Securities Markets** on February 9, 2026. The session aimed to create awareness among students about the Indian securities market and to promote safe and informed investment practices. The programme commenced with a welcome address delivered by Mr. Gokulnath M, II Year student, who warmly welcomed the dignitaries, faculty members, and students. The Principal Dr. D. Muthuramakrishanan formally addressed and welcomed the Chief Guest,

Mr. Rajesh Babu Rajarethinam. The resource person, **Mr. Rajesh Babu Rajarethinam, Smart Trainer from Madurai,** was honoured by Mr. Boopathi, I B.Com. In his expert session, he shared valuable insights into the functioning of securities markets and the importance of investor confidence in ensuring market stability. He elaborated on the structure of the Indian securities market and explained various types of

public issues such as Initial Public Offering (IPO), Follow-on Public Offering (FPO), and Rights Issue. The session also covered key aspects of share trading, including the role of stock brokers and the functioning of depository services such as dematerialization and rematerialization. The speaker emphasized the significance of secure investment practices and introduced ASBA (Application Supported by Blocked Amount) as a safe method for applying to public issues. He also highlighted the crucial role of the Securities and Exchange Board of India (SEBI) in regulating the securities market and protecting investors' interests. The programme concluded with a vote of thanks delivered by Mr. Yugendiran G, II M. Com.

Department of Commerce- Business Process(Un-Aided)

The Department of Commerce (Business Process Services) organized the Association Meeting titled **Rise Smart in the Digital Race** on 24th December 2025. The programme aimed to enhance students' awareness of emerging digital trends and prepare them for a rapidly evolving business environment. The event began with a welcome address by Ms. R. Abarna, II B.Com. Dr. D. Muthuramakrishnan, Principal (i/c), delivered the Presidential Address, highlighting the importance of digital transformation and skill-based learning. The keynote address was delivered by **Dr. G. Karthik** from **Bishop Heber College (Autonomous), Tiruchirappalli,** who spoke on the importance of adaptability and smart learning in the digital era. He encouraged students to focus on skills over marks and to overcome challenges like lack of direction and poor preparation strategies. He also highlighted the strengths of commerce students and the importance of digital literacy in modern careers. The speaker stressed strategic preparation, time management, and the role of consistency and self-discipline in achieving success. A total of 52 students participated and benefited from the programme. The event successfully bridged the gap between academic learning and industry expectations. It created awareness about the demands of the digital business world. The programme concluded with a vote of thanks by Mr. R. Hari Prasath, II B.Com. expressing gratitude to all contributors.

Department of Commerce- Bank Management(Un-Aided)

The Department of Commerce – Bank Management, in association with the Insurance Institute of India,

organized a One Day National Seminar on **Cyber Insurance: Addressing the Growing Need for Cyber Security Coverage in India** on 05 February 2026. The programme commenced with a welcome address delivered by Ms. Harini, II B.Com Bank Management. The primary objective of the seminar was to create awareness about the increasing importance of cyber insurance in the digital era and to emphasize the need for cyber security coverage to protect businesses

and individuals from emerging cyber threats. The seminar featured two eminent resource persons. **Dr. K. Prabhakaran, Vice-President, Insurance Institute of India,** Tiruchirappalli, delivered an insightful address on the evolution, scope, and significance of cyber insurance in the modern digital economy. He emphasized the growing cyber risks faced by organizations and the importance of structured risk management and regulatory compliance. **Mr. R. Suraj Kumar, Marketing Manager, LIC of India, Thanjavur Division**, discussed the practical aspects of cyber insurance policies, claim procedures, and emerging opportunities in the insurance sector. He highlighted real-world challenges and stressed the need for awareness and preparedness in managing cyber risks. The programme concluded with a vote of thanks delivered by Mr. T. Harikrishnan, II B.Com Bank Management, who expressed his sincere gratitude to the management, resource persons, faculty members, and students for their valuable presence and support.

The Career Guidance and Placement Cell, in association with the Department of Commerce – Bank Management, organized an Industry Expert Session titled **HR Connect: Driving Employability through Sustainable HR Practices** on 10th January. The session commenced with a welcome address

delivered by Ms. Priyadharshini, I B.Com Bank Management. The resource person, **Mr. K. Naresh Kumar, Regional Head – Corporate HR, VDart Technologies Pvt. Ltd., Tiruchirappalli**, delivered an insightful address on current HR trends and the evolving expectations of employers. He emphasized that employability extends beyond academic excellence and requires adaptability, effective communication skills, ethical values, digital competence, and a commitment to continuous learning. He also highlighted the importance of sustainable HR practices in talent acquisition, employee engagement, diversity, and organizational growth. Further, he shared practical insights into corporate recruitment processes and guided students on how to prepare themselves to meet industry standards. The session was highly interactive, with students actively participating in discussions and clarifying their doubts regarding career opportunities, interview preparation, and skill development. The programme effectively bridged the gap between academic learning and industry expectations, providing students with valuable exposure to real-world HR practices. The session concluded with a vote of thanks delivered by Ms. Pavithra, II B.Com Bank Management.

Department of Commerce with Computer Application(Un-Aided)

The Department of Commerce with Computer Applications, organized an association meeting in the form of a workshop on **Artificial Intelligence in Business: Opportunities and Challenges for Future**

Managers on 25 March 2026. The programme commenced with a welcome address by Ms. Indhu M., III B.Com CA. Ms. Dhiveyakumari R III B.Com CA, introduced the resource person, **Dr. S. Peerbasha, Assistant Professor of Computer Science, Jamal Mohamed College (Autonomous), Tiruchirappalli**., Dr. D. Muthuramakrishnan, Principal (i/c) delivered the presidential address. Dr. S. Peerbasha delivered an insightful session on the role of Artificial Intelligence in modern business.

He highlighted opportunities such as improved efficiency, data-driven decision-making, automation, and enhanced customer experiences, while also addressing challenges including ethical concerns, data privacy, workforce displacement, and the need for continuous skill development. The programme was hosted by Ms. Tharshini S. and Ms. Yoga P., III B.Com CA, and the vote of thanks was delivered by Mr. Nikileswaran M., III B.Com CA.

The Department of Commerce with Computer Applications, organized its Association Valedictory Meeting on 26 March 2026. The programme began with a welcome address by Ms. Buvaneswari R. Ms. Indhu introduced the resource person. **Dr. B. Sekar, Assistant Professor and Dean of Commerce** . The function was presided over by the Principal, Dr. D. Muthuramakrishnan, Principal(i/c) Dr. B. Sekar

delivered an inspiring address on the importance of life skills in shaping students' futures. He emphasized that education goes beyond textbooks and highlighted essential skills such as critical thinking, communication, teamwork, time management, resilience, and emotional intelligence. He encouraged students to face challenges with confidence, learn from failures, and strive to become responsible individuals. His speech was highly motivational and left a lasting impact on the students. Around 150 students participated and benefited from the interactive session. The Vote of thanks was proposed by Mr. M. Nikileswaran of III B.Com CA. The programme was hosted by Ms. Tharshini S. and Ms. Yoga P.

Department of Computer Application

The Department of Computer Applications organized an online workshop on **AI Tools for Jobs**

on 18th February 2026. The session began with a welcome address by M. Mahesh, III BCA-A. The workshop was conducted by **Ms. D. Durga Devi, Software Trainer from FIIT,** who provided valuable insights into the role of Artificial Intelligence in today's job market.

The session focused on bridging the gap between academic learning and industry requirements in an AI-driven environment. Students received practical training on using ChatGPT for effective resume building and interview preparation. The resource person also highlighted the application of AI tools across various domains such as IT, HR, Accounts, and Office Management.

The workshop witnessed active participation from 250 students, making it a highly engaging and informative session. The programme concluded with a vote of thanks delivered by Mr. M. TamilKumaran, III BCA-C, expressing gratitude to the resource person and organizers. Overall, the workshop enhanced students' awareness of AI tools and equipped them with essential skills for future career opportunities.

Computer Applications Department organized an industrial visit to iROHUB InfoTech Pvt. Ltd., located in Kochi, to gain practical exposure to the functioning of the IT industry for the III BCA students. A total of 50 students, accompanied by 4 faculty members, participated in the visit. The programme commenced

with a warm welcome by the HR team, followed by a detailed presentation on the company's profile, services, organizational structure, and ongoing projects. Students attended an informative technical session that covered emerging trends in web technologies, the Software Development Life Cycle (SDLC), and various career opportunities in the IT sector. The experts also emphasized the importance of programming skills, continuous learning, and adaptability in today's competitive digital environment. A live project demonstration provided students with real-time insights into software

development processes, tools, and technologies used in the industry. The interactive Q&A session enabled students to engage directly with developers and clarify their doubts regarding internships, placements, and required technical competencies. The office tour allowed students to observe different departments and understand workflow management, teamwork, and professional practices within an IT organization. The visit significantly enhanced students' awareness of industry expectations, project management, and career pathways. Overall, the industrial visit proved to be highly informative and beneficial, effectively bridging the gap between academic knowledge and practical application while motivating students to upgrade their technical and professional skills.

Department of Computer Science

IoT Expo – 2K26 was organized by the PG & Research Department of Computer Science and the Department of Data Science on March 9, 2026. The programme was coordinated by G. Kanimozhi, Assistant Professor, Department of Computer

Science. The event commenced with a formal welcome address by Ms. N. Shehanaz Begum. The programme was graced by the Special Guest, **Mr. V. Vignesh, Founder and CEO of Vebbox Software Solution, Kumbakonam.** In his session, Mr. V. Vignesh delivered an insightful talk on the importance and growing impact of the Internet of Things (IoT) in the modern technological world. He explained how IoT enables seamless connectivity between smart devices, allowing automation and intelligent decision-making across various domains such as healthcare, agriculture, smart homes, and industrial applications.

He further described the integration of sensors, communication networks, and cloud computing platforms in collecting and analyzing real-time data to improve efficiency and productivity.

The speaker encouraged students to actively engage in developing innovative IoT-based projects that address real-world challenges. He emphasized the importance of continuously upgrading technical skills and staying informed about emerging technologies to remain competitive in the evolving IT industry. The session was highly interactive, informative, and motivational, providing students with valuable industry-oriented insights. The programme concluded with a vote of thanks proposed by M. Shanmuga Pandiyan, I M.Sc. Computer Science.

NACOTECH 2026

A one-day programme titled **"NACOTECH 2026"** was organized by the PG & Research Department of Computer Science and the Department of Data Science on January 6, 2026. The event was coordinated by G. Kanimozhi, Assistant Professor, Department of Computer Science. The programme commenced with a welcome address delivered by Dr. P.S.S. Akilashri, Associate Professor and Head, Department of Computer Science, who highlighted the significance of organizing technical events like NACOTECH to enhance students' knowledge and industry readiness. The special guest for the event,

N. Vijayabaskar, Managing Director of 3DTek Solutions Pvt. Ltd., Tiruchirappalli, delivered an inspiring and insightful address. Drawing from his extensive experience of over three decades in the industry, he emphasized the importance of bridging the gap between academic learning and industry expectations.

In his session, Mr. Vijayabaskar stressed that mindset, dedication, discipline, and loyalty play a crucial role in shaping an individual's growth, often surpassing the importance of degrees or initial job roles. He motivated students to commit to lifelong learning, maintain high standards of quality in their work, and take complete ownership of their responsibilities. He further explained that adaptability,

continuous learning, and professional discipline are key factors that can transform a fresh graduate into a globally competent engineering professional.The session was highly interactive and engaging, with students showing great enthusiasm and interest. The insights shared by the speaker provided valuable guidance for students aspiring to build successful careers in the technology sector.The programme concluded with a vote of thanks proposed by Mr. J. Ajay, II M.Sc. Computer Science.

Industrial Visit to Igeeks Technologies, Bengaluru

A two-day industrial visit and educational tour was organized by the PG & Research Department of Computer Science and the Department of Data Science on March 2 and 3, 2026. The programme was coordinated by Dr. P.S.S. Akilashri, Head of the Department of Computer Science and Organizing Secretary of the visit.

Day 1 – Educational Visit (02.03.2026)

On the first day, students and faculty members proceeded to Mysuru. The visit began with the Mysuru Bird Sanctuary, where students observed various bird species in their natural habitat and gained awareness about biodiversity and ecological balance. The group

then visited the renowned Chamundeshwari Temple located on Chamundi Hills, where they experienced the spiritual significance of the site along with the scenic panoramic view of Mysuru city. Subsequently, students visited the Mysuru Sand Sculpture Museum, which showcased intricate and artistic sand sculptures depicting cultural and historical themes. The next stop was the historic Tippu Sultan Palace, where students learned about its architectural and historical importance. In the evening, the group visited the Brindavan Gardens near the Krishna Raja Sagara Dam, where they enjoyed the beautifully maintained gardens and the musical fountain show, making the day both educational and recreational.

Day 2 – Industrial Visit (03.03.2026)

On the second day, the students visited Igeeks Technologies for an industrial exposure programme. The company officials welcomed the students and provided an overview of the organization and its working environment. The experts delivered insightful sessions on software development processes, web technologies, and current trends in the IT industry. They also explained how real-time industry projects are planned, developed, and executed using modern tools and methodologies. The session was highly interactive, allowing students to clarify their doubts and gain practical understanding of industrial workflows. The visit significantly enhanced students' awareness of industry expectations and provided them with valuable real-world exposure to the IT sector.A total of 101 students and 5 faculty members participated in the visit. The programme proved to be highly informative, combining both educational enrichment and industrial exposure, thereby bridging the gap between academic learning and professional practice.

Department of Economics

The Department of Economics conducted its Association Meeting on 17.12.2025 on the topic **Lean Startup and Minimum Viable Products**. Dr. A. Kayalvizhi, Assistant Professor and Vice President of the Association, welcomed the gathering. Dr. Rajesh,

Head of the Department, honored the Chief Guest. **Dr. B. Balamurugan, Principal of Christhu Raj College of Arts and Science, Tiruchirappall**i, delivered the keynote address. He explained that the Lean Startup approach focused on building businesses through rapid learning and reducing waste by testing ideas with real customers rather than relying solely on long-term planning. He emphasized that the primary goal was to develop products that truly met customer needs. He elaborated on the concept of the Minimum Viable Product (MVP), describing it

as the simplest version of a product with essential features to address a core problem. He highlighted the build–measure–learn cycle, where products were developed quickly, tested, and improved based on feedback. He noted that MVPs reduced risk, saved resources, and allowed startups to refine or redirect their strategies effectively. The session concluded with a Vote of Thanks proposed by Mr. S. Boazsamraj, III B.A. Economics.

On 12.03.2026, the Department of Economics, organized a lecture on **Entrepreneurship – A Need of the Hour**. The program began with the welcome address delivered by Dr. A. Kayalvizhi, Assistant Professor.The Chief Guest, **Dr. D. Karthikeyan, Assistant Professor, Department of Economics, Urumu Dhanalakshmi College, Kattur**, Tiruchirappalli, delivered an informative lecture on the importance of entrepreneurship in the economic development of a country. He emphasized that entrepreneurs are the

driving force behind innovation, productivity, and employment generation. He also explained that students should develop creativity, leadership qualities, risk-taking ability, and problem-solving skills to become successful entrepreneurs. He encouraged students to think innovatively, develop new ideas, and make use of modern technology and digital platforms to start their own ventures. He also highlighted the role of government initiatives in supporting start-ups and young entrepreneurs. The session was interactive and informative, and students gained valuable knowledge about entrepreneurship and its importance in today's economic environment. The program concluded with the vote of thanks delivered by Mr. R. Sacchin, II B.A. Economics.

The Department of Economics organized an academic event on 17 March 2026 on the theme **If Economics is your passion, Mathematics is your foundation**. The programme aimed to highlight the interrelationship between Economics and Mathematics and their importance in understanding economic concepts effectively. The event began with a welcome address delivered by Dr. A. Kayalvizhi, Assistant Professor, Department of Economics. The chief guest, **Dr. V. Mallika, Assistant Professor and Head, Department of Economics, Erode Arts and Science College (Autonomous), Erode,** delivered an insightful lecture on the chosen theme. In her address,

she emphasized that Economics and Mathematics are closely interconnected disciplines. She explained that Economics helps in understanding how resources are allocated, how goods and services are produced, and how markets function in an economy. She further highlighted that Mathematics provides the essential tools required to analyze economic concepts effectively. Techniques such as graphs, percentages, equations, and statistical methods are widely used in Economics to study demand and supply, national income, inflation, and economic growth. The speaker also pointed out that mathematical calculations play a crucial role in policy formulation, budgeting, and economic planning by governments and organizations. She stressed that without a strong foundation in Mathematics, it becomes difficult to understand economic theories accurately or make reliable predictions about economic trends. She encouraged students who are passionate about Economics to strengthen their mathematical skills, as it enhances logical thinking and problem-solving abilities. The programme concluded with a vote of thanks proposed by Mr. R. Sachin, II B.A. Economics.

The Department of Economics organized a **symposium** titled **"Budget 2K26: An Economic Perspective"** on **18 February 2026.** The programme was organized by Dr. B. Chithirairajan and Dr. C. Subramanian. The inaugural session began with the welcome address delivered by Dr. K. Rajesh, Assistant Professor and Head of the Department. The presidential address was delivered by Dr. D. Muthuramakrishnan, Principal (i/c).

The Chief Guest, **Dr. J. Premkumar, Assistant Professor and Dean, Department of Economics, The Madura College (Autonomous), Madurai,** delivered the keynote address. In his speech, he analysed the Union Budget 2026 and its impact on economic growth, fiscal discipline, employment generation, and social welfare. He highlighted the government's focus on capital expenditure, infrastructure development, digital transformation, and support for

MSMEs. He also discussed taxation reforms, rural development programmes, agricultural support, and allocations for education, healthcare, and green energy initiatives. The session emphasized inclusive growth, fiscal deficit management, and macroeconomic stability.

During the **technical session**, seven participants presented papers on various aspects of Budget 2026, including infrastructure development, tax reforms, agricultural initiatives, social welfare measures, fiscal deficit management, and economic policy priorities. The presentations encouraged critical discussions and helped participants understand the economic implications of the budget.

The valedictory session began with the welcome address by Ms. S. Namithavagini, II B.A. Economics. The Chief Guest shared concluding remarks on the importance of effective implementation of budget policies. The programme concluded with the vote of thanks delivered by Dr. C. Subramanian, Assistant Professor.The programme was compered by Ms. J. Rohini, III B.A. Economics.

Department of English(Aided)

Seminar on Film Studies and Global Employability

The PG & Research Department of English organized a seminar on **Film Studies and Its Global Employability** on 29 December 2025. The welcome address was delivered by Ms. Swarna Bairavi S. R., Student Secretary, II M.A. English. Prof. M. S. Balamurugan, Head of the Department, gave the presidential address. The chief guest and keynote speaker, **Dr. Bavatharani Anantharaja**, **Global Ambassador, Ulster University, Northern Ireland, UK,** and an esteemed alumna of National College, delivered an engaging and insightful lecture. She is an academic, filmmaker, and international speaker

known for her contributions to film studies and media education. With global exposure in teaching, research, and filmmaking, she has actively worked in promoting interdisciplinary approaches that connect literature, cinema, and digital media. Her association with Ulster University reflects her involvement in international academic collaborations and student mentorship across borders. In her address, she highlighted the intersection of film and literature, the essential skills required in filmmaking, and the various stages involved in film production. Drawing from her professional experience, she explained technical aspects such as scene construction, camera shots, background design, and the use of green screen technology and AI in modern filmmaking. She also emphasized the wide range of career opportunities available in the global media industry, particularly in India, the UK, and the USA. Sharing her personal journey from a student to an international filmmaker, she inspired students to explore creative careers and aim for global exposure. The seminar concluded with a vote of thanks proposed by Ms. Kaviya, III B.A. English.

The PG & Research Department of English organized the **Valediction of the Literary Association** on 17 February 2026, marking the culmination of the department's academic and co-curricular activities for the year. The programme commenced with a welcome address by Ms. Swarna Bairavi S. R., II M.A. English. Prof. M. S. Balamurugan, Head of the Department, in his presidential address appreciated the initiatives undertaken during the year and commended student participation. The chief guest,

Prof. J. Kennedy, **Dean, Faculty of Graduate Studies, Department of Languages, Eastern University, Sri Lanka**, delivered the keynote address. In his insightful address, Prof. Kennedy emphasized the relevance of literature in shaping students' emotional intelligence and psychological growth. He encouraged learners to view literature as a transformative discipline that enhances personality, sensitivity, and global

awareness. The session was highly interactive, with students actively participating in discussions on globalization, Asian narratives, and the role of literature in contemporary society. The engaging question-and-answer segment fostered critical thinking and confident expression among students. The valedictory segment marked the formal conclusion of the Literary Association's activities. Dr. P. Nainar Sumathi, Vice President, also acknowledged the enthusiastic involvement of students in departmental events. The programme concluded with a vote of thanks delivered by Ms. Logeswari B., II M.A. English.

The PG & Research Department of English, organized a webinar on **Literary Survey and Research Gap Identification in Scholarly Writings** on 24 February 2026. The programme was conducted for Research Scholars and Postgraduate students across various disciplines with the objective of strengthening their research methodology skills. The webinar was delivered by **Dr. Abdur Rahman, Assistant Professor, School of Advanced Sciences and Languages, VIT Bhopal University.** The session aimed at equipping participants with practical strategies to conduct systematic literature surveys and identify research gaps effectively in academic writing. The resource person provided a step-by-step introduction to varied research resources and scholarly tools essential for conducting a comprehensive literature survey. He explained how to access, filter, and evaluate authentic sources using systematic search strategies. The webinar concluded successfully with a note of gratitude to the resource person for his insightful and structured presentation by Prof. Balamurugan. M .S., Head of the Department. A total of 60 scholars and PG Students from 15 institutions participated in the webinar.

The PG & Research Department of English, successfully organized a webinar on **Writing High-Quality Literature Review Papers for Scopus and WoS Indexed Journals** on Wednesday, 18 March 2026, from 2:00 PM to 3:30 PM via Google Meet. The session featured **Dr. Antony Raj R, Chettinad Institute of Technology, Chennai,** as the resource person. The webinar aimed to equip research scholars, postgraduate students, and faculty members with essential skills required for producing high-quality literature review papers suitable for publication in reputed indexed journals. Dr. Antony Raj delivered an insightful and comprehensive lecture on the structure and significance of literature review papers. He elaborated on key aspects such as identifying credible sources, organizing review themes, maintaining coherence, and ensuring academic integrity. Special emphasis was given to avoiding plagiarism, adhering to Scopus and Web of Science standards, and selecting appropriate journals for publication. The speaker also shared practical strategies for critical analysis, synthesis of existing research, and effective academic writing.The session was highly interactive, with participants actively engaging in discussions and clarifying their queries during the Q&A segment. The webinar proved to be immensely beneficial, especially for early-stage researchers aspiring to publish in indexed journals.

The PG & Research Department of English, National College (Autonomous), Tiruchirappalli, organized an online workshop on **Effective Academic Writing and Citation Management Using SciSpace** on 02 April 2026 at 07:00 p.m. The workshop aimed to enhance the academic writing skills of research scholars through the use of advanced digital tools. The session was handled by **Dr. P. Shanmuga Sundari, Assistant Professor, School of Computing, SRM Institute of Science and Technology, Tiruchirappalli**. It witnessed active participation from research scholars and faculty members. The workshop focused on the use of SciSpace, an AI-powered platform that supports academic writing and research management. Key features demonstrated included summarizing research papers, simplifying complex academic language, recommending relevant literature, and managing citations and references efficiently. A live

demonstration enabled participants to understand the practical application of the tool. Overall, the workshop provided a valuable learning experience, helping participants improve research efficiency and writing quality. It also promoted the effective integration of technology in education, aligning with the goals of quality learning.

Department of English (Un-Aided)

On **17.02.2026**, the Department of English (UAP) organized a **Book Review Session** under the **Vocabulary Club** to promote reading habits and improve students' language skills, particularly vocabulary and comprehension. The programme began with the Welcome Address delivered by Prof. K. G. Parimala, Assistant Professor of English and Coordinator of the Vocabulary Club.In her address, she welcomed the dignitaries, faculty members, and

students and emphasized the importance of reading in enhancing vocabulary, communication skills, and comprehension. She encouraged students to participate actively and make use of such opportunities to strengthen their command of the English language. During the session, students presented reviews of selected books and shared summaries, themes, character analysis, and personal reflections. The activity helped students improve their vocabulary, analytical thinking, and confidence in expressing their ideas in English. The interactive discussions also promoted peer learning and critical thinking.The programme was conducted under the guidance of the Department of English with the support of the coordinators Prof. S. Rajalashmi and Prof. K. G. Parimala, who ensured the smooth conduct of the session and encouraged active participation. The programme concluded with the Vote of Thanks delivered by Dr. P. Anusooya, Head of the Department of English (UAP).

On 23.02.2026, the Department of English (UAP) organized a **Book Review** Competition on **A Country for the Blind** by H. G. Wells at the Gallery Hall. The programme was organized by the Book Reviewers' Club for Part II students.The programme began with the Welcome Address delivered by Mr. K. V. Theja, Assistant Professor, Department of English (UAP). The objective of the event was to develop the habit of thoughtful reading, enhance literary analysis skills, and encourage students to express their opinions

with clarity and confidence. Students participated enthusiastically and presented their reviews of the short story, sharing their understanding of the theme, characters, and message of the text. The competition helped students improve their critical thinking, communication skills, and appreciation of literature. A total of twelve students from different departments participated in the event. First Prize was given to V. Ajay – III BBA, Second Prize was awarded to S. Shanmuga Priya – I CS 'B' and Third Prize to C. Medona – II B.Com 'A'. The programme concluded with the Vote of Thanks delivered by Mr. D. G. Gopinath, Assistant Professor, Department of English (UAP).

On 25.02.2026, the Department of English (UAP) organized a **Creative Writing Programme** for the first-year students of Biotechnology and Microbiology.

The programme began with the Welcome Address delivered by Prof. K. G. Parimala, Assistant Professor of English. The event aimed to encourage students

to develop their creative thinking and writing skills. Students actively participated in the programme and expressed their ideas creatively through different forms of writing. They showed great interest and presented their work to the best of their ability. The programme helped students improve their language flow, imagination, and writing skills. It served as a platform for them to explore their creativity and enhance their confidence in using the English language. The programme concluded successfully with words of appreciation by Dr. P. Anusooya, Head of the Department of English (UAP).The Vote of Thanks was delivered by Dr. P. Anusooya, Head of the Department (UAP).

The Department of English (UAP) organized a Skill Development Programme titled **English for Employability – Mock Interview Programme** on 6th March 2026 at the Gallery Hall. The programme was conducted under the coordination of Prof. P. Vijay Joshua Alen, Assistant Professor, along with Prof. E.

Sathyaseelan and Prof. T. Sudarsan Karthi, Assistant Professors, Department of English (UAP). The session commenced with the Welcome Address delivered by Dr. P. Anusooya, Head of the Department of English (UAP), who highlighted the importance of effective communication and interview readiness in today's competitive job market. The primary objective of the programme was to enhance students' interview skills, build confidence, and improve their English communication abilities to increase their employability prospects. The target audience included Part II students from I BCA, II BBA, and II B.Com CA.The programme was designed to simulate real-time interview scenarios. Students actively participated in mock interview sessions, where they interacted with interview panels in a professional setting. The participants were assessed on various parameters such as communication skills, confidence level, body language, and overall presentation. Constructive feedback was provided to help students identify their strengths and areas for improvement. It also helped them overcome stage fear and develop a positive approach towards job interviews. The programme concluded with a Vote of Thanks delivered by Prof. P. Vijay Joshua Alen,Assistant Professor, Department of English(UAP).

The Department of English (UAP), organized a **role-play** activity titled **"Science in Action"** on 11th March 2026 for the first-year students of the Departments of Biotechnology and Microbiology.The programme commenced with a welcome address delivered by Prof. K. G. Parimala, Assistant Professor of English.

The event aimed to encourage students to explore their creativity and enhance their communication skills by bringing scientific ideas and concepts to life through performance.The primary objective of the programme was to improve students' language proficiency, presentation skills, and confidence in

public speaking. Through role-play, students were encouraged to creatively interpret scientific themes and present them effectively. The activity also helped in developing storytelling abilities, critical thinking, and spoken English skills.

A total of 44 students from the first-year Biotechnology and Microbiology programmes actively participated in the event. Each participant presented an individual role-play based on different scientific themes and concepts, showcasing creativity, imagination, and language proficiency. The programme concluded with a vote of thanks delivered by Dr. P. Anusooya, Head of the Department of English (UAP), who expressed her gratitude to all the participants and organizers for making the event a success.The event was effectively coordinated by Prof. K. G. Parimala, whose efforts ensured the smooth conduct of the programme.

The Department of English (UAP), organized a

Vocabulary Club activity on 12th March 2026.The programme commenced with a welcome address delivered by Prof. K. G. Parimala, Assistant Professor of English, who highlighted the importance of vocabulary development in enhancing communication skills and academic performance. She encouraged

students to actively participate and make effective use of the learning opportunity. A total of 61 students from various departments participated enthusiastically in the activity. The vocabulary games and exercises conducted during the session helped students learn new words, improve their language usage, and gain confidence in communication. The interactive nature of the activities made the session lively and engaging.The programme was coordinated by Prof. S. Rajalashmi, Prof. K. G. Parimala, and Prof. T. A. Vimal Raj, whose efforts ensured the smooth and successful conduct of the event.The programme concluded with a vote of thanks delivered by Dr. P. Anusooya, Head of the Department of English (UAP.

The Department of English (UAP) successfully organized an engaging event titled **Read to Lead** on March 2, 2026. The programme was conducted as a Context Clue Challenge aimed at enhancing students'

language skills and awareness of current events. The event witnessed enthusiastic participation from Part II students, who actively engaged in various interactive sessions and activities. The primary objective was to develop vocabulary, improve reading habits, and strengthen communication skills through exposure to meaningful and authentic content. Participants took part in discussions and exercises designed to sharpen their comprehension and analytical abilities. The programme created a dynamic platform for students to exchange ideas, interpret information, and build confidence in using English effectively. The programme was coordinated by Prof. P.C. Jabneel Praveen, Assistant Professor

The Department of English (UAP) organized an innovative and engaging grammar-based event titled **Grammarlympics – Grammar Games on the Go** on March 17, 2026, in the college campus..Students from various departments, including I B.Sc Computer Science (B Section), I B.Sc Biotechnology, II B.Com (C Section), and I B.Com CA (B Section), actively participated in this academic co-curricular event

designed to make grammar learning interactive and enjoyable.The event featured a series of creative and activity-based games such as Speech Hopscotch, Freeze and Verb, Circle to the Article, and The Grammar Run. Each activity focused on enhancing students' understanding of key grammar concepts including parts of speech, verbs, articles, and sentence structures through movement, teamwork, and real-time application.Participants enthusiastically engaged in all activities, demonstrating improved grammar accuracy, better comprehension, and increased confidence in communication. The games also promoted collaboration, quick thinking, and active participation, making the learning process both effective and enjoyable. The programme was coordinated by Dr. S. Vasuki, Ms. S. Rajalakshmi, Dr. M. Sudha, and Mr. M. Jagadeesh

Department of Geology

The Department of Geology organized the third Association Meeting on March 12, 2026, focusing on the theme **"Computer Applications in Geology."** The

session began with a welcome address by Dr. R. Soundar Rajan, Assistant Professor of Geology and Vice President of the Geology Association, who emphasized the growing importance of digital technologies in earth sciences.

The Chief Guest, **Dr. S. R. Balasundaram, Professor, Department of Computer Applications, National Institute of Technology, Trichy**, delivered an engaging and informative lecture. He highlighted how computer applications have transformed geology

through advanced tools such as 3D modeling, data management systems, and simulation techniques. These innovations enable geologists to analyze complex datasets and better understand subsurface structures.

Dr. Balasundaram outlined key applications including the creation of 3D Earth models, geophysical data processing, mineral analysis, and predictive simulations. He also introduced widely used tools such as GIS and specialized software like Geoscience Analyst and BGS Groundhog. The lecture further covered important areas such as geological modeling and visualization, geophysical and geochemical mapping, structural geology, mineral exploration, image processing, and spectroscopy. Emphasizing future prospects, he discussed emerging career opportunities in Artificial Intelligence and Machine Learning within geological and mining industries, noting their potential contribution to national economic development. The program concluded with a vote of thanks delivered by Ms. A. Amala, II M.Sc. (Applied Geology), who expressed gratitude to the Chief Guest, faculty members, and participants for making the event a success.

Geological Field Instructional Tour

The Department of Geology, National College, organized the Geological Field Instructional Tour – 2026 for III B.Sc. Geology students from 23 February 2026 to 27 February 2026. A total of 46 students, including 26 boys and 20 girls, accompanied by four faculty members, participated in the five-day educational programme aimed at providing practical exposure to geological formations, coastal geomorphology, fossil records, marine ecosystems, mineral resources, and industrial geology across

Tamil Nadu. The tour covered several important geological and geo-heritage locations including Brihadisvara Temple, Muthupet Mangroves, Velankanni Beach, Dansborg Fort, Poompuhar Archaeological Museum, Thiruvakkarai Fossil Wood Park, Kurusadai Island, Dhanushkodi, Central Marine Fisheries Research Institute, Indian Rare Earths Limited, and TAMIN graphite and granite units at Sivagangai and Melur. During the tour, students studied coastal erosion, sediment transport, coral reef ecosystems, fossilized wood formations, canyon geomorphology, heavy mineral extraction, graphite mining, and granite quarrying and polishing techniques. The programme also provided opportunities for sediment sample collection, field observation, and interaction with scientists and industry experts, helping students understand the practical applications of geology in environmental conservation, mining, and industrial development. Students also gained awareness about coastal ecosystem conservation, sustainable utilization of mineral resources, and the importance of geological studies in disaster management and environmental protection. The instructional tour strengthened field mapping skills, analytical observation, teamwork, and scientific reporting among students, while also enhancing their understanding of the geological diversity and geo-heritage significance of Tamil Nadu. The tour was successfully organized under the guidance of Lt. Cdr. Dr. S. Selvaraj, Dr. P. Karthick, Dr. C. Thivya, and Dr. Karung Phaisonerng Kom, whose efforts ensured the successful completion of the field programme

Department of Hindi

The Department of Hindi organized a **Hindi Literary E-Quiz** from 19 December 2025 to 21 December 2025 through an online platform. The event was organized under the **Viruksha Hindi Club** with the objective of enhancing awareness and appreciation of prominent Hindi writers and their timeless literary works. The online quiz witnessed enthusiastic participation from students and faculty members across various parts of India. With no registration fee, the programme ensured inclusivity and attracted a wide range of participants from different states such as Shimla, Delhi, Uttar Pradesh, Chhattisgarh, Haryana, Chandigarh, Maharashtra, Mumbai, Uttarakhand, Bangalore, Kolkata, Cochin, Chennai, Tiruchirappalli, Madurai, Dindigul, and Ramanathapuram. A total of 325 participants attended the event, making it a successful national-level academic initiative. The programme effectively promoted Hindi literary heritage, encouraged digital learning, and strengthened academic interaction among participants from diverse linguistic and cultural backgrounds.

The Department of Hindi organized a **Slogan Writing Contest** on 10 January 2026 in the classroom to commemorate World Hindi Day. The programme was conducted under the guidance of Prof. S. Prasanna Devi, Assistant Professor and Head of the Department of Hindi. The event began with an introduction highlighting the importance of the Hindi language and its growing global relevance. The faculty explained the rules and guidelines of the competition, after which students were invited to write original slogans in Hindi based on themes emphasizing the significance and promotion of the language. A total of 14 students from II Year Hindi actively participated in the contest. The participants showcased their creativity and expressed meaningful ideas through their slogans.All entries were carefully collected and evaluated by the faculty, and winners were selected based on creativity, relevance to the theme, and accuracy of language.

Department of History

The Department of History organized an Association Meeting on the topic **Fairness in Human Rights** on 10.12.2025. Dr. M. Selva Kumar, Assistant Professor and Association Vice President, welcomed the gathering. Dr. D. Muthuramakrishnan, Principal (i/c), delivered the Presidential Address. **Dr. Femila Alexander, Head and Assistant Professor of History, Bishop Heber College (A), Thiruchirappalli**, served as the Resource Person. She delivered a lecture on "Fairness in Human Rights." She stated that fairness in human rights was a fundamental principle that ensured dignity, equality, and respect for all individuals regardless of gender, religion, caste, language, nationality, or economic background. She emphasized that human rights were universal and

not privileges meant for a few. She explained that fairness formed the foundation of peace and justice and required equal treatment under the law, the right to education, fair wages, and safety for every citizen. She noted that denial of fairness led to inequality and conflict in society. She further stressed that fairness must be practiced in daily life and not remain merely a constitutional principle. She concluded that upholding fairness was both a legal and moral responsibility that strengthened democracy and promoted social harmony. P. Mousika, III B.A. History, delivered the Vote of Thanks.

The Department of History, organized the **Association Valediction** Function on 09.03.2026**.** The programme began with the welcome address delivered by the Association Vice-President, Dr. M. Selvakumar. The Principal of the College, Major Dr. T. Muthuramakrishnan, delivered the presidential

address and conveyed his best wishes for the successful functioning of the association. Ms. P.

Rithika**,** III B.A. History, introduced the Chief Guest, **Dr. G. Kasthuri Thilagam, Associate Professor, PG and Research Department of History, Thanthai Periyar Government Arts and Science College, Trichy** was the Chief guest. The Chief Guest delivered a special lecture on the topic **"Role of Tiruchirappalli in the Indian Freedom Struggle."** In her speech, she explained that Tiruchirappalli played a significant role in India's struggle for independence by serving as a centre for nationalist activities, public meetings, and political awareness. She highlighted the contributions of local leaders, students, and the public in organizing protests and spreading nationalist ideas, which helped strengthen the freedom movement. The programme concluded with the vote of thanks delivered by Mr. P. Mousika, III B.A. History**.**

Department of Information Technology

The Department of Information Technology, organized an MoU-signed seminar titled **From Chatbots to Coworkers** on 29 December 2025 at CS Lab–1. The programme commenced with a welcome address by Mr. C. Sivanandham, Assistant Professor

and Vice President of the IT Association. The event was conducted, as part of initiatives to strengthen industry–academia collaboration and promote skill-based learning. The chief guest and resource person, **Mr. T. Chiranjeevi, IT Trainer, G-TEC, Tiruchirappalli**, delivered an insightful session on the theme. He explained the evolution of Artificial Intelligence from basic chatbots to advanced intelligent systems functioning as "digital coworkers" in modern workplaces. He highlighted real-time applications of AI across various domains such as software development, business operations, education, customer service, and data-driven decision-making. The speaker also emphasized the importance of upskilling, continuous learning, and adaptability in an AI-driven job market. A key focus of the session was the role of AI in transforming workplace productivity and the need for students to prepare for emerging career opportunities in artificial intelligence and related technologies. He also discussed ethical considerations and future expectations in the field of AI. The seminar concluded with a vote of thanks by Ms. M. Elakkiya, III Year IT.

Department of Library

On 08 January 2026, the Department of Library and Information Science in collaboration with the Tiruchirappalli District Central Library, organized an **awareness seminar** on the Chennai Book Fair. The District Library Officer of Chennai, Dr. Kavitha, delivered the welcome address. Dr. Muthuramakrishnan, Principal (i/c) presided over the function and delivered the presidential address.In his address, he emphasized that every individual should make use of libraries to achieve growth in life. He highlighted that "when a book is opened, a hundred

prisons are closed," and explained that great personalities in society are shaped through books, conveying this message effectively to the students.

Mrs. Allirani Balaji, President of the Tiruchirappalli District Readers' Circle, and Mr. Sigaram Satheeshkumar, Coordinator of the Manasu Scheme, delivered felicitation addresses. Dr. S. Karuthan, Assistant Professor, Department of Tamil, delivered a special lecture on the topic **Tamil: Our Roots and Reach**. He explained with evidence that Tamil civilization had flourished with classical richness even in ancient times such as the Keezhadi period, long before the modern world evolved.

He further emphasized that Tamil and its literature have imparted noble values such as love, virtue, and discipline to the world. Through powerful expressions, he conveyed that while people may search for livelihood elsewhere, their true identity and foundation lie in their mother tongue, Tamil, which serves as their root and strength for a meaningful

life. The programme was effectively coordinated by Dr. Sureshkumar, Head of the Department of Library and Information Science, who also delivered the vote of thanks. The event was compered by Ms. Saranya, a third-year student of the Department of Tamil. A large number of faculty members and students from various departments actively participated in the programme, making it a grand success.

Educational Visit

A one-day educational visit to the Library was organized on 08 January 2026 for 40 students of ADM Women's College (Autonomous), Nagapattinam, along with their faculty members. The visit aimed to provide exposure to modern library resources, services, and technologies. The students were given an orientation on the library's infrastructure and services, followed by a visit to the Resource Centre

where they were introduced to print, digital, and multimedia resources. A demonstration on accessing e-resources and academic databases highlighted the importance of digital literacy. The functioning of the library, including circulation, cataloguing, and reference services, was explained. Students also toured various sections of the library and observed a demonstration of RFID technology and Web OPAC, which enhanced their understanding of modern library management systems. The visit was informative and beneficial, equipping students with practical knowledge to support their academic and research activities.

Internship

A one-week internship programme was successfully completed by five II M.L.I.Sc. students from Bishop Heber College at our Resource Centre from 16 to 21 February 2026. The internship was designed to provide practical exposure and hands-on training in various academic library operations. During the internship period, the students actively engaged with all major sections of the library, including the circulation section, acquisition section, serial control section, and digital library. They gained practical knowledge of key library functions such as book issue and return, accessioning, cataloguing procedures, journal management, and the maintenance and organization of digital resources. The interns were also provided training in the use of

the library management software, which helped them understand the automation of library operations and workflow management. In addition, they were introduced to RFID technology used in the circulation section, including self-check-in and self-check-out systems and library security applications. Overall, the internship proved to be a valuable learning experience, offering the students meaningful exposure to modern library practices and emerging technologies. It enhanced their professional competencies and strengthened their understanding of academic library systems and services.

Department of Mathematics

The PG and Research Department of Mathematics organized an **Association Meeting** on 09.01.2026.

The programme began with the welcome address delivered by Dr. V. Vanitha, Vice-President of the Association meeting. The Principal (i/c) and Head of the Department of Mathematics, Dr. D.

Muthuramakrishnan, delivered the presidential address. He emphasized the importance of mathematics and encouraged students to actively engage in learning, noting that mathematicians would continue to be in great demand in the future. The Students' Secretary, Ms. P. Ilavarasi, introduced the Chief Guest, **Dr. R. Tamil Selvi, Associate Professor, Department of Mathematics, National Institute of Technology, Tiruchirappalli**. The Chief Guest delivered a lecture on the topic **"The Role of Mathematics for Life."** She explained that mathematics plays a vital role in everyday life by helping individuals think logically, organize ideas, and solve problems effectively. She highlighted that mathematics is the backbone of science and technology and influences many aspects of life, including finance, agriculture, sports, and daily decision-making. She also discussed several mathematical concepts such as the **Cayley–Hamilton Theorem, probability, sequences and series, D'Alembert's Ratio Test, De Moivre's Theorem, and the Cauchy Residue Theorem**. In addition, she explained the importance of statistics, numerical accuracy, differential equations, and operations research in scientific and technological applications. Through practical examples, she demonstrated how mathematical thinking supports innovation, logical reasoning, and problem-solving in various fields. The lecture was highly informative and motivated students to appreciate the relevance of mathematics in both academic research and real-life applications. Miss. M. GAYATHRI, II PG Mathematics proposed the Vote of thanks.

The PG and Research Department of Mathematics conducted the **valedicition** of the Association

Meeting on March 10, 2026. The programme commenced with a warm welcome by Ms. Deepika of II M.Sc The Students' Secretary, Ms. P. Ilavarasi, introduced the chief guest, **Dr. V. Piramanantham, Professor, Department of Mathematics, Bharathidasan University, Tiruchirappalli.** The Presidential Address was delivered by Dr. D. Muthuramakrishnan, Principal (i/c) and Head of the Department,.In his address, he emphasized the importance of Mathematics in academics and daily life. He also advised students to make effective use of the laptops provided by the Tamil Nadu Government and encouraged them to maintain proper notes for better learning.The chief guest was then honoured by the Principal. **Dr. V. Piramanantham** delivered an insightful lecture on the topic **Geometric Analysis of Solutions of Differential Equations**. He explained the concept of differential equations and their role in describing real-life phenomena such as motion, growth, heat flow, and population changes. He elaborated on the types of differential equations—ordinary and partial—and discussed linear and non-linear equations with clear distinctions. The lecture also highlighted the Mean Value Theorem and its applications in understanding the behavior of functions, including identifying increasing and decreasing intervals. The speaker further introduced the concept of bifurcation and explained how small changes in parameters can significantly alter system behavior. He also referred to the contributions of Henri Poincaré in studying differential equations through geometric methods. Through practical examples and graphical interpretations, the session enabled students to understand complex concepts effectively, even in cases where equations are difficult to solve analytically. The lecture concluded with recommendations of reference books for further study and an interactive session where students clarified their doubts with real-time examples. The programme came to an end with the vote of thanks delivered by II M.Sc student Gayathri.

Department of Management Studies

Industrial visit

The Department of Management Studies (BMS), organized an industrial visit to Industrial Rubber Company Private Limited, Tiruchirappalli, to provide students with practical exposure to industrial operations and management practices. The visit aimed to bridge the gap between theoretical learning and real-world applications, focusing on production processes, quality control, supply chain management, and workplace safety. Students were welcomed by company officials and given an overview of the organization's structure, operations, and product portfolio. They observed various stages of rubber processing, including raw material handling, mixing,

molding, and inspection, gaining insights into production planning and automation. The session also highlighted quality assurance practices, logistics operations, and effective supply chain coordination. Students learned about safety protocols, use of protective equipment, and industrial discipline followed in the organization. The visit was highly

interactive and enriched students with practical knowledge, enhancing their industry readiness and professional skills.

The Department of Management Studies (BMS), organized an industrial visit to the Tamil Nadu Warehousing Corporation, Tiruchirappalli, on 19 December2025. The visit aimed to provide practical exposure to warehousing operations, public distribution logistics, and supply chain management

practices. Students were briefed on the role of warehouses in food security, minimizing losses, and ensuring efficient distribution of essential commodities. Mr. Balasubramaniam, Warehouse Manager, welcomed the participants and explained the operational processes, including material receipt, inspection, and storage practices. Students learned about scientific storage methods, inventory control, stock verification, and dispatch mechanisms to ration shops. The session also highlighted safety standards, including fire safety, pest control, and hygiene practices followed in the warehouse. The visit was informative and enhanced students' understanding of real-time warehousing operations and logistics management

Department of Physical Education

Awards Ceremony 2026

The PG and Research Department of Physical Education and Sports Sciences hosted its prestigious **Awards Ceremony 2026** on April 3, 2026. The event marked a proud occasion as it honored the outstanding achievements of 50 meritorious students across academic, co-curricular, and athletic domains.

The ceremony recognized students under various categories, including Best Outgoing Student, University Topper, Best Supportive Student, and 100% Attendance, acknowledging their dedication, perseverance, and all-round excellence.

Dr. D. Prasanna Balaji, Vice Principal (UAP) & Director of Physical Education welcomed the gathering. The Chief Guest, **Rtn. AKS Er. Muruganandam M,** graced the occasion and presented the awards to the deserving students. In his address, he emphasized the significance of consistency, discipline, and commitment in achieving success. He encouraged students to strive for a balance between academic excellence and athletic performance, highlighting the importance of holistic development in today's competitive world. The event was a celebration not only of academic and sporting achievements but also of character, leadership, and teamwork. The vote of thanks was proposed by Dr.D. Boopathy, Assistant Professor, Department of Physical Education. The ceremony concluded on a high note, leaving participants and attendees inspired and proud of the institution's commitment to nurturing talent and rewarding merit.

The PG and Research Department of Physical Education and Sports Sciences, organized a vibrant

Farewell Day Celebration on April 13, 2026, to honor the outgoing third-year B.Sc. Physical Education students. The event was held at the college Indoor Stadium and served as a heartfelt occasion to bid farewell to the graduating batch.

Dr. D. Prasanna Balaji, Vice Principal(UAP) & Director of Physical Education welcomed the gathering. The programme was graced by the Chief Guest, **Mr. Aashik Rahman, Founder and CEO of Propeller Technologies and Zentrix India Pvt. Ltd.** In his address, he delivered an inspiring talk on entrepreneurship, urging students to embrace innovation and adapt to emerging technologies in their professional journeys. He emphasized the

importance of continuous learning, resilience, and staying relevant in an ever-evolving job market.

The celebration featured a series of lively cultural performances, including music, dance, and entertaining segments, which reflected the talents and unity of the students. Emotional moments were shared as students and faculty reminisced about their academic journey, achievements, and memorable experiences within the department. Dr.D. Boopathy, Assistant Professor, Department of Physical Education.

Department of Physics

The PG & Research Department of Physics, National College (Autonomous), Tiruchirappalli, organized a special lecture on **Great Physicists: Known News and Unknown Facts** on 24 December 2025 in the Library AV Hall. Dr. S. Murganantham, Associate Professor and Vice President of the Association meeting welcomed the gathering. Dr. T. V. Sundar delivered the felicitation address. The programme was presided over by Dr. D. Muthuramakrishnan, Principal i/c, and included participation from faculty members and students. Mr. M. K. Chandru, II M.Sc. Physics introduced the chief guest, **Dr. R. Sambasivam, Associate Professor and Head (Retd.), Department of Physics, Urumu Dhanalakshmi College, Tiruchirappalli,** served as the resource person. He delivered an insightful lecture on the lives, achievements, and lesser-known facts of great physicists, emphasizing their struggles and contributions to science. The session highlighted the importance of understanding the historical and

philosophical aspects of scientific discoveries beyond textbooks. Ms. D. Saral, I M.Sc. Physics. proposed the vote of thanks.

On 16.02.2026, the PG & Research Department of Physics, organized the **Valedictory Function** of the Physics Association 2026 at the Library AV Hall. The programme began with the welcome address delivered by Dr. S. Muruganantham, Associate Professor of Physics and Vice President of the Physics

Association. The function was presided over by Dr. D. Muthuramakrishnan, Principal (i/c), who emphasized the importance of emerging technologies and encouraged students to explore interdisciplinary research areas. Dr. T. V. Sundar, Associate Professor and Head of the Department, delivered the felicitation address. M. K. Chandru, II M.Sc. Physics, Student Secretary, introduced the Chief Guest. The Resource Person, **Dr. V. R. Sarma Dhulipala, Assistant Professor (Sr. Grade), Department of Physics, Anna University – BIT Campus, Tiruchirappalli**, delivered a special

lecture on the topic "Advances in Nano Electronics: Opportunities and Challenges." In his lecture, he explained the recent developments in nano electronics, emerging device technologies, and the challenges involved in the miniaturization of electronic devices. He also discussed quantum effects in nanoscale systems and highlighted issues such as fabrication limits, heat dissipation, material constraints, and reliability in nanoscale devices. The lecture provided valuable insights into the scope of nano electronics in modern scientific and industrial applications. The session was highly informative and interactive, and it motivated students to pursue research in advanced physics and nanotechnology. The programme concluded with the Vote of Thanks delivered by Ms. D. Saral, I M.Sc. Physics.

The PG and Research Department of Physics, organized an outreach programme on the Orientation Course for Engineering Graduates and Science Post-Graduates (OCES) and the DAE Graduate Fellowship Scheme (DGS) on January 19, 2026, at the AV Hall, Resource Centre. The programme was conducted for PG students of Physics, Chemistry, Geology, and Life Sciences with the objective of creating awareness about career opportunities in the Department of Atomic Energy (DAE). Dr. T. V. Sundar, Head of the Department of Physics, welcomed the gathering. Dr.

D. Muthuramakrishnan, Principal In-Charge, presided over the function. The session commenced at 11:45 a.m. and witnessed active participation from science students aspiring to pursue research and technical careers in premier national institutions. The resource persons for the programme were **Dr. K. Kothai Parthasarathy** and **Ms. K. Saipriya** from the **Planning and HRM Division, Indira Gandhi Centre for Atomic Research (IGCAR), Kalpakkam**. They elaborated on the structure of the OCES programme, eligibility criteria, selection procedure, training methodology, and the benefits of the DAE Graduate Fellowship Scheme. The speakers also highlighted the vast research opportunities and career prospects available in various units of the Department of Atomic Energy. The programme motivated students to pursue higher studies and research careers in nuclear science and allied disciplines. **Dr. V. Saraswathi**, Coordinator of the programme, proposed the vote of thanks.

Department of Sanskrit

The Association Meeting of the Department of Sanskrit, was held on 19.12.2025 in the Sanskrit classroom with the objective of enhancing academic understanding of Didactic Literature. The program began with the college prayer and Tamizh Thai Vazhthu, followed by a welcome address by Dr. V. Balaji, Assistant Professor and Vice President of the

Association. The chief guest was honored by Mrs. S. Prasanna Devi, Assistant Professor and Head, Department of Hindi. The Presidential Address was delivered by the Principal, Dr. D. Muthuramakrishnan. The highlight of the meeting was a scholarly lecture on Didactic Literature delivered by the resource person, **Mrs. M. Sivapriya, Assistant Professor, Department of Sanskrit, Bishop Heber College.** She explained that Sanskrit didactic literature occupied a significant place in the intellectual and moral tradition of India, as it aimed not only to impart knowledge but also to cultivate values and righteous conduct. She referred to classical works such as the Pañcatantra, Hitopadeśa, Nītiśataka, and Subhāṣitas, which conveyed profound life lessons through stories and verses. She emphasized that these texts promoted dharma, ethical living, and social responsibility, and remained relevant even in the modern world. The vote of thanks was proposed by Dr. V. Balaji, Assistant Professor of Sanskrit.

Department of Statistics

The Department of Statistics conducted its association meeting on 18 February 2026. The function was presided over by the College Secretary,

Mr. K. Raghunathan, and the Principal, Dr. D. Muthuramakrishnan. The welcome address was delivered by third-year student A. Moofith Khan. The special guests for the event were **Dr. B. Senthil Kumar, Associate Professor of Statistics, Thanthai Periyar Arts and Science College, Tiruchirappalli**, and **Dr. V. Sri Ramachandran, Controller of Examinations, National College, Tiruchirappalli.** Dr. B. Senthil Kumar delivered a lecture on employment opportunities in the field of statistics after undergraduate studies, as well as prospects for higher education in the discipline. Dr. V. Sri Ramachandran highlighted the importance of English

proficiency in writing and effectively presenting results after statistical analysis. The event was attended by department faculty members, including Dr. A. Mohamed Ashik, Prof. M. Devendiran, and Prof. N. Bhuvaneswari, along with the students. The programme was hosted by N. Navadarshini, and the vote of thanks was proposed by G. Monisha.

On 10 March 2026 (Tuesday), an association meeting was held at the Department of Statistics. The welcome address was delivered by Mr.R. Ramkumar (IIIrd year) The function was presided over by the College Secretary, Shri. K. Raghunathan, and Dr. D. Muthuramakrishnan, Principal(i/c). Dr. D. Prasanna Balaji, Vice Principal (UAP), and Prof. R. Kumaravel, Head of the Department, conveyed their greetings on the occasion. The chief guest was **Prof.**

A. Arun Prasad from the Department of Information Technology, National College He delivered a special lecture on the topic "Basic Elements of Python Programming." He also spoke on data manipulation and analysis using Python programming. The event was attended by department faculty members, including Dr. A. Mohamed Ashik, Prof. M. Devendiran, and Prof. N. Bhuvaneswari, along with the students. The programme was hosted by N. Navadarshini, and the vote of thanks was proposed by V. Harish.

உ.வே.சா தமிழ்ப் பேரவைச் சொற்பொழிவு

தேசிய கல்லூரி தமிழ் துறையின் சார்பாக 04.12.2025, வியாழக்கிழமை நடைபெற்ற உ.வே.சா தமிழ்ப் பேரவைச் சொற்பொழிவு சாரநாதன் அரங்கில் தமிழ்த்தாய் வாழ்த்துடன் இனிதே தொடங்கியது. இந்நிகழ்ச்சிக்கு கல்லூரி முதல்வர் பொறுப்பு முனைவர் D. முத்துராமகிருஷ்ணன் அவர்கள் தலைமை வகித்தார். சிறப்பு விருந்தினராக சிறந்த சொற்பொழிவாளர் முனைவர் இரா. மாது அவர்கள் கலந்து கொண்டதுடன், தமிழ்த் துறைத் தலைவர் முனைவர் ஸ்ரீகாந்தி அவர்கள் வரவேற்புரையாற்றினார். விருந்தினர்களுக்கு பாராட்டு செய்யும் நிகழ்ச்சியும் நடைபெற்றது. முனைவர் இரா. மாது அவர்கள் ''எங்குமுள தமிழ்'' என்ற தலைப்பில் சிறப்புரை ஆற்றி, தாம் தேசியக் கல்லூரி முன்னாள் மாணவராகவும், தந்தையார் இத்துறையில் பேராசிரியராகவும் பணியாற்றியதை நினைவுகூர்ந்தார். தமிழ் கற்றதன் பயனாக உலகின் ஆறு கண்டங்களில் மேடைப் பேச்சாளராகச் சிறந்து விளங்கிய அனுபவத்தை பகிர்ந்து கொண்டார். மேலும் உ.வே.சா அவர்களின் தமிழ் பணியின் தனித்துவத்தையும்,

கம்பராமாயண உரையின் சிறப்பையும் எடுத்துரைத்தார். தமிழ் கற்றால் உயர்ந்த பதவிகளை அடையலாம் என்பதையும், 'அப்பாதுரை முதலியார்' சொல்லின் மூலம் நிரல்நிறை அணியை எடுத்துக்கூறியும் மாணவர்களுக்கு தமிழ் மொழியின் பெருமையை உணர்த்தினார். இவ்விழாவில் முன்னாள் துறைத் தலைவர்கள் முனைவர் சபாபதி, முனைவர் மாணிக்கம், பல துறை பேராசிரியர்கள் மற்றும் மாணவர்கள் பங்கேற்று விழாவைச் சிறப்பித்தனர். நா. சரண்யா நிகழ்ச்சியை தொகுத்துரைத்தார்; நன்றியை முனைவர் இர. பத்மா அவர்கள் தெரிவித்தார். நாட்டுப்பண் பாடலுடன் நிகழ்ச்சி இனிதே நிறைவுற்றது.

பாரதியார் விழா

நம் தேசியக் கல்லூரியின் மகாகவி பாரதியார் அறக்கட்டளையின் சார்பில் பாரதியார் விழா நடைபெற்றது. இந்த நிகழ்வில் சிறப்புச்

சொற்பொழிவாளராக முன்னாள் வைகைச்செல்வன் கலந்துகொண்டு 'பாரதி யார்? என்னும் தலைப்பில் உரையாற்றினார்.நம் தேசியக் கல்லூரியின் மகாகவி பாரதியார் அறக்கட்டளையின் சார்பில் பாரதியார் விழா நடைபெற்றது.இந்த நிகழ்வில் சிறப்புச் சொற்பொழிவாளராக முன்னாள் பள்ளிக்கல்வி, இளைஞர் நலன், விளையாட்டுத்துறை அமைச்சர் கலைமாமணி முனைவர் வைகைச்செல்வன் அவர்கள் கலந்து கொண்டு 'பாரதி யார்? என்னும் தலைப்பில் உரையாற்றினார். எழுத்தாளர் ,பேச்சாளர், கவிஞர் ,இதழாசிரியர் என பாரதியின் பன்முகங்களையும் அவர் தம் பேச்சில் எடுத்துக்காட்டினார்.'' இளைய பாரதத்தினாய் வா வா'' என்று பாரதியார் தம்முடைய பாடல்களில் இளைஞர்களுக்கு ஏற்றம் அளித்த தன்மையை எடுத்துக் கூறி எதிர்கால இந்தியாவை உருவாக்கும் இந்த இளைஞர்கள் நல்லவர்களாகவும் வல்லவர்களாகவும் நாட்டுப்பற்று

மிகுந்தவர்களாகவும் திகழ வேண்டும் எனச் சொன்னார் .பாரதியார் இறந்தே நூறு ஆண்டுகள் ஆகிவிட்டன.

எனினும் இன்றுவரை பாரதியின் பாடல்கள் குழந்தைகள் முதல் பெரியவர்கள் வரை அனைவரையும் சென்றடையக் காரணம் அவர் பாடல்களின் எளிமையும் ,கருத்தாழமும் ,கம்பீரமும் தான் என்பதையும் சுட்டிக்காட்டி அவர் சிறப்புரை ஆற்றினார் .முன்னதாக கல்லூரியின் பொறுப்பு முதல்வர் முனைவர் த .முத்துராமகிருஷ்ணன் அவர்கள் தலைமை ஏற்ற இந்நிகழ்வில் ,தமிழ்த்துறைத் தலைவர் முனைவர் சி. காந்தி அவர்கள் வரவேற்க ,நிகழ்ச்சியின் ஒருங்கிணைப்பாளரும் தமிழ்த்துறை உதவிப் பேராசிரியருமான முனைவர் க புவனேஸ்வரி அவர்கள் நன்றி கூறினார் .

உ.வே.சா. தமிழ்ப்பேரவைச் சொற்பொழிவு

'வரலாற்று நாவல்களில் வரலாற்றுச் செய்திகள்' என்னும் தலைப்பில் தேசியக்கல்லூரி வரலாற்றுத்துறைப் பேராசிரியர் எம். செல்வக்குமார் உரையாற்றினார்.

உ.வே.சா. தமிழ்ப்பேரவை நிறைவுவிழா

உ.வே.சா தமிழ்ப்பேரவை நிறைவு விழா 11.03.2026 அன்று நடைபெற்றது. தமிழ்த்துறைத் தலைவர் முனைவர் சி.காந்தி வரவேற்புரை வழங்கி விழாவினைத் தொடங்கி வைத்தார். கலைப்புல முதன்மையர் முனைவர் சா. நீலகண்டன் தலைமையுரையாற்றினார். முனைவர் தி. வெ. இராசேந்திரன் அவர்கள் சிறப்பு விருந்தினராகக்

கலந்து கொண்டு ''நானும் எனது படைப்பும்'' என்ற தலைப்பில் மாணவர்களுக்கு கருவேப்பிலை கட்டெறும்பு பட்டுத்துணி போன்ற பல கதைகளைக் கூறி, சமூக சிந்தனைகளை ஊட்டும் உரை நிகழ்த்தினார். இளநிலை மாணவர்கள் 50 புத்தகங்களையும் முதுகலை மாணவர்கள் 100 புத்தகங்களையும் கொண்டு தன் வீட்டில்; நூலகம் அமைக்க வேண்டும் என வலியுறுத்தினார். நிறைய நூல்களைப் படிக்கப் படிக்க படைப்பாற்றல் திறன் வளரும் என்றும் சமுதாயத்தை உற்றுக் கவனித்து அவற்றினால் ஏற்படும் நிகழ்வினை மனதில் கொண்டு பல கதைகள் எழுதுங்கள் என மாணவர்களிடம் அறிவுரை பகன்றார். பேரவைத்துணைத் தலைவர் முனைவர். இரா.பத்மா நன்றியுரை வழங்கினார். இந்நிகழ்ச்சியினை இளங்கலைத் தமிழ் மூன்றாம் ஆண்டு மாணவி செல்வி நா. சரண்யா தொகுத்து வழங்கினார். நிறைவாக நாட்டுப் பணிவுடன் இவ்விழா இனிதே நிறைவடைந்து. உ.வே. சா அவர்கள் போர் நடந்த சமயம் ஓலைச்சுவடிகளை மாட்டு வண்டியில் சுமந்து வேறு இடத்திற்குச் சென்று பாதுகாத்தார். ஓலைச்சுவடியின் மீது இருந்த பற்றால் தான் துறவு வாழ்க்கை மேற்கொள்ள முடியவில்லை என்று வருத்தப்பட்ட உ.வே.சா அவர்களுக்குத் தமிழ்ப் பணியும் சமுதாயத்திற்காகச் செய்யும் அற்பணிப்புணர்வும் துறவு வாழ்க்கைக்கு சமமானது என்று அவரது நண்பர்கள் ஆறுதல் கூறினார்கள் என்று நீலகண்டன் அவர்கள் உரையில் உவேசா வின் தமிழ்ப் பற்றை எடுத்துக் கூறினார்.

Department of Zoology

The Zoology Association meeting was held on 19th December 2025 in the Department of Zoology, National College, Tiruchirappalli. Dr. D. Kandasami, Assistant Professor, welcomed the gathering. Dr. V. Gokula, Head of the Department, presided over the function. **Dr. Justus Joshua, Wildlife Ecology and Biodiversity Conservation Senior Consultant and Senior Fellow of the Indian Regional Association for Landscape Ecology, Tiruchirappalli,** graced the occasion as the Chief Guest and delivered an

insightful lecture on "Unlocking the Bird: Simple Keys to Identifying Any Bird." In his address, he explained the fundamental principles of bird identification in a simple and systematic manner, emphasizing observation over memorization. He highlighted key identification features such as size, shape, posture, behavior, habitat, and vocalization, and stressed the importance of structure and movement before color patterns. He discussed concepts including bill shape,

wing and tail form, feeding habits, flight patterns, and habitat preferences, along with seasonal and age-related variations. The session encouraged regular observation and field note maintenance to improve identification skills. The programme was organized by Dr. A. Stalin, Vice-President of the Association. The Vote of Thanks was delivered by R. Preethi, II M.Sc. Zoology.

The Department of Zoology, National College, Tiruchirappalli, organized the Zoology **Association Valedictory Meeting** on 2 March 2026. The programme was presided over by Dr. V. Gokula, Head of the Department, and organized by Dr. A. Stalin, Vice-President of the Association.The Chief Guest,

Mr. V. Muthukrishnan, Fauna Consultant, Auroville Botanical Garden, delivered a special lecture on the topic **Flight of Delight: Exploring Butterflies.** In his lecture, he explained that butterfly identification is not merely about memorizing names but about careful observation of features such as size, wing shape, colour patterns, behaviour, flight style, habitat, and host plants. He emphasized that structural characteristics and behavioural patterns are more reliable than colour alone.

The speaker also discussed important concepts such as seasonal variation, sexual dimorphism, and age-related changes in butterflies, highlighting the importance of systematic observation in scientific study. He further explained how behaviour such as feeding, resting, and habitat preference helps in identifying butterfly families. A notable highlight of the session was his reference to the Dartlet butterfly recorded within the National College campus, which was described as a significant observation.The lecture encouraged students to maintain field notes, develop observation skills, and appreciate butterflies as an important part of biodiversity and conservation.The event concluded with the vote of thanks delivered by Ms. R. Preethi, II M.Sc. Zoology, expressing gratitude to the Chief Guest, faculty members, and participants.

The students of II B.Sc. Zoology undertook a field visit to Thanjavur on 23 January 2026 under the guidance of Dr. D. Kandasami. The team reached the Raja Raja Cholan Palace at 10:30 a.m. and observed the architectural brilliance of the palace, which reflected advanced engineering and cultural

patronage, symbolizing the wealth, naval strength, and military dominance of Emperor Raja Raja Chola. An audio-visual session provided insights into the birth of the emperor, his military conquests including naval expeditions across the Indian Ocean, and his efficient administrative system with emphasis on local self-governance. The students also learned about the construction of the magnificent Brihadeeswara Temple, a remarkable example of Chola architecture. The visit continued to the Thanjavur Palace complex, which housed the Saraswathi Mahal Library, an art gallery, and the Royal

Museum. The collections included rare manuscripts, paintings, artifacts, and memorabilia. The paintings in the Darbar Hall depicted scenes from the epic Ramayana, while the walls and ceilings displayed intricate stucco figures of gods and goddesses.The second phase of the visit was to the Department of Zoology Museum at Raja Serfoji Government College, Thanjavur. Dr. Mariappan, Associate Professor and Head of the Department of Zoology, and Dr. Sukumaran, Assistant Professor, welcomed the students and delivered informative lectures on museum specimens. The students observed and photographed preserved specimens of endangered and extinct animals, making the session highly engaging and educational. By 6:00 p.m., the students began their return journey to the college.

The UG students (11 in number) of the PG and Research Department of Zoology, accompanied by Dr. D. Kandasami, Dr. D. Gayathri, and Mr. S. Tamilarasan, proceeded on an educational tour to Kodaikanal on 04 February 2026. After reaching Kodaikanal, the students visited the man-made, star-

shaped Kodaikanal Lake located at the center of the town and surrounded by evergreen forests. They also visited Bryant Park, which is situated near the lake, on the same day.

On 05 February 2026, the students visited Guna Caves in the morning, followed by a trip to Poomparai, a village located in a valley near Kodaikanal. On the way to Poomparai, they stopped at the Palani Hills viewpoint and Mahalakshmi Temple. The students observed the scenic beauty of the valley and also visited the Vetrivellappar Temple at Poomparai. In the afternoon, they visited the Southern Regional Research Centre of ICAR – Central Sheep and Wool Research Institute at Mannavanur, Kodaikanal. The students observed various genetic varieties of sheep and rabbits conserved and maintained at the research center. Later, they visited the Mannavanur Eco-Tourism Site to view the dam and its surrounding landscape. This visit helped them understand the importance of conserving ecological diversity for a sustainable and eco-friendly environment. On their way back, they also visited the Rose Garden and Coaker's Walk, where they appreciated the natural beauty of the region.

After gaining valuable insights from the educational tour, the group began their return journey on 06 February 2026 at 10:00 a.m. towards National College, Tiruchirappalli, and reached the campus by 4:00 p.m. in the evening.

Students from the Department of Zoology, National College undertook an educational field visit to Rameswaram from 11 March 2026 to 13 March 2026 to study marine biodiversity and coastal ecosystems. The group travelled from Tiruchirappalli Junction by train and carried out systematic field observations

across key ecological and research sites.

On the first day, students visited Dhanushkodi Beach and Arichal Munai, the easternmost tip of Rameswaram Island where the Bay of Bengal meets the Gulf of Mannar. They studied sandy shore ecosystems and collected diverse marine organisms such as sponges, gastropods (Murex sp.), bivalves, molluscan egg masses, sea anemones, ascidians, sepia cuttle bones, sand dune plants, and various seaweeds (green, red, and brown algae) for academic analysis.

On the second day, the team visited the Algal Research Station, Mandapam (CSMCRI), where scientists Dr. Satish Lakkakula and Dr. S. Dinesh Kumar explained seaweed cultivation, macroalgal tissue culture, and industrial applications. Key areas included biostimulants, agar-agar, carrageenan production, and cultivation methods such as Gracilaria edulis (rope method) and Gelidiella acerosa (coral stone method). Students also learned

about micropropagation and government-supported seaweed farming initiatives under PMMSY. This was followed by a visit to CMFRI, Mandapam, where students explored the Marine Museum and Aquarium and observed preserved specimens, including an 8.1-meter sperm whale skull.

The visit continued with field learning at Villoondi Theertham, a natural freshwater spring within the sea, where students observed coastal biodiversity including a puffer fish specimen. They also visited the Dr. A. P. J. Abdul Kalam Memorial, which showcased exhibits of his contributions to ISRO, DRDO, and India's aerospace development. On the third day, students visited the Ramanathaswamy Temple, gaining insight into its cultural, historical, and architectural significance linked to the Ramayana epic. The tour concluded on 13 March 2026 with the return journey to Tiruchirappalli.

Overall, the visit provided valuable hands-on exposure to marine biodiversity, seaweed biotechnology, fisheries research, coastal ecology, and cultural heritage, significantly enhancing students' practical understanding of applied zoology and marine sciences.

MoU Signed

Department of Information and Communication Technology

A Memorandum of Understanding (MoU) Signing Ceremony was organized by the Department of B. Voc (Information and Communication Technology), National College (Autonomous), Tiruchirappalli, on 29 January 2026 at Saranathan Hall. The programme was coordinated under the guidance of Mr. S. Palanisamy, Vice President of the department. The event was presided over by Dr. D. Muthuramakrishnan, Principal (i/c) of National College, and commenced with a welcome address delivered by M. Iyyappan (III B.Voc ICT). The Head of the Department, Mr. N. Parthasarathy, honored the dignitaries with a shawl and memento. The MoU was signed between National College (Autonomous), Tiruchirappalli, and DigiDARA Technologies Private Limited, Tiruchirappalli. The signatories from the college side were Dr. D. Muthuramakrishnan, Principal (i/c), and Mr. N. Parthasarathy, Head & Assistant Professor of the Department of B.Voc (ICT), while the industry partners were Mr. Senthilkumar Rajamarthandan, Managing Director, and Mrs. R. Periyanayagam, Joint Director of DigiDARA Technologies Private Limited.

The objective of the MoU was to strengthen industry–academia collaboration by providing internship opportunities, industrial exposure, faculty development programs, and skill-based training in areas such as software development, data analytics, and IT infrastructure management. The partnership also aimed to bridge the gap between theoretical learning and practical application through workshops, seminars, guest lectures, and exposure to emerging technologies such as Artificial Intelligence, Cloud Computing, Data Analytics, and Digital Transformation. It further focused on enhancing student employability through placement assistance on a best-effort basis and promoting innovation through academic support for conferences and symposia. During the event, the partner representative, Mr. Senthilkumar Rajamarthandan, delivered an insightful address on Artificial Intelligence and emerging career opportunities, motivating students to develop industry-relevant skills. The programme was attended by faculty members and students, and it concluded with a vote of thanks delivered by T. Visva (III B.Voc ICT).

A Memorandum of Understanding (MoU) Signing Ceremony was organized by the Department of B.

Voc (Information and Communication Technology), on 03 February 2026 at Saranathan Hall. The programme was coordinated under the guidance of

Mr. S. Palanisamy, Vice President of the department. The event was presided over by Dr. D Muthuramakrishnan, Principal (i/c) of National College, and commenced with a welcome address delivered by M. Iyyappan (III B.Voc ICT). The MoU was signed between National College (Autonomous), Tiruchirappalli, and the Department of Artificial Intelligence and Data Science, K. Ramakrishnan College of Engineering (Autonomous), Tiruchirappalli. The signatories from the college side were Dr. D. Muthuramakrishnan, Principal (i/c), and Mr. N. Parthasarathy, Head of the Department of B.Voc (ICT), while the partner institution was represented by Dr. D. Srinivasan, Principal, and Dr. B. Kiran Bala, Head & Assistant Professor of the Department of Artificial Intelligence and Data Science.

The main objective of the MoU was to strengthen academic collaboration between both institutions through the exchange of best practices, sharing of expertise, visiting professorships, and student-centric activities. It also aimed to promote research collaboration, joint publications, workshops, seminars, and conferences at national and international levels. The agreement further focused on curriculum enrichment, student exchange programmes, and collaborative research projects supported by funding agencies such as DDT, DST, ICSSR, and CSIR. Both institutions expressed their commitment to enhancing student skills, innovation, and employability through continuous knowledge sharing and industry-oriented academic initiatives.

During the programme, the partner representative, Dr. D. Srinivasan, delivered an insightful and interactive session on IoT and Artificial Intelligence technologies, motivating students to develop skills relevant to emerging career opportunities such as digital engineering and entrepreneurship. The Head of the Department, Mr. N. Parthasarathy, honored the dignitaries with a shawl and memento. The event was attended by faculty members and students and served as a platform to strengthen academic and research collaboration between the two institutions. The programme concluded with a vote of thanks delivered by N. Varunikaa Shree (II B.Voc ICT).

Department of Chemistry (UAP) signed a MoU with Sri Manakula Vinayagar College of Arts and Science

A Memorandum of Understanding (MoU) was signed between the Department of Chemistry (UAP) National College and Sri Manakula Vinayagar College of Arts and Science on 13 February 2026 at the premises of National College, Tiruchirappalli, marking the beginning of a collaborative academic partnership aimed at strengthening higher education, research, and institutional development between the two institutions.

The MoU signing ceremony was held in the presence of Dr. D. Muthuramakrishnan, Principal(i/c),Director Dr. K. Anbarasu, Dr. D. Saravanan, Dean of Science, faculty members of the Department of Chemistry, Heads of the Department of Chemistry Dr. M. Esakkiammal and Dr. S. Savithiri, along with administrative officials and faculty representatives from both institutions. The programme commenced with a formal welcome address and an introduction highlighting the academic achievements, research contributions, and educational initiatives undertaken

by the participating institutions. The agreement seeks to promote academic cooperation through joint research projects, faculty exchange programmes, student development activities, seminars, workshops, conferences, and various knowledge-sharing initiatives. It also emphasizes interdisciplinary research, collaborative publications, innovation-driven programmes, and the creation of opportunities that would enhance academic exposure and professional growth for students and faculty members.

During the event, the dignitaries underlined the importance of institutional partnerships in advancing academic excellence, research productivity, and innovation in higher education. They expressed confidence that the collaboration would foster intellectual exchange, strengthen research capabilities, and contribute significantly to the academic and professional development of both institutions. The ceremony concluded with a vote of thanks acknowledging the efforts of the management, faculty coordinators, organizing

committee members, and participants for the successful conduct of the event. The newly established collaboration is expected to pave the way for several future academic, research, and extension activities between the two institutions.

Department of Geology MOU Signed with AquaForge Robotics

AquaForge Robotics Pvt. Ltd., Thoothukudi, signed a Memorandum of Understanding (MoU) with the Department of Geology, National College (Autonomous), Tiruchirappalli, on 12 February 2026 to promote academic, technical, and research collaboration in drone and geospatial technologies. Dr. S. Venkatramanan,Dr. K. Radhakrishnan and Dr. Karung Phaisonreng Kom, Assistant Professors of the Department are the members of Consultative Body. The partnership focuses on drone-based surveying,

geological and mine mapping, structural analysis, robotics, and geospatial applications. The collaboration aims to provide students and researchers with practical training, internships, dissertation guidance, and industry exposure. Under the agreement, both institutions will jointly conduct workshops, seminars, faculty exchange programs, research projects, and technical training programs. AquaForge Robotics will offer expertise in drone surveying, mapping, and robotics, while the Department of Geology will provide academic and infrastructural support. The MoU will remain valid for five years and seeks to strengthen innovation, research, and skill development in emerging technological fields. Officials from both institutions stated that the initiative would help strengthen research capabilities, enhance student learning opportunities, and contribute to sustainable water resource development in Tamil Nadu.

Boys Hostel Day 2026

The Boys Hostel Day was celebrated with great enthusiasm on 14th March 2026 at the Boys Hostel Ground. The program commenced with the Deputy Warden, Dr. S.P. Anand, presenting the Hostel Day report, highlighting the activities and achievements of the hostel throughout the year. Dr. D. Muthuramakrishnan, Principal(i/c) delivered the presidential address, emphasizing discipline, academic excellence, and the overall development of students.The Chief Guest, Dr. M. Murali, Associate Professor and Vice Principal(Aided), addressed the gathering. In his speech, he offered valuable insights on student behavior, the importance of maintaining discipline during studies, and the numerous benefits of hostel life.Teaching and non-teaching staff members from various departments graced the occasion with their presence. Prizes were distributed by the Chief Guest to the winners of various sports

events, cultural competitions, and fun games.The event concluded with vibrant cultural performances by hostel students, including drama, solo dance, and group dance, which added color and entertainment to the celebration.

Girls' Hostel Day 2026

Girls' Hostel Day was celebrated with great enthusiasm on 12th March 2026. The Chief Guest

for the evening was Mrs. Mala Balasubramanian Nehru Memorial College, Puthanampatti. The

celebration began with a welcome address by Dr. R. Soundaravalli, Deputy Warden. The Principal Dr. D. Muthuramakrishnan addressed the gathering, emphasizing the hostel's role in providing a safe and supportive environment, and the Vice Principals of the aided and unaided departments also shared their thoughts. Mrs. Mala Balasubramanian, in her special address, extended belated wishes for International Women's Day and highlighted the strength and potential of young women. She stressed the importance of balancing academics, extracurricular activities, and self-care, encouraged strong peer relationships, and emphasized gratitude towards parents and well-wishers. She also advocated learning essential life skills and promoting environmental awareness through reuse and recycling.The cultural segment featured dances, songs, a bridal walk, and a ramp walk, along with prize distribution for various competitions. The programme was lively and entertaining, creating a joyful atmosphere.The evening concluded with vote of thanks.

Placement Day

TheCareer Guidance and Placement Cell of National College (Autonomous), Tiruchirappalli proudly organized Placement Day 2026, celebrating the remarkable placement achievements of its students. The event highlighted the institution's commitment to ensuring that every student graduates with promising career opportunities.

A total of 43 reputed companies participated in the placement drive, offering 1115 job offers to students across various disciplines. The salary packages ranged from 2.4 LPA to 6.2 LPA, reflecting the strong industry alignment and employability skills of the students.

The event was graced by Mr. M. Ramanathan, Motivational Speaker and Managing Director of Muthulakshmi Agencies & Kosmo Furniture, Trichy, as the Chief Guest, who inspired students with his valuable insights and words of encouragement. Leading organizations from diverse sectors such as IT, banking, manufacturing, and services actively recruited students, showcasing the college's strong industry connections and placement ecosystem.

An Overseas Education Awareness Seminar was jointly organized by our college in association with Vilnius University, Lithuania on 16 December 2025 at the Dr. V. Krishnamurthy Auditorium. The seminar was conducted in two sessions to benefit a wide range of students from various disciplines. The program aimed to create awareness about higher education opportunities abroad and to guide students in planning their international academic careers. The session featured eminent resource persons including Dr. Aswin Suresh (Vilnius University Indian Ambassador), Mr. Ranjith (Regional Manager), Ms. Vaishnavi (Branch Manager), and Ms. Deepa Shree (Student Counsellor). They provided valuable insights into studying abroad, scholarship opportunities, and the admission process for PG and Ph.D. programs. Key highlights of the seminar included guidance on preparation for overseas education, information on free education opportunities, Tamil Nadu Government and international scholarships, and end-to-end support for students aspiring to study abroad. The seminar witnessed active participation from III Year UG and II Year PG students, who gained a clear understanding of global education pathways and career prospects. The event proved to be highly.

The Regional Level Magic Bus & IBM SkillsBuild "AI Sparks – Ideas into Impact" Project Presentation

and Technical Quiz Competition was successfully conducted on March 6, 2026 at National College, Tiruchirappalli. The event brought together enthusiastic students who showcased their innovative ideas and technical knowledge in the field of Artificial Intelligence. The programme was inaugurated by Mr. Boddu Sreedhar, Senior Manager – Digital Skilling

and South Zone Head, Magic Bus Foundation. The competition featured two major events: AI Project Presentation and a Technical Quiz Competition, which witnessed active participation from students representing various institutions. Mr. Jayakumar Duraisamy, National Head Manager – Digital Curriculum & Training, Magic Bus Foundation, served as the judge for the AI Project Presentation, while Mr. Mathan S, Technical Trainer, Magic Bus Foundation, evaluated the Technical Quiz Competition. The participants demonstrated impressive creativity, analytical thinking, and technical competence throughout the event. Winners of both events were honoured with medals and certificates in recognition of their outstanding performance.

Consultancy Report

Dr. J. Karthikeyan, Mr. N. Arunpandian, and Dr. Ashik Pradeep rendered consultancy services to JSS College of Pharmacy, Udhagamandalam, by conducting a two-day programme on "Soft Skills & Career Readiness Programme" on **27 and 28 April 2026** for final-year **B.Pharm, M.Pharm, and Pharm D** students.The programme was designed to strengthen students' employability by focusing on essential soft skills, professional communication, interview techniques, and workplace readiness. The sessions provided practical insights into campus recruitment

processes followed by leading pharmaceutical companies, enabling students to better understand industry expectations.A total revenue of **30,000** was generated through this consultancy engagement.

77th Republic Day

Our College celebrated the 77th Republic Day with great patriotism and enthusiasm on Monday, 26 January 2026.The event began with the unfurling of the national flag by Mr. K. Kaliyaperumal, Lab Assistant from the Department of Geology. Dr. D. Muthuramakrishnan, Principal (i/c), welcomed the gathering by saying the importance of this day. Dr. S. Gandhi, Associate Professor and Head, Department of Tamil, and Dr. P. Shanmuganandam, Associate Professor, Department of Mathematics, delivered the Republic Day address. They highlighted the significance of the Constitution, unity in diversity, and

the responsibilities of citizens in strengthening the nation. Dr.N.Jawahar Raj, Associate Professor and Head, Department of Geology proposed the vote of thanks.

Library Day

Department of Library and Information Science celebrated the Library Day 2026 with great enthusiasm on Friday, March 27, 2026, attracting a large gathering of students, faculty members, and avid readers. Dr. D. Muthramakrishnan, Principal of the college, energized the audience with his

motivational address The highlight of the celebration was an insightful guest lecture delivered by **Dr. R. Balasubramani, Director of Research and Professor in the Department of Library and Information Science at Bharathidasan University, Tiruchirappalli**. Speaking on the theme **Libraries as Catalysts for Life Transformation,"** he emphasized the evolving role of libraries in the digital era. He noted that modern libraries have transformed from mere repositories of books into dynamic knowledge hubs that inspire

intellectual curiosity, promote critical thinking, and support both personal and professional growth. A key feature of the event was the distribution of awards for the "Best Library Users." These honors were presented by the Chief Guest to students who demonstrated exceptional dedication to academic research and consistent use of the college's library resources. The initiative aimed to motivate the broader student community to actively engage with the library's extensive facilities. Dr. T. Sureshkumar, Assistant Professor and Librarian delivered the vote of thanks. The event concluded on an inspiring note, reinforcing the idea that access to knowledge remains one of the most powerful tools for life transformation.

Women's Day

International Women's Day was celebrated on March 6, 2026.. Dr. P.S.S. Akilashri, Associate Professor and Head, Department of Computer Science, delivered the welcome address. Dr. D. Muthuramakrishnan, Principal i/c, in his presidential address, remarked that "silence and a genuine smile are powerful strengths that lead individuals toward success," encouraging students to maintain composure, discipline, and positivity in their journey. Dr. P. Nainar Sumathi, Assistant Professor(SS) introduced the Chief Guest. The event was graced by the Chief Guest, Tmt. N. Kamini, IPS, Commissioner of Police, Tiruchirappalli. Addressing the gathering,

Tmt.N. Kamini emphasized that dedication, honesty, courage, and strong decision-making are essential qualities for women to achieve success in life. She highlighted the importance of self-confidence and problem-solving skills in overcoming challenges and encouraged women to believe in their strength and capabilities. She also underlined the crucial role of family support in empowering women and noted that the police department has been implementing several initiatives to ensure women's safety. She urged women to make effective use of these safety measures and support systems.The programme was presided over by the College Secretary, Shri. K. Raghunathan, who appreciated the achievements of women across various fields and stressed that education, confidence, and determination are the pillars of women's empowerment. The vote of thanks was proposed by Dr. K. Bhuvaneswari, Assistant Professor (SS), Department of Tamil. As part of the celebration, a variety of competitions were conducted for students, including short film, debate, start music, stand-up comedy, skit, mime, dressing as a historical or popular woman, poetry writing, elocution, and poster making. The events witnessed enthusiastic participation from students across departments.The Chief Guest distributed prizes to the winners. The Tamil Department secured the Overall Trophy (First Place), while the BCA and Geology Departments shared the Second Place.

Endowment Scholarships

The Endowment Scholarships for the academic year 2025–2026 was celebrated with great enthusiasm on 10 April 2026, marking the distribution of endowment scholarships to deserving students. The Welcome Address was delivered by Dr. D. Prasanna

Balaji, Vice Principal (UAP). The Presidential Address was given by Dr. D. Muthuramakrishnan, Principal In-charge, who highlighted the importance of academic commitment and encouraged students to strive for excellence. The Chief Guest, Mr. N. Rathinakumar, Managing Director of Ramyas Hotel, Tiruchirappalli, was honoured by the Principal with a shawl and memento as a mark of respect and gratitude. The highlight of the programme was the distribution of 41 Endowment scholarships to 91 beneficiaries. A total amount of ₹5,87,000 was distributed by the chief guest, supporting students in their academic journey and recognizing their merit and need. In his address, the Chief Guest delivered an inspiring speech, emphasizing the value of generosity with

the thought "Be a giver, as givers are the happiest." He encouraged students to set at least three clear goals in life—personal, professional, and societal. He also stressed the importance of financial discipline in both business and personal life and urged students to develop a clear vision for their future. The programme concluded with the Vote of Thanks proposed by Dr. V. Sri Ramachandran, Controller of Examinations and Coordinator of Endowment Prizes. motivated.

BIOFEST–2026

The Department of Biotechnology, Microbiology, and Bioinformatics of our college successfully concluded **BIOFEST–2026** on 20th February 2026, a spectacular two-day inter-departmental cultural and talent extravaganza that transformed the campus into a vibrant arena of creativity, competition, and celebration. The fest witnessed enthusiastic participation from students across departments, reinforcing the institution's commitment to nurturing talent beyond academics.

Originally launched in 2013 as an inter-college cultural initiative, BIOFEST has steadily evolved into one of the most anticipated intra-college celebrations, fostering camaraderie, leadership, artistic expression, and unforgettable memories among students and faculty members alike. The 2026 edition lived up to

its legacy with electrifying performances, innovative competitions, and grand celebrations that captivated the audience throughout the two days.

The first day of the festival was packed with energy and excitement as students showcased their multifaceted talents in a variety of competitions. Signature events such as **Mr./Miss NCT**, **Design and Dazzle**, **Art Competition**, **Facial Painting**, **Rangoli**, **Meme Creation**, **Short Film Contest**, **Photography**, and the ever-popular **Treasure Hunt** drew enthusiastic participation and applause. The campus buzzed with creativity as contestants blended innovation, humor, fashion, and artistic excellence in every event.

Day Two elevated the excitement further with spectacular stage events including **MIME performances**, **Ramp Walks**, and entertaining cultural showcases that highlighted the confidence and coordination of the participating departments. The audience responded with thunderous applause as participants delivered memorable performances marked by creativity, discipline, and enthusiasm.

The much-awaited **Valedictory Ceremony** marked the grand culmination of BIOFEST–2026. Amid loud cheers and celebrations, the **Department of Computer Applications** emerged as the **Overall Champions**, securing the prestigious Championship Trophy through consistent performances across events. The **Department of Commerce (Unaided)** was declared the **Runner-Up**, earning appreciation for its spirited participation and impressive achievements.

In recognition of collective effort and sportsmanship, all participating departments were honored for their outstanding involvement and dedication. Special appreciation was extended to the staff coordinators and faculty members whose meticulous planning, guidance, and tireless support ensured the resounding success of the event.

Adding glamour and excitement to BIOFEST–2026 were the distinguished jury members and chief guests. Mr. MecZorro, a three-time Mr. Trichy titleholder (2023–2025), Mr. Tamil Nadu Finalist 2026, and actor in the upcoming film AATTI, served as chief guest and jury member. His charismatic presence energized the audience and inspired participants.

Another major attraction was Dr. Abarna, co-jury for the Mr./Miss NCT competitions. Combining academic excellence with professional modeling credentials, she brought elegance, professionalism, and keen judgment to the event. Together, the jury members enhanced the glamour and prestige of the festival.

Beyond entertainment and competition, BIOFEST–2026 promoted the importance of balancing academics with cultural engagement and personal growth. With the slogan "Innovate, Celebrate, Dominate!", the festival inspired creativity, confidence, and unity among students, leaving behind cherished memories of joy, teamwork, and excellence.

NCC / Indian Navy Day

Indian Navy Day is celebrated on December 4th to honour the bravery and achievements of the Indian Navy. It commemorates the success of Operation Trident during the Indo-Pakistan War of 1971, when Karachi harbour was attacked. The day highlights

the Navy's role in protecting the nation's maritime borders. In our college, the event was organised under Lt. Cdr. Dr. S. Selvaraj. The celebration created awareness and inspired students about naval service and patriotism.

Naval Wing NCC celebrated Vijay Diwas

Vijay Diwas was observed on **16 December 2025** to commemorate India's historic victory over Pakistan in the 1971 war, which led to the liberation of East Pakistan and the formation of Bangladesh. The day marks the surrender of 93,000 Pakistani

soldiers to the Indian Armed Forces and the Mukti Bahini in Dhaka, one of the largest military surrenders since World War II. The programme highlighted the bravery, sacrifice, and dedication of Indian soldiers who fought for the nation's pride and freedom. The event was coordinated by Lt. Cdr. Dr. S. Selvaraj, and it instilled a deep sense of patriotism and respect for the armed forces among the participants.

Indian Constitution Day Celebration

The 2 (TN) Armd Sqn NCC observed Indian Constitution Day on 26 November 2025 in our College, to commemorate the adoption of the Indian Constitution and to highlight its fundamental values. The programme focused on creating awareness

on the principles of justice, liberty, equality, and fraternity enshrined in the Constitution through pledge-taking and informative sessions. NCC cadets participated with discipline and respect, reaffirming their commitment to constitutional ideals. The celebration strengthened the cadets' understanding of civic duties and national responsibility, fostering deeper respect for democratic values and the rule of law. The activity enabled cadets to gain greater awareness of the rights and responsibilities of Indian citizens while promoting integrity, unity, and a strong sense of national commitment.

Armed Forces Flag Day

The 2 (TN) Armd Sqn NCC observed Armed Forces Flag Day on 07 December 2025 in our College

Campus to honour the bravery and sacrifices of the Indian Armed Forces. The programme included awareness activities and patriotic displays aimed at educating students about the importance of

supporting armed forces personnel and veterans. NCC cadets participated actively and with discipline, demonstrating respect and gratitude towards those who safeguard the nation. The observance enhanced patriotic sentiments among students and created greater awareness of national service and the vital role of the armed forces in maintaining national security. The activity helped cadets develop a strong sense of nationalism and reinforced values such as discipline, courage, dedication, and commitment to duty, which are essential qualities upheld by NCC.

NATIONAL SOCIAL SERVICE

Child & Women Abuse Awareness Rally

On November 26, 2025, students from the PG and Research Department of Physical Education and Sports Sciences at National College, Trichy, actively participated in a Child & Women Abuse Awareness Rally as a vital social extension activity. Organized through a collaborative effort by the Rotary Club of

Trichy, the Bharathidasan University NSS Cell, and various regional Rotary Clubs, the event aimed to sensitize the public to the critical issues of safety and protection for vulnerable groups. By marching in this initiative, the students demonstrated a strong commitment to social justice, highlighting the role of future sports professionals in fostering a secure and ethical community environment.

Blood Donation Camp

On January 09, 2026, the Department of Physical Education and Sports Sciences, in coordination with the NSS Units (I, II, III, & IV) of National College (Autonomous), Trichy, organized a highly successful Blood Donation Camp at the college Indoor Stadium. Held in association with Kauvery Hospital, Trichy, the initiative was conducted under the medical supervision of Dr. Sunil Jai Karnesh G and the guidance of Dr. D. Prasanna Balaji (Vice Principal) along with other NSS Programme Officers. The event saw overwhelming participation from student-athletes and volunteers, emphasizing the

department's commitment to community health and social responsibility while contributing vital resources to the local blood bank

Election Awareness Rally

On March 7, 2026, the PG and Research Department of Physical Education and Sports Sciences, in collaboration with the NSS units of National College and Puthiya Thalaimurai News Channel, organised a massive Election Awareness Campaign 2026 rally.

The event saw the enthusiastic participation of more than 250 students, who marched from the National College campus to the District Collector's Office in Trichy to promote the importance of voting and democratic participation. This collaborative initiative served as a vital extension activity, utilising the energy of the student-athletes and volunteers to sensitise the general public about their civic duties ahead of the upcoming elections. The rally concluded with a strong message on the significance of every single vote, reinforcing the college's commitment to social responsibility and national development.

Core Group

The Students' Core Group was inaugurated on 13th February 2026. The programme was organized

by Dr. R. Suresh Kumar, Department of English and Dr. P. Karthick, Department of Geology who served as the coordinators. Delivering the welcome address, the Principal (i/c), Dr. D. Muthuramakrishnan, explained the vision and objectives behind the formation of the Students' Core Group, stating that toppers from various departments were carefully selected, with around 260 students included in the initiative. He emphasized that the primary aim is to enhance students' knowledge across disciplines, support academic excellence, and encourage peer learning, while also instilling discipline, responsibility, and social values. The inaugural address was delivered by the Chief Guest, Dr. K. Anbarasu, Director, who highlighted the academic significance and long-term benefits of such initiatives in preparing students for university and competitive examinations. He also delivered a special lecture on "Dynamic Earth,"

explaining key geological concepts such as tectonic plate movements, continental drift theory, and palaeontological evidence supporting the evolution of continents. Dr. R. Suresh Kumar, Assistant Professor(SS), Department of English proposed the vote of thanks. The session witnessed active participation from students, who engaged in thoughtful discussions and interactions with the speaker. The programme concluded on an inspiring note, emphasizing that the Students' Core Group would serve as a valuable academic platform promoting collaborative learning, with the message, "Together we learn, together we lead, together we succeed."

A special lecture on **"The Role of Consistency, Optimism and Discipline in Shaping Youth"** was organized by the Students' Core Group on 24th February 2026. The Chief Guest, Mr. Farooq U, Deputy Collector(Trainee) delivered an engaging and thought-provoking address, drawing from his personal journey through TNPSC examinations and civil service training. He emphasized that consistency in effort, optimism during setbacks, and disciplined living are essential for achieving long-term success. Through relatable anecdotes and practical insights, he encouraged students to set clear goals, manage time effectively, practice self-discipline, and remain committed to continuous learning. Stressing that

failures are stepping stones to success, he urged students to stay confident and resilient in the face of challenges. The session witnessed enthusiastic participation from Core Group students across various departments and proved to be highly inspiring. The programme concluded with the vote of thanks by Dr. P. Karthick, Assistant Professor, Department of Geology.

A special lecture on the theme **"Use it or Lose it"** was organized for the Core Group students of National College on March 10, 2026, at 12:05 p.m. The Chief Guest, Dr. R. Srinivasan, delivered an engaging and insightful lecture focusing on the functioning of the human brain, particularly highlighting the

importance of memory and understanding in the learning process. He explained how effective learning strategies such as regular mental exercise, active engagement, and meaningful comprehension help transfer knowledge from short-term to long-term memory. Using practical examples, he motivated students to utilize their cognitive abilities efficiently and emphasized that consistent intellectual activity

strengthens the brain. The session witnessed enthusiastic participation from Core Group students across various departments and proved to be highly informative and inspiring. The programme concluded with the vote of thanks by Dr. P. Karthick, Assistant Professor, Department of Geology.

Road Safety Awareness Programme

The 2 (TN) Armd Sqn NCC conducted a Road Safety Awareness Programme on 22 December 2025 at the District Collectorate with the objective of creating awareness among the general public about traffic regulations and safe road practices. NCC cadets actively participated in the programme by interacting with commuters and emphasizing the importance of adhering to traffic rules, wearing helmets and seat belts, and avoiding rash and negligent driving. The disciplined and organized

participation of the cadets drew public attention and reinforced the significance of traffic discipline and responsible road usage. The programme enhanced public awareness regarding road safety while providing cadets with practical exposure to community-oriented awareness initiatives. It strengthened their leadership abilities, communication skills, and civic responsibility, thereby promoting a culture of safety and social accountability

YOUTH RED CROSS
Blood Donation Camp

A Blood Donation Camp was organized by the Youth Red Cross and 2 (TN) Armoured Squadron NCC in collaboration with HDFC Bank, Trichy on 04.12.2025. The camp was inaugurated by senior bank officials and the Principal. More than 100 students donated blood after undergoing medical screening procedures. Donors received certificates and refreshments. The programme was efficiently coordinated by Dr. K. Srividhya and Dr. G. Rajesh, promoting humanitarian values and social responsibility among students.

Leo club
Free Eye Camp Awareness Activity

The Leo Club of our College carried out an awareness initiative on 04.12.2025 to promote participation in a free eye camp scheduled on 05.12.2025 at Somarasampettai.

Students distributed notices to the public, creating awareness about eye health and encouraging

community participation, thereby reflecting their commitment to public service. Dr. S. Neelagandan coordinated the event.

Free Eye Surgery Camp

The Leo Club in association with Rock City Lions Club and Mahatma Eye Hospital, organised a Free Eye Surgery Camp on **Wednesday, 18 February 2026**, at Nachikurichi Malliyampathu village. More than 65 beneficiaries received eye screening and medical assistance during the camp. Among them, twelve individuals were selected for surgery and referred for further treatment.

The camp arrangements were coordinated by Mr. Santhosh Siva, President of Rock City Lions Club, and Dr. S. Neelagandan, Faculty Coordinator of the Leo Club, National College. The programme served as a significant initiative in promoting eye health and community welfare.

Annadhanam Programme

The Leo Club in collaboration with Rock City Lions Club, organized an Annadhanam programme on 10.01.2026 near the Government Hospital, Tiruchirappalli. Food was distributed to the needy, benefiting several individuals. The programme,

coordinated by Dr. S. Neelagandan, emphasized compassion, service, and humanitarian values among students.

Old Age Home Service Programme

The Leo Club in association with Rock City Lions Club, organized a social service programme on 12.01.2026 at Punganur Old Age Home, Tiruchirappalli. During the programme,coordinated by Dr. S. Neelagandan, blankets and food were distributed

to more than 30 inmates. The event was attended by Lion Santhosh Siva, Lion Swathi Thyagarajan, Lion Vijayalakshmi, and faculty members. The programme reflected empathy, compassion, and social responsibility among students.

Bonded Labour Awareness Programme

The Leo Club in collaboration with the Tamil Nadu Government Labour Department, organised an awareness programme on 21.01.2026 to educate students about bonded labour eradication and labour rights. The programme, coordinated by Dr. S. Neelagandan, included distribution of awareness materials and was attended by dignitaries including Mrs. K. Lakshmi, Dr. D. Muthuramakrishnan, and

others. It enhanced awareness of human rights and social justice among students.

Republic Day Celebration & Tree Plantation

The Leo Club of National College, in association with Rock City Lions Club, organized a Republic Day celebration on 26.01.2026 at Kariyamanikkam Government Higher Secondary School, Samayapuram. The programme, coordinated by Dr. S. Neelagandan, included tree plantation, financial support for

drinking water facilities, and prize distribution for students who excelled in cultural competitions. The event promoted patriotism, environmental awareness, and student encouragement.

JCI 51st Installation Ceremony

JCI Rocktown Zone XXIII conducted its 51st Installation Ceremony on 07 January 2026, during which Ms. S. Prasanna Devi of National College (Autonomous), Tiruchirappalli was installed as Vice President (Junior Jaycees). The ceremony marked an important milestone in leadership transition and organizational development, recognizing the contributions and potential of young leaders. The event emphasized the importance of leadership, service, and professional growth, inspiring students to

actively participate in organizational and community initiatives.

Republic Day E-Quiz

The Junior Jaycees Club in association with JCI Rocktown Zone XXIII, organized a Republic Day E-Quiz on 26 and 27 January 2026 with the objective of promoting awareness about constitutional values, national history, and democratic principles. The event was organized by Prof. S. Prasanna Devi conducted the online quiz, which witnessed active participation from 180 students and JCI members, reflecting strong enthusiasm and engagement. The quiz comprised objective-type questions covering the significance of Republic Day, the Indian Constitution, contributions of national leaders, and key events of the freedom struggle. Participants who successfully completed the quiz were awarded e-certificates, encouraging academic participation and digital learning. The programme effectively combined technology with knowledge enhancement, fostering patriotic awareness, critical thinking, and a deeper understanding of India's democratic framework among participants.

STUDENT EXNORA

Environmental Awareness Online Quiz

The Students' Exnora of National College (Autonomous), affiliated with Youth Exnora International, organized an Environmental Awareness Online Quiz on 06 February 2026 to create awareness on environmental issues and promote responsibility towards nature and sustainable living. The event saw the participation of 25 students from various departments through an online platform, ensuring accessibility and convenience. The quiz covered topics such as environmental conservation, climate change, biodiversity, pollution control, and sustainable development, enhancing knowledge and critical thinking.

It encouraged students to reflect on environmental challenges and individual responsibility while making learning engaging and informative. An added feature was the automatic generation of e-certificates for all participants, with sample certificates attached as proof. The programme was organized under the guidance of Dr. Preya M.N.V., Exnora Staff Coordinator, ensuring smooth execution. Overall, the event strengthened environmental awareness and reflected the institution's commitment to sustainability and social responsibility.

The Students' ExNoRa, affiliated with Youth ExNoRa International, organized ExNoRa Day Competitions on 05 December 2025 in Rooms G5, G6, and G7 of the Department of English. The programme aimed to create awareness among students about environmental protection, sustainable living, and wildlife conservation. Essay Writing and Elocution competitions were conducted in both Tamil and English, providing students with an opportunity to express their ideas on contemporary environmental issues. The themes, "The Role of Students in Keeping the Environment Clean" and "Protecting Wildlife Is Essential for Human Survival," encouraged participants to reflect on ecological responsibility and sustainable practices.

A total of 22 students from various departments actively participated in the competitions with great enthusiasm. The event helped students enhance their communication and critical thinking skills while deepening their understanding of pollution, waste management, biodiversity conservation, and

environmental sustainability. The programme was efficiently coordinated by Dr. Preya M.N.V., Assistant Professor (SS), Department of English. The competitions were conducted in a disciplined and inclusive manner, promoting bilingual participation and wider student engagement

The Exnora of National College (Autonomous), affiliated with Youth Exnora International, organized a Tree Plantation Programme on 06 January 2026 at Sree Ramakrishna Middle School, Woraiyur, Tiruchirappalli, starting at 10:30 a.m. with active participation from students and faculty. As part of the initiative, 10 saplings were planted and a protective fence was constructed to ensure their safety and growth. The programme emphasized afforestation, environmental conservation, air quality improvement, biodiversity protection, and climate change mitigation. Students were sensitized to

nurture the saplings and take responsibility for environmental protection, promoting experiential learning and environmental stewardship. The programme received support from Mr. Balakrishnan of A Green Wing of TOSS and Mrs. K. Sindhu, Founder of Maruvom Matruvom Trust. It was organized under the guidance of Dr. Preya M.N.V., Exnora Staff Advisor,

ensuring successful coordination. The event reinforced the institution's commitment to sustainable development and green initiatives.

The Students' ExNoRa of National College (Autonomous), Tiruchirappalli, affiliated with Youth ExNoRa International, organized a World Water Day Valedictory Programme on 12 March 2026 at the Gallery Hall to create awareness about water conservation and sustainable management of water

resources. The programme was conducted under the guidance of Dr. Preya M.N.V., Staff Advisor. Dr. D. Muthuramakrishnan, Principal i/c, delivered the Presidential Address, emphasizing the importance of conserving water resources for future generations. The Chief Guest, Er. K. Rajagopal, Former Assistant Executive Engineer, Water Resources Department, and Founder & Chairman of KRG Foundation – Environment and Ecology Research, delivered an informative address on water scarcity, pollution, rainwater harvesting, and the need to protect natural water bodies. His speech inspired students to adopt responsible water conservation practices in their daily lives and highlighted the collective responsibility of society in addressing environmental challenges.

The programme also included a prize distribution ceremony for the winners of various competitions conducted during ExNoRa Day celebrations. The prizes were distributed by Dr. D. Muthuramakrishnan, Principal i/c, Er. K. Rajagopal, and Dr. Preya M.N.V., Staff Advisor. The event witnessed the active participation of 81 students and was effectively organized with the involvement of faculty members and student volunteers. The programme concluded with a vote of thanks delivered by Miss. Aishwarya B, II B.A. Englis**h,** expressing gratitude to the dignitaries, organizers, and participants. Overall, the event proved to be highly informative and impactful in promoting environmental awareness, sustainable practices, and social responsibility among students.

Quiz Club

The Quiz club organized an Inter-Departmental Quiz Competition on 11 February 2026. The event was open to undergraduate and postgraduate students of all departments, aiming to promote academic excellence and interdisciplinary knowledge.

The quiz covered five key areas—General Knowledge, Current Affairs, Logical Reasoning, Basic Aptitude, and General English—and was conducted in an individual format. A total of 74 students participated in the competition, which consisted of three rounds.

In the first round (50 marks), three participants secured full marks, while many others scored above 40 and advanced to the second round. The second round (10 marks) shortlisted four top performers for the final stage. The third round (5 marks) determined the winners. F. Kishore (I Year Geology) secured first place with 4 marks, followed by S. Sheik Farith (I Year Geology) with 3 marks, and M. Roshini (I Year Geology) with 2 marks.

The winners received cash prizes of ₹ 1,000, rupee symbol font500, and rupee symbol font250 respectively. Notably, all three winners were from the first-year Geology department, reflecting the department's strong academic foundation and interdisciplinary aptitude. The event was coordinated by the Quiz Club under the leadership of Dr. K. Bhagyasri, Assistant Professor, Department of Maths and Dr. P. Nainar Sumathi,Assistant Professor (SS), Department of English. The competition fostered healthy academic engagement and encouraged students to participate in future scholarly activities

Gender Equality Guest Lecture

The Gender Club and Equal Opportunity Centre of our College organized a guest lecture titled "**பண்பால் உயர்வோம்**" on 17.03.2026 at the Library Hall. The programme began with a welcome address by S. Lavanyasri. The Chief Guest, Dr. K. Bhuvaneshwari, delivered an inspiring lecture on moral values, gender equality, and women's empowerment. The program me was presided over by Dr. D. Muthuramakrishnan,

Principal (i/c), and concluded with a vote of thanks by M. Sriprasanna. The event created awareness and inspired students towards responsible and value-based living.

Journal Club Practicum (02.03.2026)

The PG & Research Department of English in our College organized a Journal Club practicum titled "Engage, Learn, Excel" on 02 March 2026 at 11:45 AM in the GD Hall. The programme focused on interactive language games integrated with e-learning activities to create an engaging academic experience. Students from the Departments of English and Computer Science participated, promoting interdisciplinary learning. The session, themed "Language Games" with the slogan "Learning is fun!", featured activities such as translation exercises, vocabulary games, tongue-twisters, Gen Z slang interpretations, and a literary quiz on novels and characters. The activities were conducted by II M.A. English students—Ms. Swarna Bairavi, Logeswari, Sindhuja, and Bhuvana—who actively facilitated the session. The programme was coordinated by Dr. P. Nainar Sumathi under the guidance of Prof. M. S. Balamurugam, Head of the Department, with institutional support from Dr. D. Muthuramakrishnan, Principal (i/c), and Shri K. Raghunathan, Secretary. The practicum successfully enhanced linguistic skills, critical thinking, and student engagement through innovative and interactive learning methods.

Writers' Forum

The Writers' Forum of the PG & Research Department of English, National College (Autonomous), Tiruchirappalli, organized a Workshop on "Academic Writing with AI" on 7 January 2026 at Library AV Hall. The workshop aimed to familiarize students and research scholars with the ethical and effective use of Artificial Intelligence in academic writing and research practices. Dr. S. Subash, Soft Skills Trainer, Human Resource Development Centre, Dhanalakshmi Srinivasan University, Tiruchirappalli,

served as the resource person and delivered an engaging lecture on the integration of AI tools in academic and research writing. He explained how AI-assisted tools can support students in drafting, editing, improving clarity, coherence, and organizing research papers while maintaining originality and academic integrity. He also stressed the importance of responsible and critical use of AI in higher education and encouraged participants to use technology wisely to enhance academic productivity and research quality. The workshop also included with the prize distribution for various competitions organized by the Writers' Forum and Shakespeare Publication. Prizes were distributed to outstanding participants during the programme. Conducted under the guidance of Dr. D. Muthuramakrishnan, Principal i/c, with the coordination of Dr. Preya M.N.V.

and Prof. M.S. Balamurugan, Head of the Department of English, the event witnessed active participation from students and research scholars. A total of 95 participants attended the workshop, which proved to be highly informative and beneficial in streng thening academic writing skills in the contemporary AI-assisted learning environment.

The Writers' Forum of the PG & Research Depart ment of English, National College (Autonomous), Tiruchirappalli, organized Creative Writing Competitions on 13 March 2026 at the Department of English. The event aimed to encourage students to express their creativity and enhance their literary and language skills through Story Writing and Poetry Writing competitions in English. For the Story Writing competition, participants were given the thought-provoking topic, "Some friends walk into your life like strangers, but leave footprints on your heart forever. I never knew that the quiet boy in the last bench would become the reason for my strongest memories," which inspired students to explore themes of friendship, memories, and emotions

creatively. The Poetry Writing competition provided students with an opportunity to present their imagination and artistic expression through verse. The participants showcased creativity, effective language use, and strong narrative and poetic skills during the one-hour event. Organized under the coordination of Dr. Preya M.N.V., the programme served as a valuable platform for nurturing creative expression, building confidence, and promoting interest in English literature and writing. Overall, the competition was informative, inspiring, and contributed to the overall academic and co-curricular development of the students.

The Writers' Forum of the PG & Research Department of English, National College (Auto nomous), Tiruchirappalli, organized a Valedictory Meeting on 18 March 2026 at the Library AV Hall on the topic "The Effective Use of English in the Modern World." The programme was coordinated by Dr. Preya M.N.V. and focused on enhancing students' awareness of the importance of English communi cation skills in academic, professional, and social contexts. Dr. V. Sekhar, Associate Professor (Retd), Department of English, National College (Autonomous), Tiruchirappalli, delivered an insightful lecture emphasizing the role of English as a global

language in education, employment, media, and interpersonal communication. He highlighted the need for students to develop vocabulary, pronunciation, fluency, and confidence in speaking and writing English to meet the demands of the modern world. He also encouraged students to cultivate reading habits and actively participate in literary activities to improve their communication skills and critical thinking abilities.

The programme also included a Prize Distribution ceremony for the winners of the Creative Writing in English Competition conducted by the Writers' Forum. Prof. M.S. Balamurugan, Head of the Department, and Dr. D. Muthuramakrishnan, Principal i/c, presided over the programme. The event concluded with a vote of thanks proposed by Miss Aishwarya B, II B.A. English. The event was efficiently compered by Miss Kaviya P S, III B.A. English.. A total of 39 participants attended the programme, making the valedictory meeting a meaningful and successful conclusion to the Writers' Forum activities.

Drama Club
TRAINING PROGRAMME FOR FEZ CAU

A Training Programme under National Theatres was organized by the PG & Research Department of English, in preparation for the Inter-College Competition FEZ CAU 2026- an inter college competition organized by the Department of English, Cauvery College, Trichy.. The programme focused on enhancing students' skills in stagecraft and performance. It was conducted on 2nd February 2026 at 10:30 a.m. in the Department of English. The workshop aimed to provide practical exposure to theatrical techniques, including acting, voice modulation, and stage management. Students from the department of English actively participated, making the session interactive and engaging. The initiative highlighted the importance of theatre as a medium for creative expression and communication. Ms. D. Divya Priya, research scholar, Department of English, served as resource person and trained the participants by imparting the nuances of stagecraft and performance. Dr. V. Srividhya coordinated the programme, ensuring its smooth execution. Prof. M. S. Balamurugan, Head of the Department of English, played a key role in guiding the academic aspects of the event. The programme was held under the leadership of Dr. D. Muthuramkrishnan, Principal i/c, with support from Shri K. Raghunathan, Secretary.

Overall, the training programme successfully prepared participants for the upcoming inter-college competition and strengthened their confidence in theatrical performance.

MOVIE REVIEW

The Movie Review Programme was organized by the PG and Research Department of English and Drama Club on 26th March 2026 for II BA English students. It was conducted at the Visitor's Lounge as

part of an academic activity linked to the Children's Literature syllabus. The Resource Person, Dr. J. Karthikeyan, Assistant Professor, Department of English, highlighted the importance of reviewing a movie and discussed the key components of a movie review. The programme focused on the film adaptation of Harry Potter and the Prisoner of

Azkaban to deepen students' understanding of the prescribed text.

Students watched the film and analyzed how the novel was adapted into a cinematic form. Key aspects such as characterization, themes, plot structure, and visual storytelling were closely examined. The session encouraged students to identify similarities and differences between the book and the film.

Interactive discussions followed the screening, where students evaluated cinematic techniques like cinematography, background score, setting, and special effects. The programme organized by Dr. V. Srividhya successfully blended literature and cinema, fostering an experimental approach to understanding both textual and visual narratives.

VALEDICTION OF DRAMA CLUB

The Valediction Ceremony of National Theatres was organized by the PG and Research Department of English on 13th March 2026 at the Department of English, marking the conclusion of the theatre training initiatives. The chief highlight was an invited talk by Srishruti Viswanath on "From Script to Stage: The Magic of Theatrics in Storytelling," where she explained the transformation of written texts into live performances and shared contemporary storytelling approaches.

Students presented performances demonstrating their training outcomes: Swathi (I MA) recited The Solitary Reaper, V. Bharathi (I MA) performed the Sleepwalking Soliloquy, and Jeremiah Jeyaraj S (I MA) delivered a mono-acting piece on Dr. Jekyll and Hyde. The session also emphasized script development, character construction, dialogue delivery, and performative elements, with active student interaction enhancing learning.

Participants of intra- and inter-collegiate competitions were honoured with shields and

certificates, recognizing their achievements. Coordinator Dr. V. Srividhya efficiently organised the event.

TRAINING PROGRAMME FOR MUSE 2026

A two-day Training Programme under the Aegis of National Theatres was organized by the PG & Research Department of English in preparation for the Inter-College Competition MUSES 2026- an inter college competitions organized by the Department of English, Jamal Mohamed College Trichy. The workshop was conducted on 9th and 10th February 2026 from 10:30 a.m. to 1:30 p.m. at the Department of English. The programme focused on stagecraft and performance, aiming to equip students with essential theatrical skills such as acting techniques, voice modulation, characterization, and stage management. Participants were given practical training and opportunities to engage in performance-based activities, which enhanced their confidence and creativity. Mr. V. Dineshraja and Mr. M. Sundhararperumal, Research scholars of the

department, served as resource persons, imparting their expertise with clarity and enthusiasm while adeptly guiding the participants through the intricacies of stagecraft and performance.

The event was coordinated by Dr. V. Srividhya, who ensured the effective organization of the sessions.

Academic guidance was provided by Prof. M. S. Balamurugan, Head of the Department of English. The programme was conducted under the leadership of Dr. D. Muthuramkrishnan, Principal i/c, with the support of Shri K. Raghunathan, Secretary.

COMPUTER CLUB

The PG & Research Department of Computer Science and the Department of Data Science conducted the Computer Club Activity-I on 11.12.2025 in Computer Laboratory–II. The Computer Club successfully organized a quiz competition using the Nearpod application to promote computing skills among students. The event encouraged participants to enhance their technical knowledge and problem-solving abilities. Students gained hands-on experience with digital platforms and improved their computing skills.The programme was organized under the guidance of Dr. P. S. S. Akilashri, Head of the Department, and coordinated by Prof. T. Malathi, Assistant Professor, Department of Computer Science. The PG & Research Department of Computer Science conducted the Computer Club Activity–II on 22.01.2026 in Computer Laboratory–II. The Computer Club organized a quiz competition using the Nearpod application to promote computing skills among students. The event encouraged participants to enhance their technical knowledge and problem-solving abilities. Students gained hands-on experience with digital platforms and improved their computing skills.The programme was organized under the guidance of Dr. P. S. S. Akilashri, Head of the Department, and coordinated by Prof. T. Malathi, Coordinator of the Computer Club.

STUDENT INTERACTIVE PROGRAMME

The PG & Research Department of English, organized a vibrant student interactive programme titled “Bridging Minds & Building Futures: Shaping Professions Beyond the Classroom” on 25 February 2026 at the GD Hall, Placement Office.

The event witnessed the enthusiastic participation of 19 students from the PG & Research Department of English, St. Joseph’s College, Tiruchirappalli, fostering academic exchange and collaborative learning. Dr. S. Maha warmly welcomed the visiting students and delivered an inspiring inaugural address, emphasizing the importance of intercollegiate interaction and professional growth beyond classroom boundaries.

The overall coordination of the event was efficiently carried out by Dr. J. Karthikeyan. The interactive sessions were creatively designed and conducted by the II M.A. English students of National College—Ms. Swarna Bairavi, Ms. Bhuvana, Ms. Logeswari, and Ms. Sinduja. Through thoughtfully planned activities, they actively engaged the participants in sessions that combined enjoyment with meaningful learning, while promoting teamwork, communication, and interpersonal skills. The programme provided a dynamic platform for discussion, networking, and skill development, aligning with its focus on scholarships, career opportunities, and professional growth. The participants benefited from the exchange of ideas and experiences, which encouraged greater awareness of academic and professional prospects beyond the classroom. Principal Dr. D. Muthuramakrishnan appreciated the visiting students for their active involvement and commended the PG & Research Department of English, National College, for successfully organizing a purposeful and enriching academic interaction. Prof. S. Rajalakshmi proposed the vote of thanks. The programme concluded on a positive note, strengthening intercollegiate ties and inspiring students to pursue future opportunities with confidence and vision.

தொழில்நுட்ப மையங்களாக புதிய தலைமுறை நூலகங்கள்

திருச்சி, ஜன. 29: தொழில்நுட்ப – ஆராய்ச்சி மையங்களாக புதிய தலைமுறை நூலகங்கள் திகழ்கின்றன என்று இலங்கை கிழக்குப் பல்கலைக்கழகத் துணைவேந்தர் பிரதீபன் குறிப்பிட்டார்.

மத்திய அரசின் கலாசாரத் துறை, ராஜா ராம் மோகன்ராய் நூலக அறக்கட்டளை, திருச்சி தேசியக் கல்லூரியின் நூலகம் மற்றும் தகவல் அறிவியல் துறை ஆகியவை இணைந்து, அறிவாற்றல் வளர்ச்சிக்கும், வாழ்நாள் முழுவதும் கற்றலுக்குமான புதிய தலைமுறை நூலகங்கள் என்ற தலைப்பில் 2 நாள் பன்னாட்டு கருத்தரங்கை தேசியக் கல்லூரியில் நடத்துகின்றன.

இக்கருத்தரங்கில் தொடக்க நிகழ்வு வியாழக்கிழமை காலை நடைபெற்றது. கல்லூரி முதல்வர் த. முத்துராமகிருஷ்ணன் தலைமை வகித்தார். கருத்தரங்கை தொடங்கிவைத்து

Min presents PhD thesis on AI-driven physical activity for students

EXPRESS NEWS SERVICE
@ Tiruchy

SCHOOL Education Minister [illegible]ozhi, [illegible]or his [illegible]onday [illegible]dings [illegible]chine [illegible]nents [illegible]activi- [illegible]olistic [illegible]chil- [illegible]viva- [illegible]ollege [illegible]been [illegible]2021 [illegible]itled [illegible]ll De- [illegible]chine [illegible]ed on [illegible]e col- [illegible]is re-search was supervised by T Prasanna Balaji, deputy principal and director of the Department of Physical Education at National College, while S Thirumalai Kumar of TN Physical Education and Sports University served as the external examiner.

During his 30-minute presentation, the minister explained how structured physical education activities could enhance academic performance, communication skills and behavioural development among students across government, government-aided and private schools. His study employed AI-driven machine learning tools to assess the impact of physical activity on children's cognitive, social and overall growth.

The public viva saw Poyyamozhi emphasise that physical education continues to be undervalued in mainstream schooling despite its proven role in improving student engagement and learning outcomes. Senior officials, including principal school education secretary Dr B Chandra Mohan and Tiruchy collector V Saravanan, attended the session. The evaluation report will now be forwarded to Bharathidasan University for final approval.

This issue is sponsored by the Alumni Association of National College, Tiruchirappalli.
