## THE CREST & THE MOTTO

The Crest, the Motto as well as the Verse from Thirukkural, which adorn and express our lives here, also indicate in a large measure what the College represents. The quotation from Thirukkural reads:

From deep pools rise the long-stalked flowers,  
So rise from depth of soul men's powers.

வெள்ளத் தனைய மலர்நீட்டம் மாந்தர்தம்  
உள்ளத் தனைய(து) உயர்வு - திருக்குறள்

And the Verse containing the Motto thus :

“Saa Vidyaa Yaa Vimukthayea ”

ஸா வித்யா யா விமுக்தயே (விஷ்ணுபுராணம்)

“That alone is Knowledge which liberates”

- The Crest shows the Sun rising above the waters and helping the Lotus to blossom. The Sun and the Lotus are mystic symbols in our faith, associated with different methods of God-realization.
- All the three, the Crest, the Motto and the Verse from Thirukkural stress the basis of religion for true education. All the best tenets of our religion are implied in these: fearlessness, non-violence, pursuit of truth, tolerance, and the genius of assimilation.

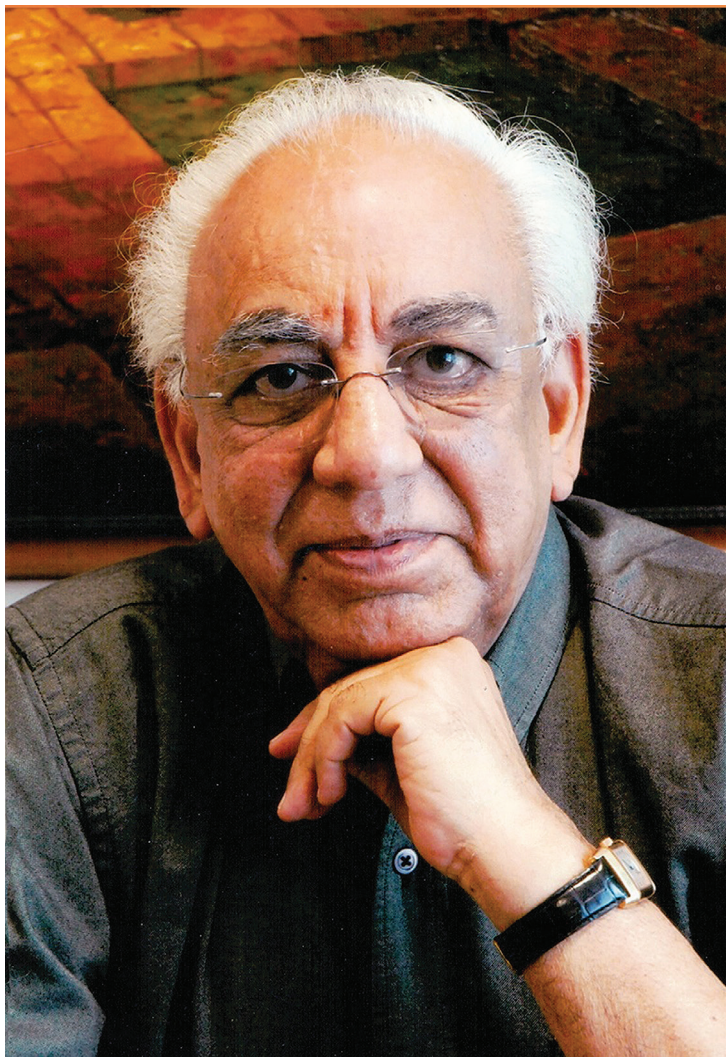

## VISION

- To offer quality Higher Education to the younger generations, especially from the rural India, who are economically and socially backward, to liberate themselves from prejudice, oppression and ignorance and to gain knowledge for their bright future.

## MISSION

- To ignite the young minds with lofty ideals and inspire them to achieve excellence in the chosen field.
- To facilitate individual growth of students, with accent on character building, through co-curricular and extra-curricular activities.
- To encourage the students to take-up research and help them reach global standards.
- To provide a congenial atmosphere to study and to learn, with infrastructural facilities of high standards.
- To instill in the minds of the students, the sense of Nationalism and to train them in social awareness

# NATIONAL COLLEGE

## - A SKETCH

**N**ational College, Tiruchirappalli came in to being in June, 1919, thanks to the munificence of the late Diwan Bahadur S. Rm. CT. Pethachi Chettiar, Zamaindar of Andipatti and the collective initiative and zeal of Justice T.V. Seshagiri Iyer, Sir. T. Desikachariar, N.D. Subbarama Iyer and Sri. Sivarama Krishna Iyer and a galaxy of eminent public men. The College has its origin in the National High School founded on 11th June 1886.

The founders conceived the idea of a National Institution to promote among the youth, the loftiest ideals that constitute the essence of Indian culture and nationalism. True to its name, National College continues to impart cultural values and fulfill its role as one of the country's premiere nation-building institutions. Under the stewardship of eminent scholars and administrators as its principals and secretaries, the college has become a seat for higher education and has earned a reputation for its high educational standards.

The college functioned on the Teppakkulam campus for nearly four decades, starting from 1919. On July 8, 1959, the college started functioning from the present campus, close to the railway junction on the Tiruchirappalli-Dindigul Highway.

The college celebrated its golden jubilee in 1959. The Diamond Jubilee of the College was celebrated in the year 1980-81 under the presidentship of Hon'ble Shri R. Venkataraman, the most distinguished alumnus, the then Minister of Finance, Government of India, who later became the President of India. The Platinum Jubilee was celebrated in 1995 under the presidentship of Dr. V.R. Muthukaruppan, the then Vice-Chancellor of Bharathidasan University, Tiruchirappalli.

The National Evening College emerged in 1978 to cater to the higher educational needs of employed youths. The 'Evening College' transitioned into the 'Unaided Programmes' in the academic year 2005-06. The 'aided' and the 'unaided' programs coexist now.

The college introduced a co-education pattern in the year 2007 to fulfill its social commitment to the education of girls in the area of higher education.

The college offers **sixteen** postgraduate and **twenty-eight** undergraduate programs, apart from job-oriented programs. Fifteen departments offer research programmes leading to Ph.D degree. The staff members vie with each other to produce quality research publications.

The National Assessment and Accreditation Council (NAAC), accredited the college at 'A' level in the first and second cycle (2005 & 2011), **'A+' in the third cycle (2016)** and **'A' level in the fourth cycle (2025)**. The University Grants Commission (UGC) conferred "Autonomous" status in 2010 and conferred the status of "College with Potential for Excellence" in 2011. The MHRD, Government of India, has identified the College under the Study in India (SII) Programme to admit foreign students in various academic programs.

The managing agency - National College council - was trifurcated in 2004 and the newly formed society namely "Academy of Higher Education" became the managing agency for the National College and Sesha Iyengar Memorial Higher Secondary School.

A new era of development started in the college from 2010 after Padma Vibhushan Dr. V. Krishnamurthy assumed office as the President of the College Committee. The ubiquitous infrastructure facility that dots the college campus now is the testimony to his selfless contribution. Recognizing his contribution, the name of managing agency was rechristened as "Dr. V. Krishnamurthy Educational Foundation" in 2017. The managing agency also started Rajam Krishnamurthy Public School in the year 2019.

The College celebrated the Centenary Year with all grandeur under the presidentship of Dr. V. Krishnamurthy. The celebration comprised a number of events and spanned the whole academic year 2019–2020. The Hon'ble Vice President of India Shri M. Venkaiah Naidu inaugurated the Centenary Celebrations on January 10, 2020. It was a momentous occasion for students, staff, alumni and retired staff who gathered there in several thousands.

The college is now being managed by a committee consisting of fourteen members with Sri. Jayakar Krishnamurthy as its president and Sri K. Raghunathan as its secretary. The college has **253** faculty members, **84** supporting staff, and **4090 students**.

The management is envisioned to provide a wholesome education from Pre-KG class to Ph.D degree under the auspicious of "Dr. V. Krishnamurthy Educational Foundation".

An additional fee of Rs.50/- with a fine of Rs.10/- per day of delay is to be paid before the 30th working day, for the payment of the tuition fee with fine (vide. Paragraph No.3, also). The names are liable to be struck off the rolls, after that. On the discretion of the Principal, the student may be re-admitted by the payment of full fees, with re-admission fee and late fee, as per the norms. Absence from the college, with or without the sanction of the Principal, shall not be deemed as an excuse for not paying the fees, before the stipulated period.

### 2. SCHOLARSHIPS / STIPEND / FINANCIAL ASSISTANCE / FEE CONCESSIONS

- ✦ State Government Scholarships for BC/MBC/DNC/SC/ST.
- ✦ Government of India Scholarships Central Sector Scheme – National scholarship portal <http://scholarships.gov.in>.

The required percentage in attendance is one of the essential criteria for applying/sanctioning/renewal of the scholarship, apart from an excellent scoring at the previous level of study (+2 /Degree). A few more scholarships are also made available from time to time. Students are to get updated by carefully perceiving the notice board, and the circulars/announcements from the Principal or other.

### 3. ATTENDANCE

Attendance is marked at the advent of every hour. Students coming late may not be marked attendance for that hour. Also, those who are not inside the class-room/lab may not be marked the attendance. They have to seek the permission of the concerned Class Teacher and the Head of the Department, which will ultimately be sanctioned only by the Principal. The students are to apply for leave of absence, much earlier, to avoid embarrassment (vide. Rules, Regulations and Instructions). Absence for more than six working days may cause the name to be struck off the rolls. They may be re-admitted, at the

discretion of the Principal. Abstaining from the periodical tests/ examinations would tell upon the attendance and internal assessment. Only those who have 75% or more of the total attendance will be permitted to appear for the Semester Examinations. And Attendance Certificates are issued only to those who have proven integrity. Any appeal for exemption from the production of Attendance Certificate is considered, if only the Principal is convinced about the fact that the lapse is beyond the control of the student. The number of working days per semester is not less than 90 days. Hence the students are advised to secure 75% of attendance, in each course, in which he/ she is going to appear for the examination. Those who fail to do so, would have to re-do the concerned course and/ or semester(s), after the completion of the whole programme.

Fourth	Alphabet	A / S	(See below)
Fifth and Sixth	Numerical	20	Year of Admission
Seventh, Eighth and Ninth	Numeric	001	Roll Order

U = Undergraduate

R = Ph.D.,

S = Unaided Programme

P = Postgraduate

A = Aided Programme

## **CHOICE BASED CREDIT SYSTEM (CBCS) & OUTCOME BASED EDUCATION (OBE)**

All the programmes offered by the College come under CBCS and OBE. It helps the students to keep pace with the latest developments and trends in higher education in compliance with the assurance of quality in liberalisation and globalisation. This came into effect from the year 2005-06, as per the guidelines of the affiliating university. A restructured syllabus is introduced from the year 2010, as the college became autonomous, at all levels of U.G. and P.G. Programmes. The structure and syllabi are subjected to revision at least once in three years or as and when required.

The University Grants Commission (UGC) has initiated the mission of improving the quality of higher education in India through its Quality Mandate in the year 2018. This aims to fill the gap in acquiring degree and attain the level of employability. Therefore, it took the drive for developing Learning Outcomes based Curriculum Framework (LOCF) under the international standards of Outcome Based Education (OBE).

Learning in this pattern, Bachelor's Degrees are awarded on the basis of demonstrated achievement of outcomes (expressed in terms of knowledge, understanding, skills, attitudes and values) and academic standards expected of graduates of a programme of study. Learning outcomes specify what exactly the graduates are expected to know after completing a particular programme of study, understand and capable of doing what they ascertain at the end of their programme of study. The expected learning outcomes are used as reference points that would help formulate graduate attributes, qualification descriptors, programme learning outcomes and course learning outcomes which, in turn will help in curriculum planning & development, and in the design, delivery and review of academic programmes. They provide general guidance for articulating the essential learning associated with programmes of study and courses within a programme.

Keeping in mind the approach of the UGC on LOCF and by its directions, our College, through its august Academic Council, decided to implement OBE in the curriculum from the academic year 2019-20 onwards.

### **CREDITS**

The term 'Credit', refers to the weightage given to a course, usually in relation to the instructional hours and content of the course assigned to it. The total minimum credits, required for completing U.G. Programme, and PG Programmes are 140 and 90 respectively. Details of credits for individual components and individual courses are to be obtained from the programme structure / syllabus found in the college website.

- ✦ Look for the important dates, announced by the Principal. Mark them in your Handbook. Stick to the schedule.

However, you may, with 60% to 74% of attendance, condone the examinations, only on genuine reasons based on the Medical Certificate issued by the competent authority. If you have less than 60% of the attendance, you are not eligible for the examinations. You are to re-do the concerned semester/semesters after the completion of the entire programme of study.
- ✦ Update the College office staff (Aided / Unaided) for Attendance, with your 'On duty' attendance certificates, well in advance. Late submission of attendance certificates would not be honored. Be an early bird. Seek the advice of your Tutor/Head of the Department.
- ✦ Do all your examination-related work by yourself. Don't designate this work to your friends or relatives. They may err.
- ✦ Pay all the fees due, to the college office or the online banking services, whichever the office demands. The application form for examination would open for you in the online-portal of the Controller of Examinations, if only these conditions are met with. Keep all the fee-receipts handy.
- ✦ If you are in the first semester, tick mark (✓) your Language Course (French/Hindi/Tamil/Sanskrit) in the Examination application form,

available online in the college website. Take a print-out and keep it for future reference. Don't forget.

- ✦ If you are in the other semesters, tick mark (✓) the courses you are going to appear, including the arrear courses, if any, in the application form, available online from the college website. Pay the fees for the arrear courses.
- ✦ The Principal shall announce the date for the release of the Hall Tickets. Visit the college website, follow the instructions therein, and take a print-out of the hall-ticket. Verify your photograph and other details therein. Your access to this portal is limited to a specific period, beyond which it will be closed. And those who fail to download and bring the print-out of the hall ticket to the examination, along with the identity card, are not permitted to appear for the examination. - ✦ You are denied admission to examination, if you arrive late.
- ✦ You are to remain in the hall for the entire period of the examination.
- ✦ Take the signature of the invigilator on all your answer papers. Verify your register number in the attendance sheet. Put your signature, at the appropriate place.

- ✦ Don't walk along the corridors or loiter in the campus, during the examinations.
- ✦ Hand over your answer papers, securely fastened, to the Invigilator. Leave the hall only when directed to do so, by the invigilator.
